Flagship Program Directors

We are pleased to introduce our program directors. Our strategic plan commits us to excellence in five subject matter areas (environmental and natural resources law, international law, workplace law, constitutional rights and remedies, and business and commercial law), as well as in experiential learning (including our clinic and lawyering process programs). Under the plan, these program directors will have an outward, as well as an internal focus: In addition to developing curriculum in their area, the program directors will build bridges between the Sturm College of Law and the practicing bar, other law schools, and the community.

- Rachel Arnow-Richman: Workplace Law Program
- Jay Brown: Corporate Law & Commercial Transactions Program
- Alan Chen: Constitutional Rights Program
- Ved Nanda: International Legal Studies Program
- Don Smith: Environmental & Natural Resources Law Program
