- V. Senator Reports
 - a. Eric: Ongoing complaint about the law school hours. Can we petition the school in order to change the hours, possibly 24 hours?
 - i. John: Spoke to Joanna Patrick, whatever time the library opens, the law school opens about 30 minutes before that. Law school closes when the library closes. Students cannot gain access after midnight but for exams, they are going to change the hours. You can forward any sort of petition to me.
 - ii. Christina: The hours on the door of the library does not say they are open until midnight 7 days a week.
 - b. Dena: Concerns from 1Ls that they are stuck in their bubble of their sections and would like some sort of event for all the sections to get together and do something. They were looking for the support of SBA for people to make sure that this event is legitimate.
 - i. John: Talk to the social committee.
 - c. Shannon: STLA events are all at noon next week so evening students cannot attend any of these events. I think the amount of bonus that we give to student orgs to plan events so the night students can attend should be raised.
 - d. Chad: A professor brought up the idea that there is a drunk van where law students can be picked up for no fee.
 - i. Jason: Check with RTD.
 - ii. Christian: DU has DU Safe Ride.
 - iii. Melina: Safe Ride: (303) 475-1003; (303) 475-1194

- e. Cindy: Have AAPs use the sign ups through TWEN. Streamlining Blackboard and TWEN.
 - i. Chad: Is there ways for AAP to set up the TWEN site before the semester?

VI. Committee Reports

- a. Jason (Social Committee) Meetings Tuesdays at 4:15pm

VII. President's Report

- a. You should have all received information about the SBA retreat this weekend.
- b. I am looking at creating some sort of online forum for SBA Senators. An example would be using TWEN. Where we can e-mail to each other easily, post on discussion boards. This would be private just for those in the Senate.

VIII. Announcements

IX. Adjourn
