- The Assignment

Did you enjoy this assignment? Why or why not?

- Yes. It was fun to do something creative for the first time in three years.
- I liked it because it gave me a chance to be imaginative. We don't get this in law school.
- Yes. It gave me an opportunity to think outside the box, be unstructured and have fun, which we haven't done for a long time.
- Yes. It reminded me that I DO have a creative side.
- Yes. It was nice to write something that did not require citations!
