

Finance Committee Minutes for 2-15-2010

Networking – a great idea. As long as it is available for all students, this is something that would substantially benefit all of our students. We are considering giving them \$500 initially. This will afford other organizations the opportunity to donate money towards the event. We also discussed giving them \$1,000, but as long as the events are held at times where evening students are able to attend. We are requesting Gayle to come answer questions at our SBA meeting before we vote on the actual amount.

Travel account – we voted to move \$2,000 from the general account to the travel account because the travel account only has about \$500 left in it.

ABA Spring meeting request – Cassandra Fava is requesting to be funded to attend the ABA spring circuit meeting in Phoenix, Arizona on Feb. 26-28, 2010. We voted to approve up to \$1,000 for her to attend the meeting. She is a current Lt. Governor, has attended both the national and regional meetings this year, and is running for Circuit Governor, who is elected at this meeting.
