¹Section 7 of the Insider Trading and Securities Fraud Enforcement Act (15 U.S.C. 78b note; P.L. 100-704) contained the following additional provisions:

SEC. 7. SECURITIES LAWS STUDY.

(a) FINDINGS.—The Congress finds that—

- (1) recent disclosures of securities fraud and insider trading have caused public concern about the adequacy of Federal securities laws, rules, and regulations;
- (2) Federal securities laws, rules, and regulations have not undergone a comprehensive and exhaustive review since the advent of the modern international, institutionalized securities market;
- (3) since that review, the volume of securities transactions and the nature of the securities industry have changed dramatically; and
- (4) there is an important national interest in maintaining fair and orderly securities trading, assuring the fairness of securities transactions and markets and protecting investors.

(b) STUDY AND INVESTIGATION REQUIRED.—

(1) GENERAL REQUIREMENT.—The Securities and Exchange Commission shall, subject to the availability of funds appropriated pursuant to subsection (d), make a study and investigation of the adequacy of the Federal securities laws and rules and regulations thereunder for the protection of the public interest and the interests of investors.

(2) REQUIRED SUBJECTS FOR STUDY AND INVESTIGATION.—Such study and investigation shall include an analysis of—

(A) the extent of improper trading while in possession of insider information, such as trading with advance knowledge of tender offers or forthcoming announcements of material financial information;

(B) the adequacy of surveillance methods and technologies of brokers, dealers, and self-regulatory organizations;

(C) the adequacy of cooperation between the Federal, State, and foreign enforcement authorities concerning securities laws enforcement; and

(D) impediments to the fairness and orderliness of the securities markets and to improvements in the breadth and depth of the capital available to the securities markets, and additional methods to promote those objectives.

(3) CONDUCT OF STUDY AND INVESTIGATION.—In conducting the study and investigation required by this section, the Commission—

(A) may exercise any existing authority to gather information, including all power and authority the Commission would have if such investigation were being conducted pursuant to section 21 of the Securities Exchange Act of 1934;

changes and over-the-counter markets are affected with a national public interest which makes it necessary to provide for regulation and control of such transactions and of practices and matters related thereto, including transactions by officers, directors, and principal security holders, to require appropriate reports, to remove impediments to and perfect the mechanisms of a national market system for securities and a national system for the clearance and settlement of securities transactions and the safeguarding of securities and funds related thereto, and to impose requirements necessary to make such regulation and control reasonably complete and effective, in order to protect interstate commerce, the national credit, the Federal taxing power, to protect and make more effective the national banking system and Federal Reserve System, and to insure the maintenance of fair and honest markets in such transactions:

(1) Such transactions (a) are carried on in large volume by the public generally and in large part originate outside the States in which the exchanges and over-the-counter markets are located and/or are affected¹ by means of the mails and instrumentalities of interstate commerce; (b) constitute an important part of the current of interstate commerce; (c) involve in large part the securities of issuers engaged in interstate commerce; (d) involve the use of credit, directly affect the financing of trade, industry, and transportation in interstate commerce, and directly affect and influence the volume of interstate commerce; and affect the national credit.

(2) The prices established and offered in such transactions are generally disseminated and quoted throughout the United States and foreign countries and constitute a basis for determining and establishing the prices at which securities are bought and sold, the

(B) may consult with and obtain such assistance and information from other agencies in the executive and legislative branches of the Government (including the Department of Justice) as is necessary to enable the Commission to carry out this section;

(C) may appoint, without regard to the civil service laws, rules, and regulations, such personnel as the Commission deems advisable to carry out such study and investigation and to fix their respective rates of compensation without regard to such laws, rules, and regulations, but no such rate shall exceed the rate payable pursuant to section 5314 of title 5, United States Code; and

(D) may, on a reimbursable basis, use the services of personnel detailed to the Commission from any Federal agency.

(4) SUPPORT FROM OTHER AGENCIES.—(A) The head of any Federal agency—

etail employees to the Commission for the purposes of this section; and

(ii) shall provide to the Commission such information as it requires for the performance of its functions under this section, consistent with applicable law.

(B) The Comptroller General and the Director of the Office of Technology Assessment are authorized to assist the Commission in the performance of its functions under this section.

(c) REPORTS AND INFORMATION TO CONGRESS.—

(1) GENERAL REPORT.—The Commission shall report to the Congress on the results of its study and investigation within 18 months after the date funds to carry out this section are appropriated under subsection (d). Such report shall include the Commission's recommendations, including such recommendations for legislation as the Commission deems advisable.

(2) INTERIM INFORMATION TO CONGRESS.—The Commission shall keep the Committee on Energy and Commerce of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate, and the members thereof, fully informed on the progress of, and any impediments to completing, the study and investigation required by this section.

(e) DEFINITIONS.—As used in this section—

(1) the term "Commission" means the Securities and Exchange Commission; and

(2) the term "Federal securities laws" has the meaning given the term securities laws by section 3(a)(47) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a)(47)).

amount of certain taxes owing to the United States and to the several States by owners, buyers, and sellers of securities, and the value of collateral for bank loans.

(3) Frequently the prices of securities on such exchanges and markets are susceptible to manipulation and control, and the dissemination of such prices gives rise to excessive speculation, resulting in sudden and unreasonable fluctuations in the prices of securities which (a) cause alternately unreasonable expansion and unreasonable contraction of the volume of credit available for trade, transportation, and industry in interstate commerce, (b) hinder the proper appraisal of the value of securities and thus prevent a fair calculation of taxes owing to the United States and to the several States by owners, buyers, and sellers of securities, and (c) prevent the fair valuation of collateral for bank loans and/or obstruct the effective operation of the national banking system and Federal Reserve System.

(4) National emergencies, which produce widespread unemployment and the dislocation of trade, transportation, and industry, and which burden interstate commerce and adversely affect the general welfare, are precipitated, intensified, and prolonged by manipulation and sudden and unreasonable fluctuations of security prices and by excessive speculation on such exchanges and markets, and to meet such emergencies the Federal Government is put to such great expense as to burden the national credit.

Nothing in this section shall be deemed to supersede the provisions of section 556(b) of title 5, or to authorize the delegation of the function of rulemaking as defined in subchapter II of chapter 5 title 5, United States Code, with reference to general rules as distinguished from rules of particular applicability, or of the making of any rule pursuant to section 19(c) of this title.

(c) If the right to exercise such review is declined, or if no such review is sought within the time stated in the rules promulgated by the Commission, then the action of any such division of the Commission, individual Commissioner, administrative law judge, employee, or employee board, shall, for all purposes, including appeal or review thereof, be deemed the action of the Commission.

(a) **AUTHORITY TO CENSURE.**—The Commission may censure any person, or deny, temporarily or permanently, to any person the privilege of appearing or practicing before the Commission in any way, if that person is found by the Commission, after notice and opportunity for hearing in the matter—

TRANSACTIONS ON UNREGISTERED EXCHANGES

SEC. 5. [78e] It shall be unlawful for any broker, dealer, or exchange, directly or indirectly, to make use of the mails or any means or instrumentality of interstate commerce for the purpose of using any facility of an exchange within or subject to the jurisdiction of the United States to effect any transaction in a security, or to report any such transaction, unless such exchange (1) is registered as a national securities exchange under section 6 of this title, or (2) is exempted from such registration upon application by the exchange because, in the opinion of the Commission, by reason of the limited volume of transactions effected on such exchange, it is not practicable and not necessary or appropriate in the public interest or for the protection of investors to require such registration.

NATIONAL SECURITIES EXCHANGES

SEC. 6. [78f] (a) An exchange may be registered as a national securities exchange under the terms and conditions hereinafter provided in this section and in accordance with the provisions of

section 19(a) of this title, by filing with the Commission an application for registration in such form as the Commission, by rule, may prescribe containing the rules of the exchange and such other information and documents as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(b) An exchange shall not be registered as a national securities exchange unless the Commission determines that—

(1) Such exchange is so organized and has the capacity to be able to carry out the purposes of this title and to comply, and (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) to enforce compliance by its members and persons associated with its members, with the provisions of this title, the rules and regulations thereunder, and the rules of the exchange.

(2) Subject to the provisions of subsection (c) of this section, the rules of the exchange provide that any registered broker or dealer or natural person associated with a registered broker or dealer may become a member of such exchange and any person may become associated with a member thereof.

(3) The rules of the exchange assure a fair representation of its members in the selection of its directors and administration of its affairs and provide that one or more directors shall be representative of issuers and investors and not be associated with a member of the exchange, broker, or dealer.

(4) The rules of the exchange provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities.

(5) The rules of the exchange are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and are not designed to permit unfair discrimination between customers, issuers, brokers, or dealers, or to regulate by virtue of any authority conferred by this title matters not related to the purposes of this title or the administration of the exchange.

(6) The rules of the exchange provide that (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) its members and persons associated with its members shall be appropriately disciplined for violation of the provisions of this title, the rules or regulations thereunder, or the rules of the exchange, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a member, or any other fitting sanction.

(7) The rules of the exchange are in accordance with the provisions of subsection (d) of this section, and in general, provide a fair procedure for the disciplining of members and persons associated with members, the denial of membership to

any person seeking membership therein, the barring of any person from becoming associated with a member thereof, and the prohibition or limitation by the exchange of any person with respect to access to services offered by the exchange or a member thereof.

(8) The rules of the exchange do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(9) The rules of the exchange prohibit the listing of any security issued in a limited partnership rollup transaction (as such term is defined in paragraphs (4) and (5) of section 14(h)), unless such transaction was conducted in accordance with procedures designed to protect the rights of limited partners, including—

(A) the right of dissenting limited partners to one of the following:

(i) an appraisal and compensation;

(ii) retention of a security under substantially the same terms and conditions as the original issue;

(iii) approval of the limited partnership rollup transaction by not less than 75 percent of the outstanding securities of each of the participating limited partnerships;

(iv) the use of a committee of limited partners that is independent, as determined in accordance with rules prescribed by the exchange, of the general partner or sponsor, that has been approved by a majority of the outstanding units of each of the participating limited partnerships, and that has such authority as is necessary to protect the interest of limited partners, including the authority to hire independent advisors, to negotiate with the general partner or sponsor on behalf of the limited partners, and to make a recommendation to the limited partners with respect to the proposed transaction; or

(v) other comparable rights that are prescribed by rule by the exchange and that are designed to protect dissenting limited partners;

(B) the right not to have their voting power unfairly reduced or abridged;

(C) the right not to bear an unfair portion of the costs of a proposed limited partnership rollup transaction that is rejected; and

(D) restrictions on the conversion of contingent interests or fees into non-contingent interests or fees and restrictions on the receipt of a non-contingent equity interest in exchange for fees for services which have not yet been provided.

As used in this paragraph, the term “dissenting limited partner” means a person who, on the date on which soliciting material is mailed to investors, is a holder of a beneficial interest in a limited partnership that is the subject of a limited partnership rollup transaction, and who casts a vote against the transaction and complies with procedures established by the

exchange, except that for purposes of an exchange or tender offer, such person shall file an objection in writing under the rules of the exchange during the period during which the offer is outstanding.

(c)(1) A national securities exchange shall deny membership to (A) any person, other than a natural person, which is not a registered broker or dealer or (B) any natural person who is not, or is not associated with, a registered broker or dealer.

(2) A national securities exchange may, and in cases in which the Commission, by order, directs as necessary or appropriate in the public interest or for the protection of investors shall, deny membership to any registered broker or dealer or natural person associated with a registered broker or dealer, and bar from becoming associated with a member any person, who is subject to a statutory disqualification. A national securities exchange shall file notice with the Commission not less than thirty days prior to admitting any person to membership or permitting any person to become associated with a member, if the exchange knew, or in the exercise of reasonable care should have known, that such person was subject to a statutory disqualification. The notice shall be in such form and contain such information as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3)(A) A national securities exchange may deny membership to, or condition the membership of, a registered broker or dealer if (i) such broker or dealer does not meet such standards of financial responsibility or operational capability or such broker or dealer or any natural person associated with such broker or dealer does not meet such standards of training, experience, and competence as are prescribed by the rules of the exchange or (ii) such broker or dealer or person associated with such broker or dealer has engaged and there is a reasonable likelihood he may again engage in acts or practices inconsistent with just and equitable principles of trade. A national securities exchange may examine and verify the qualifications of an applicant to become a member and the natural persons associated with such an applicant in accordance with procedures established by the rules of the exchange.

(B) A national securities exchange may bar a natural person from becoming a member or associated with a member, or condition the membership of a natural person or association of a natural person with a member, if such natural person (i) does not meet such standards of training, experience, and competence as are prescribed by the rules of the exchange or (ii) has engaged and there is a reasonable likelihood he may again engage in acts or practices inconsistent with just and equitable principles of trade. A national securities exchange may examine and verify the qualifications of an applicant to become a person associated with a member in accordance with procedures established by the rules of the exchange and require any person associated with a member, or any class of such persons, to be registered with the exchange in accordance with procedures so established.

(C) A national securities exchange may bar any person from becoming associated with a member if such person does not agree (i) to supply the exchange with such information with respect to its

relationship and dealings with the member as may be specified in the rules of the exchange and (ii) to permit the examination of its books and records to verify the accuracy of any information so supplied.

(4) A national securities exchange may limit (A) the number of members of the exchange and (B) the number of members and designated representatives of members permitted to effect transactions on the floor of the exchange without the services of another person acting as broker: *Provided, however,* That no national securities exchange shall have the authority to decrease the number of memberships in such exchange, or the number of members and designated representatives of members permitted to effect transactions on the floor of such exchange without the services of another person acting as broker, below such number in effect on May 1, 1975, or the date such exchange was registered with the Commission, whichever is later: *And provided further,* That the Commission, in accordance with the provisions of section 19(c) of this title, may amend the rules of any national securities exchange to increase (but not to decrease) or to remove any limitation on the number of memberships in such exchange or the number of members or designated representatives of members permitted to effect transactions on the floor of the exchange without the services of another person acting as broker, if the Commission finds that such limitation imposes a burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(d)(1) In any proceeding by a national securities exchange to determine whether a member or person associated with a member should be disciplined (other than a summary proceeding pursuant to paragraph (3) of this subsection), the exchange shall bring specific charges, notify such member or person of, and give him an opportunity to defend against, such charges, and keep a record. A determination by the exchange to impose a disciplinary sanction shall be supported by a statement setting forth—

(A) any act or practice in which such member or person associated with a member has been found to have engaged, or which such member or person has been found to have omitted;

(B) the specific provision of this title, the rules or regulations thereunder, or the rules of the exchange which any such act or practice, or omission to act, is deemed to violate; and

(C) the sanction imposed and the reasons therefor.

(2) In any proceeding by a national securities exchange to determine whether a person shall be denied membership, barred from becoming associated with a member, or prohibited or limited with respect to access to services offered by the exchange or a member thereof (other than a summary proceeding pursuant to paragraph (3) of this subsection), the exchange shall notify such person of, and give him an opportunity to be heard upon, the specific grounds for denial, bar, or prohibition or limitation under consideration and keep a record. A determination by the exchange to deny membership, bar a person from becoming associated with a member, or prohibit or limit a person with respect to access to services offered by the exchange or a member thereof shall be supported by a statement setting forth the specific grounds on which the denial, bar, or prohibition or limitation is based.

(3) A national securities exchange may summarily (A) suspend a member or person associated with a member who has been and is expelled or suspended from any self-regulatory organization or barred or suspended from being associated with a member of any self-regulatory organization, (B) suspend a member who is in such financial or operating difficulty that the exchange determines and so notifies the Commission that the member cannot be permitted to continue to do business as a member with safety to investors, creditors, other members, or the exchange, or (C) limit or prohibit any person with respect to access to services offered by the exchange if subparagraph (A) or (B) of this paragraph is applicable to such person or, in the case of a person who is not a member, if the exchange determines that such person does not meet the qualification requirements or other prerequisites for such access and such person cannot be permitted to continue to have such access with safety to investors, creditors, members, or the exchange. Any person aggrieved by any such summary action shall be promptly afforded an opportunity for a hearing by the exchange in accordance with the provisions of paragraph (1) or (2) of this subsection. The Commission, by order, may stay any such summary action on its own motion or upon application by any person aggrieved thereby, if the Commission determines summarily or after notice and opportunity for hearing (which hearing may consist solely of the submission of affidavits or presentation of oral arguments) that such stay is consistent with the public interest and the protection of investors.

(e)(1) On and after the date of enactment of the Securities Acts Amendments of 1975, no national securities exchange may impose any schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by its members: *Provided, however*, That until May 1, 1976, the preceding provisions of this paragraph shall not prohibit any such exchange from imposing or fixing any schedule of commissions, allowances, discounts, or other fees to be charged by its members for acting as broker on the floor of the exchange or as odd-lot dealer: *And provided further*, That the Commission, in accordance with the provisions of section 19(b) of this title as modified by the provisions of paragraph (3) of this subsection, may—

(A) permit a national securities exchange, by rule, to impose a reasonable schedule or fix reasonable rates of commissions, allowances, discounts, or other fees to be charged by its members for effecting transactions on such exchange prior to November 1, 1976, if the Commission finds that such schedule or fixed rates of commissions, allowances, discounts, or other fees are in the public interest; and

(B) permit a national securities exchange, by rule, to impose a schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by its members for effecting transactions on such exchange after November 1, 1976, if the Commission finds that such schedule or fixed rates of commissions, allowances, discounts, or other fees (i) are reasonable in relation to the costs of providing the service for which such fees are charged (and the Commission publishes the standards employed in adjudging reasonableness) and (ii) do not impose

any burden on competition not necessary or appropriate in furtherance of the purposes of this title, taking into consideration the competitive effects of permitting such schedule or fixed rates weighed against the competitive effects of other lawful actions which the Commission is authorized to take under this title.

(2) Notwithstanding the provisions of section 19(c) of this title, the Commission, by rule, may abrogate any exchange rule which imposes a schedule or fixes rates of commissions, allowances, discounts, or other fees, if the Commission determines that such schedule or fixed rates are no longer reasonable, in the public interest, or necessary to accomplish the purposes of this title.

(3)(A) Before approving or disapproving any proposed rule change submitted by a national securities exchange which would impose a schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by its members for effecting transactions on such exchange, the Commission shall afford interested persons (i) an opportunity for oral presentation of data, views, and arguments and (ii) with respect to any such rule concerning transactions effected after November 1, 1976, if the Commission determines there are disputed issues of material fact, to present such rebuttal submissions and to conduct (or have conducted under subparagraph (B) of this paragraph) such cross-examination as the Commission determines to be appropriate and required for full disclosure and proper resolution of such disputed issues of material fact.

(B) The Commission shall prescribe rules and make rulings concerning any proceeding in accordance with subparagraph (A) of this paragraph designed to avoid unnecessary costs or delay. Such rules or rulings may (i) impose reasonable time limits on each interested person's oral presentations, and (ii) require any cross-examination to which a person may be entitled under subparagraph (A) of this paragraph to be conducted by the Commission on behalf of that person in such manner as the Commission determines to be appropriate and required for full disclosure and proper resolution of disputed issues of material fact.

(C)(i) If any class of persons, the members of which are entitled to conduct (or have conducted) cross-examination under subparagraphs (A) and (B) of this paragraph and which have, in the view of the Commission, the same or similar interests in the proceeding, cannot agree upon a single representative of such interests for purposes of cross-examination, the Commission may make rules and rulings specifying the manner in which such interests shall be represented and such cross-examination conducted.

(ii) No member of any class of persons with respect to which the Commission has specified the manner in which its interests shall be represented pursuant to clause (i) of this subparagraph shall be denied, pursuant to such clause (i), the opportunity to conduct (or have conducted) cross-examination as to issues affecting his particular interests if he satisfies the Commission that he has made a reasonable and good faith effort to reach agreement upon group representation and there are substantial and relevant issues which would not be presented adequately by group representation.

(D) A transcript shall be kept of any oral presentation and cross-examination.

(E) In addition to the bases specified in subsection 25(a), a reviewing Court may set aside an order of the Commission under section 19(b) approving an exchange rule imposing a schedule or fixing rates of commissions, allowances, discounts, or other fees, if the Court finds—

(1)¹ a Commission determination under subparagraph (A) of this paragraph that an interested person is not entitled to conduct cross-examination or make rebuttal submissions, or

(2)¹ a Commission rule or ruling under subparagraph (B) of this paragraph limiting the petitioner's cross-examination or rebuttal submissions,

has precluded full disclosure and proper resolution of disputed issues of material fact which were necessary for fair determination by the Commission.

(f) The Commission, by rule or order, as it deems necessary or appropriate in the public interest and for the protection of investors, to maintain fair and orderly markets, or to assure equal regulation, may require—

(1) any person not a member or a designated representative of a member of a national securities exchange effecting transactions on such exchange without the services of another person acting as a broker, or

(2) any broker or dealer not a member of a national securities exchange effecting transactions on such exchange on a regular basis,

to comply with such rules of such exchange as the Commission may specify.

(g) NOTICE REGISTRATION OF SECURITY FUTURES PRODUCT EXCHANGES.—

(1) REGISTRATION REQUIRED.—An exchange that lists or trades security futures products may register as a national securities exchange solely for the purposes of trading security futures products if—

(A) the exchange is a board of trade, as that term is defined by the Commodity Exchange Act (7 U.S.C. 1a(2)), that—

(i) has been designated a contract market by the Commodity Futures Trading Commission and such designation is not suspended by order of the Commodity Futures Trading Commission; or

(ii) is registered as a derivative transaction execution facility under section 5a of the Commodity Exchange Act and such registration is not suspended by the Commodity Futures Trading Commission; and

(B) such exchange does not serve as a market place for transactions in securities other than—

authorized under section 2(a)(1)(C) of the Commodity Exchange Act.

(2) REGISTRATION BY NOTICE FILING.—

(A) FORM AND CONTENT.—An exchange required to register only because such exchange lists or trades security futures products may register for purposes of this section by filing with the Commission a written notice in such form as the Commission, by rule, may prescribe containing the rules of the exchange and such other information and documents concerning such exchange, comparable to the information and documents required for national securities exchanges under section 6(a), as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. If such exchange has filed documents with the Commodity Futures Trading Commission, to the extent that such documents contain information satisfying the Commission's informational requirements, copies of such documents may be filed with the Commission in lieu of the required written notice.

(B) IMMEDIATE EFFECTIVENESS.—Such registration shall be effective contemporaneously with the submission of notice, in written or electronic form, to the Commission, except that such registration shall not be effective if such registration would be subject to suspension or revocation.

(C) TERMINATION.—Such registration shall be terminated immediately if any of the conditions for registration set forth in this subsection are no longer satisfied.

(3) PUBLIC AVAILABILITY.—The Commission shall promptly publish in the Federal Register an acknowledgment of receipt of all notices the Commission receives under this subsection and shall make all such notices available to the public.

(4) EXEMPTION OF EXCHANGES FROM SPECIFIED PROVISIONS.—

(A) TRANSACTION EXEMPTIONS.—An exchange that is registered under paragraph (1) of this subsection shall be exempt from, and shall not be required to enforce compliance by its members with, and its members shall not, solely with respect to those transactions effected on such exchange in security futures products, be required to comply with, the following provisions of this title and the rules thereunder:

(i) Subsections (b)(2), (b)(3), (b)(4), (b)(7), (b)(9), (c), (d), and (e) of this section.

(ii) Section 8.

(iii) Section 11.

(iv) Subsections (d), (f), and (k) of section 17.

(v) Subsections (a), (f), and (h) of section 19.

(B) RULE CHANGE EXEMPTIONS.—An exchange that is registered under paragraph (1) of this subsection shall also be exempt from submitting proposed rule changes pursuant to section 19(b) of this title, except that—

(i) such exchange shall file proposed rule changes related to higher margin levels, fraud or manipulation, recordkeeping, reporting, listing standards, or decimal

pricing for security futures products, sales practices for security futures products for persons who effect transactions in security futures products, or rules effectuating such exchange's obligation to enforce the securities laws pursuant to section 19(b)(7);

(ii) such exchange shall file pursuant to sections 19(b)(1) and 19(b)(2) proposed rule changes related to margin, except for changes resulting in higher margin levels; and

(iii) such exchange shall file pursuant to section 19(b)(1) proposed rule changes that have been abrogated by the Commission pursuant to section 19(b)(7)(C).

(5) TRADING IN SECURITY FUTURES PRODUCTS.—

(A) IN GENERAL.—Subject to subparagraph (B), it shall be unlawful for any person to execute or trade a security futures product until the later of—

(i) 1 year after the date of the enactment of the Commodity Futures Modernization Act of 2000; or

(ii) such date that a futures association registered under section 17 of the Commodity Exchange Act has met the requirements set forth in section 15A(k)(2) of this title.

(B) PRINCIPAL-TO-PRINCIPAL TRANSACTIONS.—Notwithstanding subparagraph (A), a person may execute or trade a security futures product transaction if—

(i) the transaction is entered into—

(I) on a principal-to-principal basis between parties trading for their own accounts or as described in section 1a(12)(B)(ii) of the Commodity Exchange Act; and

(II) only between eligible contract participants (as defined in subparagraphs (A), (B)(ii), and (C) of such section 1a(12)) at the time at which the persons enter into the agreement, contract, or transaction; and

(ii) the transaction is entered into on or after the later of—

(I) 8 months after the date of the enactment of the Commodity Futures Modernization Act of 2000; or

(II) such date that a futures association registered under section 17 of the Commodity Exchange Act has met the requirements set forth in section 15A(k)(2) of this title.

(h) TRADING IN SECURITY FUTURES PRODUCTS.—

(1) TRADING ON EXCHANGE OR ASSOCIATION REQUIRED.—It shall be unlawful for any person to effect transactions in security futures products that are not listed on a national securities exchange or a national securities association registered pursuant to section 15A(a).

(2) LISTING STANDARDS REQUIRED.—Except as otherwise provided in paragraph (7), a national securities exchange or a national securities association registered pursuant to section

15A(a) may trade only security futures products that (A) conform with listing standards that such exchange or association files with the Commission under section 19(b) and (B) meet the criteria specified in section 2(a)(1)(D)(i) of the Commodity Exchange Act.

(3) REQUIREMENTS FOR LISTING STANDARDS AND CONDITIONS FOR TRADING.—Such listing standards shall—

(A) except as otherwise provided in a rule, regulation, or order issued pursuant to paragraph (4), require that any security underlying the security future, including each component security of a narrow-based security index, be registered pursuant to section 12 of this title;

(B) require that if the security futures product is not cash settled, the market on which the security futures product is traded have arrangements in place with a registered clearing agency for the payment and delivery of the securities underlying the security futures product;

(C) be no less restrictive than comparable listing standards for options traded on a national securities exchange or national securities association registered pursuant to section 15A(a) of this title;

(D) except as otherwise provided in a rule, regulation, or order issued pursuant to paragraph (4), require that the security future be based upon common stock and such other equity securities as the Commission and the Commodity Futures Trading Commission jointly determine appropriate;

(E) require that the security futures product is cleared by a clearing agency that has in place provisions for linked and coordinated clearing with other clearing agencies that clear security futures products, which permits the security futures product to be purchased on one market and offset on another market that trades such product;

(F) require that only a broker or dealer subject to suitability rules comparable to those of a national securities association registered pursuant to section 15A(a) effect transactions in the security futures product;

(G) require that the security futures product be subject to the prohibition against dual trading in section 4j of the Commodity Exchange Act (7 U.S.C. 6j) and the rules and regulations thereunder or the provisions of section 11(a) of this title and the rules and regulations thereunder, except to the extent otherwise permitted under this title and the rules and regulations thereunder;

(H) require that trading in the security futures product not be readily susceptible to manipulation of the price of such security futures product, nor to causing or being used in the manipulation of the price of any underlying security, option on such security, or option on a group or index including such securities;

(I) require that procedures be in place for coordinated surveillance among the market on which the security futures product is traded, any market on which any security underlying the security futures product is traded, and

other markets on which any related security is traded to detect manipulation and insider trading;

(J) require that the market on which the security futures product is traded has in place audit trails necessary or appropriate to facilitate the coordinated surveillance required in subparagraph (I);

(K) require that the market on which the security futures product is traded has in place procedures to coordinate trading halts between such market and any market on which any security underlying the security futures product is traded and other markets on which any related security is traded; and

(L) require that the margin requirements for a security futures product comply with the regulations prescribed pursuant to section 7(c)(2)(B), except that nothing in this subparagraph shall be construed to prevent a national securities exchange or national securities association from requiring higher margin levels for a security futures product when it deems such action to be necessary or appropriate.

(4) AUTHORITY TO MODIFY CERTAIN LISTING STANDARD REQUIREMENTS.—

(A) AUTHORITY TO MODIFY.—The Commission and the Commodity Futures Trading Commission, by rule, regulation, or order, may jointly modify the listing standard requirements specified in subparagraph (A) or (D) of paragraph (3) to the extent such modification fosters the development of fair and orderly markets in security futures products, is necessary or appropriate in the public interest, and is consistent with the protection of investors.

(B) AUTHORITY TO GRANT EXEMPTIONS.—The Commission and the Commodity Futures Trading Commission, by order, may jointly exempt any person from compliance with the listing standard requirement specified in subparagraph (E) of paragraph (3) to the extent such exemption fosters the development of fair and orderly markets in security futures products, is necessary or appropriate in the public interest, and is consistent with the protection of investors.

(5) REQUIREMENTS FOR OTHER PERSONS TRADING SECURITY FUTURE PRODUCTS.—It shall be unlawful for any person (other than a national securities exchange or a national securities association registered pursuant to section 15A(a)) to constitute, maintain, or provide a marketplace or facilities for bringing together purchasers and sellers of security future products or to otherwise perform with respect to security future products the functions commonly performed by a stock exchange as that term is generally understood, unless a national securities association registered pursuant to section 15A(a) or a national securities exchange of which such person is a member—

(A) has in place procedures for coordinated surveillance among such person, the market trading the securities underlying the security future products, and other

markets trading related securities to detect manipulation and insider trading;

(B) has rules to require audit trails necessary or appropriate to facilitate the coordinated surveillance required in subparagraph (A); and

(C) has rules to require such person to coordinate trading halts with markets trading the securities underlying the security future products and other markets trading related securities.

(6) DEFERRAL OF OPTIONS ON SECURITY FUTURES TRADING.—No person shall offer to enter into, enter into, or confirm the execution of any put, call, straddle, option, or privilege on a security future, except that, after 3 years after the date of the enactment of this subsection, the Commission and the Commodity Futures Trading Commission may by order jointly determine to permit trading of puts, calls, straddles, options, or privileges on any security future authorized to be traded under the provisions of this Act and the Commodity Exchange Act.

(7) DEFERRAL OF LINKED AND COORDINATED CLEARING.—

(A) Notwithstanding paragraph (2), until the compliance date, a national securities exchange or national securities association registered pursuant to section 15A(a) may trade a security futures product that does not—

(i) conform with any listing standard promulgated to meet the requirement specified in subparagraph (E) of paragraph (3); or

(ii) meet the criterion specified in section 2(a)(1)(D)(i)(IV) of the Commodity Exchange Act.

(B) The Commission and the Commodity Futures Trading Commission shall jointly publish in the Federal Register a notice of the compliance date no later than 165 days before the compliance date.

(C) For purposes of this paragraph, the term “compliance date” means the later of—

(i) 180 days after the end of the first full calendar month period in which the average aggregate comparable share volume for all security futures products based on single equity securities traded on all national securities exchanges, any national securities associations registered pursuant to section 15A(a), and all other persons equals or exceeds 10 percent of the average aggregate comparable share volume of options on single equity securities traded on all national securities exchanges and any national securities associations registered pursuant to section 15A(a); or

(ii) 2 years after the date on which trading in any security futures product commences under this title.

(i) Consistent with this title, each national securities exchange registered pursuant to subsection (a) of this section shall issue such rules as are necessary to avoid duplicative or conflicting rules applicable to any broker or dealer registered with the Commission pursuant to section 15(b) (except paragraph (11) thereof), that is also registered with the Commodity Futures Trading Commission

pursuant to section 4f(a) of the Commodity Exchange Act (except paragraph (2) thereof), with respect to the application of—

(1) rules of such national securities exchange of the type specified in section 15(c)(3)(B) involving security futures products; and

(2) similar rules of national securities exchanges registered pursuant to section 6(g) and national securities associations registered pursuant to section 15A(k) involving security futures products.

(j) PROCEDURES AND RULES FOR SECURITY FUTURE PRODUCTS.—A national securities exchange registered pursuant to subsection (a) shall implement the procedures specified in section 6(h)(5)(A) of this title and adopt the rules specified in subparagraphs (B) and (C) of section 6(h)(5) of this title not later than 8 months after the date of receipt of a request from an alternative trading system for such implementation and rules.

(k)(1) To the extent necessary or appropriate in the public interest, to promote fair competition, and consistent with the promotion of market efficiency, innovation, and expansion of investment opportunities, the protection of investors, and the maintenance of fair and orderly markets, the Commission and the Commodity Futures Trading Commission shall jointly issue such rules, regulations, or orders as are necessary and appropriate to permit the offer and sale of a security futures product traded on or subject to the rules of a foreign board of trade to United States persons.

(2) The rules, regulations, or orders adopted under paragraph (1) shall take into account, as appropriate, the nature and size of the markets that the securities underlying the security futures product reflect.

MARGIN REQUIREMENTS

SEC. 7. [78g] (a) For the purpose of preventing the excessive use of credit for the purchase or carrying of securities, the Board of Governors of the Federal Reserve System shall, prior to the effective date of this section and from time to time thereafter, prescribe rules and regulations with respect to the amount of credit that may be initially extended and subsequently maintained on any security (other than an exempted security or a security futures product). For the initial extension of credit, such rules and regulations shall be based upon the following standard: An amount not greater than whichever is the higher of—

(1) 55 per centum of the current market price of the security, or

(2) 100 per centum of the lowest market price of the security during the preceding thirty-six calendar months, but not more than 75 per centum of the current market price.

