

The Joint Certificate in International Law & Human Rights can be completed at no additional cost for students enrolled in the MA program at Korbel and at a slightly increased cost for students enrolled in the JD program at the Law School. Because of varying tuition rates and billing schedules, bills for students in this program will look different from those of students just taking courses in one college/school.

Korbel Students taking Law Classes

Korbel students are required to complete 92 quarter credits to receive their MA and Joint Certificate; up to 15 quarter credits (10 semester credits) of Law coursework can transfer toward the MA. Korbel students can complete the joint certificate at no additional cost to their MA degree. Tuition for the program is charged as follows:

- Korbel students in the program are charged the flat-rate tuition, currently \$14,388, so long as they are enrolled in the equivalent of 12-18 quarter credits. *Equivalent quarter credits* are calculated by adding a student’s enrolled credit hours at Korbel to 1.5 times the credit hours enrolled at the law school.
- Students enrolled in less than 12 equivalent quarter credits will be charged tuition on a per credit basis based on the courses they are taking. Tuition rates for the 2015-16 academic year are \$1,199 per credit at Korbel and \$1,474 per credit at the Law School.
- Students enrolled in more than 18 equivalent quarter credits are charged the flat rate plus a per credit rate (at the Korbel tuition rate) for any credits beyond 18 equivalent credits.

Example: A student enrolled in 10 Korbel credits and 3 Law credits is enrolled in 14.5 equivalent quarter credits ($10 + 3 * 1.5 = 10 + 4.5 = 14.5$).

Example: A student enrolled in 10 Korbel credits and 6 Law credits is enrolled in 19 equivalent quarter credits. This student would be charged the flat rate, plus 1 credit of Korbel tuition for their coursework: $\$14,388 + \$1,199 = \$15,587$.

Exception: In one (and only one) term, the flat rate tuition will cover up to 19.5 *equivalent quarter credits*.

Billing: Tuition will be charged for each credit a student is enrolled in for both the semester & quarter. Students can expect to receive both a bill for the semester & the quarter. A tuition waiver will be applied to the law coursework to reduce the tuition to the flat rate tuition, if the rate applies based on the student’s enrollment.

- Students enrolled for 12 or more credits at Korbel, will be charged the full amount of the flat rate tuition on the quarter and their law tuition will be fully paid by a tuition waiver.
- Students enrolled in less than 12 Korbel credits, will be charged a portion of the flat rate tuition on the quarter and the remaining amount on the semester.

- The tuition waiver will be awarded for up to 15 quarter credits (10 semester credits).
