EXPERIENCE

Mr. Rodrigo has specialized in Mining and Environmental Law, Foreign Investment, Mergers and Acquisitions, Corporate and Tax Law.

His professional practice is fundamentally related to advising mining and natural resources companies regarding their exploration, exploitation and corporate development activities.

Mr. Rodrigo is a Director of important mining companies which carry out operations in our country and provides professional advice to major mining multinationals and also mid-tier and junior companies of several countries in their operations in Peru.

He has been in charge of counseling several foreign companies in the acquisition of equity and companies which carry out operations in our country, having ample experience in structuring said operations and their international financing.

He has also negotiated several investment and stability agreements with the Government, joint venture agreements and the like for the exploration and/or exploitation of natural resources, shareholders' agreements for mining operations, and has also participated in many privatization processes regarding enterprises or assets in the area of natural resources.