Such rules and regulations may make appropriate provision with respect to the carrying of undermargined accounts for limited periods and under specified conditions; the withdrawal of funds or securities; the substitution or additional purchases of securities; the transfer of accounts from one lender to another; special or different margin requirements for delayed deliveries, short sales, arbitrage transactions, and securities to which paragraph (2) of this subsection does not apply; the bases and the methods to be used

in calculating loans, and margins and market prices; and similar administrative adjustments and details. For the purposes of paragraph (2) of this subsection until July 1, 1936, the lowest price at which a security has sold on or after July 1, 1933, shall be considered as the lowest price at which such security has sold during the preceding thirty-six calendar months.

(b) Notwithstanding the provisions of subsection (a) of this section, the Board of Governors of the Federal Reserve System, may, from time to time, with respect to all or specified securities or transactions, or classes of securities, or classes of transactions, by such rules and regulations (1) prescribe such lower margin requirements for the initial extension or maintenance of credit as it deems necessary or appropriate for the accommodation of commerce and industry, having due regard to the general credit situation of the country, and (2) prescribe such higher margin requirements for the initial extension or maintenance of credit as it may deem necessary or appropriate to prevent the excessive use of credit to finance transactions in securities.

(c) UNLAWFUL CREDIT EXTENSION TO CUSTOMERS.—

(1) PROHIBITION.—It shall be unlawful for any member of a national securities exchange or any broker or dealer, directly or indirectly, to extend or maintain credit or arrange for the extension or maintenance of credit to or for any customer—

(A) on any security (other than an exempted security), except as provided in paragraph (2), in contravention of the rules and regulations which the Board of Governors of the Federal Reserve System (hereafter in this section referred to as the “Board”) shall prescribe under subsections (a) and (b); and

(B) without collateral or on any collateral other than securities, except in accordance with such rules and regulations as the Board may prescribe—

(i) to permit under specified conditions and for a limited period any such member, broker, or dealer to maintain a credit initially extended in conformity with the rules and regulations of the Board; and

(ii) to permit the extension or maintenance of credit in cases where the extension or maintenance of credit is not for the purpose of purchasing or carrying securities or of evading or circumventing the provisions of subparagraph (A).

(2) MARGIN REGULATIONS.—

(A) COMPLIANCE WITH MARGIN RULES REQUIRED.—It shall be unlawful for any broker, dealer, or member of a national securities exchange to, directly or indirectly, extend or maintain credit to or for, or collect margin from any customer on, any security futures product unless such activities comply with the regulations—

(i) which the Board shall prescribe pursuant to subparagraph (B); or

(ii) if the Board determines to delegate the authority to prescribe such regulations, which the Commis-

sion and the Commodity Futures Trading Commission shall jointly prescribe pursuant to subparagraph (B). If the Board delegates the authority to prescribe such regulations under clause (ii) and the Commission and the Commodity Futures Trading Commission have not jointly prescribed such regulations within a reasonable period of time after the date of such delegation, the Board shall prescribe such regulations pursuant to subparagraph (B).

(B) CRITERIA FOR ISSUANCE OF RULES.—The Board shall prescribe, or, if the authority is delegated pursuant to subparagraph (A)(ii), the Commission and the Commodity Futures Trading Commission shall jointly prescribe, such regulations to establish margin requirements, including the establishment of levels of margin (initial and maintenance) for security futures products under such terms, and at such levels, as the Board deems appropriate, or as the Commission and the Commodity Futures Trading Commission jointly deem appropriate—

- (i) to preserve the financial integrity of markets trading security futures products;
- (ii) to prevent systemic risk;
- (iii) to require that—

(I) the margin requirements for a security future product be consistent with the margin requirements for comparable option contracts traded on any exchange registered pursuant to section 6(a) of this title; and

(II) initial and maintenance margin levels for a security future product not be lower than the lowest level of margin, exclusive of premium, required for any comparable option contract traded on any exchange registered pursuant to section 6(a) of this title, other than an option on a security future;

except that nothing in this subparagraph shall be construed to prevent a national securities exchange or national securities association from requiring higher margin levels for a security future product when it deems such action to be necessary or appropriate; and

- (iv) to ensure that the margin requirements (other than levels of margin), including the type, form, and use of collateral for security futures products, are and remain consistent with the requirements established by the Board, pursuant to subparagraphs (A) and (B) of paragraph (1).

(3) EXCEPTION.—This subsection and the rules and regulations issued under this subsection shall not apply to any credit extended, maintained, or arranged by a member of a national securities exchange or a broker or dealer to or for a member of a national securities exchange or a registered broker or dealer—

- (A) a substantial portion of whose business consists of transactions with persons other than brokers or dealers; or

(B) to finance its activities as a market maker or an underwriter; except that the Board may impose such rules and regulations, in whole or in part, on any credit otherwise exempted by this paragraph if the Board determines that such action is necessary or appropriate in the public interest or for the protection of investors.

(d) UNLAWFUL CREDIT EXTENSION IN VIOLATION OF RULES AND REGULATIONS; EXCEPTIONS TO APPLICATION OF RULES, ETC.—

(1) PROHIBITION.—It shall be unlawful for any person not subject to subsection (c) to extend or maintain credit or to arrange for the extension or maintenance of credit for the purpose of purchasing or carrying any security, in contravention of such rules and regulations as the Board shall prescribe to prevent the excessive use of credit for the purchasing or carrying of or trading in securities in circumvention of the other provisions of this section. Such rules and regulations may impose upon all loans made for the purpose of purchasing or carrying securities limitations similar to those imposed upon members, brokers, or dealers by subsection (c) and the rules and regulations thereunder.

(2) EXCEPTIONS.—This subsection and the rules and regulations issued under this subsection shall not apply to any credit extended, maintained, or arranged—

(A) by a person not in the ordinary course of business;

(B) on an exempted security;

(C) to or for a member of a national securities exchange or a registered broker or dealer—

(i) a substantial portion of whose business consists of transactions with persons other than brokers or dealers; or

(ii) to finance its activities as a market maker or an underwriter;

(D) by a bank on a security other than an equity security; or

(E) as the Board shall, by such rules, regulations, or orders as it may deem necessary or appropriate in the public interest or for the protection of investors, exempt, either unconditionally or upon specified terms and conditions or for stated periods, from the operation of this subsection and the rules and regulations thereunder.

(3) BOARD AUTHORITY.—The Board may impose such rules and regulations, in whole or in part, on any credit otherwise exempted by subparagraph (C) if it determines that such action is necessary or appropriate in the public interest or for the protection of investors.

(e) The provisions of this section or the rules and regulations thereunder shall not apply on or before July 1, 1937, to any loan or extension of credit made prior to the enactment of this title or to the maintenance, renewal, or extension of any such loan or credit, except to the extent that the Federal Reserve Board may by rules and regulations prescribe as necessary to prevent the circumvention of the provisions of this section or the rules and regulations thereunder by means of withdrawals of funds or securities,

substitutions of securities, or additional purchases or by any other device.

(f)(1) It is unlawful for any United States person, or any foreign person controlled by a United States person or acting on behalf of or in conjunction with such person, to obtain, receive, or enjoy the beneficial use of a loan or other extension of credit from any lender (without regard to whether the lender's office or place of business is in a State or the transaction occurred in whole or in part within a State) for the purpose of (A) purchasing or carrying United States securities, or (B) purchasing or carrying within the United States of any other securities, if, under this section or rules and regulations prescribed thereunder, the loan or other credit transaction is prohibited or would be prohibited if it had been made or the transaction had otherwise occurred in a lender's office or other place of business in a State.

(2) For the purposes of this subsection—

(A) The term "United States person" includes a person which is organized or exists under the laws of any State or, in the case of a natural person, a citizen or resident of the United States; a domestic estate; or a trust in which one or more of the foregoing persons has a cumulative direct or indirect beneficial interest in excess of 50 per centum of the value of the trust.

(B) The term "United States security" means a security (other than an exempted security) issued by a person incorporated under the laws of any State, or whose principal place of business is within a State.

(C) The term "foreign person controlled by a United States person" includes any noncorporate entity in which United States persons directly or indirectly have more than a 50 per centum beneficial interest, and any corporation in which one or more United States persons, directly or indirectly, own stock possessing more than 50 per centum of the total combined voting power of all classes of stock entitled to vote, or more than 50 per centum of the total value of shares of all classes of stock.

(3) The Board of Governors of the Federal Reserve System may, in its discretion and with due regard for the purposes of this section, by rule or regulation exempt any class of United States persons or foreign persons controlled by a United States person from the application of this subsection.

(g) Subject to such rules and regulations as the Board of Governors of the Federal Reserve System may adopt in the public interest and for the protection of investors, no member of a national securities exchange or broker or dealer shall be deemed to have extended or maintained credit or arranged for the extension or maintenance of credit for the purpose of purchasing a security, within the meaning of this section, by reason of a bona fide agreement for delayed delivery of a mortgage related security or a small business related security against full payment of the purchase price thereof upon such delivery within one hundred and eighty days after the purchase, or within such shorter period as the Board of Governors of the Federal Reserve System may prescribe by rule or regulation.

RESTRICTIONS ON BORROWING BY MEMBERS, BROKERS, AND DEALERS

SEC. 8. [78h] It shall be unlawful for any registered broker or dealer, member of a national securities exchange, or broker or dealer who transacts a business in securities through the medium of any member of a national securities exchange, directly or indirectly—

(a) In contravention of such rules and regulations as the Commission shall prescribe for the protection of investors to hypothecate or arrange for the hypothecation of any securities carried for the account of any customer under circumstances (1) that will permit the commingling of his securities without his written consent with the securities of any other customer, (2) that will permit such securities to be commingled with the securities of any person other than a bona fide customer, or (3) that will permit such securities to be hypothecated, or subjected to any lien or claim of the pledgee, for a sum in excess of the aggregate indebtedness of such customers in respect of such securities.

(b) To lend or arrange for the lending of any securities carried for the account of any customer without the written consent of such customer or in contravention of such rules and regulations as the Commission shall prescribe for the protection of investors.

PROHIBITION AGAINST MANIPULATION OF SECURITY PRICES

SEC. 9. [78i] (a) It shall be unlawful for any person, directly or indirectly, by the use of the mails or any means or instrumentality of interstate commerce, or of any facility of any national securities exchange, or for any member of a national securities exchange—

(1) For the purpose of creating a false or misleading appearance of active trading in any security registered on a national securities exchange, or a false or misleading appearance with respect to the market for any such security, (A) to effect any transaction in such security which involves no change in the beneficial ownership thereof, or (B) to enter an order or orders for the purchase of such security with the knowledge that an order or orders of substantially the same size, at substantially the same time, and at substantially the same price, for the sale of any such security, has been or will be entered by or for the same or different parties, or (C) to enter any order or orders for the sale of any such security with the knowledge that an order or orders of substantially the same size, at substantially the same time, and at substantially the same price, for the purchase of such security, has been or will be entered by or for the same or different parties.

(2) To effect, alone or with one or more other persons, a series of transactions in any security registered on a national securities exchange or in connection with any security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) with respect to such security creating actual or apparent active trading in such security, or raising or depressing the price of such security, for the purpose of inducing the purchase or sale of such security by others.

(3) If a dealer or broker, or other person selling or offering for sale or purchasing or offering to purchase the security or a secu-

rity-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) with respect to such security, to induce the purchase or sale of any security registered on a national securities exchange or any security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) with respect to such security by the circulation or dissemination in the ordinary course of business of information to the effect that the price of any such security will or is likely to rise or fall because of market operations of any one or more persons conducted for the purpose of raising or depressing the price of such security.

(4) If a dealer or broker, or the person selling or offering for sale or purchasing or offering to purchase the security or a security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) with respect to such security, to make, regarding any security registered on a national securities exchange or any security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) with respect to such security, for the purpose of inducing the purchase or sale of such security or such security-based swap agreement, any statement which was at the time and in the light of the circumstances under which it was made, false or misleading with respect to any material fact, and which he knew or had reasonable ground to believe was so false or misleading.

(5) For a consideration, received directly or indirectly from a dealer or broker, or other person selling or offering for sale or purchasing or offering to purchase the security or a security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) with respect to such security, to induce the purchase of any security registered on a national securities exchange or any security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) with respect to such security by the circulation or dissemination of information to the effect that the price of any such security will or is likely to rise or fall because of the market operations of any one or more persons conducted for the purpose of raising or depressing the price of such security.

(6) To effect either alone or with one or more other persons any series of transactions for the purchase and/or sale of any security registered on a national securities exchange for the purpose of pegging, fixing, or stabilizing the price of such security in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(b) It shall be unlawful for any person to effect, by use of any facility of a national securities exchange, in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors—

(1) any transaction in connection with any security whereby any party to such transaction acquires (A) any put, call, straddle, or other option or privilege of buying the security from or selling the security to another without being bound to do so; or (B) any security futures product on the security; or

(2) any transaction in connection with any security with relation to which he has, directly or indirectly, any interest in

any (A) such put, call, straddle, option, or privilege; or (B) such security futures product; or

(3) any transaction in any security for the account of any person who he has reason to believe has, and who actually has, directly or indirectly, any interest in any (A) such put, call, straddle, option, or privilege; or (B) such security futures product with relation to such security.

(c) It shall be unlawful for any member of a national securities exchange directly or indirectly to endorse or guarantee the performance of any put, call, straddle, option, or privilege in relation to any security registered on a national securities exchange, in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(d) The terms "put", "call", "straddle", "option", or "privilege" as used in this section shall not include any registered warrant, right, or convertible security.

(e) Any person who willfully participates in any act or transaction in violation of subsection (a), (b), or (c) of this section, shall be liable to any person who shall purchase or sell any security at a price which was affected by such act or transaction, and the person so injured may sue in law or in equity in any court of competent jurisdiction to recover the damages sustained as a result of any such act or transaction. In any such suit the court may, in its discretion, require an undertaking for the payment of the costs of such suit, and assess reasonable costs, including reasonable attorneys' fees, against either party litigant. Every person who becomes liable to make any payment under this subsection may recover contribution as in cases of contract from any person who, if joined in the original suit, would have been liable to make the same payment. No action shall be maintained to enforce any liability created under this section, unless brought within one year after the discovery of the facts constituting the violation and within three years after such violation.

(f) The provisions of subsection (a) shall not apply to an exempted security.

(g)(1) Notwithstanding any other provision of law, the Commission shall have the authority to regulate the trading of any put, call, straddle, option, or privilege on any security, certificate of deposit, or group or index of securities (including any interest therein or based on the value thereof), or any put, call, straddle, option, or privilege entered into on a national securities exchange relating to foreign currency (but not, with respect to any of the foregoing, an option on a contract for future delivery other than a security futures product).

(2) Notwithstanding the Commodity Exchange Act, the Commission shall have the authority to regulate the trading of any security futures product to the extent provided in the securities laws.

(h) LIMITATIONS ON PRACTICES THAT AFFECT MARKET VOLATILITY.—It shall be unlawful for any person, by the use of the mails or any means or instrumentality of interstate commerce or of any facility of any national securities exchange, to use or employ any act or practice in connection with the purchase or sale of any eq-

uity security in contravention of such rules or regulations as the Commission may adopt, consistent with the public interest, the protection of investors, and the maintenance of fair and orderly markets—

(1) to prescribe means reasonably designed to prevent manipulation of price levels of the equity securities market or a substantial segment thereof; and

(2) to prohibit or constrain, during periods of extraordinary market volatility, any trading practice in connection with the purchase or sale of equity securities that the Commission determines (A) has previously contributed significantly to extraordinary levels of volatility that have threatened the maintenance of fair and orderly markets; and (B) is reasonably certain to engender such levels of volatility if not prohibited or constrained.

In adopting rules under paragraph (2), the Commission shall, consistent with the purposes of this subsection, minimize the impact on the normal operations of the market and a natural person's freedom to buy or sell any equity security.

(i) The authority of the Commission under this section with respect to security-based swap agreements (as defined in section 206B of the Gramm-Leach-Bliley Act) shall be subject to the restrictions and limitations of section 3A(b) of this title.

REGULATION OF THE USE OF MANIPULATIVE AND DECEPTIVE DEVICES

SEC. 10. [78j] It shall be unlawful for any person, directly or indirectly, by the use of any means or instrumentality of interstate commerce or of the mails, or of any facility of any national securities exchange—

(a)(1) To effect a short sale, or to use or employ any stop-loss order in connection with the purchase or sale, of any security registered on a national securities exchange, in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(2)¹ Paragraph (1) of this subsection shall not apply to security futures products.

(b) To use or employ, in connection with the purchase or sale of any security registered on a national securities exchange or any security not so registered, or any securities-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act), any manipulative or deceptive device or contrivance in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

Rules promulgated under subsection (b) that prohibit fraud, manipulation, or insider trading (but not rules imposing or specifying reporting or recordkeeping requirements, procedures, or standards as prophylactic measures against fraud, manipulation, or insider trading), and judicial precedents decided under subsection (b) and rules promulgated thereunder that prohibit fraud, manipulation, or insider trading, shall apply to security-based swap agreements (as

¹ Margin so in law.

defined in section 206B of the Gramm-Leach-Bliley Act) to the same extent as they apply to securities. Judicial precedents decided under section 17(a) of the Securities Act of 1933 and sections 9, 15, 16, 20, and 21A of this title, and judicial precedents decided under applicable rules promulgated under such sections, shall apply to security-based swap agreements (as defined in section 206B of the Gramm-Leach-Bliley Act) to the same extent as they apply to securities.

SEC. 10A. [78j-1] AUDIT REQUIREMENTS.

(a) **IN GENERAL.**—Each audit required pursuant to this title of the financial statements of an issuer by a registered public accounting firm shall include, in accordance with generally accepted auditing standards, as may be modified or supplemented from time to time by the Commission—

(1) procedures designed to provide reasonable assurance of detecting illegal acts that would have a direct and material effect on the determination of financial statement amounts;

(2) procedures designed to identify related party transactions that are material to the financial statements or otherwise require disclosure therein; and

(3) an evaluation of whether there is substantial doubt about the ability of the issuer to continue as a going concern during the ensuing fiscal year.

(b) **REQUIRED RESPONSE TO AUDIT DISCOVERIES.**—

(1) **INVESTIGATION AND REPORT TO MANAGEMENT.**—If, in the course of conducting an audit pursuant to this title to which subsection (a) applies, the registered public accounting firm detects or otherwise becomes aware of information indicating that an illegal act (whether or not perceived to have a material effect on the financial statements of the issuer) has or may have occurred, the firm shall, in accordance with generally accepted auditing standards, as may be modified or supplemented from time to time by the Commission—

(A)(i) determine whether it is likely that an illegal act has occurred; and

(ii) if so, determine and consider the possible effect of the illegal act on the financial statements of the issuer, including any contingent monetary effects, such as fines, penalties, and damages; and

(B) as soon as practicable, inform the appropriate level of the management of the issuer and assure that the audit committee of the issuer, or the board of directors of the issuer in the absence of such a committee, is adequately informed with respect to illegal acts that have been detected or have otherwise come to the attention of such firm in the course of the audit, unless the illegal act is clearly inconsequential.

(2) **RESPONSE TO FAILURE TO TAKE REMEDIAL ACTION.**—If, after determining that the audit committee of the board of directors of the issuer, or the board of directors of the issuer in the absence of an audit committee, is adequately informed with respect to illegal acts that have been detected or have otherwise come to the attention of the firm in the course of the

audit of such accountant, the registered public accounting firm concludes that—

(A) the illegal act has a material effect on the financial statements of the issuer;

(B) the senior management has not taken, and the board of directors has not caused senior management to take, timely and appropriate remedial actions with respect to the illegal act; and

(C) the failure to take remedial action is reasonably expected to warrant departure from a standard report of the auditor, when made, or warrant resignation from the audit engagement;

the registered public accounting firm shall, as soon as practicable, directly report its conclusions to the board of directors.

(3) NOTICE TO COMMISSION; RESPONSE TO FAILURE TO NOTIFY.—An issuer whose board of directors receives a report under paragraph (2) shall inform the Commission by notice not later than 1 business day after the receipt of such report and shall furnish the registered public accounting firm making such report with a copy of the notice furnished to the Commission. If the registered public accounting firm fails to receive a copy of the notice before the expiration of the required 1-business-day period, the registered public accounting firm shall—

(A) resign from the engagement; or

(B) furnish to the Commission a copy of its report (or the documentation of any oral report given) not later than 1 business day following such failure to receive notice.

(4) REPORT AFTER RESIGNATION.—If a registered public accounting firm resigns from an engagement under paragraph (3)(A), the firm shall, not later than 1 business day following the failure by the issuer to notify the Commission under paragraph (3), furnish to the Commission a copy of the report of the firm (or the documentation of any oral report given).

(c) AUDITOR LIABILITY LIMITATION.—No registered public accounting firm shall be liable in a private action for any finding, conclusion, or statement expressed in a report made pursuant to paragraph (3) or (4) of subsection (b), including any rule promulgated pursuant thereto.

(d) CIVIL PENALTIES IN CEASE-AND-DESIST PROCEEDINGS.—If the Commission finds, after notice and opportunity for hearing in a proceeding instituted pursuant to section 21C, that a registered public accounting firm has willfully violated paragraph (3) or (4) of subsection (b), the Commission may, in addition to entering an order under section 21C, impose a civil penalty against the registered public accounting firm and any other person that the Commission finds was a cause of such violation. The determination to impose a civil penalty and the amount of the penalty shall be governed by the standards set forth in section 21B.

(e) PRESERVATION OF EXISTING AUTHORITY.—Except as provided in subsection (d), nothing in this section shall be held to limit or otherwise affect the authority of the Commission under this title.

(f) DEFINITIONS.—As used in this section, the term “illegal act” means an act or omission that violates any law, or any rule or reg-

ulation having the force of law. As used in this section, the term “issuer” means an issuer (as defined in section 3), the securities of which are registered under section 12, or that is required to file reports pursuant to section 15(d), or that files or has filed a registration statement that has not yet become effective under the Securities Act of 1933 (15 U.S.C. 77a et seq.), and that it has not withdrawn.

(g) PROHIBITED ACTIVITIES.—Except as provided in subsection (h), it shall be unlawful for a registered public accounting firm (and any associated person of that firm, to the extent determined appropriate by the Commission) that performs for any issuer any audit required by this title or the rules of the Commission under this title or, beginning 180 days after the date of commencement of the operations of the Public Company Accounting Oversight Board established under section 101 of the Sarbanes-Oxley Act of 2002 (in this section referred to as the “Board”), the rules of the Board, to provide to that issuer, contemporaneously with the audit, any non-audit service, including—

(1) bookkeeping or other services related to the accounting records or financial statements of the audit client;

(2) financial information systems design and implementation;

(3) appraisal or valuation services, fairness opinions, or contribution-in-kind reports;

(4) actuarial services;

(5) internal audit outsourcing services;

(6) management functions or human resources;

(7) broker or dealer, investment adviser, or investment banking services;

(8) legal services and expert services unrelated to the audit; and

(9) any other service that the Board determines, by regulation, is impermissible.

(h) PREAPPROVAL REQUIRED FOR NON-AUDIT SERVICES.—A registered public accounting firm may engage in any non-audit service, including tax services, that is not described in any of paragraphs (1) through (9) of subsection (g) for an audit client, only if the activity is approved in advance by the audit committee of the issuer, in accordance with subsection (i).

(i) PREAPPROVAL REQUIREMENTS.—

(1) IN GENERAL.—

(A) AUDIT COMMITTEE ACTION.—All auditing services (which may entail providing comfort letters in connection with securities underwritings or statutory audits required for insurance companies for purposes of State law) and non-audit services, other than as provided in subparagraph (B), provided to an issuer by the auditor of the issuer shall be preapproved by the audit committee of the issuer.

(B) DE MINIMUS EXCEPTION.—The preapproval requirement under subparagraph (A) is waived with respect to the provision of non-audit services for an issuer, if—

(i) the aggregate amount of all such non-audit services provided to the issuer constitutes not more

than 5 percent of the total amount of revenues paid by the issuer to its auditor during the fiscal year in which the nonaudit¹ services are provided;

(ii) such services were not recognized by the issuer at the time of the engagement to be non-audit services; and

(iii) such services are promptly brought to the attention of the audit committee of the issuer and approved prior to the completion of the audit by the audit committee or by 1 or more members of the audit committee who are members of the board of directors to whom authority to grant such approvals has been delegated by the audit committee.

(2) DISCLOSURE TO INVESTORS.—Approval by an audit committee of an issuer under this subsection of a non-audit service to be performed by the auditor of the issuer shall be disclosed to investors in periodic reports required by section 13(a).

(3) DELEGATION AUTHORITY.—The audit committee of an issuer may delegate to 1 or more designated members of the audit committee who are independent directors of the board of directors, the authority to grant preapprovals required by this subsection. The decisions of any member to whom authority is delegated under this paragraph to preapprove an activity under this subsection shall be presented to the full audit committee at each of its scheduled meetings.

(4) APPROVAL OF AUDIT SERVICES FOR OTHER PURPOSES.—In carrying out its duties under subsection (m)(2), if the audit committee of an issuer approves an audit service within the scope of the engagement of the auditor, such audit service shall be deemed to have been preapproved for purposes of this subsection.

(j) AUDIT PARTNER ROTATION.—It shall be unlawful for a registered public accounting firm to provide audit services to an issuer if the lead (or coordinating) audit partner (having primary responsibility for the audit), or the audit partner responsible for reviewing the audit, has performed audit services for that issuer in each of the 5 previous fiscal years of that issuer.

(k) REPORTS TO AUDIT COMMITTEES.—Each registered public accounting firm that performs for any issuer any audit required by this title shall timely report to the audit committee of the issuer—

(1) all critical accounting policies and practices to be used;

(2) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management officials of the issuer, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the registered public accounting firm; and

(3) other material written communications between the registered public accounting firm and the management of the issuer, such as any management letter or schedule of unadjusted differences.

¹ So in law. Probably should be “non-audit” for conformity.

(l) CONFLICTS OF INTEREST.—It shall be unlawful for a registered public accounting firm to perform for an issuer any audit service required by this title, if a chief executive officer, controller, chief financial officer, chief accounting officer, or any person serving in an equivalent position for the issuer, was employed by that registered independent public accounting firm and participated in any capacity in the audit of that issuer during the 1-year period preceding the date of the initiation of the audit.

(m) STANDARDS RELATING TO AUDIT COMMITTEES.—

(1) COMMISSION RULES.—

(A) IN GENERAL.—Effective not later than 270 days after the date of enactment of this subsection, the Commission shall, by rule, direct the national securities exchanges and national securities associations to prohibit the listing of any security of an issuer that is not in compliance with the requirements of any portion of paragraphs (2) through (6).

(B) OPPORTUNITY TO CURE DEFECTS.—The rules of the Commission under subparagraph (A) shall provide for appropriate procedures for an issuer to have an opportunity to cure any defects that would be the basis for a prohibition under subparagraph (A), before the imposition of such prohibition.

(2) RESPONSIBILITIES RELATING TO REGISTERED PUBLIC ACCOUNTING FIRMS.—The audit committee of each issuer, in its capacity as a committee of the board of directors, shall be directly responsible for the appointment, compensation, and oversight of the work of any registered public accounting firm employed by that issuer (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work, and each such registered public accounting firm shall report directly to the audit committee.

(3) INDEPENDENCE.—

(A) IN GENERAL.—Each member of the audit committee of the issuer shall be a member of the board of directors of the issuer, and shall otherwise be independent.

(B) CRITERIA.—In order to be considered to be independent for purposes of this paragraph, a member of an audit committee of an issuer may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee—

(i) accept any consulting, advisory, or other compensatory fee from the issuer; or

(ii) be an affiliated person of the issuer or any subsidiary thereof.

(C) EXEMPTION AUTHORITY.—The Commission may exempt from the requirements of subparagraph (B) a particular relationship with respect to audit committee members, as the Commission determines appropriate in light of the circumstances.

(4) COMPLAINTS.—Each audit committee shall establish procedures for—

(A) the receipt, retention, and treatment of complaints received by the issuer regarding accounting, internal accounting controls, or auditing matters; and

(B) the confidential, anonymous submission by employees of the issuer of concerns regarding questionable accounting or auditing matters.

(5) **AUTHORITY TO ENGAGE ADVISERS.**—Each audit committee shall have the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties.

(6) **FUNDING.**—Each issuer shall provide for appropriate funding, as determined by the audit committee, in its capacity as a committee of the board of directors, for payment of compensation—

(A) to the registered public accounting firm employed by the issuer for the purpose of rendering or issuing an audit report; and

(B) to any advisers employed by the audit committee under paragraph (5).

TRADING BY MEMBERS OF EXCHANGES, BROKERS, AND DEALERS

SEC. 11. [78k] (a)(1) It shall be unlawful for any member of a national securities exchange to effect any transaction on such exchange for its own account, the account of an associated person, or an account with respect to which it or an associated person thereof exercises investment discretion: *Provided, however,* That this paragraph shall not make unlawful—

(A) any transaction by a dealer acting in the capacity of market maker;

(B) any transaction for the account of an odd-lot dealer in a security in which he is so registered;

(C) any stabilizing transaction effected in compliance with rules under section 10(b) of this title to facilitate a distribution of a security in which the member effecting such transaction is participating;

(D) any bona fide arbitrage transaction, any bona fide hedge transaction involving a long or short position in an equity security and a long or short position in a security entitling the holder to acquire or sell such equity security, or any risk arbitrage transaction in connection with a merger, acquisition, tender offer, or similar transaction involving a recapitalization;

(E) any transaction for the account of a natural person, the estate of a natural person, or a trust created by a natural person for himself or another natural person;

(F) any transaction to offset a transaction made in error;

(G) any other transaction for a member's own account provided that (i) such member is primarily engaged in the business of underwriting and distributing securities issued by other persons, selling securities to customers, and acting as broker, or any one or more of such activities, and whose gross income normally is derived principally from such business and related activities and (ii) such transaction is effected in compliance with rules of the Commission which, as a minimum, assure that the transaction is not inconsistent with the maintenance

of fair and orderly markets and yields priority, parity, and precedence in execution to orders for the account of persons who are not members or associated with members of the exchange;

(H) any transaction for an account with respect to which such member or an associated person thereof exercises investment discretion if such member—

(i) has obtained, from the person or persons authorized to transact business for the account, express authorization for such member or associated person to effect such transactions prior to engaging in the practice of effecting such transactions;

(ii) furnishes the person or persons authorized to transact business for the account with a statement at least annually disclosing the aggregate compensation received by the exchange member in effecting such transactions; and

(iii) complies with any rules the Commission has prescribed with respect to the requirements of clauses (i) and (ii); and

(I) any other transaction of a kind which the Commission, by rule, determines is consistent with the purposes of this paragraph, the protection of investors, and the maintenance of fair and orderly markets.

(2) The Commission, by rule, as it deems necessary or appropriate in the public interest and for the protection of investors, to maintain fair and orderly markets, or to assure equal regulation of exchange markets and markets occurring otherwise than on an exchange, may regulate or prohibit:

(A) transactions on a national securities exchange not unlawful under paragraph (1) of this subsection effected by any member thereof for its own account (unless such member is acting in the capacity of market maker or odd-lot dealer), the account of an associated person, or an account with respect to which such member or an associated person thereof exercises investment discretion;

(B) transactions otherwise than on a national securities exchange effected by use of the mails or any means or instrumentality of interstate commerce by any member of a national securities exchange, broker, or dealer for the account of such member, broker, or dealer (unless such member, broker, or dealer is acting in the capacity of a market maker) the account of an associated person, or an account with respect to which such member, broker, or dealer or associated person thereof exercises investment discretion; and

(C) transactions on a national securities exchange effected by any broker or dealer not a member thereof for the account of such broker or dealer (unless such broker or dealer is acting in the capacity of market maker), the account of an associated person, or an account with respect to which such broker or dealer or associated person thereof exercises investment discretion.

The provisions of paragraph (1) of this subsection insofar as they apply to transactions on a national securities exchange ef-

fectured by a member thereof who was a member on February 1, 1978 shall not become effective until February 1, 1979. Nothing in this paragraph shall be construed to impair or limit the authority of the Commission to regulate or prohibit such transactions prior to February 1, 1979, pursuant to paragraph (2) of this subsection.

(b) When not in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest and for the protection of investors, to maintain fair and orderly markets, or to remove impediments to and perfect the mechanism of a national market system, the rules of a national securities exchange may permit (1) a member to be registered as an odd-lot dealer and as such to buy and sell for his own account so far as may be reasonably necessary to carry on such odd-lot transactions, and (2) a member to be registered as a specialist. Under the rules and regulations of the Commission a specialist may be permitted to act as a broker and dealer or limited to acting as a broker or dealer. It shall be unlawful for a specialist or an official of the exchange to disclose information in regard to orders placed with such specialist which is not available to all members of the exchange, to any person other than an official of the exchange, a representative of the Commission, or a specialist who may be acting for such specialist: *Provided, however,* That the Commission, by rule, may require disclosure to all members of the exchange of all orders placed with specialists, under such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors. It shall also be unlawful for a specialist permitted to act as a broker and dealer to effect on the exchange as broker any transaction except upon a market or limited price order.

(c) If because of the limited volume of transactions effected on an exchange, it is in the opinion of the Commission impracticable and not necessary or appropriate in the public interest or for the protection of investors to apply any of the foregoing provisions of this section or the rules and regulations thereunder, the Commission shall have power, upon application of the exchange and on a showing that the rules of such exchange are otherwise adequate for the protection of investors, to exempt such exchange and its members from any such provision or rules and regulations.

