## ALUMNI RESOURCES

### ***The University of Denver Colorado Law Project***

In Colorado, as in most states, direct access to legal information is limited by a number of factors. Some of those factors include the location of law libraries, access to legal collections and databases, ability to pay for fee based services, the sophistication of the information seeker's searching ability, and familiarity and understanding of legal information and processes. Because of these barriers and the nature of today's e-society, many people turn to the Internet for answers. Responding to this need, the University of Denver launched the [Colorado Law Project](#), the premier online gateway to Colorado's legal information and resources for use by the general public.

### ***The Alumni Volunteer Network Online***

The Alumni Volunteer Network (AVN) program enables students to contact participating alumni and discuss specific practice areas, the legal profession in other cities and the overall benefits (and drawbacks) of a career in law. This program is a wonderful way to assist the next generation of DU Law alumni. Please visit the [Alumni Volunteer Network website](#) to register.

### ***Keep up with DU Law Faculty Research***

The Sturm College of Law recently joined the Social Science Research Network (SSRN), an on-line network of research databases that distributes information about scholarly research throughout the world. Subscribers to the DU Law Legal Studies Research Paper Series receive periodic email updates with the titles and abstracts of both finished articles and draft articles written by DU Law faculty. This is a quick and easy way to keep up to date on the most current research being conducted and disseminated by our faculty scholars. If you would like to subscribe to this FREE service, please visit the [SSRN website](#). If you have any questions about subscribing, please contact the Manager of Educational Technology, [Jessica Hogan](#).

### ***Legal Externship Program***

With more than 400 placements a year, the University of Denver Sturm College of Law's Legal Externship Program is an effective and comprehensive bridge to take students from law student to lawyer. Externs work with corporate in-house counsel, private firms, government and non-profit agencies, as well as with judges at all levels. The program welcomes new mentors. For more information please visit the [Externship Program Website](#).

### ***Legislative Process Digital Collection***

The Westminster Law Library at the University of Denver Sturm College of Law is proud to announce the release of a new digital collection, [Access for All: Providing a Window to the Legislative Process for Colorado's Citizens](#). This site provides searchable access to all Colorado Legislative Council Research Publications, links to relevant legislation for newer publications, and information on performing legislative history research at the state and federal level. For more information, please visit the [Westminster Law Library](#).

### ***Stay connected with your classmates and other DU alumni***

If you're a registered member of DU's free alumni online community, you can update your contact information, find other DU alumni, "bookmark" your alumni friends and classmates, and submit class notes. [Registration Link](#).
