

Environmental and Natural Resources Law Advanced Degree Program

**PETITION TO BE AWARDED SPECIALIZATION**

You may apply for a maximum of two specializations. Complete all information requested and attach such documentation as may be indicated below. Sign and date the petition and submit it in hard copy form to the Director of Graduate Studies.

You must have completed four (4) listed courses for each specialization including at least two core courses marked with a \*. Courses taken toward a JD degree do not qualify.

The Director of Graduate Studies may approve, in exceptional circumstances, the substitution of one unlisted course toward each specialization. If you are applying to have such a course approved, attach a detailed written note specifying how the course (such as an internship) is related to the area of specialization.