(d) It shall be unlawful for a member of a national securities exchange who is both a dealer and a broker, or for any person who both as a broker and a dealer transacts a business in securities through the medium of a member or otherwise, to effect through the use of any facility of a national securities exchange or of the mails or of any means or instrumentality of interstate commerce, or otherwise in the case of a member, (1) any transaction in connection with which, directly or indirectly, he extends or maintains or arranges for the extension or maintenance of credit to or for a customer on any security (other than an exempted security) which was a part of a new issue in the distribution of which he participated as a member of a selling syndicate or group within thirty days prior to such transaction: *Provided,* That credit shall not be deemed extended by reason of a bona fide delayed delivery of (i) any such security against full payment of the entire purchase price thereof upon such delivery within thirty-five days after such pur-

chase or (ii) any mortgage related security or any small business related security against full payment of the entire purchase price thereof upon such delivery within one hundred and eighty days after such purchase, or within such shorter period as the Commission may prescribe by rule or regulation, or (2) any transaction with respect to any security (other than an exempted security) unless, if the transaction is with a customer, he discloses to such customer in writing at or before the completion of the transaction whether he is acting as a dealer for his own account, as a broker for such customer, or as a broker for some other person.

(B) New data processing and communications techniques create the opportunity for more efficient and effective market operations.

(C) It is in the public interest and appropriate for the protection of investors and the maintenance of fair and orderly markets to assure—

(i) economically efficient execution of securities transactions;

(ii) fair competition among brokers and dealers, among exchange markets, and between exchange markets and markets other than exchange markets;

(iii) the availability to brokers, dealers, and investors of information with respect to quotations for and transactions in securities;

(iv) the practicability of brokers executing investors' orders in the best market; and

(v) an opportunity, consistent with the provisions of clauses (i) and (iv) of this subparagraph, for investors' orders to be executed without the participation of a dealer.

(D) The linking of all markets for qualified securities through communication and data processing facilities will foster efficiency, enhance competition, increase the information available to brokers, dealers, and investors, facilitate the off-setting of investors' orders, and contribute to best execution of such orders.

(2) The Commission is directed, therefore, having due regard for the public interest, the protection of investors, and the maintenance of fair and orderly markets, to use its authority under this title to facilitate the establishment of a national market system for securities (which may include subsystems for particular types of securities with unique trading characteristics) in accordance with the findings and to carry out the objectives set forth in paragraph (1) of this subsection. The Commission, by rule, shall designate the securities or classes of securities qualified for trading in the national market system from among securities other than exempted securities. (Securities or classes of securities so designated herein after in this section referred to as "qualified securities".)

(3) The Commission is authorized in furtherance of the directive in paragraph (2) of this subsection—

(A) to create one or more advisory committees pursuant to the Federal Advisory Committee Act (which shall be in addition to the National Market Advisory Board established pursuant to subsection (d) of this section) and to employ one or more outside experts;

(B) by rule or order, to authorize or require self-regulatory organizations to act jointly with respect to matters as to which they share authority under this title in planning, developing, operating, or regulating a national market system (or a subsystem thereof) or one or more facilities thereof; and

(C) to conduct studies and make recommendations to the Congress from time to time as to the possible need for modifications of the scheme of self-regulation provided for in this title so as to adapt it to a national market system.

(b)(1) Except as otherwise provided in this section, it shall be unlawful for any securities information processor unless registered in accordance with this subsection, directly or indirectly, to make use of the mails or any means or instrumentality of interstate commerce to perform the functions of a securities information processor. The Commission, by rule or order, upon its own motion or upon application, may conditionally or unconditionally exempt any securities information processor or class of securities information processors or security or class of securities from any provision of this section or the rules or regulations thereunder, if the Commission finds that such exemption is consistent with the public interest, the protection of investors, and the purposes of this section, including the maintenance of fair and orderly markets in securities and the removal of impediments to and perfection of the mechanism of a national market system: *Provided, however,* That a securities information processor not acting as the exclusive processor of any information with respect to quotations for or transactions in securities is exempt from the requirement to register in accordance with this subsection unless the Commission, by rule or order, finds that the registration of such securities information processor is necessary or appropriate in the public interest, for the protection of investors, or for the achievement of the purposes of this section.

(2) A securities information processor may be registered by filing with the Commission an application for registration in such form as the Commission, by rule, may prescribe containing the address of its principal office, or offices, the names of the securities and markets for which it is then acting and for which it proposes to act as a securities information processor, and such other information and documents as the Commission, by rule, may prescribe with regard to performance capability, standards and procedures for the collection, processing, distribution, and publication of information with respect to quotations for and transactions in securities, personnel qualifications, financial condition, and such other matters as the Commission determines to be germane to the provisions of this title and the rules and regulations thereunder, or necessary or appropriate in furtherance of the purposes of this section.

(3) The Commission shall, upon the filing of an application for registration pursuant to paragraph (2) of this subsection, publish

notice of the filing and afford interested persons an opportunity to submit written data, views, and arguments concerning such application. Within ninety days of the date of the publication of such notice (or within such longer period as to which the applicant consents) the Commission shall—

(A) by order grant such registration, or

(B) institute proceedings to determine whether registration should be denied. Such proceedings shall include notice of the grounds for denial under consideration and opportunity for hearing and shall be concluded within one hundred eighty days of the date of publication of notice of the filing of the application for registration. At the conclusion of such proceedings the Commission, by order, shall grant or deny such registration. The Commission may extend the time for the conclusion of such proceedings for up to sixty days if it finds good cause for such extension and publishes its reasons for so finding or for such longer periods as to which the applicant consents.

The Commission shall grant the registration of a securities information processor if the Commission finds that such securities information processor is so organized, and has the capacity, to be able to assure the prompt, accurate, and reliable performance of its functions as a securities information processor, comply with the provisions of this title and the rules and regulations thereunder, carry out its functions in a manner consistent with the purposes of this section, and, insofar as it is acting as an exclusive processor, operate fairly and efficiently. The Commission shall deny the registration of a securities information processor if the Commission does not make any such finding.

(4) A registered securities information processor may, upon such terms and conditions as the Commission deems necessary or appropriate in the public interest or for the protection of investors, withdraw from registration by filing a written notice of withdrawal with the Commission. If the Commission finds that any registered securities information processor is no longer in existence or has ceased to do business in the capacity specified in its application for registration, the Commission, by order, shall cancel the registration.

(5)(A) If any registered securities information processor prohibits or limits any person in respect of access to services offered, directly or indirectly, by such securities information processor, the registered securities information processor shall promptly file notice thereof with the Commission. The notice shall be in such form and contain such information as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. Any prohibition or limitation on access to services with respect to which a registered securities information processor is required by this paragraph to file notice shall be subject to review by the Commission on its own motion, or upon application by any person aggrieved thereby filed within thirty days after such notice has been filed with the Commission and received by such aggrieved person, or within such longer period as the Commission may determine. Application to the Commission for review, or the institution of review by the Commission on its own motion, shall not operate as a stay of such prohibition or limitation, unless

the Commission otherwise orders, summarily or after notice and opportunity for hearing on the question of a stay (which hearing may consist solely of the submission of affidavits or presentation of oral arguments). The Commission shall establish for appropriate cases an expedited procedure for consideration and determination of the question of a stay.

(B) In any proceeding to review the prohibition or limitation of any person in respect of access to services offered by a registered securities information processor, if the Commission finds, after notice and opportunity for hearing, that such prohibition or limitation is consistent with the provisions of this title and the rules and regulations thereunder and that such person has not been discriminated against unfairly, the Commission, by order, shall dismiss the proceeding. If the Commission does not make any such finding or if it finds that such prohibition or limitation imposes any burden on competition not necessary or appropriate in furtherance of the purposes of this title, the Commission, by order, shall set aside the prohibition or limitation and require the registered securities information processor to permit such person access to services offered by the registered securities information processor.

(6) The Commission, by order, may censure or place limitations upon the activities, functions, or operations of any registered securities information processor or suspend for a period not exceeding twelve months or revoke the registration of any such processor, if the Commission finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or revocation is in the public interest, necessary or appropriate for the protection of investors or to assure the prompt, accurate, or reliable performance of the functions of such securities information processor, and that such securities information processor has violated or is unable to comply with any provision of this title or the rules or regulations thereunder.

(c)(1) No self-regulatory organization, member thereof, securities information processor, broker, or dealer shall make use of the mails or any means or instrumentality of interstate commerce to collect, process, distribute, publish, or prepare for distribution or publication any information with respect to quotations for or transactions in any security other than an exempted security, to assist, participate in, or coordinate the distribution or publication of such information, or to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any such security in contravention of such rules and regulations as the Commission shall prescribe as necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this title to—

(A) prevent the use, distribution, or publication of fraudulent, deceptive, or manipulative information with respect to quotations for and transactions in such securities;

(B) assure the prompt, accurate, reliable, and fair collection, processing, distribution, and publication of information with respect to quotations for and transactions in such securities and the fairness and usefulness of the form and content of such information;

(C) assure that all securities information processors may, for purposes of distribution and publication, obtain on fair and reasonable terms such information with respect to quotations for and transactions in such securities as is collected, processed, or prepared for distribution or publication by any exclusive processor of such information acting in such capacity;

(D) assure that all exchange members, brokers, dealers, securities information processors, and, subject to such limitations as the Commission, by rule, may impose as necessary or appropriate for the protection of investors or maintenance of fair and orderly markets, all other persons may obtain on terms which are not unreasonably discriminatory such information with respect to quotations for and transactions in such securities as is published or distributed by any self-regulatory organization or securities information processor;

(E) assure that all exchange members, brokers, and dealers transmit and direct orders for the purchase or sale of qualified securities in a manner consistent with the establishment and operation of a national market system; and

(F) assure equal regulation of all markets for qualified securities and all exchange members, brokers, and dealers effecting transactions in such securities.

(2) The Commission, by rule, as it deems necessary or appropriate in the public interest or for the protection of investors, may require any person who has effected the purchase or sale of any qualified security by use of the mails or any means or instrumentality of interstate commerce to report such purchase or sale to a registered securities information processor, national securities exchange, or registered securities association and require such processor, exchange, or association to make appropriate distribution and publication of information with respect to such purchase or sale.

(3)(A) The Commission, by rule, is authorized to prohibit brokers and dealers from effecting transactions in securities registered pursuant to section 12(b) otherwise than on a national securities exchange, if the Commission finds, on the record after notice and opportunity for hearing, that—

(i) as a result of transactions in such securities effected otherwise than on a national securities exchange the fairness or orderliness of the markets for such securities has been affected in a manner contrary to the public interest or the protection of investors;

(ii) no rule of any national securities exchange unreasonably impairs the ability of any dealer to solicit or effect transactions in such securities for his own account or unreasonably restricts competition among dealers in such securities or between dealers acting in the capacity of market makers who are specialists in such securities and such dealers who are not specialists in such securities, and

(iii) the maintenance or restoration of fair and orderly markets in such securities may not be assured through other lawful means under this title.

The Commission may conditionally or unconditionally exempt any security or transaction or any class of securities or transactions

from any such prohibition if the Commission deems such exemption consistent with the public interest, the protection of investors, and the maintenance of fair and orderly markets.

(B) For the purposes of subparagraph (A) of this paragraph, the ability of a dealer to solicit or effect transactions in securities for his own account shall not be deemed to be unreasonably impaired by any rule of an exchange fairly and reasonably prescribing the sequence in which orders brought to the exchange must be executed or which has been adopted to effect compliance with a rule of the Commission promulgated under this title.

(4) The Commission is directed to review any and all rules of national securities exchanges which limit or condition the ability of members to effect transactions in securities otherwise than on such exchanges.

(5) No national securities exchange or registered securities association may limit or condition the participation of any member in any registered clearing agency.

(d)(1) Not later than one hundred eighty days after the date of enactment of the Securities Acts Amendments of 1975, the Commission shall establish a National Market Advisory Board (hereinafter in this section referred to as the "Advisory Board") to be composed of fifteen members, not all of whom shall be from the same geographical area of the United States, appointed by the Commission for a term specified by the Commission of not less than two years or more than five years. The Advisory Board shall consist of persons associated with brokers and dealers (who shall be a majority) and persons not so associated who are representative of the public and, to the extent feasible, have knowledge of the securities markets of the United States.

(2) It shall be the responsibility of the Advisory Board to formulate and furnish to the Commission its views on significant regulatory proposals made by the Commission or any self-regulatory organization concerning the establishment, operation, and regulation of the markets for securities in the United States.

(3)(A) The Advisory Board shall study and make recommendations to the Commission as to the steps it finds appropriate to facilitate the establishment of a national market system. In so doing, the Advisory Board shall assume the responsibilities of any advisory committee appointed to advise the Commission with respect to the national market system which is in existence at the time of the establishment of the Advisory Board.

(B) The Advisory Board shall study the possible need for modifications of the scheme of self-regulation provided for in this title so as to adapt it to a national market system, including the need for the establishment of a new self-regulatory organization (hereinafter in this section referred to as a "National Market Regulatory Board" or "Regulatory Board") to administer the national market system. In the event the Advisory Board determines a National Market Regulatory Board should be established, it shall make recommendations as to:

- (i) the point in time at which a Regulatory Board should be established;
- (ii) the composition of a Regulatory Board;
- (iii) the scope of the authority of a Regulatory Board;

(iv) the relationship of a Regulatory Board to the Commission and to existing self-regulatory organizations; and

(v) the manner in which a Regulatory Board should be funded.

The Advisory Board shall report to the Congress, on or before December 31, 1976, the results of such study and its recommendations, including such recommendations for legislation as it deems appropriate.

(C) In carrying out its responsibilities under this paragraph, the Advisory Board shall consult with self-regulatory organizations, brokers, dealers, securities information processors, issuers, investors, representatives of Government agencies, and other persons interested or likely to participate in the establishment, operation, or regulation of the national market system.

(e) NATIONAL MARKETS SYSTEM FOR SECURITY FUTURES PRODUCTS.—

(1) CONSULTATION AND COOPERATION REQUIRED.—With respect to security futures products, the Commission and the Commodity Futures Trading Commission shall consult and cooperate so that, to the maximum extent practicable, their respective regulatory responsibilities may be fulfilled and the rules and regulations applicable to security futures products may foster a national market system for security futures products if the Commission and the Commodity Futures Trading Commission jointly determine that such a system would be consistent with the congressional findings in subsection (a)(1). In accordance with this objective, the Commission shall, at least 15 days prior to the issuance for public comment of any proposed rule or regulation under this section concerning security futures products, consult and request the views of the Commodity Futures Trading Commission.

(2) APPLICATION OF RULES BY ORDER OF CFTC.—No rule adopted pursuant to this section shall be applied to any person with respect to the trading of security futures products on an exchange that is registered under section 6(g) unless the Commodity Futures Trading Commission has issued an order directing that such rule is applicable to such persons.

REGISTRATION REQUIREMENTS FOR SECURITIES

SEC. 12. [78/] (a) It shall be unlawful for any member, broker, or dealer to effect any transaction in any security (other than an exempted security) on a national securities exchange unless a registration is effective as to such security for such exchange in accordance with the provisions of this title and the rules and regulations thereunder. The provisions of this subsection shall not apply in respect of a security futures product traded on a national securities exchange.

(b) A security may be registered on a national securities exchange by the issuer filing an application with the exchange (and filing with the Commission such duplicate originals thereof as the Commission may require), which application shall contain—

(1) Such information, in such detail, as to the issuer and any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the issuer, and

any guarantor of the security as to principal or interest or both, as the Commission may by rules and regulations require, as necessary or appropriate in the public interest or for the protection of investors, in respect of the following:¹

(A) the organization, financial structures, and nature of the business;

(B) the terms, position, rights, and privileges of the different classes of securities outstanding;

(C) the terms on which their securities are to be, and during the preceding three years have been, offered to the public or otherwise;

(D) the directors, officers, and underwriters, and each security holder of record holding more than 10 per centum of any class of any equity security of the issuer (other than an exempted security), their remuneration and their interests in the securities of, and their material contracts with, the issuer and any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the issuer;

(E) remuneration to others than directors and officers exceeding \$20,000 per annum;

(F) bonus and profit-sharing arrangements;

(G) management and service contracts;

(H) options existing or to be created in respect of their securities;

(I) material contracts, not made in the ordinary course of business, which are to be executed in whole or in part at or after the filing of the application or which were made not more than two years before such filing, and every material patent or contract for a material patent right shall be deemed a material contract;

(J) balance sheets for not more than the three preceding fiscal years, certified if required by the rules and regulations of the Commission by a registered public accounting firm;

(K) profit and loss statements for not more than the three preceding fiscal years, certified if required by the rules and regulations of the Commission by a registered public accounting firm; and

(L) any further financial statements which the Commission may deem necessary or appropriate for the protection of investors.

(2) Such copies of articles of incorporation, bylaws, trust indentures, or corresponding documents by whatever name known, underwriting arrangements, and other similar documents of, and voting trust agreements with respect to, the issuer and any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the issuer as the Commission may require as necessary or appropriate for the proper protection of investors and to insure fair dealing in the security.

¹ For additional information required of certain public utilities, see 16 U.S.C. 824c(h).

(3) Such copies of material contracts, referred to in paragraph (1)(I) above, as the Commission may require as necessary or appropriate for the proper protection of investors and to insure fair dealing in the security.

(c) If in the judgment of the Commission any information required under subsection (b) of this section is inapplicable to any specified class or classes of issuers, the Commission shall require in lieu thereof the submission of such other information of comparable character as it may deem applicable to such class of issuers.

(d) If the exchange authorities certify to the Commission that the security has been approved by the exchange for listing and registration, the registration shall become effective thirty days after the receipt of such certification by the Commission or within such shorter period of time as the Commission may determine. A security registered with a national securities exchange may be withdrawn or stricken from listing and registration in accordance with the rules of the exchange and, upon such terms as the Commission may deem necessary to impose for the protection of investors, upon application by the issuer or the exchange to the Commission; whereupon the issuer shall be relieved from further compliance with the provisions of this section and section 13 of this title and any rules or regulations under such sections as to the securities so withdrawn or stricken. An unissued security may be registered only in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(e) Notwithstanding the foregoing provisions of this section, the Commission may by such rules and regulations as it deems necessary or appropriate in the public interest or for the protection of investors permit securities listed on any exchange at the time the registration of such exchange as a national securities exchange becomes effective, to be registered for a period ending not later than July 1, 1935, without complying with the provisions of this section.

(f)(1)(A) Notwithstanding the preceding subsections of this section, any national securities exchange, in accordance with the requirements of this subsection and the rules hereunder, may extend unlisted trading privileges to—

(i) any security that is listed and registered on a national securities exchange, subject to subparagraph (B); and

(ii) any security that is otherwise registered pursuant to this section, or that would be required to be so registered except for the exemption from registration provided in subparagraph (B) or (G) of subsection (g)(2), subject to subparagraph (E) of this paragraph.

(B) A national securities exchange may not extend unlisted trading privileges to a security described in subparagraph (A)(i) during such interval, if any, after the commencement of an initial public offering of such security, as is or may be required pursuant to subparagraph (C).

(C) Not later than 180 days after the date of enactment of the Unlisted Trading Privileges Act of 1994, the Commission shall prescribe, by rule or regulation, the duration of the interval referred to in subparagraph (B), if any, as the Commission determines to be

necessary or appropriate for the maintenance of fair and orderly markets, the protection of investors and the public interest, or otherwise in furtherance of the purposes of this title. Until the earlier of the effective date of such rule or regulation or 240 days after such date of enactment, such interval shall begin at the opening of trading on the day on which such security commences trading on the national securities exchange with which such security is registered and end at the conclusion of the next day of trading.

(D) The Commission may prescribe, by rule or regulation such additional procedures or requirements for extending unlisted trading privileges to any security as the Commission deems necessary or appropriate for the maintenance of fair and orderly markets, the protection of investors and the public interest, or otherwise in furtherance of the purposes of this title.

(E) No extension of unlisted trading privileges to securities described in subparagraph (A)(ii) may occur except pursuant to a rule, regulation, or order of the Commission approving such extension or extensions. In promulgating such rule or regulation or in issuing such order, the Commission—

(i) shall find that such extension or extensions of unlisted trading privileges is consistent with the maintenance of fair and orderly markets, the protection of investors and the public interest, and otherwise in furtherance of the purposes of this title;

(ii) shall take account of the public trading activity in such securities, the character of such trading, the impact of such extension on the existing markets for such securities, and the desirability of removing impediments to and the progress that has been made toward the development of a national market system; and

(iii) shall not permit a national securities exchange to extend unlisted trading privileges to such securities if any rule of such national securities exchange would unreasonably impair the ability of a dealer to solicit or effect transactions in such securities for its own account, or would unreasonably restrict competition among dealers in such securities or between such dealers acting in the capacity of market makers who are specialists and such dealers who are not specialists.

(F) An exchange may continue to extend unlisted trading privileges in accordance with this paragraph only if the exchange and the subject security continue to satisfy the requirements for eligibility under this paragraph, including any rules and regulations issued by the Commission pursuant to this paragraph, except that unlisted trading privileges may continue with regard to securities which had been admitted on such exchange prior to July 1, 1964, notwithstanding the failure to satisfy such requirements. If unlisted trading privileges in a security are discontinued pursuant to this subparagraph, the exchange shall cease trading in that security, unless the exchange and the subject security thereafter satisfy the requirements of this paragraph and the rules issued hereunder.

(G) For purposes of this paragraph—

(i) a security is the subject of an initial public offering if—

(I) the offering of the subject security is registered under the Securities Act of 1933; and

(II) the issuer of the security, immediately prior to filing the registration statement with respect to the offering, was not subject to the reporting requirements of section 13 or 15(d) of this title; and

(ii) an initial public offering of such security commences at the opening of trading on the day on which such security commences trading on the national securities exchange with which such security is registered.

(2)(A) At any time within 60 days of commencement of trading on an exchange of a security pursuant to unlisted trading privileges, the Commission may summarily suspend such unlisted trading privileges on the exchange. Such suspension shall not be reviewable under section 25 of this title and shall not be deemed to be a final agency action for purposes of section 704 of title 5, United States Code. Upon such suspension—

(i) the exchange shall cease trading in the security by the close of business on the date of such suspension, or at such time as the Commission may prescribe by rule or order for the maintenance of fair and orderly markets, the protection of investors and the public interest, or otherwise in furtherance of the purposes of this title; and

(ii) if the exchange seeks to extend unlisted trading privileges to the security, the exchange shall file an application to reinstate its ability to do so with the Commission pursuant to such procedures as the Commission may prescribe by rule or order for the maintenance of fair and orderly markets, the protection of investors and the public interest, or otherwise in furtherance of the purposes of this title.

(B) A suspension under subparagraph (A) shall remain in effect until the Commission, by order, grants approval of an application to reinstate, as described in subparagraph (A)(ii).

(C) A suspension under subparagraph (A) shall not affect the validity or force of an extension of unlisted trading privileges in effect prior to such suspension.

(D) The Commission shall not approve an application by a national securities exchange to reinstate its ability to extend unlisted trading privileges to a security unless the Commission finds, after notice and opportunity for hearing, that the extension of unlisted trading privileges pursuant to such application is consistent with the maintenance of fair and orderly markets, the protection of investors and the public interest, and otherwise in furtherance of the purposes of this title. If the application is made to reinstate unlisted trading privileges to a security described in paragraph (1)(A)(ii), the Commission—

(i) shall take account of the public trading activity in such security, the character of such trading, the impact of such extension on the existing markets for such a security, and the desirability of removing impediments to and the progress that has been made toward the development of a national market system; and

(ii) shall not grant any such application if any rule of the national securities exchange making application under this subsection would unreasonably impair the ability of a dealer to solicit or effect transactions in such security for its own ac-

count, or would unreasonably restrict competition among dealers in such security or between such dealers acting in the capacity of marketmakers who are specialists and such dealers who are not specialists.

(3) Notwithstanding paragraph (2), the Commission shall by rules and regulations suspend unlisted trading privileges in whole or in part for any or all classes of securities for a period not exceeding twelve months, if it deems such suspension necessary or appropriate in the public interest or for the protection of investors or to prevent evasion of the purposes of this title.

(4) On the application of the issuer of any security for which unlisted trading privileges on any exchange have been continued or extended pursuant to this subsection, or of any broker or dealer who makes or creates a market for such security, or of any other person having a bona fide interest in the question of termination or suspension of such unlisted trading privileges, or on its own motion, the Commission shall by order terminate, or suspend for a period not exceeding twelve months, such unlisted trading privileges for such security if the Commission finds, after appropriate notice and opportunity for hearing, that such termination or suspension is necessary or appropriate in the public interest or for the protection of investors.

(5) In any proceeding under this subsection in which appropriate notice and opportunity for hearing are required, notice of not less than ten days to the applicant in such proceeding, to the issuer of the security involved, to the exchange which is seeking to continue or extend or has continued or extended unlisted trading privileges for such security, and to the exchange, if any, on which such security is listed and registered, shall be deemed adequate notice, and any broker or dealer who makes or creates a market for such security, and any other person having a bona fide interest in such proceeding, shall upon application be entitled to be heard.

(6) Any security for which unlisted trading privileges are continued or extended pursuant to this subsection shall be deemed to be registered on a national securities exchange within the meaning of this title. The powers and duties of the Commission under this title shall be applicable to the rules of an exchange in respect to any such security. The Commission may, by such rules and regulations as it deems necessary or appropriate in the public interest or for the protection of investors, either unconditionally or upon specified terms and conditions, or for stated periods, exempt such securities from the operation of any provision of section 13, 14, or 16 of this title.

(g)(1) Every issuer which is engaged in interstate commerce, or in a business affecting interstate commerce, or whose securities are traded by use of the mails or any means or instrumentality of interstate commerce shall—

(A) within one hundred and twenty days after the last day of its first fiscal year ended after the effective date of this subsection on which the issuer has total assets exceeding \$1,000,000 and a class of equity security (other than an exempted security) held of record by seven hundred and fifty or more persons; and

(B) within one hundred and twenty days after the last day of its first fiscal year ended after two years from the effective date of this subsection on which the issuer has total assets exceeding \$1,000,000 and a class of equity security (other than an exempted security) held of record by five hundred or more but less than seven hundred and fifty persons,

register such security by filing with the Commission a registration statement (and such copies thereof as the Commission may require) with respect to such security containing such information and documents as the Commission may specify comparable to that which is required in an application to register a security pursuant to subsection (b) of this section. Each such registration statement shall become effective sixty days after filing with the Commission or within such shorter period as the Commission may direct. Until such registration statement becomes effective it shall not be deemed filed for the purposes of section 18 of this title. Any issuer may register any class of equity security not required to be registered by filing a registration statement pursuant to the provisions of this paragraph. The Commission is authorized to extend the date upon which any issuer or class of issuers is required to register a security pursuant to the provisions of this paragraph.

(2) The provisions of this subsection shall not apply in respect of—

(A) any security listed and registered on a national securities exchange.

(B) any security issued by an investment company registered pursuant to section 8 of the Investment Company Act of 1940.

(C) any security, other than permanent stock, guaranty stock, permanent reserve stock, or any similar certificate evidencing nonwithdrawable capital, issued by a savings and loan association, building and loan association, cooperative bank, homestead association, or similar institution, which is supervised and examined by State or Federal authority having supervision over any such institution.

(D) any security of an issuer organized and operated exclusively for religious, educational, benevolent, fraternal, charitable, or reformatory purposes and not for pecuniary profit, and no part of the net earnings of which inures to the benefit of any private shareholder or individual; or any security of a fund that is excluded from the definition of an investment company under section 3(c)(10)(B) of the Investment Company Act of 1940.

(E) any security of an issuer which is a “cooperative association” as defined in the Agricultural Marketing Act, approved June 15, 1929, as amended,¹ or a federation of such cooperative associations, if such federation possesses no greater powers or purposes than cooperative associations so defined.

(F) any security issued by a mutual or cooperative organization which supplies a commodity or service primarily for the benefit of its members and operates not for pecuniary profit, but only if the security is part of a class issuable only to per-

sons who purchase commodities or services from the issuer, the security is transferable only to a successor in interest or occupancy of premises serviced or to be served by the issuer, and no dividends are payable to the holder of the security.

(G) any security issued by an insurance company if all of the following conditions are met:

(i) Such insurance company is required to and does file an annual statement with the Commissioner of Insurance (or other officer or agency performing a similar function) of its domiciliary State, and such annual statement conforms to that prescribed by the National Association of Insurance Commissioners or in the determination of such State commissioner, officer or agency substantially conforms to that so prescribed.

(ii) Such insurance company is subject to regulation by its domiciliary State of proxies, consents, or authorizations in respect of securities issued by such company and such regulation conforms to that prescribed by the National Association of Insurance Commissioners.

(iii) After July 1, 1966, the purchase and sales of securities issued by such insurance company by beneficial owners, directors, or officers of such company are subject to regulation (including reporting) by its domiciliary State substantially in the manner provided in section 16 of this title.

(H) any interest or participation in any collective trust funds maintained by a bank or in a separate account maintained by an insurance company which interest or participation is issued in connection with (i) a stock-bonus, pension, or profit-sharing plan which meets the requirements for qualification under section 401 of the Internal Revenue Code of 1954,¹ or (ii) an annuity plan which meets the requirements for deduction of the employer's contribution under section 404(a)(2) of such Code.²

(3) The Commission may by rules or regulations or, on its own motion, after notice and opportunity for hearing, by order, exempt from this subsection any security of a foreign issuer, including any certificate of deposit for such a security, if the Commission finds that such exemption is in the public interest and is consistent with the protection of investors.

(4) Registration of any class of security pursuant to this subsection shall be terminated ninety days, or such shorter period as the Commission may determine, after the issuer files a certification with the Commission that the number of holders of record of such class of security is reduced to less than three hundred persons. The Commission shall after notice and opportunity for hearing deny termination of registration if it finds that the certification is untrue. Termination of registration shall be deferred pending final determination on the question of denial.

(5) For the purposes of this subsection the term "class" shall include all securities of an issuer which are of substantially similar

character and the holders of which enjoy substantially similar rights and privileges. The Commission may for the purpose of this subsection define by rules and regulations the terms “total assets” and “held of record” as it deems necessary or appropriate in the public interest or for the protection of investors in order to prevent circumvention of the provisions of this subsection. For purposes of this subsection, a security futures product shall not be considered a class of equity security of the issuer of the securities underlying the security futures product.

(h) The Commission may by rules and regulations, or upon application of an interested person, by order, after notice and opportunity for hearing, exempt in whole or in part any issuer or class of issuers from the provisions of subsection (g) of this section or from section 13, 14, or 15(d) or may exempt from section 16 any officer, director, or beneficial owner of securities of any issuer, any security of which is required to be registered pursuant to subsection (g) hereof, upon such terms and conditions and for such period as it deems necessary or appropriate, if the Commission finds, by reason of the number of public investors, amount of trading interest in the securities, the nature and extent of the activities of the issuer, income or assets of the issuer, or otherwise, that such action is not inconsistent with the public interest or the protection of investors. The Commission may, for the purposes of any of the above-mentioned sections or subsections of this title, classify issuers and prescribe requirements appropriate for each such class.

(i) In respect of any securities issued by banks and savings associations the deposits of which are insured in accordance with the Federal Deposit Insurance Act, the powers, functions, and duties vested in the Commission to administer and enforce sections 10A(m), 12, 13, 14(a), 14(c), 14(d), 14(f), and 16 of this Act, and sections 302, 303, 304, 306, 401(b), 404, 406, and 407 of the Sarbanes-Oxley Act of 2002, (1) with respect to national banks and banks operating under the Code of Law for the District of Columbia are vested in the Comptroller of the Currency, (2) with respect to all other member banks of the Federal Reserve System are vested in the Board of Governors of the Federal Reserve System, (3) with respect to all other insured banks are vested in the Federal Deposit Insurance Corporation, and (4) with respect to savings associations the accounts of which are insured by the Federal Deposit Insurance Corporation are vested in the Office of Thrift Supervision. The Comptroller of the Currency, the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, and the Office of Thrift Supervision shall have the power to make such rules and regulations as may be necessary for the execution of the functions vested in them as provided in this subsection. In carrying out their responsibilities under this subsection, the agencies named in the first sentence of this subsection shall issue substantially similar regulations to regulations and rules issued by the Commission under sections 10A(m), 12, 13, 14(a), 14(c), 14(d), 14(f) and 16 of this Act, and sections 302, 303, 304, 306, 401(b), 404, 406, and 407 of the Sarbanes-Oxley Act of 2002, unless they find that implementation of substantially similar regulations with respect to insured banks and insured institutions are not necessary or appropriate in the public interest or for protection of investors, and pub-

lish such findings, and the detailed reasons therefor, in the Federal Register. Such regulations of the above-named agencies, or the reasons for failure to publish such substantially similar regulations to those of the Commission, shall be published in the Federal Register within 120 days of the date of enactment of this subsection, and, thereafter, within 60 days of any changes made by the Commission in its relevant regulations and rules.¹

(j) The Commission is authorized, by order, as it deems necessary or appropriate for the protection of investors to deny, to suspend the effective date of, to suspend for a period not exceeding twelve months, or to revoke the registration of a security, if the Commission finds, on the record after notice and opportunity for hearing, that the issuer of such security has failed to comply with any provision of this title or the rules and regulations thereunder. No member of a national securities exchange, broker, or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce the purchase or sale of, any security the registration of which has been and is suspended or revoked pursuant to the preceding sentence.

(k) TRADING SUSPENSIONS; EMERGENCY AUTHORITY.—

(1) TRADING SUSPENSIONS.—If in its opinion the public interest and the protection of investors so require, the Commission is authorized by order—

(A) summarily to suspend trading in any security (other than an exempted security) for a period not exceeding 10 business days, and

(B) summarily to suspend all trading on any national securities exchange or otherwise, in securities other than exempted securities, for a period not exceeding 90 calendar days.

