## NRELS request

- The finance committee voted for full funding. The org. presented receipts and the amount per person was within our \$3 - \$4 guidelines.

## SELS request

- The finance committee voted to fund them at \$4 per person that attended. Since 30 people attended, this would make the total recommendation come to \$120. They requested \$152.60, so we are lowering the amount. They have a low balance \$89.51, but we are not aware of what future events they are going to held. Because of this, they can take the remaining \$32.60 from their org's account.

## ABA request (Cassandra Fava)

- Finance committee voted 4-1 to approve the full \$291.00 for her travel to New Orleans for training in her role as 15<sup>th</sup> circuit governor.
