

Finance Committee Minutes: 10/26/09

Student Org Requests:

BLS Request for 10/21 Lunch Meeting:

Requested: \$180 for 60 ppl est.

Committee Recommends: \$180 (Unanimous)

ICAA Request for travel to Vienna, Austria:

Requested: \$10,320 for 6 members to Vienna, Austria & Hong Kong, China

Discussion: We can only finance \$1,050 for three people one trip, and then an additional \$150 for a second trip.

Committee Recommends: \$1,050 for Vienna trip; org needs to request additional \$150 for the second trip. Money is contingent on actual travel; org will have to return in the spring if they do not travel. (Unanimous)

New Business:

Proposed Student Org Travel Funding Request Form:

Discussion: Org should have to provide a simple explanation of their balance and for which future events that money is designated. All members agree; language added.

Discussion: No need to add a deadline for form submission at this time; usually travel requests are submitted in a timely manner. Will revisit if it becomes a problem.

Approved (unanimous).

Jon H to notify orgs about the new form.