The action described in subparagraph (B) shall not take effect unless the Commission notifies the President of its decision and the President notifies the Commission that the President does not disapprove of such decision. If the actions described in subparagraph (A) or (B) involve a security futures product, the Commission shall consult with and consider the views of the Commodity Futures Trading Commission.

(2) EMERGENCY ORDERS.—(A) The Commission, in an emergency, may by order summarily take such action to alter, supplement, suspend, or impose requirements or restrictions with respect to any matter or action subject to regulation by the Commission or a self-regulatory organization under this title, as the Commission determines is necessary in the public interest and for the protection of investors—

(i) to maintain or restore fair and orderly securities markets (other than markets in exempted securities); or

(ii) to ensure prompt, accurate, and safe clearance and settlement of transactions in securities (other than exempted securities).

(3) TERMINATION OF EMERGENCY ACTIONS BY PRESIDENT.—The President may direct that action taken by the Commission under paragraph (1)(B) or paragraph (2) of this subsection shall not continue in effect.

(4) COMPLIANCE WITH ORDERS.—No member of a national securities exchange, broker, or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce the purchase or sale of, any security in contravention of an order of the Commission under this subsection unless such order has been stayed, modified, or set aside as provided in paragraph (5) of this subsection or has ceased to be effective upon direction of the President as provided in paragraph (3).

(5) LIMITATIONS ON REVIEW OF ORDERS.—An order of the Commission pursuant to this subsection shall be subject to review only as provided in section 25(a) of this title. Review shall be based on an examination of all the information before the Commission at the time such order was issued. The reviewing court shall not enter a stay, writ of mandamus, or similar relief unless the court finds, after notice and hearing before a panel of the court, that the Commission's action is arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law.

(6) DEFINITION OF EMERGENCY.—For purposes of this subsection, the term "emergency" means a major market disturbance characterized by or constituting—

(A) sudden and excessive fluctuations of securities prices generally, or a substantial threat thereof, that threaten fair and orderly markets, or

(B) a substantial disruption of the safe or efficient operation of the national system for clearance and settlement of securities, or a substantial threat thereof.

The provisions of this subsection shall not apply to variable annuity contracts or variable life policies issued by an insurance company or its separate accounts.

(2) Every issuer which has a class of securities registered pursuant to section 12 of this title and every issuer which is required to file reports pursuant to section 15(d) of this title shall—

(ii) transactions are recorded as necessary (I) to permit preparation of financial statements in conformity with generally accepted accounting principles or any other criteria applicable to such statements, and (II) to maintain accountability for assets;

(iii) access to assets is permitted only in accordance with management's general or specific authorization; and

(iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences; and (C) notwithstanding any other provision of law, pay the allocable share of such issuer of a reasonable annual accounting support fee or fees, determined in accordance with section 109 of the Sarbanes-Oxley Act of 2002.

(3)(A) With respect to matters concerning the national security of the United States, no duty or liability under paragraph (2) of this subsection shall be imposed upon any person acting in cooperation with the head of any Federal department or agency responsible for such matters if such act in cooperation with such head of a department or agency was done upon the specific, written directive of the head of such department or agency pursuant to Presidential authority to issue such directives. Each directive issued under this paragraph shall set forth the specific facts and circumstances with respect to which the provisions of this paragraph are to be invoked. Each such directive shall, unless renewed in writing, expire one year after the date of issuance.

(B) Each head of a Federal department or agency of the United States who issues a directive pursuant to this paragraph shall maintain a complete file of all such directives and shall, on October 1 of each year, transmit a summary of matters covered by such directives in force at any time during the previous year to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate.

(5) No person shall knowingly circumvent or knowingly fail to implement a system of internal accounting controls or knowingly falsify any book, record, or account described in paragraph (2).

(6) Where an issuer which has a class of securities registered pursuant to section 12 of this title or an issuer which is required to file reports pursuant to section 15(d) of this title holds 50 per centum or less of the voting power with respect to a domestic or foreign firm, the provisions of paragraph (2) require only that the issuer proceed in good faith to use its influence, to the extent reasonable under the issuer's circumstances, to cause such domestic or foreign firm to devise and maintain a system of internal accounting controls consistent with paragraph (2). Such circumstances include the relative degree of the issuer's ownership of the domestic or foreign firm and the laws and practices governing the business operations of the country in which such firm is located. An issuer which

demonstrates good faith efforts to use such influence shall be conclusively presumed to have complied with the requirements of paragraph (2).

(7) For the purpose of paragraph (2) of this subsection, the terms "reasonable assurances" and "reasonable detail" mean such level of detail and degree of assurance as would satisfy prudent officials in the conduct of their own affairs.

(c) If in the judgment of the Commission any report required under subsection (a) is inapplicable to any specified class or classes of issuers, the Commission shall require in lieu thereof the submission of such reports of comparable character as it may deem applicable to such class or classes of issuers.

(d)(1) Any person who, after acquiring directly or indirectly the beneficial ownership of any equity security of a class which is registered pursuant to section 12 of this title, or any equity security of an insurance company which would have been required to be so registered except for the exemption contained in section 12(g)(2)(G) of this title, or any equity security issued by a closed-end investment company registered under the Investment Company Act of 1940 or any equity security issued by a Native Corporation pursuant to section 37(d)(6) of the Alaska Native Claims Settlement Act, is directly or indirectly the beneficial owner of more than 5 per centum of such class shall, within ten days after such acquisition, send to the issuer of the security at its principal executive office, by registered or certified mail, send to each exchange where the security is traded, and file with the Commission, a statement containing such of the following information, and such additional information, as the Commission may by rules and regulations, prescribe as necessary or appropriate in the public interest or for the protection of investors—

(A) the background, and identity, residence, and citizenship of, and the nature of such beneficial ownership by, such person and all other persons by whom or on whose behalf the purchases have been or are to be effected;

(C) if the purpose of the purchases or prospective purchases is to acquire control of the business of the issuer of the securities any plans or proposals which such persons may have to liquidate such issuer, to sell its assets to or merge it with any other persons, or to make any other major change in its business or corporate structure;

(D) the number of shares of such security which are beneficially owned, and the number of shares concerning which there is a right to acquire, directly or indirectly, by (i) such

person, and (ii) by each associate of such person, giving the background, identity, residence, and citizenship of each such associate; and

(E) information as to any contracts, arrangements, or understandings with any person with respect to any securities of the issuer, including but not limited to transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guaranties of loans, guaranties against loss or guaranties of profits, division of losses or profits, or the giving or withholding of proxies, naming the persons with whom such contracts, arrangements, or understandings have been entered into, and giving the details thereof.

(2) If any material change occurs in the facts set forth in the statements to the issuer and the exchange, and in the statement filed with the Commission, an amendment shall be transmitted to the issuer and the exchange and shall be filed with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3) When two or more persons act as a partnership, limited partnership, syndicate, or other group for the purpose of acquiring, holding, or disposing of securities of an issuer, such syndicate or group shall be deemed a "person" for the purposes of this subsection.

(4) In determining, for purposes of this subsection, any percentage of a class of any security, such class shall be deemed to consist of the amount of the outstanding securities of such class, exclusive of any securities of such class held by or for the account of the issuer or a subsidiary of the issuer.

(5) The Commission, by rule or regulation or by order, may permit any person to file in lieu of the statement required by paragraph (1) of this subsection or the rules and regulations thereunder, a notice stating the name of such person, the number of shares of any equity securities subject to paragraph (1) which are owned by him, the date of their acquisition and such other information as the Commission may specify, if it appears to the Commission that such securities were acquired by such person in the ordinary course of his business and were not acquired for the purpose of and do not have the effect of changing or influencing the control of the issuer nor in connection with or as a participant in any transaction having such purpose or effect.

(6) The provisions of this subsection shall not apply to—

(A) any acquisition or offer to acquire securities made or proposed to be made by means of a registration statement under the Securities Act of 1933;

(B) any acquisition of the beneficial ownership of a security which, together with all other acquisitions by the same person of securities of the same class during the preceding twelve months, does not exceed 2 per centum of that class;

(C) any acquisition of an equity security by the issuer of such security;

(D) any acquisition or proposed acquisition of a security which the Commission, by rules or regulations or by order, shall exempt from the provisions of this subsection as not en-

tered into for the purpose of, and not having the effect of, changing or influencing the control of the issuer or otherwise as not comprehended within the purposes of this subsection.

(e)(1) It shall be unlawful for an issuer which has a class of equity securities registered pursuant to section 12 of this title, or which is a closed-end investment company registered under the Investment Company Act of 1940, to purchase any equity security issued by it if such purchase is in contravention of such rules and regulations as the Commission, in the public interest or for the protection of investors, may adopt (A) to define acts and practices which are fraudulent, deceptive, or manipulative, and (B) to prescribe means reasonably designed to prevent such acts and practices. Such rules and regulations may require such issuer to provide holders of equity securities of such class with such information relating to the reasons for such purchase, the source of funds, the number of shares to be purchased, the price to be paid for such securities, the method of purchase, and such additional information, as the Commission deems necessary or appropriate in the public interest or for the protection of investors, or which the Commission deems to be material to a determination whether such security should be sold.

(2) For the purpose of this subsection, a purchase by or for the issuer or any person controlling, controlled by, or under common control with the issuer, or a purchase subject to control of the issuer or any such person, shall be deemed to be a purchase by the issuer. The Commission shall have power to make rules and regulations implementing this paragraph in the public interest and for the protection of investors, including exemptive rules and regulations covering situations in which the Commission deems it unnecessary or inappropriate that a purchase of the type described in this paragraph shall be deemed to be a purchase by the issuer for purposes of some or all of the provisions of paragraph (1) of this subsection.

(3) At the time of filing such statement as the Commission may require by rule pursuant to paragraph (1) of this subsection, the person making the filing shall pay to the Commission a fee at a rate that, subject to paragraphs (5) and (6), is equal to \$92 per \$1,000,000 of the value of securities proposed to be purchased. The fee shall be reduced with respect to securities in an amount equal to any fee paid with respect to any securities issued in connection with the proposed transaction under section 6(b) of the Securities Act of 1933, or the fee paid under that section shall be reduced in an amount equal to the fee paid to the Commission in connection with such transaction under this paragraph.

(4)¹ OFFSETTING COLLECTIONS.—Fees collected pursuant to this subsection for any fiscal year shall be deposited and credited as offsetting collections to the account providing appropriations to the Commission, and, except as provided in paragraph (9), shall not be collected for any fiscal year except to the extent provided in advance in appropriation Acts. No fees collected pursuant to this subsection for fiscal year 2002 or any

succeeding fiscal year shall be deposited and credited as general revenue of the Treasury.

(5)¹ ANNUAL ADJUSTMENT.—For each of the fiscal years 2003 through 2011, the Commission shall by order adjust the rate required by paragraph (3) for such fiscal year to a rate that is equal to the rate (expressed in dollars per million) that is applicable under section 6(b) of the Securities Act of 1933 for such fiscal year.

(6)¹ FINAL RATE ADJUSTMENT.—For fiscal year 2012 and all of the succeeding fiscal years, the Commission shall by order adjust the rate required by paragraph (3) for all of such fiscal years to a rate that is equal to the rate (expressed in dollars per million) that is applicable under section 6(b) of the Securities Act of 1933 for all of such fiscal years.

(7)¹ PRO RATA APPLICATION.—The rates per \$1,000,000 required by this subsection shall be applied pro rata to amounts and balances of less than \$1,000,000.

(8)¹ REVIEW AND EFFECTIVE DATE.—In exercising its authority under this subsection, the Commission shall not be required to comply with the provisions of section 553 of title 5, United States Code. An adjusted rate prescribed under paragraph (5) or (6) and published under paragraph (10) shall not be subject to judicial review. Subject to paragraphs (4) and (9)—

(A) an adjusted rate prescribed under paragraph (5) shall take effect on the later of—

- (i) the first day of the fiscal year to which such rate applies; or
- (ii) five days after the date on which a regular appropriation to the Commission for such fiscal year is enacted; and

(B) an adjusted rate prescribed under paragraph (6) shall take effect on the later of—

- (i) the first day of fiscal year 2012; or
- (ii) five days after the date on which a regular appropriation to the Commission for fiscal year 2012 is enacted.

(9)¹ LAPSE OF APPROPRIATION.—If on the first day of a fiscal year a regular appropriation to the Commission has not been enacted, the Commission shall continue to collect fees (as offsetting collections) under this subsection at the rate in effect during the preceding fiscal year, until 5 days after the date such a regular appropriation is enacted.

(10)¹ PUBLICATION.—The rate applicable under this subsection for each fiscal year is published pursuant to section 6(b)(10) of the Securities Act of 1933.

day in any of the preceding twelve months of at least \$100,000,000 or such lesser amount (but in no case less than \$10,000,000) as the Commission, by rule, may determine, shall file reports with the Commission in such form, for such periods, and at such times after the end of such periods as the Commission, by rule, may prescribe, but in no event shall such reports be filed for periods longer than one year or shorter than one quarter. Such reports shall include for each such equity security held on the last day of the reporting period by accounts (in aggregate or by type as the Commission, by rule, may prescribe) with respect to which the institutional investment manager exercises investment discretion (other than securities held in amounts which the Commission, by rule, determines to be insignificant for purposes of this subsection), the name of the issuer and the title, class, CUSIP number, number of shares or principal amount, and aggregate fair market value of each such security. Such reports may also include for accounts (in aggregate or by type) with respect to which the institutional investment manager exercises investment discretion such of the following information as the Commission, by rule, prescribes—

(A) the name of the issuer and the title, class, CUSIP number, number of shares or principal amount, and aggregate fair market value or cost or amortized cost of each other security (other than an exempted security) held on the last day of the reporting period by such accounts;

(B) the aggregate fair market value or cost or amortized cost of exempted securities (in aggregate or by class) held on the last day of the reporting period by such accounts;

(C) the number of shares of each equity security of a class described in section 13(d)(1) of this title held on the last day of the reporting period by such accounts with respect to which the institutional investment manager possesses sole or shared authority to exercise the voting rights evidenced by such securities;

(D) the aggregate purchases and aggregate sales during the reporting period of each security (other than an exempted security) effected by or for such accounts; and

(E) with respect to any transaction or series of transactions having a market value of at least \$500,000 or such other amount as the Commission, by rule, may determine, effected during the reporting period by or for such accounts in any equity security of a class described in section 13(d)(1) of this title—

(ii) the number of shares or principal amount of the security involved in the transaction;

(iii) whether the transaction was a purchase or sale;

(iv) the per share price or prices at which the transaction was effected;

(v) the date or dates of the transaction;

(vi) the date or dates of the settlement of the transaction;

(vii) the broker or dealer through whom the transaction was effected;

(viii) the market or markets in which the transaction was effected; and

(ix) such other related information as the Commission, by rule, may prescribe.

(2) The Commission, by rule or order, may exempt, conditionally or unconditionally, any institutional investment manager or security or any class of institutional investment managers or securities from any or all of the provisions of this subsection or the rules thereunder.

(3) The Commission shall make available to the public for a reasonable fee a list of all equity securities of a class described in section 13(d)(1) of this title, updated no less frequently than reports are required to be filed pursuant to paragraph (1) of this subsection. The Commission shall tabulate the information contained in any report filed pursuant to this subsection in a manner which will, in the view of the Commission, maximize the usefulness of the information to other Federal and State authorities and the public. Promptly after the filing of any such report, the Commission shall make the information contained therein conveniently available to the public for a reasonable fee in such form as the Commission, by rule, may prescribe, except that the Commission, as it determines to be necessary or appropriate in the public interest or for the protection of investors, may delay or prevent public disclosure of any such information in accordance with section 552 of title 5, United States Code. Notwithstanding the preceding sentence, any such information identifying the securities held by the account of a natural person or an estate or trust (other than a business trust or investment company) shall not be disclosed to the public.

(4) In exercising its authority under this subsection, the Commission shall determine (and so state) that its action is necessary or appropriate in the public interest and for the protection of investors or to maintain fair and orderly markets or, in granting an exemption, that its action is consistent with the protection of investors and the purposes of this subsection. In exercising such authority the Commission shall take such steps as are within its power, including consulting with the Comptroller General of the United States, the Director of the Office of Management and Budget, the appropriate regulatory agencies, Federal and State authorities which, directly or indirectly, require reports from institutional investment managers of information substantially similar to that called for by this subsection, national securities exchanges, and registered securities associations, (A) to achieve uniform, centralized reporting of information concerning the securities holdings of and transactions by or for accounts with respect to which institutional investment managers exercise investment discretion, and (B) consistently with the objective set forth in the preceding subparagraph, to avoid unnecessarily duplicative reporting by, and minimize the compliance burden on, institutional investment managers. Federal authorities which, directly or indirectly, require reports from institutional investment managers of information substantially similar to that called for by this subsection shall cooperate with the Commission in the performance of its responsibilities under the preceding sentence. An institutional investment manager which is a bank, the deposits of which are insured in accordance

with the Federal Deposit Insurance Act, shall file with the appropriate regulatory agency a copy of every report filed with the Commission pursuant to this subsection.

(5)(A) For purposes of this subsection the term “institutional investment manager” includes any person, other than a natural person, investing in or buying and selling securities for its own account, and any person exercising investment discretion with respect to the account of any other person.

(B) The Commission shall adopt such rules as it deems necessary or appropriate to prevent duplicative reporting pursuant to this subsection by two or more institutional investment managers exercising investment discretion with respect to the same amount.

(g)(1) Any person who is directly or indirectly the beneficial owner of more than 5 per centum of any security of a class described in subsection (d)(1) of this section shall send to the issuer of the security and shall file with the Commission a statement setting forth, in such form and at such time as the Commission may, by rule, prescribe—

(A) such person’s identity, residence, and citizenship; and

(B) the number and description of the shares in which such person has an interest and the nature of such interest.

(2) If any material change occurs in the facts set forth in the statement sent to the issuer and filed with the Commission, an amendment shall be transmitted to the issuer and shall be filed with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3) When two or more persons act as a partnership, limited partnership, syndicate, or other group for the purpose of acquiring, holding, or disposing of securities of an issuer, such syndicate or group shall be deemed a “person” for the purposes of this subsection.

(4) In determining, for purposes of this subsection, any percentage of a class of any security, such class shall be deemed to consist of the amount of the outstanding securities of such class, exclusive of any securities of such class held by or for the account of the issuer or a subsidiary of the issuer.

(5) In exercising its authority under this subsection, the Commission shall take such steps as it deems necessary or appropriate in the public interest or for the protection of investors (A) to achieve centralized reporting of information regarding ownership, (B) to avoid unnecessarily duplicative reporting by and minimize the compliance burden on persons required to report, and (C) to tabulate and promptly make available the information contained in any report filed pursuant to this subsection in a manner which will, in the view of the Commission, maximize the usefulness of the information to other Federal and State agencies and the public.

(6) The Commission may, by rule or order, exempt, in whole or in part, any person or class of persons from any or all of the reporting requirements of this subsection as it deems necessary or appropriate in the public interest or for the protection of investors.

(h) LARGE TRADER REPORTING.—

(1) IDENTIFICATION REQUIREMENTS FOR LARGE TRADERS.—
For the purpose of monitoring the impact on the securities

markets of securities transactions involving a substantial volume or a large fair market value or exercise value and for the purpose of otherwise assisting the Commission in the enforcement of this title, each large trader shall—

(A) provide such information to the Commission as the Commission may by rule or regulation prescribe as necessary or appropriate, identifying such large trader and all accounts in or through which such large trader effects such transactions; and

(B) identify, in accordance with such rules or regulations as the Commission may prescribe as necessary or appropriate, to any registered broker or dealer by or through whom such large trader directly or indirectly effects securities transactions, such large trader and all accounts directly or indirectly maintained with such broker or dealer by such large trader in or through which such transactions are effected.

The provisions of this subsection shall also apply to securities deposited within ten days after notice of an increase in the consideration offered to security holders, as described in paragraph (7), is first published or sent or given to security holders.

(8) The provisions of this subsection shall not apply to any offer for, or request or invitation for tenders of, any security—

(A) if the acquisition of such security, together with all other acquisitions by the same person of securities of the same class during the preceding twelve months, would not exceed 2 per centum of that class;

(B) by the issuer of such security; or

REGISTRATION AND REGULATION OF BROKERS AND DEALERS

SEC. 15. [78o] (a)(1) It shall be unlawful for any broker or dealer which is either a person other than a natural person or a natural person not associated with a broker or dealer which is a person other than a natural person (other than such a broker or dealer whose business is exclusively intrastate and who does not make use of any facility of a national securities exchange) to make use of the mails or any means or instrumentality of interstate commerce to effect any transactions in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or commercial paper, bankers' acceptances, or commercial bills) unless such broker or dealer is registered in accordance with subsection (b) of this section.

(2) The Commission, by rule or order, as it deems consistent with the public interest and the protection of investors, may conditionally or unconditionally exempt from paragraph (1) of this subsection any broker or dealer or class of brokers or dealers specified in such rule or order.

(b)(1) A broker or dealer may be registered by filing with the Commission an application for registration in such form and containing such information and documents concerning such broker or dealer and any persons associated with such broker or dealer as

the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. Within forty-five days of the date of the filing of such application (or within such longer period as to which the applicant consents), the Commission shall—

(A) by order grant registration, or

(B) institute proceedings to determine whether registration should be denied. Such proceedings shall include notice of the grounds for denial under consideration and opportunity for hearing and shall be concluded within one hundred twenty days of the date of the filing of the application for registration. At the conclusion of such proceedings, the Commission, by order, shall grant or deny such registration. The order granting registration shall not be effective until such broker or dealer has become a member of a registered securities association, or until such broker or dealer has become a member of a national securities exchange if such broker or dealer effects transactions solely on that exchange, unless the Commission has exempted such broker or dealer, by rule or order, from such membership. The Commission may extend the time for conclusion of such proceedings for up to ninety days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the applicant consents.

The Commission shall grant such registration if the Commission finds that the requirements of this section are satisfied. The Commission shall deny such registration if it does not make such a finding or if it finds that if the applicant were so registered, its registration would be subject to suspension or revocation under paragraph (4) of this subsection.

(2)(A) An application for registration of a broker or dealer to be formed or organized may be made by a broker or dealer to which the broker or dealer to be formed or organized is to be the successor. Such application, in such form as the Commission, by rule, may prescribe, shall contain such information and documents concerning the applicant, the successor, and any persons associated with the applicant or the successor, as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. The grant or denial of registration to such an applicant shall be in accordance with the procedures set forth in paragraph (1) of this subsection. If the Commission grants such registration, the registration shall terminate on the forty-fifth day after the effective date thereof, unless prior thereto the successor shall, in accordance with such rules and regulations as the Commission may prescribe, adopt the application for registration as its own.

(B) Any person who is a broker or dealer solely by reason of acting as a municipal securities dealer or municipal securities broker, who so acts through a separately identifiable department or division, and who so acted in such a manner on the date of enactment of the Securities Acts Amendments of 1975, may, in accordance with such terms and conditions as the Commission, by rule, prescribes as necessary and appropriate in the public interest and for the protection of investors, register such separately identifiable department or division in accordance with this subsection. If any

such department or division is so registered, the department or division and not such person himself shall be the broker or dealer for purposes of this title.

(C) Within six months of the date of the granting of registration to a broker or dealer, the Commission, or upon the authorization and direction of the Commission, a registered securities association or national securities exchange of which such broker or dealer is a member, shall conduct an inspection of the broker or dealer to determine whether it is operating in conformity with the provisions of this title and the rules and regulations thereunder: *Provided, however,* That the Commission may delay such inspection of any class of brokers or dealers for a period not to exceed six months.

(3) Any provision of this title (other than section 5 and subsection (a) of this section) which prohibits any act, practice, or course of business if the mails or any means or instrumentality of interstate commerce is used in connection therewith shall also prohibit any such act, practice, or course of business by any registered broker or dealer or any person acting on behalf of such a broker or dealer, irrespective of any use of the mails or any means or instrumentality of interstate commerce in connection therewith.

(4) The Commission, by order, shall censure, place limitations on the activities, functions, or operations of, suspend for a period not exceeding twelve months, or revoke the registration of any broker or dealer if it finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or revocation is in the public interest and that such broker or dealer, whether prior or subsequent to becoming such, or any person associated with such broker or dealer, whether prior or subsequent to becoming so associated—

(A) has willfully made or caused to be made in any application for registration or report required to be filed with the Commission or with any other appropriate regulatory agency under this title, or in any proceeding before the Commission with respect to registration, any statement which was at the time and in the light of the circumstances under which it was made false or misleading with respect to any material fact, or has omitted to state in any such application or report any material fact which is required to be stated therein.¹

(B) has been convicted within ten years preceding the filing of any application for registration or at any time thereafter of any felony or misdemeanor or of a substantially equivalent crime by a foreign court of competent jurisdiction which the Commission finds—

(i) involves the purchase or sale of any security, the taking of a false oath, the making of a false report, bribery, perjury, burglary, any substantially equivalent activity however denominated by the laws of the relevant foreign government, or conspiracy to commit any such offense;

¹So in law. The period at the end of subparagraphs (A) through (E) probably should be semicolons.

(ii) arises out of the conduct of the business of a broker, dealer, municipal securities dealer, government securities broker, government securities dealer, investment adviser, bank, insurance company, fiduciary, transfer agent, foreign person performing a function substantially equivalent to any of the above, or entity or person required to be registered under the Commodity Exchange Act (7 U.S.C. 1 et seq.) or any substantially equivalent foreign statute or regulation;

(iii) involves the larceny, theft, robbery, extortion, forgery, counterfeiting, fraudulent concealment, embezzlement, fraudulent conversion, or misappropriation of funds, or securities, or substantially equivalent activity however denominated by the laws of the relevant foreign government; or

(iv) involves the violation of section 152, 1341, 1342, or 1343 or chapter 25 or 47 of title 18, United States Code, or a violation of a substantially equivalent foreign statute.¹

(C) is permanently or temporarily enjoined by order, judgment, or decree of any court of competent jurisdiction from acting as an investment adviser, underwriter, broker, dealer, municipal securities dealer, government securities broker, government securities dealer, transfer agent, foreign person performing a function substantially equivalent to any of the above, or entity or person required to be registered under the Commodity Exchange Act or any substantially equivalent foreign statute or regulation, or as an affiliated person or employee of any investment company, bank, insurance company, foreign entity substantially equivalent to any of the above, or entity or person required to be registered under the Commodity Exchange Act or any substantially equivalent foreign statute or regulation, or from engaging in or continuing any conduct or practice in connection with any such activity, or in connection with the purchase or sale of any security.¹

(D) has willfully violated any provision of the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, the Commodity Exchange Act, this title, the rules or regulations under any of such statutes, or the rules of the Municipal Securities Rulemaking Board, or is unable to comply with any such provision.¹

(E) has willfully aided, abetted, counseled, commanded, induced, or procured the violation by any other person of any provision of the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, the Commodity Exchange Act, this title, the rules or regulations under any of such statutes, or the rules of the Municipal Securities Rulemaking Board, or has failed reasonably to supervise, with a view to preventing violations of the provisions of such statutes, rules, and regulations, another person who commits such a violation, if such other person is subject to his supervision. For the purposes of this subparagraph (E) no person

shall be deemed to have failed reasonably to supervise any other person, if—

(i) there have been established procedures, and a system for applying such procedures, which would reasonably be expected to prevent and detect, insofar as practicable, any such violation by such other person, and

(ii) such person has reasonably discharged the duties and obligations incumbent upon him by reason of such procedures and system without reasonable cause to believe that such procedures and system were not being complied with.¹

(F) is subject to any order of the Commission barring or suspending the right of the person to be associated with a broker or dealer;

(G) has been found by a foreign financial regulatory authority to have—

(i) made or caused to be made in any application for registration or report required to be filed with a foreign financial regulatory authority, or in any proceeding before a foreign financial regulatory authority with respect to registration, any statement that was at the time and in the light of the circumstances under which it was made false or misleading with respect to any material fact, or has omitted to state in any application or report to the foreign financial regulatory authority any material fact that is required to be stated therein;

(ii) violated any foreign statute or regulation regarding transactions in securities, or contracts of sale of a commodity for future delivery, traded on or subject to the rules of a contract market or any board of trade;

(iii) aided, abetted, counseled, commanded, induced, or procured the violation by any person of any provision of any statutory provisions enacted by a foreign government, or rules or regulations thereunder, empowering a foreign financial regulatory authority regarding transactions in securities, or contracts of sale of a commodity for future delivery, traded on or subject to the rules of a contract market or any board of trade, or has been found, by a foreign financial regulatory authority, to have failed reasonably to supervise, with a view to preventing violations of such statutory provisions, rules, and regulations, another person who commits such a violation, if such other person is subject to his supervision; or

(H) is subject to any final order of a State securities commission (or any agency or officer performing like functions), State authority that supervises or examines banks, savings associations, or credit unions, State insurance commission (or any agency or office performing like functions), an appropriate Federal banking agency (as defined in section 3 of the Federal Deposit Insurance Act (12 U.S.C. 1813(q))), or the National Credit Union Administration, that—

¹ See footnote to subsection (b)(4)(A) of this section.

(i) bars such person from association with an entity regulated by such commission, authority, agency, or officer, or from engaging in the business of securities, insurance, banking, savings association activities, or credit union activities; or

(ii) constitutes a final order based on violations of any laws or regulations that prohibit fraudulent, manipulative, or deceptive conduct.

(5) Pending final determination whether any registration under this subsection shall be revoked, the Commission, by order, may suspend such registration, if such suspension appears to the Commission, after notice and opportunity for hearing, to be necessary or appropriate in the public interest or for the protection of investors. Any registered broker or dealer may, upon such terms and conditions as the Commission deems necessary or appropriate in the public interest or for the protection of investors, withdraw from registration by filing a written notice of withdrawal with the Commission. If the Commission finds that any registered broker or dealer is no longer in existence or has ceased to do business as a broker or dealer, the Commission, by order, shall cancel the registration of such broker or dealer.

(6)(A) With respect to any person who is associated, who is seeking to become associated, or, at the time of the alleged misconduct, who was associated or was seeking to become associated with a broker or dealer, or any person participating, or, at the time of the alleged misconduct, who was participating, in an offering of any penny stock, the Commission, by order, shall censure, place limitations on the activities or functions of such person, or suspend for a period not exceeding 12 months, or bar such person from being associated with a broker or dealer, or from participating in an offering of penny stock, if the Commission finds, on the record after notice and opportunity for a hearing, that such censure, placing of limitations, suspension, or bar is in the public interest and that such person—

(i) has committed or omitted any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), (E), (H), or (G) of paragraph (4) of this subsection;

(ii) has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within 10 years of the commencement of the proceedings under this paragraph; or

(iii) is enjoined from any action, conduct, or practice specified in subparagraph (C) of such paragraph (4).

(B) It shall be unlawful—

(i) for any person as to whom an order under subparagraph (A) is in effect, without the consent of the Commission, willfully to become, or to be, associated with a broker or dealer in contravention of such order, or to participate in an offering of penny stock in contravention of such order;

(ii) for any broker or dealer to permit such a person, without the consent of the Commission, to become or remain, a person associated with the broker or dealer in contravention of such order, if such broker or dealer knew, or in the exercise of reasonable care should have known, of such order; or

(iii) for any broker or dealer to permit such a person, without the consent of the Commission, to participate in an offering of penny stock in contravention of such order, if such broker or dealer knew, or in the exercise of reasonable care should have known, of such order and of such participation.

(C) For purposes of this paragraph, the term "person participating in an offering of penny stock" includes any person acting as any promoter, finder, consultant, agent, or other person who engages in activities with a broker, dealer, or issuer for purposes of the issuance or trading in any penny stock, or inducing or attempting to induce the purchase or sale of any penny stock. The Commission may, by rule or regulation, define such term to include other activities, and may, by rule, regulation, or order, exempt any person or class of persons, in whole or in part, conditionally or unconditionally, from such term.

(7) No registered broker or dealer or government securities broker or government securities dealer registered (or required to register) under section 15C(a)(1)(A) shall effect any transaction in, or induce the purchase or sale of, any security unless such broker or dealer meets such standards of operational capability and such broker or dealer and all natural persons associated with such broker or dealer meet such standards of training, experience, competence, and such other qualifications as the Commission finds necessary or appropriate in the public interest or for the protection of investors. The Commission shall establish such standards by rules and regulations, which may—

(A) specify that all or any portion of such standards shall be applicable to any class of brokers and dealers and persons associated with brokers and dealers;

(B) require persons in any such class to pass tests prescribed in accordance with such rules and regulations, which tests shall, with respect to any class of partners, officers, or supervisory employees (which latter term may be defined by the Commission's rules and regulations and as so defined shall include branch managers of brokers or dealers) engaged in the management of the broker or dealer, include questions relating to bookkeeping, accounting, internal control over cash and securities, supervision of employees, maintenance of records, and other appropriate matters; and

(C) provide that persons in any such class other than brokers and dealers and partners, officers, and supervisory employees of brokers or dealers, may be qualified solely on the basis of compliance with such standards of training and such other qualifications as the Commission finds appropriate.

The Commission, by rule, may prescribe reasonable fees and charges to defray its costs in carrying out this paragraph, including, but not limited to, fees for any test administered by it or under its direction. The Commission may cooperate with registered securities associations and national securities exchanges in devising and administering tests and may require registered brokers and dealers and persons associated with such brokers and dealers to pass tests administered by or on behalf of any such association or exchange and to pay such association or exchange reasonable fees

or charges to defray the costs incurred by such association or exchange in administering such tests.

(8) It shall be unlawful for any registered broker or dealer to effect any transaction in, or induce or attempt to induce the purchase or sale of, any security (other than commercial paper, bankers' acceptances, or commercial bills), unless such broker or dealer is a member of a securities association registered pursuant to section 15A of this title or effects transactions in securities solely on a national securities exchange of which it is a member.

(9) The Commission by rule or order, as it deems consistent with the public interest and the protection of investors, may conditionally or unconditionally exempt from paragraph (8) of this subsection any broker or dealer or class of brokers or dealers specified in such rule or order.

(10) For the purposes of determining whether a person is subject to a statutory disqualification under section 6(c)(2), 15A(g)(2), or 17A(b)(4)(A) of this title, the term "Commission" in paragraph (4)(B) of this subsection shall mean "exchange", "association", or "clearing agency", respectively.

(11)¹ **BROKER/DEALER REGISTRATION WITH RESPECT TO TRANSACTIONS IN SECURITY FUTURES PRODUCTS.—**

(A) **NOTICE REGISTRATION.—**

(i) **CONTENTS OF NOTICE.—**Notwithstanding paragraphs (1) and (2), a broker or dealer required to register only because it effects transactions in security futures products on an exchange registered pursuant to section 6(g) may register for purposes of this section by filing with the Commission a written notice in such form and containing such information concerning such broker or dealer and any persons associated with such broker or dealer as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. A broker or dealer may not register under this paragraph unless that broker or dealer is a member of a national securities association registered under section 15A(k).

(ii) **IMMEDIATE EFFECTIVENESS.—**Such registration shall be effective contemporaneously with the submission of notice, in written or electronic form, to the Commission, except that such registration shall not be effective if the registration would be subject to suspension or revocation under paragraph (4).

(iii) **SUSPENSION.—**Such registration shall be suspended immediately if a national securities association registered pursuant to section 15A(k) of this title suspends the membership of that broker or dealer.

(iv) **TERMINATION.—**Such registration shall be terminated immediately if any of the above stated conditions for registration set forth in this paragraph are no longer satisfied.

(B) **EXEMPTIONS FOR REGISTERED BROKERS AND DEALERS.—**A broker or dealer registered pursuant to the

- (i) is a member of a designated contract market registered with the Commission as an exchange pursuant to section 6(g);
- (ii) effects transactions only in securities on the exchange of which such person is a member; and
- (iii) does not directly accept or solicit orders from public customers or provide advice to public customers in connection with the trading of security futures products.

(B) OTHER EXEMPTIONS.—A natural person exempt from registration pursuant to subparagraph (A) shall also be exempt from the following provisions of this title and the rules thereunder:

- (iv) Section 15B.
- (v) Section 15C.
- (vi) Subsections (d), (e), (f), (g), (h), and (i) of section 17.

(c)(1)(A) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than commercial paper, bankers' acceptances, or commercial bills) otherwise than on a national securities exchange of which it is a member, or any security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act), by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(B) No municipal securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security or any security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) involving a municipal security by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(C) No government securities broker or government securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or to attempt to induce the purchase or sale of, any government security or any security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) involving a government security by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(2)(A) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or commercial paper, bankers' acceptances, or commercial bills) otherwise than on a national securities exchange of which it is a member, in connection with which such broker or dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(B) No municipal securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security in connection with which such municipal securities dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(C) No government securities broker or government securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or induce or attempt to induce the purchase or sale of, any government security in connection with which such government securities broker or government securities dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(D) The Commission shall, for the purposes of this paragraph, by rules and regulations define, and prescribe means reasonably designed to prevent, such acts and practices as are fraudulent, deceptive, or manipulative and such quotations as are fictitious.

(E) The Commission shall, prior to adopting any rule or regulation under subparagraph (C), consult with and consider the views of the Secretary of the Treasury and each appropriate regulatory agency. If the Secretary of the Treasury or any appropriate regulatory agency comments in writing on a proposed rule or regulation of the Commission under such subparagraph (C) that has been published for comment, the Commission shall respond in writing to such written comment before adopting the proposed rule. If the Secretary of the Treasury determines, and notifies the Commission, that such rule or regulation, if implemented, would, or as applied does (i) adversely affect the liquidity or efficiency of the market for government securities; or (ii) impose any burden on competition not necessary or appropriate in furtherance of the purposes of this section, the Commission shall, prior to adopting the proposed rule or regulation, find that such rule or regulation is necessary and appropriate in furtherance of the purposes of this section notwithstanding the Secretary's determination.

(3)(A) No broker or dealer (other than a government securities broker or government securities dealer, except a registered broker or dealer) shall make use of the mails or any means or instrumen-

tality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security (except a government security) or commercial paper, bankers' acceptances, or commercial bills) in contravention of such rules and regulations as the Commission shall prescribe as necessary or appropriate in the public interest or for the protection of investors to provide safeguards with respect to the financial responsibility and related practices of brokers and dealers including, but not limited to, the acceptance of custody and use of customers' securities and the carrying and use of customers' deposits or credit balances. Such rules and regulations shall (A) require the maintenance of reserves with respect to customers' deposits or credit balances, and (B) no later than September 1, 1975, establish minimum financial responsibility requirements for all brokers and dealers.

(B) Consistent with this title, the Commission, in consultation with the Commodity Futures Trading Commission, shall issue such rules, regulations, or orders as are necessary to avoid duplicative or conflicting regulations applicable to any broker or dealer registered with the Commission pursuant to section 15(b) (except paragraph (11) thereof), that is also registered with the Commodity Futures Trading Commission pursuant to section 4f(a) of the Commodity Exchange Act (except paragraph (2) thereof), with respect to the application of: (i) the provisions of section 8, section 15(c)(3), and section 17 of this title and the rules and regulations thereunder related to the treatment of customer funds, securities, or property, maintenance of books and records, financial reporting, or other financial responsibility rules, involving security futures products; and (ii) similar provisions of the Commodity Exchange Act and rules and regulations thereunder involving security futures products.

(4) If the Commission finds, after notice and opportunity for a hearing, that any person subject to the provisions of section 12, 13, 14, or subsection (d) of section 15 of this title or any rule or regulation thereunder has failed to comply with any such provision, rule, or regulation in any material respect, the Commission may publish its findings and issue an order requiring such person, and any person who was a cause of the failure to comply due to an act or omission the person knew or should have known would contribute to the failure to comply, to comply, or to take steps to effect compliance, with such provision or such rule or regulation thereunder upon such terms and conditions and within such time as the Commission may specify in such order.

(5) No dealer (other than a specialist registered on a national securities exchange) acting in the capacity of market maker or otherwise shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or a municipal security) in contravention of such specified and appropriate standards with respect to dealing as the Commission, by rule, shall prescribe as necessary or appropriate in the public interest and for the protection of investors, to maintain fair and orderly markets, or to remove impediments to and perfect the mechanism of a national market system.

Under the rules of the Commission a dealer in a security may be prohibited from acting as broker in that security.

(6) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security, municipal security, commercial paper, bankers' acceptances, or commercial bills) in contravention of such rules and regulations as the Commission shall prescribe as necessary or appropriate in the public interest and for the protection of investors or to perfect or remove impediments to a national system for the prompt and accurate clearance and settlement of securities transactions, with respect to the time and method of, and the form and format of documents used in connection with, making settlements of and payments for transactions in securities, making transfers and deliveries of securities, and closing accounts. Nothing in this paragraph shall be construed (A) to affect the authority of the Board of Governors of the Federal Reserve System, pursuant to section 7 of this title, to prescribe rules and regulations for the purpose of preventing the excessive use of credit for the purchase or carrying of securities, or (B) to authorize the Commission to prescribe rules or regulations for such purpose.

(7) In connection with any bid for or purchase of a government security related to an offering of government securities by or on behalf of an issuer, no government securities broker, government securities dealer, or bidder for or purchaser of securities in such offering shall knowingly or willfully make any false or misleading written statement or omit any fact necessary to make any written statement made not misleading.

(8) PROHIBITION OF REFERRAL FEES.—No broker or dealer, or person associated with a broker or dealer, may solicit or accept, directly or indirectly, remuneration for assisting an attorney in obtaining the representation of any person in any private action arising under this title or under the Securities Act of 1933.

(d) Each issuer which has filed a registration statement containing an undertaking which is or becomes operative under this subsection as in effect prior to the date of enactment of the Securities Acts Amendments of 1964, and each issuer which shall after such date file a registration statement which has become effective pursuant to the Securities Act of 1933, as amended, shall file with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors, such supplementary and periodic information, documents, and reports as may be required pursuant to section 13 of this title in respect of a security registered pursuant to section 12 of this title. The duty to file under this subsection shall be automatically suspended if and so long as any issue of securities of such issuer is registered pursuant to section 12 of this title. The duty to file under this subsection shall also be automatically suspended as to any fiscal year, other than the fiscal year within which such registration statement became effective, if, at the beginning of such fiscal year, the securities of each class to which the registration statement relates are held of record by less than three hundred persons. For the purposes of

this subsection, the term “class” shall be construed to include all securities of an issuer which are of substantially similar character and the holders of which enjoy substantially similar rights and privileges. The Commission may, for the purpose of this subsection, define by rules and regulations the term “held of record” as it deems necessary or appropriate in the public interest or for the protection of investors in order to prevent circumvention of the provisions of this subsection. Nothing in this subsection shall apply to securities issued by a foreign government or political subdivision thereof.

(e) The Commission, by rule, as it deems necessary or appropriate in the public interest and for the protection of investors or to assure equal regulation, may require any member of a national securities exchange not required to register under section 15 of this title and any person associated with any such member to comply with any provision of this title (other than section 15(a)) or the rules or regulations thereunder which by its terms regulates or prohibits any act, practice, or course of business by a “broker or dealer” or “registered broker or dealer” or a “person associated with a broker or dealer,” respectively.

(f) Every registered broker or dealer shall establish, maintain, and enforce written policies and procedures reasonably designed, taking into consideration the nature of such broker’s or dealer’s business, to prevent the misuse in violation of this title, or the rules or regulations thereunder, of material, nonpublic information by such broker or dealer or any person associated with such broker or dealer. The Commission, as it deems necessary or appropriate in the public interest or for the protection of investors, shall adopt rules or regulations to require specific policies or procedures reasonably designed to prevent misuse in violation of this title (or the rules or regulations thereunder) of material, nonpublic information.

(g) REQUIREMENTS FOR TRANSACTIONS IN PENNY STOCKS.—

(1) IN GENERAL.—No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any penny stock by any customer except in accordance with the requirements of this subsection and the rules and regulations prescribed under this subsection.

(2) RISK DISCLOSURE WITH RESPECT TO PENNY STOCKS.—Prior to effecting any transaction in any penny stock, a broker or dealer shall give the customer a risk disclosure document that—

(A) contains a description of the nature and level of risk in the market for penny stocks in both public offerings and secondary trading;

(B) contains a description of the broker’s or dealer’s duties to the customer and of the rights and remedies available to the customer with respect to violations of such duties or other requirements of Federal securities laws;

(C) contains a brief, clear, narrative description of a dealer market, including “bid” and “ask” prices for penny stocks and the significance of the spread between the bid and ask prices;

(D) contains the toll free telephone number for inquiries on disciplinary actions established pursuant to section 15A(i) of this title;

(E) defines significant terms used in the disclosure document or in the conduct of trading in penny stocks; and

(F) contains such other information, and is in such form (including language, type size, and format), as the Commission shall require by rule or regulation.

(3) COMMISSION RULES RELATING TO DISCLOSURE.—The Commission shall adopt rules setting forth additional standards for the disclosure by brokers and dealers to customers of information concerning transactions in penny stocks. Such rules—

(A) shall require brokers and dealers to disclose to each customer, prior to effecting any transaction in, and at the time of confirming any transaction with respect to any penny stock, in accordance with such procedures and methods as the Commission may require consistent with the public interest and the protection of investors—

(i) the bid and ask prices for penny stock, or such other information as the Commission may, by rule, require to provide customers with more useful and reliable information relating to the price of such stock;

(ii) the number of shares to which such bid and ask prices apply, or other comparable information relating to the depth and liquidity of the market for such stock; and

(iii) the amount and a description of any compensation that the broker or dealer and the associated person thereof will receive or has received in connection with such transaction;

(B) shall require brokers and dealers to provide, to each customer whose account with the broker or dealer contains penny stocks, a monthly statement indicating the market value of the penny stocks in that account or indicating that the market value of such stock cannot be determined because of the unavailability of firm quotes; and

(C) may, as the Commission finds necessary or appropriate in the public interest or for the protection of investors, require brokers and dealers to disclose to customers additional information concerning transactions in penny stocks.

(4) EXEMPTIONS.—The Commission, as it determines consistent with the public interest and the protection of investors, may by rule, regulation, or order exempt in whole or in part, conditionally or unconditionally, any person or class of persons, or any transaction or class of transactions, from the requirements of this subsection. Such exemptions shall include an exemption for brokers and dealers based on the minimal percentage of the broker's or dealer's commissions, commission-equivalents, and markups received from transactions in penny stocks.

(5) REGULATIONS.—It shall be unlawful for any person to violate such rules and regulations as the Commission shall

prescribe in the public interest or for the protection of investors or to maintain fair and orderly markets—

(A) as necessary or appropriate to carry out this subsection; or

(B) as reasonably designed to prevent fraudulent, deceptive, or manipulative acts and practices with respect to penny stocks.

(h) LIMITATIONS ON STATE LAW.—

(1) CAPITAL, MARGIN, BOOKS AND RECORDS, BONDING, AND REPORTS.—No law, rule, regulation, or order, or other administrative action of any State or political subdivision thereof shall establish capital, custody, margin, financial responsibility, making and keeping records, bonding, or financial or operational reporting requirements for brokers, dealers, municipal securities dealers, government securities brokers, or government securities dealers that differ from, or are in addition to, the requirements in those areas established under this title. The Commission shall consult periodically the securities commissions (or any agency or office performing like functions) of the States concerning the adequacy of such requirements as established under this title.

(2) DE MINIMIS TRANSACTIONS BY ASSOCIATED PERSONS.—No law, rule, regulation, or order, or other administrative action of any State or political subdivision thereof may prohibit an associated person of a broker or dealer from effecting a transaction described in paragraph (3) for a customer in such State if—

(A) such associated person is not ineligible to register with such State for any reason other than such a transaction;

(B) such associated person is registered with a registered securities association and at least one State; and

(C) the broker or dealer with which such person is associated is registered with such State.

(3) DESCRIBED TRANSACTIONS.—

(A) IN GENERAL.—A transaction is described in this paragraph if—

(i) such transaction is effected—

(I) on behalf of a customer that, for 30 days prior to the day of the transaction, maintained an account with the broker or dealer; and

(II) by an associated person of the broker or dealer—

(aa) to which the customer was assigned for 14 days prior to the day of the transaction; and

(bb) who is registered with a State in which the customer was a resident or was present for at least 30 consecutive days during the 1-year period prior to the day of the transaction; or

(ii) the transaction is effected—

(I) on behalf of a customer that, for 30 days prior to the day of the transaction, maintained an account with the broker or dealer; and

(II) during the period beginning on the date on which such associated person files an application for registration with the State in which the transaction is effected and ending on the earlier of—

(aa) 60 days after the date on which the application is filed; or

(bb) the date on which such State notifies the associated person that it has denied the application for registration or has stayed the pendency of the application for cause.

(B) RULES OF CONSTRUCTION.—For purposes of subparagraph (A)(i)(II)—

(i) each of up to 3 associated persons of a broker or dealer who are designated to effect transactions during the absence or unavailability of the principal associated person for a customer may be treated as an associated person to which such customer is assigned; and

(ii) if the customer is present in another State for 30 or more consecutive days or has permanently changed his or her residence to another State, a transaction is not described in this paragraph, unless the associated person of the broker or dealer files an application for registration with such State not later than 10 business days after the later of the date of the transaction, or the date of the discovery of the presence of the customer in the other State for 30 or more consecutive days or the change in the customer's residence.

(i) RULEMAKING TO EXTEND REQUIREMENTS TO NEW HYBRID PRODUCTS.—

(1) CONSULTATION.—Prior to commencing a rulemaking under this subsection, the Commission shall consult with and seek the concurrence of the Board concerning the imposition of broker or dealer registration requirements with respect to any new hybrid product. In developing and promulgating rules under this subsection, the Commission shall consider the views of the Board, including views with respect to the nature of the new hybrid product; the history, purpose, extent, and appropriateness of the regulation of the new product under the Federal banking laws; and the impact of the proposed rule on the banking industry.

(2) LIMITATION.—The Commission shall not—

(A) require a bank to register as a broker or dealer under this section because the bank engages in any transaction in, or buys or sells, a new hybrid product; or

(B) bring an action against a bank for a failure to comply with a requirement described in subparagraph (A), unless the Commission has imposed such requirement by rule or regulation issued in accordance with this section.

(3) CRITERIA FOR RULEMAKING.—The Commission shall not impose a requirement under paragraph (2) of this subsection with respect to any new hybrid product unless the Commission determines that—

(A) the new hybrid product is a security; and

(B) imposing such requirement is necessary and appropriate in the public interest and for the protection of investors.

(4) CONSIDERATIONS.—In making a determination under paragraph (3), the Commission shall consider—

(A) the nature of the new hybrid product; and

(B) the history, purpose, extent, and appropriateness of the regulation of the new hybrid product under the Federal securities laws and under the Federal banking laws.

(5) OBJECTION TO COMMISSION REGULATION.—

(A) FILING OF PETITION FOR REVIEW.—The Board may obtain review of any final regulation described in paragraph (2) in the United States Court of Appeals for the District of Columbia Circuit by filing in such court, not later than 60 days after the date of publication of the final regulation, a written petition requesting that the regulation be set aside. Any proceeding to challenge any such rule shall be expedited by the Court of Appeals.

(B) TRANSMITTAL OF PETITION AND RECORD.—A copy of a petition described in subparagraph (A) shall be transmitted as soon as possible by the Clerk of the Court to an officer or employee of the Commission designated for that purpose. Upon receipt of the petition, the Commission shall file with the court the regulation under review and any documents referred to therein, and any other relevant materials prescribed by the court.

(C) EXCLUSIVE JURISDICTION.—On the date of the filing of the petition under subparagraph (A), the court has jurisdiction, which becomes exclusive on the filing of the materials set forth in subparagraph (B), to affirm and enforce or to set aside the regulation at issue.

(D) STANDARD OF REVIEW.—The court shall determine to affirm and enforce or set aside a regulation of the Commission under this subsection, based on the determination of the court as to whether—

(i) the subject product is a new hybrid product, as defined in this subsection;

(ii) the subject product is a security; and

(iii) imposing a requirement to register as a broker or dealer for banks engaging in transactions in such product is appropriate in light of the history, purpose, and extent of regulation under the Federal securities laws and under the Federal banking laws, giving deference neither to the views of the Commission nor the Board.

(E) JUDICIAL STAY.—The filing of a petition by the Board pursuant to subparagraph (A) shall operate as a judicial stay, until the date on which the determination of

the court is final (including any appeal of such determination).

(F) OTHER AUTHORITY TO CHALLENGE.—Any aggrieved party may seek judicial review of the Commission's rule-making under this subsection pursuant to section 25 of this title.

(6) DEFINITIONS.—For purposes of this subsection:

(A) NEW HYBRID PRODUCT.—The term “new hybrid product” means a product that—

(i) was not subjected to regulation by the Commission as a security prior to the date of the enactment of the Gramm-Leach-Bliley Act¹;

(ii) is not an identified banking product as such term is defined in section 206 of such Act; and

(iii) is not an equity swap within the meaning of section 206(a)(6) of such Act.

(B) BOARD.—The term “Board” means the Board of Governors of the Federal Reserve System.

(i)² The authority of the Commission under this section with respect to security-based swap agreements (as defined in section 206B of the Gramm-Leach-Bliley Act) shall be subject to the restrictions and limitations of section 3A(b) of this title.

REGISTERED SECURITIES ASSOCIATIONS

SEC. 15A. [78o-3] (a) An association of brokers and dealers may be registered as a national securities association pursuant to subsection (b), or as an affiliated securities association pursuant to subsection (d), under the terms and conditions hereinafter provided in this section and in accordance with the provisions of section 19(a) of this title, by filing with the Commission an application for registration in such form as the Commission, by rule, may prescribe containing the rules of the association and such other information and documents as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(b) An association of brokers and dealers shall not be registered as a national securities association unless the Commission determines that—

(1) By reason of the number and geographical distribution of its members and the scope of their transactions, such association will be able to carry out the purposes of this section.

(2) Such association is so organized and has the capacity to be able to carry out the purposes of this title and to comply, and (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) to enforce compliance by its members and persons associated with its members, with the provisions of this title, the rules and regulations thereunder, the rules of the Municipal Securities Rulemaking Board, and the rules of the association.

¹The Gramm-Leach-Bliley Act was enacted on November 12, 1999 (P.L. 106-102; 113 Stat. 1338).

²Subsection (i), as added by section 303(f) of the Commodity Futures Modernization Act of 2000 (114 Stat. 2763A-455), as enacted into law by section 1(a)(5) of Public Law 106-554, probably should have been designated as (j).

(3) Subject to the provisions of subsection (g) of this section, the rules of the association provide that any registered broker or dealer may become a member of such association and any person may become associated with a member thereof.

(4) The rules of the association assure a fair representation of its members in the selection of its directors and administration of its affairs and provide that one or more directors shall be representative of issuers and investors and not be associated with a member of the association, broker, or dealer.

(5) The rules of the association provide for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system which the association operates or controls.

(6) The rules of the association are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and are not designed to permit unfair discrimination between customers, issuers, brokers, or dealers, to fix minimum profits, to impose any schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by its members, or to regulate by virtue of any authority conferred by this title matters not related to the purposes of this title or the administration of the association.

(7) The rules of the association provide that (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) its members and persons associated with its members shall be appropriately disciplined for violation of any provision of this title, the rules or regulations thereunder, the rules of the Municipal Securities Rulemaking Board, or the rules of the association, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a member, or any other fitting sanction.

(8) The rules of the association are in accordance with the provisions of subsection (h) of this section, and, in general, provide a fair procedure for the disciplining of members and persons associated with members, the denial of membership to any person seeking membership therein, the barring of any person from becoming associated with a member thereof, and the prohibition or limitation by the association of any person with respect to access to services offered by the association or a member thereof.

(9) The rules of the association do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(10) The requirements of subsection (c), insofar as these may be applicable, are satisfied.

(11) The rules of the association include provisions governing the form and content of quotations relating to securities

sold otherwise than on a national securities exchange which may be distributed or published by any member or person associated with a member, and the persons to whom such quotations may be supplied. Such rules relating to quotations shall be designed to produce fair and informative quotations, to prevent fictitious or misleading quotations, and to promote orderly procedures for collecting, distributing, and publishing quotations.

(12) The rules of the association to promote just and equitable principles of trade, as required by paragraph (6), include rules to prevent members of the association from participating in any limited partnership rollup transaction (as such term is defined in paragraphs (4) and (5) of section 14(h)) unless such transaction was conducted in accordance with procedures designed to protect the rights of limited partners, including—

(A) the right of dissenting limited partners to one of the following:

(i) an appraisal and compensation;

(ii) retention of a security under substantially the same terms and conditions as the original issue;

(iii) approval of the limited partnership rollup transaction by not less than 75 percent of the outstanding securities of each of the participating limited partnerships;

(iv) the use of a committee that is independent, as determined in accordance with rules prescribed by the association, of the general partner or sponsor, that has been approved by a majority of the outstanding securities of each of the participating partnerships, and that has such authority as is necessary to protect the interest of limited partners, including the authority to hire independent advisors, to negotiate with the general partner or sponsor on behalf of the limited partners, and to make a recommendation to the limited partners with respect to the proposed transaction; or

(v) other comparable rights that are prescribed by rule by the association and that are designed to protect dissenting limited partners;

(B) the right not to have their voting power unfairly reduced or abridged;

(C) the right not to bear an unfair portion of the costs of a proposed limited partnership rollup transaction that is rejected; and

(D) restrictions on the conversion of contingent interests or fees into non-contingent interests or fees and restrictions on the receipt of a non-contingent equity interest in exchange for fees for services which have not yet been provided.

As used in this paragraph, the term “dissenting limited partner” means a person who, on the date on which soliciting material is mailed to investors, is a holder of a beneficial interest in a limited partnership that is the subject of a limited partnership rollup transaction, and who casts a vote against the transaction and complies with procedures established by the

association, except that for purposes of an exchange or tender offer, such person shall file an objection in writing under the rules of the association during the period in which the offer is outstanding.

(13) The rules of the association prohibit the authorization for quotation on an automated interdealer quotation system sponsored by the association of any security designated by the Commission as a national market system security resulting from a limited partnership rollup transaction (as such term is defined in paragraphs (4) and (5) of section 14(h)), unless such transaction was conducted in accordance with procedures designed to protect the rights of limited partners, including—

(A) the right of dissenting limited partners to one of the following:

(i) an appraisal and compensation;

(ii) retention of a security under substantially the same terms and conditions as the original issue;

(iii) approval of the limited partnership rollup transaction by not less than 75 percent of the outstanding securities of each of the participating limited partnerships;

(iv) the use of a committee that is independent, as determined in accordance with rules prescribed by the association, of the general partner or sponsor, that has been approved by a majority of the outstanding securities of each of the participating partnerships, and that has such authority as is necessary to protect the interest of limited partners, including the authority to hire independent advisors, to negotiate with the general partner or sponsor on behalf of the limited partners, and to make a recommendation to the limited partners with respect to the proposed transaction; or

(v) other comparable rights that are prescribed by rule by the association and that are designed to protect dissenting limited partners;

(B) the right not to have their voting power unfairly reduced or abridged;

(C) the right not to bear an unfair portion of the costs of a proposed limited partnership rollup transaction that is rejected; and

(D) restrictions on the conversion of contingent interests or fees into non-contingent interests or fees and restrictions on the receipt of a non-contingent equity interest in exchange for fees for services which have not yet been provided.

As used in this paragraph, the term “dissenting limited partner” means a person who, on the date on which soliciting material is mailed to investors, is a holder of a beneficial interest in a limited partnership that is the subject of a limited partnership rollup transaction, and who casts a vote against the transaction and complies with procedures established by the association, except that for purposes of an exchange or tender offer, such person shall file an objection in writing under the

rules of the association during the period during which the offer is outstanding.

(c) The Commission may permit or require the rules of an association applying for registration pursuant to subsection (b) of this section, to provide for the admission of an association registered as an affiliated securities association pursuant to subsection (d) of this section, to participation in said applicant association as an affiliate thereof, under terms permitting such powers and responsibilities to such affiliate, and under such other appropriate terms and conditions, as may be provided by the rules of said applicant association, if such rules appear to the Commission to be necessary or appropriate in the public interest or for the protection of investors and to carry out the purposes of this section. The duties and powers of the Commission with respect to any national securities association or any affiliated securities association shall in no way be limited by reason of any such affiliation.

(d) An applicant association shall not be registered as an affiliated securities association unless it appears to the Commission that—

(1) such association, notwithstanding that it does not satisfy the requirements set forth in paragraph (1) of subsection (b) of this section, will, forthwith upon the registration thereof, be admitted to affiliation with an association registered as a national securities association pursuant to subsection (b) of this section, in the manner and under the terms and conditions provided by the rules of said national securities association in accordance with subsection (c) of this section; and

(2) such association and its rules satisfy the requirements set forth in paragraphs (2) to (10), inclusive, and paragraph (12), of subsection (b) of this section; except that in the case of any such association any restrictions upon membership therein of the type authorized by paragraph (3) of subsection (b) of this section shall not be less stringent than in the case of the national securities association with which such association is to be affiliated.

(e)(1) The rules of a registered securities association may provide that no member thereof shall deal with any nonmember professional (as defined in paragraph (2) of this subsection) except at the same prices, for the same commissions or fees, and on the same terms and conditions as are by such member accorded to the general public.

(2) For the purposes of this subsection, the term “nonmember professional” shall include (A) with respect to transactions in securities other than municipal securities, any registered broker or dealer who is not a member of any registered securities association, except such a broker or dealer who deals exclusively in commercial paper, bankers’ acceptances, and commercial bills, and (B) with respect to transactions in municipal securities, any municipal securities dealer (other than a bank or division or department of a bank) who is not a member of any registered securities association and any municipal securities broker who is not a member of any such association.

(3) Nothing in this subsection shall be so construed or applied as to prevent (A) any member of any registered securities associa-

tion from granting to any other member of any registered securities association any dealer's discount, allowance, commission, or special terms, in connection with the purchase or sale of securities, or (B) any member of a registered securities association or any municipal securities dealer which is a bank or a division or department of a bank from granting to any member of any registered securities association or any such municipal securities dealer any dealer's discount, allowance, commission, or special terms in connection with the purchase or sale of municipal securities: *Provided, however,* That the granting of any such discount, allowance, commission, or special terms in connection with the purchase or sale of municipal securities shall be subject to rules of the Municipal Securities Rule-making Board adopted pursuant to section 15B(b)(2)(K) of this title.

(f) Nothing in subsection (b)(6) or (b)(11) of this section shall be construed to permit a registered securities association to make rules concerning any transaction by a registered broker or dealer in a municipal security.

(g)(1) A registered securities association shall deny membership to any person who is not a registered broker or dealer.

(2) A registered securities association may, and in cases in which the Commission, by order, directs as necessary or appropriate in the public interest or for the protection of investors shall, deny membership to any registered broker or dealer, and bar from becoming associated with a member any person, who is subject to a statutory disqualification. A registered securities association shall file notice with the Commission not less than thirty days prior to admitting any registered broker or dealer to membership or permitting any person to become associated with a member, if the association knew, or in the exercise of reasonable care should have known, that such broker or dealer or person was subject to a statutory disqualification. The notice shall be in such form and contain such information as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3)(A) A registered securities association may deny membership to, or condition the membership of, a registered broker or dealer if (i) such broker or dealer does not meet such standards of financial responsibility or operational capability or such broker or dealer or any natural person associated with such broker or dealer does not meet such standards of training, experience, and competence as are prescribed by the rules of the association or (ii) such broker or dealer or person associated with such broker or dealer has engaged and there is a reasonable likelihood he will again engage in acts or practices inconsistent with just and equitable principles of trade. A registered securities association may examine and verify the qualifications of an applicant to become a member and the natural persons associated with such an applicant in accordance with procedures established by the rules of the association.

(B) A registered securities association may bar a natural person from becoming associated with a member or condition the association of a natural person with a member if such natural person (i) does not meet such standards of training, experience, and competence as are prescribed by the rules of the association or (ii) has

engaged and there is a reasonable likelihood he will again engage in acts or practices inconsistent with just and equitable principles of trade. A registered securities association may examine and verify the qualifications of an applicant to become a person associated with a member in accordance with procedures established by the rules of the association and require a natural person associated with a member, or any class of such natural persons, to be registered with the association in accordance with procedures so established.

(C) A registered securities association may bar any person from becoming associated with a member if such person does not agree (i) to supply the association with such information with respect to its relationship and dealings with the member as may be specified in the rules of the association and (ii) to permit examination of its books and records to verify the accuracy of any information so supplied.

(D) Nothing in subparagraph (A), (B), or (C) of this paragraph shall be construed to permit a registered securities association to deny membership to or condition the membership of, or bar any person from becoming associated with or condition the association of any person with, a broker or dealer that engages exclusively in transactions in municipal securities.

(4) A registered securities association may deny membership to a registered broker or dealer not engaged in a type of business in which the rules of the association require members to be engaged: *Provided, however,* That no registered securities association may deny membership to a registered broker or dealer by reason of the amount of such type of business done by such broker or dealer or the other types of business in which he is engaged.

(h)(1) In any proceeding by a registered securities association to determine whether a member or person associated with a member should be disciplined (other than a summary proceeding pursuant to paragraph (3) of this subsection) the association shall bring specific charges, notify such member or person of, and give him an opportunity to defend against, such charges, and keep a record. A determination by the association to impose a disciplinary sanction shall be supported by a statement setting forth—

(A) any act or practice in which such member or person associated with a member has been found to have engaged, or which such member or person has been found to have omitted;

(B) the specific provision of this title, the rules or regulations thereunder, the rules of the Municipal Securities Rule-making Board, or the rules of the association which any such act or practice, or omission to act, is deemed to violate; and

(C) the sanction imposed and the reason therefor.

(2) In any proceeding by a registered securities association to determine whether a person shall be denied membership, barred from becoming associated with a member, or prohibited or limited with respect to access to services offered by the association or a member thereof (other than a summary proceeding pursuant to paragraph (3) of this subsection), the association shall notify such person of and give him an opportunity to be heard upon, the specific grounds for denial, bar, or prohibition or limitation under consideration and keep a record. A determination by the association to

deny membership, bar a person from becoming associated with a member, or prohibit or limit a person with respect to access to services offered by the association or a member thereof shall be supported by a statement setting forth the specific grounds on which the denial, bar, or prohibition or limitation is based.

(3) A registered securities association may summarily (A) suspend a member or person associated with a member who has been and is expelled or suspended from any self-regulatory organization or barred or suspended from being associated with a member of any self-regulatory organization, (B) suspend a member who is in such financial or operating difficulty that the association determines and so notifies the Commission that the member cannot be permitted to continue to do business as a member with safety to investors, creditors, other members, or the association, or (C) limit or prohibit any person with respect to access to services offered by the association if subparagraph (A) or (B) of this paragraph is applicable to such person or, in the case of a person who is not a member, if the association determines that such person does not meet the qualification requirements or other prerequisites for such access and such person cannot be permitted to continue to have such access with safety to investors, creditors, members, or the association. Any person aggrieved by any such summary action shall be promptly afforded an opportunity for a hearing by the association in accordance with the provisions of paragraph (1) or (2) of this subsection. The Commission, by order, may stay any such summary action on its own motion or upon application by any person aggrieved thereby, if the Commission determines summarily or after notice and opportunity for hearing (which hearing may consist solely of the submission of affidavits or presentation of oral arguments) that such stay is consistent with the public interest and the protection of investors.

(i) A registered securities association shall, within one year from the date of enactment of this section, (1) establish and maintain a toll-free telephone listing to receive inquiries regarding disciplinary actions involving its members and their associated persons, and (2) promptly respond to such inquiries in writing. Such association may charge persons, other than individual investors, reasonable fees for written responses to such inquiries. Such an association shall not have any liability to any person for any actions taken or omitted in good faith under this paragraph.

(j) REGISTRATION FOR SALES OF PRIVATE SECURITIES OFFERINGS.—A registered securities association shall create a limited qualification category for any associated person of a member who effects sales as part of a primary offering of securities not involving a public offering, pursuant to section 3(b), 4(2), or 4(6) of the Securities Act of 1933 and the rules and regulations thereunder, and shall deem qualified in such limited qualification category, without testing, any bank employee who, in the six month period preceding the date of the enactment of the Gramm-Leach-Bliley Act¹, engaged in effecting such sales.

(k) LIMITED PURPOSE NATIONAL SECURITIES ASSOCIATION.—

¹The Gramm-Leach-Bliley Act was enacted on November 12, 1999 (P.L. 106–102; 113 Stat. 1338).

(1) REGULATION OF MEMBERS WITH RESPECT TO SECURITY FUTURES PRODUCTS.—A futures association registered under section 17 of the Commodity Exchange Act shall be a registered national securities association for the limited purpose of regulating the activities of members who are registered as brokers or dealers in security futures products pursuant to section 15(b)(11).

(2) REQUIREMENTS FOR REGISTRATION.—Such a securities association shall—

(A) be so organized and have the capacity to carry out the purposes of the securities laws applicable to security futures products and to comply, and (subject to any rule or order of the Commission pursuant to section 19(g)(2)) to enforce compliance by its members and persons associated with its members, with the provisions of the securities laws applicable to security futures products, the rules and regulations thereunder, and its rules;

(B) have rules that—

(i) are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest, including rules governing sales practices and the advertising of security futures products reasonably comparable to those of other national securities associations registered pursuant to subsection (a) that are applicable to security futures products; and

(ii) are not designed to regulate by virtue of any authority conferred by this title matters not related to the purposes of this title or the administration of the association;

(C) have rules that provide that (subject to any rule or order of the Commission pursuant to section 19(g)(2)) its members and persons associated with its members shall be appropriately disciplined for violation of any provision of the securities laws applicable to security futures products, the rules or regulations thereunder, or the rules of the association, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a member, or any other fitting sanction; and

(D) have rules that ensure that members and natural persons associated with members meet such standards of training, experience, and competence necessary to effect transactions in security futures products and are tested for their knowledge of securities and security futures products.

(3) EXEMPTION FROM RULE CHANGE SUBMISSION.—Such a securities association shall be exempt from submitting proposed rule changes pursuant to section 19(b) of this title, except that—

(A) the association shall file proposed rule changes related to higher margin levels, fraud or manipulation, recordkeeping, reporting, listing standards, or decimal pricing

for security futures products, sales practices for, advertising of, or standards of training, experience, competence, or other qualifications for security futures products for persons who effect transactions in security futures products, or rules effectuating the association's obligation to enforce the securities laws pursuant to section 19(b)(7);

(B) the association shall file pursuant to sections 19(b)(1) and 19(b)(2) proposed rule changes related to margin, except for changes resulting in higher margin levels; and

(C) the association shall file pursuant to section 19(b)(1) proposed rule changes that have been abrogated by the Commission pursuant to section 19(b)(7)(C).

(4) OTHER EXEMPTIONS.—Such a securities association shall be exempt from and shall not be required to enforce compliance by its members, and its members shall not, solely with respect to their transactions effected in security futures products, be required to comply, with the following provisions of this title and the rules thereunder:

(A) Section 8.

(B) Subsections (b)(1), (b)(3), (b)(4), (b)(5), (b)(8), (b)(10), (b)(11), (b)(12), (b)(13), (c), (d), (e), (f), (g), (h), and (i) of this section.

MUNICIPAL SECURITIES

SEC. 15B. [78o-4] (a)(1) It shall be unlawful for any municipal securities dealer (other than one registered as a broker or dealer under section 15 of this title) to make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or

sale of, any municipal security unless such municipal securities dealer is registered in accordance with this subsection.

(2) A municipal securities dealer may be registered by filing with the Commission an application for registration in such form and containing such information and documents concerning such municipal securities dealer and any person associated with such municipal securities dealer as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. Within forty-five days of the date of the filing of such application (or within such longer period as to which the applicant consents), the Commission shall—

(A) by order grant registration, or

(B) institute proceedings to determine whether registration should be denied. Such proceedings shall include notice of the grounds for denial under consideration and opportunity for hearing and shall be concluded within one hundred twenty days of the date of the filing of the application for registration. At the conclusion of such proceedings the Commission, by order, shall grant or deny such registration. The Commission may extend the time for the conclusion of such proceedings for up to ninety days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the applicant consents.

The Commission shall grant the registration of a municipal securities dealer if the Commission finds that the requirements of this section are satisfied. The Commission shall deny such registration if it does not make such a finding or if it finds that if the applicant were so registered, its registration would be subject to suspension or revocation under subsection (c) of this section.

(3) Any provision of this title (other than section 5 or paragraph (1) of this subsection) which prohibits any act, practice, or course of business if the mails or any means or instrumentality of interstate commerce is used in connection therewith shall also prohibit any such act, practice, or course of business by any registered municipal securities dealer or any person acting on behalf of such municipal securities dealer, irrespective of any use of the mails or any means or instrumentality of interstate commerce in connection therewith.

(4) The Commission, by rule or order, upon its own motion or upon application, may conditionally or unconditionally exempt any broker, dealer, or municipal securities dealer or class of brokers, dealers, or municipal securities dealers from any provision of this section or the rules or regulations thereunder, if the Commission finds that such exemption is consistent with the public interest, the protection of investors, and the purposes of this section.

(b)(1) Not later than one hundred twenty days after the date of enactment of the Securities Acts Amendments of 1975, the Commission shall establish a Municipal Securities Rulemaking Board (hereinafter in this section referred to as the "Board"), to be composed initially of fifteen members appointed by the Commission, which shall perform the duties set forth in this section. The initial members of the Board shall serve as members for a term of two years, and shall consist of (A) five individuals who are not associated with any broker, dealer, or municipal securities dealer (other

than by reason of being under common control with, or indirectly controlling, any broker or dealer which is not a municipal securities broker or municipal securities dealer), at least one of whom shall be representative of investors in municipal securities, and at least one of whom shall be representative of issuers of municipal securities (which members are hereinafter referred to as "public representatives"); (B) five individuals who are associated with and representative of municipal securities brokers and municipal securities dealers which are not banks or subsidiaries or departments or divisions of banks (which members are hereinafter referred to as "broker-dealer representatives"); and (C) five individuals who are associated with and representative of municipal securities dealers which are banks or subsidiaries or departments or divisions of banks (which members are hereinafter referred to as "bank representatives"). Prior to the expiration of the terms of office of the initial members of the Board, an election shall be held under rules adopted by the Board (pursuant to subsection (b)(2)(B) of this section) of the members to succeed such initial members.

(2) The Board shall propose and adopt rules to effect the purposes of this title with respect to transactions in municipal securities effected by brokers, dealers, and municipal securities dealers. (Such rules are hereinafter collectively referred to in this title as "rules of the Board".) The rules of the Board, as a minimum, shall:

(A) provide that no municipal securities broker or municipal securities dealer shall effect any transaction in, or induce or attempt to induce the purchase or sale of, any municipal security unless such municipal securities broker or municipal securities dealer meets such standards of operational capability and such municipal securities broker or municipal securities dealer and every natural person associated with such municipal securities broker or municipal securities dealer meets such standards of training, experience, competence, and such other qualifications as the Board finds necessary or appropriate in the public interest or for the protection of investors. In connection with the definition and application of such standards the Board may—

(i) appropriately classify municipal securities brokers and municipal securities dealers (taking into account relevant matters, including types of business done, nature of securities other than municipal securities sold, and character of business organization), and persons associated with municipal securities brokers and municipal securities dealers;

(ii) specify that all or any portion of such standards shall be applicable to any such class;

(iii) require persons in any such class to pass tests administered in accordance with subsection (c)(7) of this section; and

(iv) provide that persons in any such class other than municipal securities brokers and municipal securities dealers and partners, officers, and supervisory employees of municipal securities brokers or municipal securities dealers, may be qualified solely on the basis of compliance with

such standards of training and such other qualifications as the Board finds appropriate.

(B) establish fair procedures for the nomination and election of members of the Board and assure fair representation in such nominations and elections of municipal securities brokers and municipal securities dealers. Such rules shall provide that the membership of the Board shall at all times be equally divided among public representatives, broker-dealer representatives, and bank representatives, and that the public representatives shall be subject to approval by the Commission to assure that no one of them is associated with any broker, dealer, or municipal securities dealer (other than by reason of being under common control with, or indirectly controlling, any broker or dealer which is not a municipal securities broker or municipal securities dealer) and that at least one is representative of investors in municipal securities and at least one is representative of issuers of municipal securities. Such rules shall also specify the term members shall serve and may increase the number of members which shall constitute the whole Board provided that such number is an odd number.

(C) be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities, to remove impediments to and perfect the mechanism of a free and open market in municipal securities, and, in general, to protect investors and the public interest; and not be designed to permit unfair discrimination between customers, issuers, municipal securities brokers, or municipal securities dealers, to fix minimum profits, to impose any schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by municipal securities brokers or municipal securities dealers, to regulate by virtue of any authority conferred by this title matters not related to the purpose of this title or the administration of the Board, or to impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(D) if the Board deems appropriate, provide for the arbitration of claims, disputes, and controversies relating to transactions in municipal securities: *Provided, however,* That no person other than a municipal securities broker, municipal securities dealer, or person associated with such a municipal securities broker or municipal securities dealer may be compelled to submit to such arbitration except at his instance and in accordance with section 29 of this title.

(E) provide for the periodic examination in accordance with subsection (c)(7) of this section of municipal securities brokers and municipal securities dealers to determine compliance with applicable provisions of this title, the rules and regulations thereunder, and the rules of the Board. Such rules shall specify the minimum scope and frequency of such examinations and shall be designed to avoid unnecessary regulatory duplication

or undue regulatory burdens for any such municipal securities broker or municipal securities dealer.

(F) include provisions governing the form and content of quotations relating to municipal securities which may be distributed or published by any municipal securities broker, municipal securities dealer, or person associated with such a municipal securities broker or municipal securities dealer, and the persons to whom such quotations may be supplied. Such rules relating to quotations shall be designed to produce fair and informative quotations, to prevent fictitious or misleading quotations, and to promote orderly procedures for collecting, distributing, and publishing quotations.

(G) prescribe records to be made and kept by municipal securities brokers and municipal securities dealers and the periods for which such records shall be preserved.

(H) define the term "separately identifiable department or division", as that term is used in section 3(a)(30) of this title, in accordance with specified and appropriate standards to assure that a bank is not deemed to be engaged in the business of buying and selling municipal securities through a separately identifiable department or division unless such department or division is organized and administered so as to permit independent examination and enforcement of applicable provisions of this title, the rules and regulations thereunder, and the rules of the Board. A separately identifiable department or division of a bank may be engaged in activities other than those relating to municipal securities.¹

(I) provide for the operation and administration of the Board, including the selection of a Chairman from among the members of the Board, the compensation of the members of the Board, and the appointment and compensation of such employees, attorneys, and consultants as may be necessary or appropriate to carry out the Board's functions under this section.

(J) provide that each municipal securities broker and each municipal securities dealer shall pay to the Board such reasonable fees and charges as may be necessary or appropriate to defray the costs and expenses of operating and administering the Board. Such rules shall specify the amount of such fees and charges.

(K) establish the terms and conditions under which any municipal securities dealer may sell, or prohibit any municipal securities dealer from selling, any part of a new issue of municipal securities to a municipal securities investment portfolio during the underwriting period.

(3) Nothing in this section shall be construed to impair or limit the power of the Commission under this title.

(c)(1) No broker, dealer, or municipal securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security in contravention of any rule of the Board.

¹The definition promulgated pursuant to this provision is printed in the appendix to this compilation.

(2) The Commission, by order, shall censure, place limitations on the activities, functions, or operations, suspend for a period not exceeding twelve months, or revoke the registration of any municipal securities dealer, if it finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, denial, suspension, or revocation, is in the public interest and that such municipal securities dealer has committed or omitted any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), (E), (H), or (G) of paragraph (4) of section 15(b) of this title, has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within ten years of the commencement of the proceedings under this paragraph, or is enjoined from any action, conduct, or practice specified in subparagraph (C) or such paragraph (4).

(3) Pending final determination whether any registration under this section shall be revoked, the Commission, by order, may suspend such registration, if such suspension appears to the Commission, after notice and opportunity for hearing, to be necessary or appropriate in the public interest or for the protection of investors. Any registered municipal securities dealer may, upon such terms and conditions as the Commission may deem necessary in the public interest or for the protection of investors, withdraw from registration by filing a written notice of withdrawal with the Commission. If the Commission finds that any registered municipal securities dealer is no longer in existence or has ceased to do business as a municipal securities dealer, the Commission, by order, shall cancel the registration of such municipal securities dealer.

(4) The Commission, by order, shall censure or place limitations on the activities or functions of any person associated, seeking to become associated, or, at the time of the alleged misconduct, associated or seeking to become associated with a municipal securities dealer, or suspend for a period not exceeding twelve months or bar any such person from being associated with a municipal securities dealer, if the Commission finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or bar is in the public interest and that such person has committed any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), (E), (H), or (G) of paragraph (4) of section 15(b) of this title, has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within 10 years of the commencement of the proceedings under this paragraph, or is enjoined from any action, conduct, or practice specified in subparagraph (C) of such paragraph (4). It shall be unlawful for any person as to whom an order entered pursuant to this paragraph or paragraph (5) of this subsection suspending or barring him from being associated with a municipal securities dealer is in effect willfully to become, or to be, associated with a municipal securities dealer without the consent of the Commission, and it shall be unlawful for any municipal securities dealer to permit such a person to become, or remain, a person associated with him without the consent of the Commission, if such municipal securities dealer knew, or, in the exercise of reasonable care should have known, of such order.

(5) With respect to any municipal securities dealer for which the Commission is not the appropriate regulatory agency, the

appropriate regulatory agency for such municipal securities dealer may sanction any such municipal securities dealer in the manner and for the reasons specified in paragraph (2) of this subsection and any person associated with such municipal securities dealer in the manner and for the reasons specified in paragraph (4) of this subsection. In addition, such appropriate regulatory agency may, in accordance with section 8 of the Federal Deposit Insurance Act (12 U.S.C. 1818), enforce compliance by such municipal securities dealer or any person associated with such municipal securities dealer with the provisions of this section, section 17 of this title, the rules of the Board, and the rules of the Commission pertaining to municipal securities dealers, persons associated with municipal securities dealers, and transactions in municipal securities. For purposes of the preceding sentence, any violation of any such provision shall constitute adequate basis for the issuance of any order under section 8(b) or 8(c) of the Federal Deposit Insurance Act, and the customers of any such municipal securities dealer shall be deemed to be "depositors" as that term is used in section 8(c) of that Act. Nothing in this paragraph shall be construed to affect in any way the powers of such appropriate regulatory agency to proceed against such municipal securities dealer under any other provision of law.

(6)(A) The Commission, prior to the entry of an order of investigation, or commencement of any proceedings, against any municipal securities dealer, or person associated with any municipal securities dealer, for which the Commission is not the appropriate regulatory agency, for violation of any provision of this section, section 15(c)(1) or 15(c)(2) of this title, any rule or regulation under any such section or any rule of the Board, shall (i) give notice to the appropriate regulatory agency for such municipal securities dealer of the identity of such municipal securities dealer or person associated with such municipal securities dealer, the nature of and basis for such proposed action, and whether the Commission is seeking a monetary penalty against such municipal securities dealer or such associated person pursuant to section 21B of this title; and (ii) consult with such appropriate regulatory agency concerning the effect of such proposed action on sound banking practices and the feasibility and desirability of coordinating such action with any proceeding or proposed proceeding by such appropriate regulatory agency against such municipal securities dealer or associated person.

(B) The appropriate regulatory agency for a municipal securities dealer (if other than the Commission), prior to the entry of an order of investigation, or commencement of any proceedings, against such municipal securities dealer or person associated with such municipal securities dealer, for violation of any provision of this section, the rules of the Board, or the rules or regulations of the Commission pertaining to municipal securities dealers, persons associated with municipal securities dealers, or transactions in municipal securities shall (i) give notice to the Commission of the identity of such municipal securities dealer or person associated with such municipal securities dealer and the nature of and basis for such proposed action and (ii) consult with the Commission concerning the effect of such proposed action on the protection of

investors and the feasibility and desirability of coordinating such action with any proceeding or proposed proceeding by the Commission against such municipal securities dealer or associated person.

(C) Nothing in this paragraph shall be construed to impair or limit (other than by the requirement of prior consultation) the power of the Commission or the appropriate regulatory agency for a municipal securities dealer to initiate any action of a class described in this paragraph or to affect in any way the power of the Commission or such appropriate regulatory agency to initiate any other action pursuant to this title or any other provision of law.

(7)(A) Tests required pursuant to subsection (b)(2)(A)(iii) of this section shall be administered by or on behalf of and periodic examinations pursuant to subsection (b)(2)(E) of this section shall be conducted by—

(i) a registered securities association, in the case of municipal securities brokers and municipal securities dealers who are members of such association; and

(ii) the appropriate regulatory agency for any municipal securities broker or municipal securities dealer, in the case of all other municipal securities brokers and municipal securities dealers.

(B) A registered securities association shall make a report of any examination conducted pursuant to subsection (b)(2)(E) of this section and promptly furnish the Commission a copy thereof and any data supplied to it in connection with such examination. Subject to such limitations as the Commission, by rule, determines to be necessary or appropriate in the public interest or for the protection of investors, the Commission shall, on request, make available to the Board a copy of any report of an examination of a municipal securities broker or municipal securities dealer made by or furnished to the Commission pursuant to this paragraph or section 17(c)(3) of this title.

(8) The Commission is authorized, by order, if in its opinion such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise, in furtherance of the purposes of this title, to remove from office or censure any member or employee of the Board, who, the Commission finds, on the record after notice and opportunity for hearing, has willfully (A) violated any provision of this title, the rules and regulations thereunder, or the rules of the Board or (B) abused his authority.

(d)(1) Neither the Commission nor the Board is authorized under this title, by rule or regulation, to require any issuer of municipal securities, directly or indirectly through a purchaser or prospective purchaser of securities from the issuer, to file with the Commission or the Board prior to the sale of such securities by the issuer any application, report, or document in connection with the issuance, sale, or distribution of such securities.

(2) The Board is not authorized under this title to require any issuer of municipal securities, directly or indirectly through a municipal securities broker or municipal securities dealer or otherwise, to furnish to the Board or to a purchaser or a prospective purchaser of such securities any application, report, document, or information with respect to such issuer: *Provided, however,* That the Board may require municipal securities brokers and municipal

securities dealers to furnish to the Board or purchasers or prospective purchasers of municipal securities applications, reports, documents, and information with respect to the issuer thereof which is generally available from a source other than such issuer. Nothing in this paragraph shall be construed to impair or limit the power of the Commission under any provision of this title.

The Secretary, by rule, may require summary reports of such information to be filed with the registered person's appropriate regulatory agency no more frequently than quarterly.

(B) AUTHORITY TO REQUIRE ADDITIONAL INFORMATION.—If, as a result of adverse market conditions or based on reports provided pursuant to subparagraph (A) of this paragraph or other available information, the appropriate regulatory agency reasonably concludes that it has concerns regarding the financial or operational condition of any government securities broker or government securities dealer registered under this section, such agency may require the registered person to make reports concerning the financial and securities activities of any of such person's associated persons, other than a natural person, whose business activities are reasonably likely to have a material impact on the financial or operational condition of such registered person. The appropriate regulatory agency, in requiring reports pursuant to this subparagraph, shall specify the information required, the period for which it is required, the time and date on which the information must be furnished, and whether the information is to be furnished directly to the appropriate regulatory agency or to a self-regulatory organization with primary responsibility for examining the registered person's financial and operational condition.

(C) SPECIAL PROVISIONS WITH RESPECT TO ASSOCIATED PERSONS SUBJECT TO FEDERAL BANKING AGENCY REGULATION.—

(i) COOPERATION IN IMPLEMENTATION.—In developing and implementing reporting requirements pursuant to subparagraph (A) of this paragraph with respect to associated persons subject to examination by or reporting requirements of a Federal banking agency, the Secretary shall consult with and consider the views of each such Federal banking agency. If a Federal banking agency comments in writing on a proposed rule of the Secretary under this paragraph that has been published for comment, the

Secretary shall respond in writing to such written comment before adopting the proposed rule. The Secretary shall, at the request of a Federal banking agency, publish such comment and response in the Federal Register at the time of publishing the adopted rule.

(ii) USE OF BANKING AGENCY REPORTS.—A registered government securities broker or government securities dealer shall be in compliance with any recordkeeping or reporting requirement adopted pursuant to subparagraph (A) of this paragraph concerning an associated person that is subject to examination by or reporting requirements of a Federal banking agency if such government securities broker or government securities dealer utilizes for such recordkeeping or reporting requirement copies of reports filed by the associated person with the Federal banking agency pursuant to section 5211 of the Revised Statutes, section 9 of the Federal Reserve Act, section 7(a) of the Federal Deposit Insurance Act, section 10(b) of the Home Owners' Loan Act, or section 8 of the Bank Holding Company Act of 1956. The Secretary may, however, by rule adopted pursuant to subparagraph (A), require any registered government securities broker or government securities dealer filing such reports with the appropriate regulatory agency to obtain, maintain, or report supplemental information if the Secretary makes an explicit finding, based on information provided by the appropriate regulatory agency, that such supplemental information is necessary to inform the appropriate regulatory agency regarding potential risks to such government securities broker or government securities dealer. Prior to requiring any such supplemental information, the Secretary shall first request the Federal banking agency to expand its reporting requirements to include such information.

(iii) PROCEDURE FOR REQUIRING ADDITIONAL INFORMATION.—Prior to making a request pursuant to subparagraph (B) of this paragraph for information with respect to an associated person that is subject to examination by or reporting requirements of a Federal banking agency, the appropriate regulatory agency shall—

(I) notify such banking agency of the information required with respect to such associated person; and

(II) consult with such agency to determine whether the information required is available from such agency and for other purposes, unless the appropriate regulatory agency determines that any delay resulting from such consultation would be inconsistent with ensuring the financial and operational condition of the government securities broker or government securities dealer or the stability or integrity of the securities markets.

(iv) EXCLUSION FOR EXAMINATION REPORTS.—Nothing in this subparagraph shall be construed to permit the Secretary or an appropriate regulatory agency to require any registered government securities broker or government

securities dealer to obtain, maintain, or furnish any examination report of any Federal banking agency or any supervisory recommendations or analysis contained therein.

(v) CONFIDENTIALITY OF INFORMATION PROVIDED.—No information provided to or obtained by an appropriate regulatory agency from any Federal banking agency pursuant to a request under clause (iii) of this subparagraph regarding any associated person which is subject to examination by or reporting requirements of a Federal banking agency may be disclosed to any other person (other than a self-regulatory organization), without the prior written approval of the Federal banking agency. Nothing in this clause shall authorize the Secretary or any appropriate regulatory agency to withhold information from Congress, or prevent the Secretary or any appropriate regulatory agency from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States or the Commission.

(vi) NOTICE TO BANKING AGENCIES CONCERNING FINANCIAL AND OPERATIONAL CONDITION CONCERNS.—The Secretary or appropriate regulatory agency shall notify the Federal banking agency of any concerns of the Secretary or the appropriate regulatory agency regarding significant financial or operational risks resulting from the activities of any government securities broker or government securities dealer to any associated person thereof which is subject to examination by or reporting requirements of the Federal banking agency.

(vii) DEFINITION.—For purposes of this subparagraph, the term “Federal banking agency” shall have the same meaning as the term “appropriate Federal banking agency” in section 3(q) of the Federal Deposit Insurance Act (12 U.S.C. 1813(q)).

(D) EXEMPTIONS.—The Secretary by rule or order may exempt any person or class of persons, under such terms and conditions and for such periods as the Secretary shall provide in such rule or order, from the provisions of this paragraph, and the rules thereunder. In granting such exemptions, the Secretary shall consider, among other factors—

(i) whether information of the type required under this paragraph is available from a supervisory agency (as defined in section 1101(6) of the Right to Financial Privacy Act of 1978 (12 U.S.C. 3401(6))), a State insurance commission or similar State agency, the Commodity Futures Trading Commission, or a similar foreign regulator;

(ii) the primary business of any associated person;

(iii) the nature and extent of domestic or foreign regulation of the associated person’s activities;

(iv) the nature and extent of the registered person’s securities transactions; and

(v) with respect to the registered person and its associated persons, on a consolidated basis, the amount and proportion of assets devoted to, and revenues derived from, activities in the United States securities markets.

(E) CONFORMITY WITH REQUIREMENTS UNDER SECTION 17(h).—In exercising authority pursuant to subparagraph (A) of this paragraph concerning information with respect to associated persons of government securities brokers and government securities dealers who are also associated persons of registered brokers or dealers reporting to the Commission pursuant to section 17(h) of this title, the requirements relating to such associated persons shall conform, to the greatest extent practicable, to the requirements under section 17(h).

(F) AUTHORITY TO LIMIT DISCLOSURE OF INFORMATION.—Notwithstanding any other provision of law, the Secretary and any appropriate regulatory agency shall not be compelled to disclose any information required to be reported under this paragraph, or any information supplied to the Secretary or any appropriate regulatory agency by any domestic or foreign regulatory agency that relates to the financial or operational condition of any associated person of a registered government securities broker or a government securities dealer. Nothing in this paragraph shall authorize the Secretary or any appropriate regulatory agency to withhold information from Congress, or prevent the Secretary or any appropriate regulatory agency from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States or the Commission. For purposes of section 552 of title 5, United States Code, this paragraph shall be considered a statute described in subsection (b)(3)(B) of such section 552.

(3)(A) With respect to any financial institution that has filed notice as a government securities broker or government securities dealer or that is required to file notice under subsection (a)(1)(B), the appropriate regulatory agency for such government securities broker or government securities dealer may issue such rules and regulations with respect to transactions in government securities as may be necessary to prevent fraudulent and manipulative acts and practices and to promote just and equitable principles of trade. If the Secretary of the Treasury determines, and notifies the appropriate regulatory agency, that such rule or regulation, if implemented, would, or as applied does (i) adversely affect the liquidity or efficiency of the market for government securities; or (ii) impose any burden on competition not necessary or appropriate in furtherance of the purposes of this section, the appropriate regulatory agency shall, prior to adopting the proposed rule or regulation, find that such rule or regulation is necessary and appropriate in furtherance of the purposes of this section notwithstanding the Secretary's determination.

(B) The appropriate regulatory agency shall consult with and consider the views of the Secretary prior to approving or amending a rule or regulation under this paragraph, except where the appro-

appropriate regulatory agency determines that an emergency exists requiring expeditious and summary action and publishes its reasons therefor. If the Secretary comments in writing to the appropriate regulatory agency on a proposed rule or regulation that has been published for comment, the appropriate regulatory agency shall respond in writing to such written comment before approving the proposed rule or regulation.

(C) In promulgating rules under this section, the appropriate regulatory agency shall consider the sufficiency and appropriateness of then existing laws and rules applicable to government securities brokers, government securities dealers, and persons associated with government securities brokers and government securities dealers.

(4) Rules promulgated and orders issued under this section shall—

(A) be designed to prevent fraudulent and manipulative acts and practices and to protect the integrity, liquidity, and efficiency of the market for government securities, investors, and the public interest; and

(B) not be designed to permit unfair discrimination between customers, issuers, government securities brokers, or government securities dealers, or to impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(5) In promulgating rules and issuing orders under this section, the Secretary—

(A) may appropriately classify government securities brokers and government securities dealers (taking into account relevant matters, including types of business done, nature of securities other than government securities purchased or sold, and character of business organization) and persons associated with government securities brokers and government securities dealers;

(B) may determine, to the extent consistent with paragraph (2) of this subsection and with the public interest, the protection of investors, and the purposes of this title, not to apply, in whole or in part, certain rules under this section, or to apply greater, lesser, or different standards, to certain classes of government securities brokers, government securities dealers, or persons associated with government securities brokers or government securities dealers;

(C) shall consider the sufficiency and appropriateness of then existing laws and rules applicable to government securities brokers, government securities dealers, and persons associated with government securities brokers and government securities dealers; and

(D) shall consult with and consider the views of the Commission and the Board of Governors of the Federal Reserve System, except where the Secretary determines that an emergency exists requiring expeditious or summary action and publishes its reasons for such determination.

(6) If the Commission or the Board of Governors of the Federal Reserve System comments in writing on a proposed rule of the Secretary that has been published for comment, the Secretary shall re-

spond in writing to such written comment before approving the proposed rule.

(7) No government securities broker or government securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any government security in contravention of any rule under this section.

(c)(1) With respect to any government securities broker or government securities dealer registered or required to register under subsection (a)(1)(A) of this section—

(A) The Commission, by order, shall censure, place limitations on the activities, functions, or operations of, suspend for a period not exceeding 12 months, or revoke the registration of such government securities broker or government securities dealer, if it finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or revocation is in the public interest and that such government securities broker or government securities dealer, or any person associated with such government securities broker or government securities dealer (whether prior or subsequent to becoming so associated), has committed or omitted any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), (E), (H), or (G) of paragraph (4) of section 15(b) of this title, has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within 10 years of the commencement of the proceedings under this paragraph, or is enjoined from any action, conduct, or practice specified in subparagraph (C) of such paragraph (4).

(B) Pending final determination whether registration of any government securities broker or government securities dealer shall be revoked, the Commission, by order, may suspend such registration, if such suspension appears to the Commission, after notice and opportunity for hearing, to be necessary or appropriate in the public interest or for the protection of investors. Any registered government securities broker or registered government securities dealer may, upon such terms and conditions as the Commission may deem necessary in the public interest or for the protection of investors, withdraw from registration by filing a written notice of withdrawal with the Commission. If the Commission finds that any registered government securities broker or registered government securities dealer is no longer in existence or has ceased to do business as a government securities broker or government securities dealer, the Commission, by order, shall cancel the registration of such government securities broker or government securities dealer.

(C) The Commission, by order, shall censure or place limitations on the activities or functions of any person associated, or seeking to become associated, with a government securities broker or government securities dealer registered or required to register under subsection (a)(1)(A) of this section or suspend for a period not exceeding 12 months or bar any such person from being associated with such a government securities broker or government securities dealer, if the Commission

finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or bar is in the public interest and that such person has committed or omitted any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), (E), (H), or (G) of paragraph (4) of section 15(b) of this title, has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within 10 years of the commencement of the proceedings under this paragraph, or is enjoined from any action, conduct, or practice specified in subparagraph (C) of such paragraph (4).

(2)(A) With respect to any government securities broker or government securities dealer which is not registered or required to register under subsection (a)(1)(A) of this section, the appropriate regulatory agency for such government securities broker or government securities dealer may, in the manner and for the reasons specified in paragraph (1)(A) of this subsection, censure, place limitations on the activities, functions, or operations of, suspend for a period not exceeding 12 months, or bar from acting as a government securities broker or government securities dealer any such government securities broker or government securities dealer, and may sanction any person associated with such government securities broker or government securities dealer in the manner and for the reasons specified in paragraph (1)(C) of this subsection.

(B) In addition, where applicable, such appropriate regulatory agency may, in accordance with section 8 of the Federal Deposit Insurance Act (12 U.S.C. 1818), section 5 of the Home Owners' Loan Act of 1933 (12 U.S.C. 1464), or section 407 of the National Housing Act (12 U.S.C. 1730), enforce compliance by such government securities broker or government securities dealer or any person associated with such government securities broker or government securities dealer with the provisions of this section and the rules thereunder.

(C) For purposes of subparagraph (B) of this paragraph, any violation of any such provision shall constitute adequate basis for the issuance of any order under section 8(b) or 8(c) of the Federal Deposit Insurance Act, section 5(d)(2) or 5(d)(3) of the Home Owners' Loan Act of 1933, or section 407(e) or 407(f) of the National Housing Act, and the customers of any such government securities broker or government securities dealer shall be deemed, respectively, "depositors" as that term is used in section 8(c) of the Federal Deposit Insurance Act, "savings account holders" as that term is used in section 5(d)(3) of the Home Owners' Loan Act of 1933, or "insured members" as that term is used in section 407(f) of the National Housing Act.

(D) Nothing in this paragraph shall be construed to affect in any way the powers of such appropriate regulatory agency to proceed against such government securities broker or government securities dealer under any other provision of law.

(E) Each appropriate regulatory agency (other than the Commission) shall promptly notify the Commission after it has imposed any sanction under this paragraph on a government securities broker or government securities dealer, or a person associated with a government securities broker or government securities dealer, and the Commission shall maintain, and make available to the

public, a record of such sanctions and any sanctions imposed by it under this subsection.

(3) It shall be unlawful for any person as to whom an order entered pursuant to paragraph (1) or (2) of this subsection suspending or barring him from being associated with a government securities broker or government securities dealer is in effect willfully to become, or to be, associated with a government securities broker or government securities dealer without the consent of the appropriate regulatory agency, and it shall be unlawful for any government securities broker or government securities dealer to permit such a person to become, or remain, a person associated with it without the consent of the appropriate regulatory agency, if such government securities broker or government securities dealer knew, or, in the exercise of reasonable care should have known, of such order.

(d)(1) All records of a government securities broker or government securities dealer are subject at any time, or from time to time, to such reasonable periodic, special, or other examinations by representatives of the appropriate regulatory agency for such government securities broker or government securities dealer as such appropriate regulatory agency deems necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this title.

(2) Information received by an appropriate regulatory agency, the Secretary, or the Commission from or with respect to any government securities broker, government securities dealer, any person associated with a government securities broker or government securities dealer, or any other person subject to this section or rules promulgated thereunder, may be made available by the Secretary or the recipient agency to the Commission, the Secretary, the Department of Justice, the Commodity Futures Trading Commission, any appropriate regulatory agency, any self-regulatory organization, or any Federal Reserve Bank.

(3) GOVERNMENT SECURITIES TRADE RECONSTRUCTION.—

(A) FURNISHING RECORDS.—Every government securities broker and government securities dealer shall furnish to the Commission on request such records of government securities transactions, including records of the date and time of execution of trades, as the Commission may require to reconstruct trading in the course of a particular inquiry or investigation being conducted by the Commission for enforcement or surveillance purposes. In requiring information pursuant to this paragraph, the Commission shall specify the information required, the period for which it is required, the time and date on which the information must be furnished, and whether the information is to be furnished directly to the Commission, to the Federal Reserve Bank of New York, or to an appropriate regulatory agency or self-regulatory organization with responsibility for examining the government securities broker or government securities dealer. The Commission may require that such information be furnished in machine readable form notwithstanding any limitation in subparagraph (B). In utilizing its authority to require information in machine readable form,

the Commission shall minimize the burden such requirement may place on small government securities brokers and dealers.

(B) LIMITATION; CONSTRUCTION.—The Commission shall not utilize its authority under this paragraph to develop regular reporting requirements, except that the Commission may require information to be furnished under this paragraph as frequently as necessary for particular inquiries or investigations for enforcement or surveillance purposes. This paragraph shall not be construed as requiring, or as authorizing the Commission to require, any government securities broker or government securities dealer to obtain or maintain any information for purposes of this paragraph which is not otherwise maintained by such broker or dealer in accordance with any other provision of law or usual and customary business practice. The Commission shall, where feasible, avoid requiring any information to be furnished under this paragraph that the Commission may obtain from the Federal Reserve Bank of New York.

(C) PROCEDURES FOR REQUIRING INFORMATION.—At the time the Commission requests any information pursuant to subparagraph (A) with respect to any government securities broker or government securities dealer for which the Commission is not the appropriate regulatory agency, the Commission shall notify the appropriate regulatory agency for such government securities broker or government securities dealer and, upon request, furnish to the appropriate regulatory agency any information supplied to the Commission.

(D) CONSULTATION.—Within 90 days after the date of enactment of this paragraph, and annually thereafter, or upon the request of any other appropriate regulatory agency, the Commission shall consult with the other appropriate regulatory agencies to determine the availability of records that may be required to be furnished under this paragraph and, for those records available directly from the other appropriate regulatory agencies, to develop a procedure for furnishing such records expeditiously upon the Commission's request.

(E) EXCLUSION FOR EXAMINATION REPORTS.—Nothing in this paragraph shall be construed so as to permit the Commission to require any government securities broker or government securities dealer to obtain, maintain, or furnish any examination report of any appropriate regulatory agency other than the Commission or any supervisory recommendations or analysis contained in any such examination report.

(F) AUTHORITY TO LIMIT DISCLOSURE OF INFORMATION.—Notwithstanding any other provision of law, the Commission and the appropriate regulatory agencies shall not be compelled to disclose any information required or obtained under this paragraph. Nothing in this paragraph shall authorize the Commission or any appropriate regulatory agency to withhold information from Congress, or prevent the Commission or any appropriate regulatory agency from complying with a request for information from any other Federal department or agency requesting information for purposes within the scope of its jurisdiction, or from complying with an order of a court of the

United States in an action brought by the United States, the Commission, or the appropriate regulatory agency. For purposes of section 552 of title 5, United States Code, this subparagraph shall be considered a statute described in subsection (b)(3)(B) of such section 552.

(e)(1) It shall be unlawful for any government securities broker or government securities dealer registered or required to register with the Commission under subsection (a)(1)(A) to effect any transaction in, or induce or attempt to induce the purchase or sale of, any government security, unless such government securities broker or government securities dealer is a member of a national securities exchange registered under section 6 of this title or a securities association registered under section 15A of this title.

(2) The Commission, after consultation with the Secretary, by rule or order, as it deems consistent with the public interest and the protection of investors, may conditionally or unconditionally exempt from paragraph (1) of this subsection any government securities broker or government securities dealer or class of government securities brokers or government securities dealers specified in such rule or order.

(f) LARGE POSITION REPORTING.—

(1) REPORTING REQUIREMENTS.—The Secretary may adopt rules to require specified persons holding, maintaining, or controlling large positions in to-be-issued or recently issued Treasury securities to file such reports regarding such positions as the Secretary determines to be necessary and appropriate for the purpose of monitoring the impact in the Treasury securities market of concentrations of positions in Treasury securities and for the purpose of otherwise assisting the Commission in the enforcement of this title, taking into account any impact of such rules on the efficiency and liquidity of the Treasury securities market and the cost to taxpayers of funding the Federal debt. Unless otherwise specified by the Secretary, reports required under this subsection shall be filed with the Federal Reserve Bank of New York, acting as agent for the Secretary. Such reports shall, on a timely basis, be provided directly to the Commission by the person with whom they are filed.

(2) RECORDKEEPING REQUIREMENTS.—Rules under this subsection may require persons holding, maintaining, or controlling large positions in Treasury securities to make and keep for prescribed periods such records as the Secretary determines are necessary or appropriate to ensure that such persons can comply with reporting requirements under this subsection.

(3) AGGREGATION RULES.—Rules under this subsection—

(A) may prescribe the manner in which positions and accounts shall be aggregated for the purpose of this subsection, including aggregation on the basis of common ownership or control; and

(B) may define which persons (individually or as a group) hold, maintain, or control large positions.

(4) DEFINITIONAL AUTHORITY; DETERMINATION OF REPORTING THRESHOLD.—

(A) In prescribing rules under this subsection, the Secretary may, consistent with the purpose of this subsection,

define terms used in this subsection that are not otherwise defined in section 3 of this title.

(B) Rules under this subsection shall specify—

(i) the minimum size of positions subject to reporting under this subsection, which shall be no less than the size that provides the potential for manipulation or control of the supply or price, or the cost of financing arrangements, of an issue or the portion thereof that is available for trading;

(ii) the types of positions (which may include financing arrangements) to be reported;

(iii) the securities to be covered; and

(iv) the form and manner in which reports shall be transmitted, which may include transmission in machine readable form.

(5) EXEMPTIONS.—Consistent with the public interest and the protection of investors, the Secretary by rule or order may exempt in whole or in part, conditionally or unconditionally, any person or class of persons, or any transaction or class of transactions, from the requirements of this subsection.

(6) LIMITATION ON DISCLOSURE OF INFORMATION.—Notwithstanding any other provision of law, the Secretary and the Commission shall not be compelled to disclose any information required to be kept or reported under this subsection. Nothing in this subsection shall authorize the Secretary or the Commission to withhold information from Congress, or prevent the Secretary or the Commission from complying with a request for information from any other Federal department or agency requesting information for purposes within the scope of its jurisdiction, or from complying with an order of a court of the United States in an action brought by the United States, the Secretary, or the Commission. For purposes of section 552 of title 5, United States Code, this paragraph shall be considered a statute described in subsection (b)(3)(B) of such section 552.

(g)(1) Nothing in this section except paragraph (2) of this subsection shall be construed to impair or limit the authority under any other provision of law of the Commission, the Secretary of the Treasury, the Board of Governors of the Federal Reserve System, the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the Director of the Office of Thrift Supervision, the Federal Savings and Loan Insurance Corporation, the Secretary of Housing and Urban Development, and the Government National Mortgage Association.

(2) Notwithstanding any other provision of this title, the Commission shall not have any authority to make investigations of, require the filing of a statement by, or take any other action under this title against a government securities broker or government securities dealer, or any person associated with a government securities broker or government securities dealer, for any violation or threatened violation of the provisions of this section, other than subsection (d)(3) or the rules or regulations thereunder, unless the Commission is the appropriate regulatory agency for such government securities broker or government securities dealer. Nothing in the preceding sentence shall be construed to limit the authority of

the Commission with respect to violations or threatened violations of any provision of this title other than this section (except subsection (d)(3)), the rules or regulations under any such other provision, or investigations pursuant to section 21(a)(2) of this title to assist a foreign securities authority.

SEC. 15D. [78o-6] SECURITIES ANALYSTS AND RESEARCH REPORTS.

(a) ANALYST PROTECTIONS.—The Commission, or upon the authorization and direction of the Commission, a registered securities association or national securities exchange, shall have adopted, not later than 1 year after the date of enactment of this section, rules reasonably designed to address conflicts of interest that can arise when securities analysts recommend equity securities in research reports and public appearances, in order to improve the objectivity of research and provide investors with more useful and reliable information, including rules designed—

(1) to foster greater public confidence in securities research, and to protect the objectivity and independence of securities analysts, by—

(A) restricting the prepublication clearance or approval of research reports by persons employed by the broker or dealer who are engaged in investment banking activities, or persons not directly responsible for investment research, other than legal or compliance staff;

(B) limiting the supervision and compensatory evaluation of securities analysts to officials employed by the broker or dealer who are not engaged in investment banking activities; and

(C) requiring that a broker or dealer and persons employed by a broker or dealer who are involved with investment banking activities may not, directly or indirectly, retaliate against or threaten to retaliate against any securities analyst employed by that broker or dealer or its affiliates as a result of an adverse, negative, or otherwise unfavorable research report that may adversely affect the present or prospective investment banking relationship of the broker or dealer with the issuer that is the subject of the research report, except that such rules may not limit the authority of a broker or dealer to discipline a securities analyst for causes other than such research report in accordance with the policies and procedures of the firm;

(2) to define periods during which brokers or dealers who have participated, or are to participate, in a public offering of securities as underwriters or dealers should not publish or otherwise distribute research reports relating to such securities or to the issuer of such securities;

(3) to establish structural and institutional safeguards within registered brokers or dealers to assure that securities analysts are separated by appropriate informational partitions within the firm from the review, pressure, or oversight of those whose involvement in investment banking activities might potentially bias their judgment or supervision; and

(4) to address such other issues as the Commission, or such association or exchange, determines appropriate.

(b) DISCLOSURE.—The Commission, or upon the authorization and direction of the Commission, a registered securities association or national securities exchange, shall have adopted, not later than 1 year after the date of enactment of this section, rules reasonably designed to require each securities analyst to disclose in public appearances, and each registered broker or dealer to disclose in each research report, as applicable, conflicts of interest that are known or should have been known by the securities analyst or the broker or dealer, to exist at the time of the appearance or the date of distribution of the report, including—

(1) the extent to which the securities analyst has debt or equity investments in the issuer that is the subject of the appearance or research report;

(2) whether any compensation has been received by the registered broker or dealer, or any affiliate thereof, including the securities analyst, from the issuer that is the subject of the appearance or research report, subject to such exemptions as the Commission may determine appropriate and necessary to prevent disclosure by virtue of this paragraph of material non-public information regarding specific potential future investment banking transactions of such issuer, as is appropriate in the public interest and consistent with the protection of investors;

(3) whether an issuer, the securities of which are recommended in the appearance or research report, currently is, or during the 1-year period preceding the date of the appearance or date of distribution of the report has been, a client of the registered broker or dealer, and if so, stating the types of services provided to the issuer;

(4) whether the securities analyst received compensation with respect to a research report, based upon (among any other factors) the investment banking revenues (either generally or specifically earned from the issuer being analyzed) of the registered broker or dealer; and

(5) such other disclosures of conflicts of interest that are material to investors, research analysts, or the broker or dealer as the Commission, or such association or exchange, determines appropriate.

(c) DEFINITIONS.—In this section—

(1) the term “securities analyst” means any associated person of a registered broker or dealer that is principally responsible for, and any associated person who reports directly or indirectly to a securities analyst in connection with, the preparation of the substance of a research report, whether or not any such person has the job title of “securities analyst”; and

(2) the term “research report” means a written or electronic communication that includes an analysis of equity securities of individual companies or industries, and that provides information reasonably sufficient upon which to base an investment decision.

SEC. 16. [78p] DIRECTORS, OFFICERS, AND PRINCIPAL STOCKHOLDERS.

(a) DISCLOSURES REQUIRED.—

(1) DIRECTORS, OFFICERS, AND PRINCIPAL STOCKHOLDERS REQUIRED TO FILE.—Every person who is directly or indirectly the beneficial owner of more than 10 percent of any class of any equity security (other than an exempted security) which is registered pursuant to section 12, or who is a director or an officer of the issuer of such security, shall file the statements required by this subsection with the Commission (and, if such security is registered on a national securities exchange, also with the exchange).

(2) TIME OF FILING.—The statements required by this subsection shall be filed—

(A) at the time of the registration of such security on a national securities exchange or by the effective date of a registration statement filed pursuant to section 12(g);

(B) within 10 days after he or she becomes such beneficial owner, director, or officer;

(C) if there has been a change in such ownership, or if such person shall have purchased or sold a security-based swap agreement (as defined in section 206(b)¹ of the Gramm-Leach-Bliley Act (15 U.S.C. 78c note)) involving such equity security, before the end of the second business day following the day on which the subject transaction has been executed, or at such other time as the Commission shall establish, by rule, in any case in which the Commission determines that such 2-day period is not feasible.

(3) CONTENTS OF STATEMENTS.—A statement filed—

(A) under subparagraph (A) or (B) of paragraph (2) shall contain a statement of the amount of all equity securities of such issuer of which the filing person is the beneficial owner; and

(B) under subparagraph (C) of such paragraph shall indicate ownership by the filing person at the date of filing, any such changes in such ownership, and such purchases and sales of the security-based swap agreements as have occurred since the most recent such filing under such subparagraph.

(4) ELECTRONIC FILING AND AVAILABILITY.—Beginning not later than 1 year after the date of enactment of the Sarbanes-Oxley Act of 2002—

of any equity security of such issuer (other than an exempted security) or a security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) involving any such equity security within any period of less than six months, unless such security or security-based swap agreement was acquired in good faith in connection with a debt previously contracted, shall inure to and be recoverable by the issuer, irrespective of any intention on the part of such beneficial owner, director, or officer in entering into such transaction of holding the security or security-based swap agreement purchased or of not repurchasing the security or security-based swap agreement sold for a period exceeding six months. Suit to recover such profit may be instituted at law or in equity in any court of competent jurisdiction by the issuer, or by the owner of any security of the issuer in the name and in behalf of the issuer if the issuer shall fail or refuse to bring such suit within sixty days after request or shall fail diligently to prosecute the same thereafter; but no such suit shall be brought more than two years after the date such profit was realized. This subsection shall not be construed to cover any transaction where such beneficial owner was not such both at the time of the purchase and sale, or the sale and purchase, of the security or security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) involved, or any transaction or transactions which the Commission by rules and regulations may exempt as not comprehended within the purpose of this subsection.

(c) It shall be unlawful for any such beneficial owner, director, or officer, directly or indirectly, to sell any equity security of such issuer (other than an exempted security), if the person selling the security or his principal (1) does not own the security sold, or (2) if owning the security, does not deliver it against such sale within twenty days thereafter, or does not within five days after such sale deposit it in the mails or other usual channels of transportation; but no person shall be deemed to have violated this subsection if he proves that notwithstanding the exercise of good faith he was unable to make such delivery or deposit within such time, or that to do so would cause undue inconvenience or expense.

(d) The provisions of subsection (b) of this section shall not apply to any purchase and sale, or sale and purchase, and the provisions of subsection (c) of this section shall not apply to any sale, of an equity security not then or theretofore held by him in an investment account, by a dealer in the ordinary course of his business and incident to the establishment or maintenance by him of a primary or secondary market (otherwise than on a national securities exchange or an exchange exempted from registration under section 5 of this title) for such security. The Commission may, by such rules and regulations as it deems necessary or appropriate in the public interest, define and prescribe terms and conditions with respect to securities held in an investment account and transactions made in the ordinary course of business and incident to the establishment or maintenance of a primary or secondary market.

(e) The provisions of this section shall not apply to foreign or domestic arbitrage transactions unless made in contravention of such rules and regulations as the Commission may adopt in order to carry out the purposes of this section.

(f) TREATMENT OF TRANSACTIONS IN SECURITY FUTURES PRODUCTS.—The provisions of this section shall apply to ownership of and transactions in security futures products.

(d)(1) The Commission, by rule or order, as it deems necessary or appropriate in the public interest and for the protection of investors, to foster cooperation and coordination among self-regulatory organizations, or to remove impediments to and foster the development of a national market system and national system for the clearance and settlement of securities transactions, may—

(A) with respect to any person who is a member of or participant in more than one self-regulatory organization, relieve any such self-regulatory organization of any responsibility under this title (i) to receive regulatory reports from such person, (ii) to examine such person for compliance, or to enforce compliance by such person, with specified provisions of this title, the rules and regulations thereunder, and its own rules, or (iii) to carry out other specified regulatory functions with respect to such person, and

(B) allocate among self-regulatory organizations the authority to adopt rules with respect to matters as to which, in the absence of such allocation, such self-regulatory organizations share authority under this title.

In making any such rule or entering any such order, the Commission shall take into consideration the regulatory capabilities and procedures of the self-regulatory organizations, availability of staff, convenience of location, unnecessary regulatory duplication, and such other factors as the Commission may consider germane to the protection of investors, cooperation and coordination among self-regulatory organizations, and the development of a national market system and a national system for the clearance and settlement of securities transactions. The Commission, by rule or order, as it deems necessary or appropriate in the public interest and for the protection of investors, may require any self-regulatory organization relieved of any responsibility pursuant to this paragraph, and any person with respect to whom such responsibility relates, to take such steps as are specified in any such rule or order to notify customers of, and persons doing business with, such person of the limited nature of such self-regulatory organization's responsibility for such person's acts, practices, and course of business.

(2) A self-regulatory organization shall furnish copies of any report of examination of any person who is a member of or a participant in such self-regulatory organization to any other self-regulatory organization of which such person is a member or in which such person is a participant upon the request of such person, such other self-regulatory organization, or the Commission.

(e)(1)(A) Every registered broker or dealer shall annually file with the Commission a balance sheet and income statement certified by a registered public accounting firm, prepared on a calendar or fiscal year basis, and such other financial statements (which shall, as the Commission specifies, be certified) and information concerning its financial condition as the Commission, by

rule may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(B) Every registered broker and dealer shall annually send to its customers its certified balance sheet and such other financial statements and information concerning its financial condition as the Commission, by rule, may prescribe pursuant to subsection (a) of this section.

(C) The Commission, by rule or order, may conditionally or unconditionally exempt any registered broker or dealer, or class of such brokers or dealers, from any provision of this paragraph if the Commission determines that such exemption is consistent with the public interest and the protection of investors.

(2) The Commission, by rule, as it deems necessary or appropriate in the public interest or for the protection of investors, may prescribe the form and content of financial statements filed pursuant to this title and the accounting principles and accounting standards used in their preparation.

(f)(1) Every national securities exchange, member thereof, registered securities association, broker, dealer, municipal securities dealer, government securities broker, government securities dealer, registered transfer agent, registered clearing agency, participant therein, member of the Federal Reserve System, and bank whose deposits are insured by the Federal Deposit Insurance Corporation shall—

(B) make such inquiry with respect to information reported pursuant to this subsection as the Commission, by rule, prescribes as necessary or appropriate in the public interest or for the protection of investors, to determine whether securities in their custody or control, for which they are responsible, or in which they are effecting, clearing, or settling a transaction have been reported as missing, lost, counterfeit, or stolen.

(2) Every member of a national securities exchange, broker, dealer, registered transfer agent, and registered clearing agency, shall require that each of its partners, directors, officers, and employees be fingerprinted and shall submit such fingerprints, or cause the same to be submitted, to the Attorney General of the United States for identification and appropriate processing. The Commission, by rule, may exempt from the provisions of this paragraph upon specified terms, conditions, and periods, any class of partners, directors, officers, or employees of any such member, broker, dealer, transfer agent, or clearing agency, if the Commis-

sion finds that such action is not inconsistent with the public interest or the protection of investors. Notwithstanding any other provision of law, in providing identification and processing functions, the Attorney General shall provide the Commission and self-regulatory organizations designated by the Commission with access to all criminal history record information.

(3)(A) In order to carry out the authority under paragraph (1) above, the Commission or its designee may enter into agreement with the Attorney General to use the facilities of the National Crime Information Center ("NCIC") to receive, store, and disseminate information in regard to missing, lost, counterfeit, or stolen securities and to permit direct inquiry access to NCIC's file on such securities for the financial community.

(4) In regard to paragraphs (1), (2), and (3), above insofar as such paragraphs apply to any bank or member of the Federal Reserve System, the Commission may delegate its authority to:

(A) the Comptroller of the Currency as to national banks and banks operating under the Code of Law for the District of Columbia;

(B) the Federal Reserve Board in regard to any member of the Federal Reserve System which is not a national bank or a bank operating under the Code of Law for the District of Columbia; and

(C) the Federal Deposit Insurance Corporation for any State bank which is insured by the Federal Deposit Insurance Corporation but which is not a member of the Federal Reserve System.

(5) The Commission shall encourage the insurance industry to require their insured to report expeditiously instances of missing, lost, counterfeit, or stolen securities to the Commission or to such other person as the Commission may, by rule, designate to receive such information.

(g) Any broker, dealer, or other person extending credit who is subject to the rules and regulations prescribed by the Board of Governors of the Federal Reserve System pursuant to this title shall make such reports to the Board as it may require as necessary or appropriate to enable it to perform the functions conferred upon it by this title. If any such broker, dealer, or other person shall fail to make any such report or fail to furnish full information therein, or, if in the judgment of the Board it is otherwise necessary, such broker, dealer, or other person shall permit such inspections to be made by the Board with respect to the business operations of such broker, dealer, or other person as the Board may deem necessary to enable it to obtain the required information.

(h) RISK ASSESSMENT FOR HOLDING COMPANY SYSTEMS.—

(1) OBLIGATIONS TO OBTAIN, MAINTAIN, AND REPORT INFORMATION.—Every person who is (A) a registered broker or

dealer, or (B) a registered municipal securities dealer for which the Commission is the appropriate regulatory agency, shall obtain such information and make and keep such records as the Commission by rule prescribes concerning the registered person's policies, procedures, or systems for monitoring and controlling financial and operational risks to it resulting from the activities of any of its associated persons, other than a natural person. Such records shall describe, in the aggregate, each of the financial and securities activities conducted by, and the customary sources of capital and funding of, those of its associated persons whose business activities are reasonably likely to have a material impact on the financial or operational condition of such registered person, including its net capital, its liquidity, or its ability to conduct or finance its operations. The Commission, by rule, may require summary reports of such information to be filed with the Commission no more frequently than quarterly.

(2) **AUTHORITY TO REQUIRE ADDITIONAL INFORMATION.**—If, as a result of adverse market conditions or based on reports provided to the Commission pursuant to paragraph (1) of this subsection or other available information, the Commission reasonably concludes that it has concerns regarding the financial or operational condition of (A) any registered broker or dealer, or (B) any registered municipal securities dealer, government securities broker, or government securities dealer for which the Commission is the appropriate regulatory agency, the Commission may require the registered person to make reports concerning the financial and securities activities of any of such person's associated persons, other than a natural person, whose business activities are reasonably likely to have a material impact on the financial or operational condition of such registered person. The Commission, in requiring reports pursuant to this paragraph, shall specify the information required, the period for which it is required, the time and date on which the information must be furnished, and whether the information is to be furnished directly to the Commission or to a self-regulatory organization with primary responsibility for examining the registered person's financial and operational condition.

(3) **SPECIAL PROVISIONS WITH RESPECT TO ASSOCIATED PERSONS SUBJECT TO FEDERAL BANKING AGENCY REGULATION.**—

(A) **COOPERATION IN IMPLEMENTATION.**—In developing and implementing reporting requirements pursuant to paragraph (1) of this subsection with respect to associated persons subject to examination by or reporting requirements of a Federal banking agency, the Commission shall consult with and consider the views of each such Federal banking agency. If a Federal banking agency comments in writing on a proposed rule of the Commission under this subsection that has been published for comment, the Commission shall respond in writing to such written comment before adopting the proposed rule. The Commission shall, at the request of the Federal banking agency, publish such

comment and response in the Federal Register at the time of publishing the adopted rule.

(B) USE OF BANKING AGENCY REPORTS.—A registered broker, dealer, or municipal securities dealer shall be in compliance with any recordkeeping or reporting requirement adopted pursuant to paragraph (1) of this subsection concerning an associated person that is subject to examination by or reporting requirements of a Federal banking agency if such broker, dealer, or municipal securities dealer utilizes for such recordkeeping or reporting requirement copies of reports filed by the associated person with the Federal banking agency pursuant to section 5211 of the Revised Statutes, section 9 of the Federal Reserve Act, section 7(a) of the Federal Deposit Insurance Act, section 10(b) of the Home Owners' Loan Act, or section 8 of the Bank Holding Company Act of 1956. The Commission may, however, by rule adopted pursuant to paragraph (1), require any broker, dealer, or municipal securities dealer filing such reports with the Commission to obtain, maintain, or report supplemental information if the Commission makes an explicit finding that such supplemental information is necessary to inform the Commission regarding potential risks to such broker, dealer, or municipal securities dealer. Prior to requiring any such supplemental information, the Commission shall first request the Federal banking agency to expand its reporting requirements to include such information.

(C) PROCEDURE FOR REQUIRING ADDITIONAL INFORMATION.—Prior to making a request pursuant to paragraph (2) of this subsection for information with respect to an associated person that is subject to examination by or reporting requirements of a Federal banking agency, the Commission shall—

(i) notify such agency of the information required with respect to such associated person; and

(ii) consult with such agency to determine whether the information required is available from such agency and for other purposes, unless the Commission determines that any delay resulting from such consultation would be inconsistent with ensuring the financial and operational condition of the broker, dealer, municipal securities dealer, government securities broker, or government securities dealer or the stability or integrity of the securities markets.

(D) EXCLUSION FOR EXAMINATION REPORTS.—Nothing in this subsection shall be construed to permit the Commission to require any registered broker or dealer, or any registered municipal securities dealer, government securities broker, or government securities dealer for which the Commission is the appropriate regulatory agency, to obtain, maintain, or furnish any examination report of any Federal banking agency or any supervisory recommendations or analysis contained therein.

(E) CONFIDENTIALITY OF INFORMATION PROVIDED.—No information provided to or obtained by the Commission from any Federal banking agency pursuant to a request by the Commission under subparagraph (C) of this paragraph regarding any associated person which is subject to examination by or reporting requirements of a Federal banking agency may be disclosed to any other person (other than a self-regulatory organization), without the prior written approval of the Federal banking agency. Nothing in this subsection shall authorize the Commission to withhold information from Congress, or prevent the Commission from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States or the Commission.

(F) NOTICE TO BANKING AGENCIES CONCERNING FINANCIAL AND OPERATIONAL CONDITION CONCERNS.—The Commission shall notify the Federal banking agency of any concerns of the Commission regarding significant financial or operational risks resulting from the activities of any registered broker or dealer, or any registered municipal securities dealer, government securities broker, or government securities dealer for which the Commission is the appropriate regulatory agency, to any associated person thereof which is subject to examination by or reporting requirements of the Federal banking agency.

(G) DEFINITION.—For purposes of this paragraph, the term “Federal banking agency” shall have the same meaning as the term “appropriate Federal bank agency” in section 3(q) of the Federal Deposit Insurance Act (12 U.S.C. 1813(q)).

(4) EXEMPTIONS.—The Commission by rule or order may exempt any person or class of persons, under such terms and conditions and for such periods as the Commission shall provide in such rule or order, from the provisions of this subsection, and the rules thereunder. In granting such exemptions, the Commission shall consider, among other factors—

(A) whether information of the type required under this subsection is available from a supervisory agency (as defined in section 1101(6) of the Right to Financial Privacy Act of 1978 (12 U.S.C. 3401(6))), a State insurance commission or similar State agency, the Commodity Futures Trading Commission, or a similar foreign regulator;

(B) the primary business of any associated person;

(C) the nature and extent of domestic or foreign regulation of the associated person’s activities;

(D) the nature and extent of the registered person’s securities activities; and

(E) with respect to the registered person and its associated persons, on a consolidated basis, the amount and proportion of assets devoted to, and revenues derived from, activities in the United States securities markets.

(5) AUTHORITY TO LIMIT DISCLOSURE OF INFORMATION.— Notwithstanding any other provision of law, the Commission shall not be compelled to disclose any information required to be reported under this subsection, or any information supplied to the Commission by any domestic or foreign regulatory agency that relates to the financial or operational condition of any associated person of a registered broker, dealer, government securities broker, government securities dealer, or municipal securities dealer. Nothing in this subsection shall authorize the Commission to withhold information from Congress, or prevent the Commission from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States or the Commission. For purposes of section 552 of title 5, United States Code, this subsection shall be considered a statute described in subsection (b)(3)(B) of such section 552. In prescribing regulations to carry out the requirements of this subsection, the Commission shall designate information described in or obtained pursuant to subparagraph (B) or (C) of paragraph (3) of this subsection as confidential information for purposes of section 24(b)(2) of this title.

NATIONAL SYSTEM FOR CLEARANCE AND SETTLEMENT OF SECURITIES
TRANSACTIONS

SEC. 17A. [78q-1] (a)(1) The Congress finds that—

(A) The prompt and accurate clearance and settlement of securities transactions, including the transfer of record ownership and the safeguarding of securities and funds related thereto, are necessary for the protection of investors and persons facilitating transactions by and acting on behalf of investors.

(B) Inefficient procedures for clearance and settlement impose unnecessary costs on investors and persons facilitating transactions by and acting on behalf of investors.

(C) New data processing and communications techniques create the opportunity for more efficient, effective, and safe procedures for clearance and settlement.

(D) The linking of all clearance and settlement facilities and the development of uniform standards and procedures for clearance and settlement will reduce unnecessary costs and increase the protection of investors and persons facilitating transactions by and acting on behalf of investors.

(2)(A) The Commission is directed, therefore, having due regard for the public interest, the protection of investors, the safeguarding of securities and funds, and maintenance of fair competition among brokers and dealers, clearing agencies, and transfer agents, to use its authority under this title—

(i) to facilitate the establishment of a national system for the prompt and accurate clearance and settlement of transactions in securities (other than exempt securities); and

(ii) to facilitate the establishment of linked or coordinated facilities for clearance and settlement of transactions in securities, securities options, contracts of sale for future delivery and options thereon, and commodity options;

in accordance with the findings and to carry out the objectives set forth in paragraph (1) of this subsection.

(B) The Commission shall use its authority under this title to assure equal regulation under this title of registered clearing agencies and registered transfer agents. In carrying out its responsibilities set forth in subparagraph (A)(ii) of this paragraph, the Commission shall coordinate with the Commodity Futures Trading Commission and consult with the Board of Governors of the Federal Reserve System.

(b)(1) Except as otherwise provided in this section, it shall be unlawful for any clearing agency, unless registered in accordance with this subsection, directly or indirectly, to make use of the mails or any means or instrumentality of interstate commerce to perform the functions of a clearing agency with respect to any security (other than an exempted security). The Commission, by rule or order, upon its own motion or upon application, may conditionally or unconditionally exempt any clearing agency or security or any class of clearing agencies or securities from any provisions of this section or the rules or regulations thereunder, if the Commission finds that such exemption is consistent with the public interest, the protection of investors, and the purposes of this section, including the prompt and accurate clearance and settlement of securities transactions and the safeguarding of securities and funds. A clearing agency or transfer agent shall not perform the functions of both a clearing agency and a transfer agent unless such clearing agency or transfer agent is registered in accordance with this subsection and subsection (c) of this section.

(2) A clearing agency may be registered under the terms and conditions hereinafter provided in this subsection and in accordance with the provisions of section 19(a) of this title, by filing with the Commission an application for registration in such form as the Commission, by rule, may prescribe containing the rules of the clearing agency and such other information and documents as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the prompt and accurate clearance and settlement of securities transactions.

(3) A clearing agency shall not be registered unless the Commission determines that—

(A) Such clearing agency is so organized and has the capacity to be able to facilitate the prompt and accurate clearance and settlement of securities transactions and derivative agreements, contracts, and transactions for which it is responsible, to safeguard securities and funds in its custody or control or for which it is responsible, to comply with the provisions of this title and the rules and regulations thereunder, to enforce (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) compliance by its participants with the rules of the clearing agency, and to carry out the purposes of this section.

(B) Subject to the provisions of paragraph (4) of this subsection, the rules of the clearing agency provide that any (i) registered broker or dealer, (ii) other registered clearing agency, (iii) registered investment company, (iv) bank, (v) insurance company, or (vi) other person or class of persons as

the Commission, by rule, may from time to time designate as appropriate to the development of a national system or the prompt and accurate clearance and settlement of securities transactions may become a participant in such clearing agency.

(C) The rules of the clearing agency assure a fair representation of its shareholders (or members) and participants in the selection of its directors and administration of its affairs. (The Commission may determine that the representation of participants is fair if they are afforded a reasonable opportunity to acquire voting stock of the clearing agency, directly or indirectly, in reasonable proportion to their use of such clearing agency.)

(D) The rules of the clearing agency provide for the equitable allocation of reasonable dues, fees, and other charges among its participants.

(E) The rules of the clearing agency do not impose any schedule of prices, or fix rates or other fees, for services rendered by its participants.

(F) The rules of the clearing agency are designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible, to foster cooperation and coordination with persons engaged in the clearance and settlement of securities transactions, to remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions, and, in general, to protect investors and the public interest; and are not designed to permit unfair discrimination in the admission of participants or among participants in the use of the clearing agency, or to regulate by virtue of any authority conferred by this title matters not related to the purposes of this section or the administration of the clearing agency.

(G) The rules of the clearing agency provide that (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) its participants shall be appropriately disciplined for violation of any provision of the rules of the clearing agency by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, or any other fitting sanction.

(H) The rules of the clearing agency are in accordance with the provisions of paragraph (5) of this subsection, and, in general, provide a fair procedure with respect to the disciplining of participants, the denial of participation to any persons seeking participation therein, and the prohibition or limitation by the clearing agency of any person with respect to access to services offered by the clearing agency.

(I) The rules of the clearing agency do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(4)(A) A registered clearing agency may, and in cases in which the Commission, by order, directs as appropriate in the public in-

terest shall, deny participation to any person subject to a statutory disqualification. A registered clearing agency shall file notice with the Commission not less than thirty days prior to admitting any person to participation, if the clearing agency knew, or in the exercise of reasonable care should have known, that such person was subject to a statutory disqualification. The notice shall be in such form and contain such information as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(B) A registered clearing agency may deny participation to, or condition the participation of, any person if such person does not meet such standards of financial responsibility, operational capability, experience, and competence as are prescribed by the rules of the clearing agency. A registered clearing agency may examine and verify the qualifications of an applicant to be a participant in accordance with procedures established by the rules of the clearing agency.

(5)(A) In any proceeding by a registered clearing agency to determine whether a participant should be disciplined (other than a summary proceeding pursuant to subparagraph (C) of this paragraph), the clearing agency shall bring specific charges, notify such participant of, and give him an opportunity to defend against such charges, and keep a record. A determination by the clearing agency to impose a disciplinary sanction shall be supported by a statement setting forth—

(i) any act or practice in which such participant has been found to have engaged, or which such participant has been found to have omitted;

(ii) the specific provisions of the rules of the clearing agency which any such act or practice, or omission to act, is deemed to violate; and

(iii) the sanction imposed and the reasons therefor.

(B) In any proceeding by a registered clearing agency to determine whether a person shall be denied participation or prohibited or limited with respect to access to services offered by the clearing agency, the clearing agency shall notify such person of, and give him an opportunity to be heard upon, the specific grounds for denial or prohibition or limitation under consideration and keep a record. A determination by the clearing agency to deny participation or prohibit or limit a person with respect to access to services offered by the clearing agency shall be supported by a statement setting forth the specific grounds on which the denial or prohibition or limitation is based.

(C) A registered clearing agency may summarily suspend and close the accounts of a participant who (i) has been and is expelled or suspended from any self-regulatory organization, (ii) is in default of any delivery of funds or securities to the clearing agency, or (iii) is in such financial or operating difficulty that the clearing agency determines and so notifies the appropriate regulatory agency for such participant that such suspension and closing of accounts are necessary for the protection of the clearing agency, its participants, creditors, or investors. A participant so summarily suspended shall be promptly afforded an opportunity for a hearing by the clearing agency in accordance with the provisions of subparagraph (A) of

this paragraph. The appropriate regulatory agency for such participant, by order, may stay any such summary suspension on its own motion or upon application by any person aggrieved thereby, if such appropriate regulatory agency determines summarily or after notice and opportunity for hearing (which hearing may consist solely of the submission of affidavits or presentation of oral arguments) that such stay is consistent with the public interest and protection of investors.

(6) No registered clearing agency shall prohibit or limit access by any person to services offered by any participant therein.

(7)(A) A clearing agency that is regulated directly or indirectly by the Commodity Futures Trading Commission through its association with a designated contract market for security futures products that is a national securities exchange registered pursuant to section 6(g), and that would be required to register pursuant to paragraph (1) of this subsection only because it performs the functions of a clearing agency with respect to security futures products effected pursuant to the rules of the designated contract market with which such agency is associated, is exempted from the provisions of this section and the rules and regulations thereunder, except that if such a clearing agency performs the functions of a clearing agency with respect to a security futures product that is not cash settled, it must have arrangements in place with a registered clearing agency to effect the payment and delivery of the securities underlying the security futures product.

(B) Any clearing agency that performs the functions of a clearing agency with respect to security futures products must coordinate with and develop fair and reasonable links with any and all other clearing agencies that perform the functions of a clearing agency with respect to security futures products, in order to permit, as of the compliance date (as defined in section 6(h)(6)(C)), security futures products to be purchased on one market and offset on another market that trades such products.

(8) A registered clearing agency shall be permitted to provide facilities for the clearance and settlement of any derivative agreements, contracts, or transactions that are excluded from the Commodity Exchange Act, subject to the requirements of this section and to such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this title.

(c)(1) Except as otherwise provided in this section, it shall be unlawful for any transfer agent, unless registered in accordance with this section, directly or indirectly, to make use of the mails or any means or instrumentality of interstate commerce to perform the function of a transfer agent with respect to any security registered under section 12 of this title or which would be required to be registered except for the exemption from registration provided by subsection (g)(2)(B) or (g)(2)(G) of that section. The appropriate regulatory agency, by rule or order, upon its own motion or upon application, may conditionally or unconditionally exempt any person or security or class of persons or securities from any provision of this section or any rule or regulation prescribed under this section, if the appropriate regulatory agency finds (A) that such

exemption is in the public interest and consistent with the protection of investors and the purposes of this section, including the prompt and accurate clearance and settlement of securities transactions and the safeguarding of securities and funds, and (B) the Commission does not object to such exemption.

(2) A transfer agent may be registered by filing with the appropriate regulatory agency for such transfer agent an application for registration in such form and containing such information and documents concerning such transfer agent and any persons associated with the transfer agent as such appropriate regulatory agency may prescribe as necessary or appropriate in furtherance of the purposes of this section. Except as hereinafter provided, such registration shall become effective 45 days after receipt of such application by such appropriate regulatory agency or within such shorter period of time as such appropriate regulatory agency may determine.

(3) The appropriate regulatory agency for a transfer agent, by order, shall deny registration to, censure, place limitations on the activities, functions, or operations of, suspend for a period not exceeding 12 months, or revoke the registration of such transfer agent, if such appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such denial, censure, placing of limitations, suspension, or revocation is in the public interest and that such transfer agent, whether prior or subsequent to becoming such, or any person associated with such transfer agent, whether prior or subsequent to becoming so associated—

(A) has committed or omitted any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), (E), (H), or (G) of paragraph (4) of section 15(b) of this title, has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within ten years of the commencement of the proceedings under this paragraph, or is enjoined from any action, conduct, or practice specified in subparagraph (C) of such paragraph (4); or

(B) is subject to an order entered pursuant to subparagraph (C) of paragraph (4) of this subsection barring or suspending the right of such person to be associated with a transfer agent.

(4)(A) Pending final determination whether any registration by a transfer agent under this subsection shall be denied, the appropriate regulatory agency for such transfer agent, by order, may postpone the effective date of such registration for a period not to exceed fifteen days, but if, after notice and opportunity for hearing (which may consist solely of affidavits and oral arguments), it shall appear to such appropriate regulatory agency to be necessary or appropriate in the public interest or for the protection of investors to postpone the effective date of such registration until final determination, such appropriate regulatory agency shall so order. Pending final determination whether any registration under this subsection shall be revoked, such appropriate regulatory agency, by order, may suspend such registration, if such suspension appears to such appropriate regulatory agency, after notice and opportunity for hearing, to be necessary or appropriate in the public interest or for the protection of investors.

(B) A registered transfer agent may, upon such terms and conditions as the appropriate regulatory agency for such transfer agent deems necessary or appropriate in the public interest, for the protection of investors, or in furtherance of the purposes of this section, withdraw from registration by filing a written notice of withdrawal with such appropriate regulatory agency. If such appropriate regulatory agency finds that any transfer agent for which it is the appropriate regulatory agency, is no longer in existence or has ceased to do business as a transfer agent, such appropriate regulatory agency, by order, shall cancel or deny the registration.

(C) The appropriate regulatory agency for a transfer agent, by order, shall censure or place limitations on the activities or functions of any person associated, seeking to become associated, or, at the time of the alleged misconduct, associated or seeking to become associated with the transfer agent, or suspend for a period not exceeding twelve months or bar any such person from being associated with the transfer agent, if the appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or bar is in the public interest and that such person has committed or omitted any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), (E), (H), or (G) or paragraph (4) of section 15(b) of this title, has been convicted of any offense specified in subparagraph (B) of such paragraph (4) within ten years of the commencement of the proceedings under this paragraph, or is enjoined from any action, conduct, or practice specified in subparagraph (C) of such paragraph (4). It shall be unlawful for any person as to whom such an order suspending or barring him from being associated with a transfer agent is in effect willfully to become, or to be, associated with a transfer agent without the consent of the appropriate regulatory agency that entered the order and the appropriate regulatory agency for that transfer agent. It shall be unlawful for any transfer agent to permit such a person to become, or remain, a person associated with it without the consent of such appropriate regulatory agencies, if the transfer agent knew, or in the exercise of reasonable care should have known, of such order. The Commission may establish, by rule, procedures by which a transfer agent reasonably can determine whether a person associated or seeking to become associated with it is subject to any such order, and may require, by rule, that any transfer agent comply with such procedures.

(d)(1) No registered clearing agency or registered transfer agent shall, directly or indirectly, engage in any activity as clearing agency or transfer agent in contravention of such rules and regulations (A) as the Commission may prescribe as necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this title, or (B) as the appropriate regulatory agency for such clearing agency or transfer agent may prescribe as necessary or appropriate for the safeguarding of securities and funds.

(2) With respect to any clearing agency or transfer agent for which the Commission is not the appropriate regulatory agency, the appropriate regulatory agency for such clearing agency or transfer agent may, in accordance with section 8 of the Federal De-

posit Insurance Act (12 U.S.C. 1818), enforce compliance by such clearing agency or transfer agent with the provisions of this section, sections 17 and 19 of this title, and the rules and regulations thereunder. For purposes of the preceding sentence, any violation of any such provision shall constitute adequate basis for the issuance of an order under section 8(b) or 8(c) of the Federal Deposit Insurance Act, and the participants in any such clearing agency and the persons doing business with any such transfer agent shall be deemed to be “depositors” as that term is used in section 8(c) of that Act.

(3)(A) With respect to any clearing agency or transfer agent for which the Commission is not the appropriate regulatory agency, the Commission and the appropriate regulatory agency for such clearing agency or transfer agent shall consult and cooperate with each other, and, as may be appropriate, with State banking authorities having supervision over such clearing agency or transfer agent toward the end that, to the maximum extent practicable, their respective regulatory responsibilities may be fulfilled and the rules and regulations applicable to such clearing agency or transfer agent may be in accord with both sound banking practices and a national system for the prompt and accurate clearance and settlement of securities transactions. In accordance with this objective—

(i) the Commission and such appropriate regulatory agency shall, at least fifteen days prior to the issuance for public comment of any proposed rule or regulation or adoption of any rule or regulation concerning such clearing agency or transfer agent, consult and request the views of the other; and

(ii) such appropriate regulatory agency shall assume primary responsibility to examine and enforce compliance by such clearing agency or transfer agent with the provisions of this section and sections 17 and 19 of this title.

(B) Nothing in the preceding subparagraph or elsewhere in this title shall be construed to impair or limit (other than by the requirement of notification) the Commission’s authority to make rules under any provision of this title or to enforce compliance pursuant to any provision of this title by any clearing agency, transfer agent, or person associated with a transfer agent with the provisions of this title and the rules and regulations thereunder.

(4) Nothing in this section shall be construed to impair the authority of any State banking authority or other State or Federal regulatory authority having jurisdiction over a person registered as a clearing agency, transfer agent, or person associated with a transfer agent, to make and enforce rules governing such person which are not inconsistent with this title and the rules and regulations thereunder.

(5) A registered transfer agent may not, directly or indirectly, engage in any activity in connection with the guarantee of a signature of an endorser of a security, including the acceptance or rejection of such guarantee, in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest, for the protection of investors, to facilitate the equitable treatment of financial institutions which issue such guarantees, or otherwise in furtherance of the purposes of this title.

(e) The Commission shall use its authority under this title to end the physical movement of securities certificates in connection with the settlement among brokers and dealers of transactions in securities consummated by means of the mails or any means or instrumentalities of interstate commerce.

(f)(1) Notwithstanding any provision of State law, except as provided in paragraph (3), if the Commission makes each of the findings described in paragraph (2)(A), the Commission may adopt rules concerning—

(A) the transfer of certificated or uncertificated securities (other than government securities issued pursuant to chapter 31 of title 31, United States Code, or securities otherwise processed within a book-entry system operated by the Federal Reserve banks pursuant to a Federal book-entry regulation) or limited interests (including security interests) therein; and

(B) rights and obligations of purchasers, sellers, owners, lenders, borrowers, and financial intermediaries (including brokers, dealers, banks, and clearing agencies) involved in or affected by such transfers, and the rights of third parties whose interests in such securities devolve from such transfers.

(2)(A) The findings described in this paragraph are findings by the Commission that—

(i) such rule is necessary or appropriate for the protection of investors or in the public interest and is reasonably designed to promote the prompt, accurate, and safe clearance and settlement of securities transactions;

(ii) in the absence of a uniform rule, the safe and efficient operation of the national system for clearance and settlement of securities transactions will be, or is, substantially impeded; and

(iii) to the extent such rule will impair or diminish, directly or indirectly, rights of persons specified in paragraph (1)(B) under State law concerning transfers of securities (or limited interests therein), the benefits of such rule outweigh such impairment or diminution of rights.

(B) In making the findings described in subparagraph (A), the Commission shall give consideration to the recommendations of the Advisory Committee established under paragraph (4), and it shall consult with and consider the views of the Secretary of the Treasury and the Board of Governors of the Federal Reserve System. If the Secretary of the Treasury objects, in writing, to any proposed rule of the Commission on the basis of the Secretary's view on the issues described in clauses (i), (ii), and (iii) of subparagraph (A), the Commission shall consider all feasible alternatives to the proposed rule, and it shall not adopt any such rule unless the Commission makes an explicit finding that the rule is the most practicable method for achieving safe and efficient operation of the national clearance and settlement system.

(3) Any State may, prior to the expiration of 2 years after the Commission adopts a rule under this subsection, enact a statute that specifically refers to this subsection and the specific rule thereunder and establishes, prospectively from the date of enactment of the State statute, a provision that differs from that applicable under the Commission's rule.

(4)(A) Within 90 days after the date of enactment of this subsection, the Commission shall (and at such times thereafter as the Commission may determine, the Commission may), after consultation with the Secretary of the Treasury and the Board of Governors of the Federal Reserve System, establish an advisory committee under the Federal Advisory Committee Act (5 U.S.C. App.). The Advisory Committee shall be directed to consider and report to the Commission on such matters as the Commission, after consultation with the Secretary of the Treasury and the Board of Governors of the Federal Reserve System, determines, including the areas, if any, in which State commercial laws and related Federal laws concerning the transfer of certificated or uncertificated securities, limited interests (including security interests) in such securities, or the creation or perfection of security interests in such securities do not provide the necessary certainty, uniformity, and clarity for purchasers, sellers, owners, lenders, borrowers, and financial intermediaries concerning their respective rights and obligations.

(B) The Advisory Committee shall consist of 15 members, of which—

(i) 11 shall be designated by the Commission in accordance with the Federal Advisory Committee Act; and

(ii) 2 each shall be designated by the Board of Governors of the Federal Reserve System and the Secretary of the Treasury.

(C) The Advisory Committee shall conduct its activities in accordance with the Federal Advisory Committee Act. Within 6 months of its designation, or such longer time as the Commission may designate, the Advisory Committee shall issue a report to the Commission, and shall cause copies of that report to be delivered to the Secretary of the Treasury and the Chairman of the Board of Governors of the Federal Reserve System.

AUTOMATED QUOTATION SYSTEMS FOR PENNY STOCKS

SEC. 17B. [78q-2] (a) FINDINGS.—The Congress finds that—

(1) the market for penny stocks suffers from a lack of reliable and accurate quotation and last sale information available to investors and regulators;

(2) it is in the public interest and appropriate for the protection of investors and the maintenance of fair and orderly markets to improve significantly the information available to brokers, dealers, investors, and regulators with respect to quotations for and transactions in penny stocks; and

(3) a fully implemented automated quotation system for penny stocks would meet the information needs of investors and market participants and would add visibility and regulatory and surveillance data to that market.

(b) MANDATE TO FACILITATE THE ESTABLISHMENT OF AUTOMATED QUOTATION SYSTEMS.—

(1) IN GENERAL.—The Commission shall facilitate the widespread dissemination of reliable and accurate last sale and quotation information with respect to penny stocks in accordance with the findings set forth in subsection (a), with a view toward establishing, at the earliest feasible time, one or more

automated quotation systems that will collect and disseminate information regarding all penny stocks.

(2) CHARACTERISTICS OF SYSTEMS.—Each such automated quotation system shall—

(A) be operated by a registered securities association or a national securities exchange in accordance with such rules as the Commission and these entities shall prescribe;

(B) collect and disseminate quotation and transaction information;

(C) except as provided in subsection (c), provide bid and ask quotations of participating brokers or dealers, or comparably accurate and reliable pricing information, which shall constitute firm bids or offers for at least such minimum numbers of shares or minimum dollar amounts as the Commission and the registered securities association or national securities exchange shall require; and

(D) provide for the reporting of the volume of penny stock transactions, including last sale reporting, when the volume reaches appropriate levels that the Commission shall specify by rule or order.

(c) EXEMPTIVE AUTHORITY.—The Commission may, by rule or order, grant such exemptions, in whole or in part, conditionally or unconditionally, to any penny stock or class of penny stocks from the requirements of subsection (b) as the Commission determines to be consistent with the public interest, the protection of investors, and the maintenance of fair and orderly markets.

(d) COMMISSION REPORTING REQUIREMENTS.—The Commission shall, in each of the first 5 annual reports (under section 23(b)(1) of this title) submitted more than 12 months after the date of enactment of this section, include a description of the status of the penny stock automated quotation system or systems required by subsection (b). Such description shall include—

(1) a review of the development, implementation, and progress of the project, including achievement of significant milestones and current project schedule; and

(2) a review of the activities of registered securities associations and national securities exchanges in the development of the system.

LIABILITY FOR MISLEADING STATEMENTS

SEC. 18. [78r] (a) Any person who shall make or cause to be made any statement in any application, report, or document filed pursuant to this title or any rule or regulation thereunder or any undertaking contained in a registration statement as provided in subsection (d) of section 15 of this title, which statement was at the time and in the light of the circumstances under which it was made false or misleading with respect to any material fact, shall be liable to any person (not knowing that such statement was false or misleading) who, in reliance upon such statement shall have purchased or sold a security at a price which was affected by such statement, for damages caused by such reliance, unless the person sued shall prove that he acted in good faith and had no knowledge that such statement was false or misleading. A person seeking to enforce such liability may sue at law or in equity in any court of

competent jurisdiction. In any such suit the court may, in its discretion, require an undertaking for the payment of the costs of such suit, and assess reasonable costs, including reasonable attorneys' fees, against either party litigant.

(b) Every person who becomes liable to make payment under this section may recover contribution as in cases of contract from any person who, if joined in the original suit, would have been liable to make the same payment.

(c) No action shall be maintained to enforce any liability created under this section unless brought within one year after the discovery of the facts constituting the cause of action and within three years after such cause of action accrued.

REGISTRATION, RESPONSIBILITIES, AND OVERSIGHT OF SELF-REGULATORY ORGANIZATIONS

SEC. 19. [78s] (a)(1) The Commission shall, upon the filing of an application for registration as a national securities exchange, registered securities association, or registered clearing agency, pursuant to section 6, 15A, or 17A of this title, respectively, publish notice of such filing and afford interested persons an opportunity to submit written data, views, and arguments concerning such application. Within ninety days of the date of publication of such notice (or within such longer period as to which the applicant consents), the Commission shall—

(A) by order grant such registration, or

(B) institute proceedings to determine whether registration should be denied. Such proceedings shall include notice of the grounds for denial under consideration and opportunity for hearing and shall be concluded within one hundred eighty days of the date of a publication of notice of the filing of the application for registration. At the conclusion of such proceedings the Commission, by order, shall grant or deny such registration. The Commission may extend the time for conclusion of such proceedings for up to ninety days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the applicant consents.

The Commission shall grant such registration if it finds that the requirements of this title and the rules and regulations thereunder with respect to the applicant are satisfied. The Commission shall deny such registration if it does not make such finding.

(2) With respect to an application for registration filed by a clearing agency for which the Commission is not the appropriate regulatory agency—

(A) The Commission shall not grant registration prior to the sixtieth day after the date of publication of notice of the filing of such application unless the appropriate regulatory agency for such clearing agency has notified the Commission of such appropriate regulatory agency's determination that such clearing agency is so organized and has the capacity to be able to safeguard securities and funds in its custody or control or for which it is responsible and that the rules of such clearing agency are designed to assure the safeguarding of such securities and funds.

(B) The Commission shall institute proceedings in accordance with paragraph (1)(B) of this subsection to determine whether registration should be denied if the appropriate regulatory agency for such clearing agency notifies the Commission within sixty days of the date of publication of notice of the filing of such application of such appropriate regulatory agency's (i) determination that such clearing agency may not be so organized or have the capacity to be able to safeguard securities or funds in its custody or control or for which it is responsible or that the rules of such clearing agency may not be designed to assure the safeguarding of such securities and funds and (ii) reasons for such determination.

(C) The Commission shall deny registration if the appropriate regulatory agency for such clearing agency notifies the Commission prior to the conclusion of proceedings instituted in accordance with paragraph (1)(B) of this subsection of such appropriate regulatory agency's (i) determination that such clearing agency is not so organized or does not have the capacity to be able to safeguard securities or funds in its custody or control or for which it is responsible or that the rules of such clearing agency are not designed to assure the safeguarding of such securities or funds and (ii) reasons for such determination.

(3) A self-regulatory organization may, upon such terms and conditions as the Commission, by rule, deems necessary or appropriate in the public interest or for the protection of investors, withdraw from registration by filing a written notice of withdrawal with the Commission. If the Commission finds that any self-regulatory organization is no longer in existence or has ceased to do business in the capacity specified in its application for registration, the Commission, by order, shall cancel its registration. Upon the withdrawal of a national securities association from registration or the cancellation, suspension, or revocation of the registration of a national securities association, the registration of any association affiliated therewith shall automatically terminate.

(b)(1)¹ Each self-regulatory organization shall file with the Commission, in accordance with such rules as the Commission may prescribe, copies of any proposed rule or any proposed change in, addition to, or deletion from the rules of such self-regulatory organization (hereinafter in this subsection collectively referred to as a "proposed rule change") accompanied by a concise general statement of the basis and purpose of such proposed rule change. The Commission shall, upon the filing of any proposed rule change, publish notice thereof together with the terms of substance of the proposed rule change or a description of the subjects and issues involved. The Commission shall give interested persons an opportunity to submit written data, views, and arguments concerning such proposed rule change. No proposed rule change shall take effect unless approved by the Commission or otherwise permitted in accordance with the provisions of this subsection.

¹For applicability of this provision to the Public Company Accounting Oversight Board, see section 107 of the Sarbanes-Oxley Act of 2002, printed elsewhere in this volume.

(2) Within thirty-five days of the date of publication of notice of the filing of a proposed rule change in accordance with paragraph (1) of this subsection, or within such longer period as the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall—

(A) by order approve such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved. Such proceedings shall include notice of the grounds for disapproval under consideration and opportunity for hearing and be concluded within one hundred eighty days of the date of publication of notice of the filing of the proposed rule change. At the conclusion of such proceedings the Commission, by order, shall approve or disapprove such proposed rule change. The Commission may extend the time for conclusion of such proceedings for up to sixty days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the self-regulatory organization consents.

The Commission shall approve a proposed rule change of a self-regulatory organization if it finds that such proposed rule change is consistent with the requirements of this title and the rules and regulations thereunder applicable to such organization. The Commission shall disapprove a proposed rule change of a self-regulatory organization if it does not make such finding. The Commission shall not approve any proposed rule change prior to the thirtieth day after the date of publication of notice of the filing thereof, unless the Commission finds good cause for so doing and publishes its reasons for so finding.

(3)(A)¹ Notwithstanding the provisions of paragraph (2) of this subsection, a proposed rule change may take effect upon filing with the Commission if designated by the self-regulatory organization as (i) constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule of the self-regulatory organization, (ii) establishing or changing a due, fee, or other charged imposed by the self-regulatory organization, or (iii) concerned solely with the administration of the self-regulatory organization or other matters which the Commission, by rule, consistent with the public interest and the purposes of this subsection, may specify as without the provisions of such paragraph (2).

(B) Notwithstanding any other provision of this subsection, a proposed rule change may be put into effect summarily if it appears to the Commission that such action is necessary for the protection of investors, the maintenance of fair and orderly markets, or the safeguarding of securities or funds. Any proposed rule change so put into effect shall be filed promptly thereafter in accordance with the provisions of paragraph (1) of this subsection.

(C) Any proposed rule change of a self-regulatory organization which has taken effect pursuant to subparagraph (A) or (B) of this paragraph may be enforced by such organization to the extent it is not inconsistent with the provisions of this title, the rules and regulations thereunder, and applicable Federal and State law. At any

time within sixty days of the date of filing of such a proposed rule change in accordance with the provisions of paragraph (1) of this subsection, the Commission summarily may abrogate the change in the rules of the self-regulatory organization made thereby and require that the proposed rule change be refiled in accordance with the provisions of paragraph (1) of this subsection and reviewed in accordance with the provisions of paragraph (2) of this subsection, if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this title. Commission action pursuant to the preceding sentence shall not affect the validity or force of the rule change during the period it was in effect and shall not be reviewable under section 25 of this title, nor deemed to be "final agency action" for purposes of section 704 of title 5, United States Code.

(4) With respect to a proposed rule changed filed by a registered clearing agency for which the Commission is not the appropriate regulatory agency—

(A) The Commission shall not approve any such proposed rule change prior to the thirtieth day after the date of publication of notice of the filing thereof unless the appropriate regulatory agency for such clearing agency has notified the Commission of such appropriate regulatory agency's determination that the proposed rule change is consistent with the safeguarding of securities and funds in the custody or control of such clearing agency or for which it is responsible.

(B) The Commission shall institute proceedings in accordance with paragraph (2)(B) of this subsection to determine whether any such proposed rule change should be disapproved, if the appropriate regulatory agency for such clearing agency notifies the Commission within thirty days of the date of publication of notice of the filing of the proposed rule change of such appropriate regulatory agency's (i) determination that the proposed rule change may be inconsistent with the safeguarding of securities or funds in the custody or control of such clearing agency or for which it is responsible and (ii) reasons for such determination.

(C) The Commission shall disapprove any such proposed rule change if the appropriate regulatory agency for such clearing agency notifies the Commission prior to the conclusion of proceedings instituted in accordance with paragraph (2)(B) of this subsection of such appropriate regulatory agency's (i) determination that the proposed rule change is inconsistent with the safeguarding of securities or funds in the custody or control of such clearing agency or for which it is responsible and (ii) reasons for such determination.

(D) The Commission shall abrogate any change in the rules of such a clearing agency made by a proposed rule change which has taken effect pursuant to paragraph (3) of this subsection, require that the proposed rule change be refiled in accordance with the provisions of paragraph (1) of this subsection, and reviewed in accordance with the provisions of paragraph (2) of this subsection, if the appropriate regulatory agency for such clearing agency notifies the Commission

within thirty days of the date of filing of such proposed rule change of such appropriate regulatory agency's (i) determination that the rules of such clearing agency as so changed may be inconsistent with the safeguarding of securities or funds in the custody or control of such clearing agency or for which it is responsible and (ii) reasons for such determination.

(5) The Commission shall consult with and consider the views of the Secretary of the Treasury prior to approving a proposed rule filed by a registered securities association that primarily concerns conduct related to transactions in government securities, except where the Commission determines that an emergency exists requiring expeditious or summary action and publishes its reasons therefor. If the Secretary of the Treasury comments in writing to the Commission on a proposed rule that has been published for comment, the Commission shall respond in writing to such written comment before approving the proposed rule. If the Secretary of the Treasury determines, and notifies the Commission, that such rule, if implemented, would, or as applied does (i) adversely affect the liquidity or efficiency of the market for government securities; or (ii) impose any burden on competition not necessary or appropriate in furtherance of the purposes of this section, the Commission shall, prior to adopting the proposed rule, find that such rule is necessary and appropriate in furtherance of the purposes of this section notwithstanding the Secretary's determination.

(6) In approving rules described in paragraph (5), the Commission shall consider the sufficiency and appropriateness of then existing laws and rules applicable to government securities brokers, government securities dealers, and persons associated with government securities brokers and government securities dealers.

(7)¹ SECURITY FUTURES PRODUCT RULE CHANGES.—

(A) FILING REQUIRED.—A self-regulatory organization that is an exchange registered with the Commission pursuant to section 6(g) of this title or that is a national securities association registered pursuant to section 15A(k) of this title shall file with the Commission, in accordance with such rules as the Commission may prescribe, copies of any proposed rule change or any proposed change in, addition to, or deletion from the rules of such self-regulatory organization (hereinafter in this paragraph collectively referred to as a "proposed rule change") that relates to higher margin levels, fraud or manipulation, record-keeping, reporting, listing standards, or decimal pricing for security futures products, sales practices for security futures products for persons who effect transactions in security futures products, or rules effectuating such self-regulatory organization's obligation to enforce the securities laws. Such proposed rule change shall be accompanied by a concise general statement of the basis and purpose of such proposed rule change. The Commission shall, upon the filing of any proposed rule change, promptly publish notice thereof together with the terms of substance of the proposed rule change or a description of the subjects and

issues involved. The Commission shall give interested persons an opportunity to submit data, views, and arguments concerning such proposed rule change.

(B) FILING WITH CFTC.—A proposed rule change filed with the Commission pursuant to subparagraph (A) shall be filed concurrently with the Commodity Futures Trading Commission. Such proposed rule change may take effect upon filing of a written certification with the Commodity Futures Trading Commission under section 5c(c) of the Commodity Exchange Act, upon a determination by the Commodity Futures Trading Commission that review of the proposed rule change is not necessary, or upon approval of the proposed rule change by the Commodity Futures Trading Commission.

(C) ABROGATION OF RULE CHANGES.—Any proposed rule change of a self-regulatory organization that has taken effect pursuant to subparagraph (B) may be enforced by such self-regulatory organization to the extent such rule is not inconsistent with the provisions of this title, the rules and regulations thereunder, and applicable Federal law. At any time within 60 days of the date of the filing of a written certification with the Commodity Futures Trading Commission under section 5c(c) of the Commodity Exchange Act, the date the Commodity Futures Trading Commission determines that review of such proposed rule change is not necessary, or the date the Commodity Futures Trading Commission approves such proposed rule change, the Commission, after consultation with the Commodity Futures Trading Commission, may summarily abrogate the proposed rule change and require that the proposed rule change be refiled in accordance with the provisions of paragraph (1), if it appears to the Commission that such proposed rule change unduly burdens competition or efficiency, conflicts with the securities laws, or is inconsistent with the public interest and the protection of investors. Commission action pursuant to the preceding sentence shall not affect the validity or force of the rule change during the period it was in effect and shall not be reviewable under section 25 of this title nor deemed to be a final agency action for purposes of section 704 of title 5, United States Code.

(D) REVIEW OF RESUBMITTED ABROGATED RULES.—

(i) PROCEEDINGS.—Within 35 days of the date of publication of notice of the filing of a proposed rule change that is abrogated in accordance with subparagraph (C) and refiled in accordance with paragraph (1), or within such longer period as the Commission may designate up to 90 days after such date if the Commission finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall—

(I) by order approve such proposed rule change; or

(II) after consultation with the Commodity Futures Trading Commission, institute proceedings to determine whether the proposed rule change should be disapproved. Proceedings under subclause (II) shall include notice of the grounds for disapproval under consideration and opportunity for hearing and be concluded within 180 days after the date of publication of notice of the filing of the proposed rule change. At the conclusion of such proceedings, the Commission, by order, shall approve or disapprove such proposed rule change. The Commission may extend the time for conclusion of such proceedings for up to 60 days if the Commission finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the self-regulatory organization consents.

(ii) GROUNDS FOR APPROVAL.—The Commission shall approve a proposed rule change of a self-regulatory organization under this subparagraph if the Commission finds that such proposed rule change does not unduly burden competition or efficiency, does not conflict with the securities laws, and is not inconsistent with the public interest or the protection of investors. The Commission shall disapprove such a proposed rule change of a self-regulatory organization if it does not make such finding. The Commission shall not approve any proposed rule change prior to the 30th day after the date of publication of notice of the filing thereof, unless the Commission finds good cause for so doing and publishes its reasons for so finding.

(8) DECIMAL PRICING.—Not later than 9 months after the date on which trading in any security futures product commences under this title, all self-regulatory organizations listing or trading security futures products shall file proposed rule changes necessary to implement decimal pricing of security futures products. The Commission may not require such rules to contain equal minimum increments in such decimal pricing.

(9) CONSULTATION WITH CFTC.—

(A) CONSULTATION REQUIRED.—The Commission shall consult with and consider the views of the Commodity Futures Trading Commission prior to approving or disapproving a proposed rule change filed by a national securities association registered pursuant to section 15A(a) or a national securities exchange subject to the provisions of subsection (a) that primarily concerns conduct related to transactions in security futures products, except where the Commission determines that an emergency exists requiring expeditious or summary action and publishes its reasons therefor.

(B) RESPONSES TO CFTC COMMENTS AND FINDINGS.—If the Commodity Futures Trading Commission comments in writing to the Commission on a proposed rule that has

been published for comment, the Commission shall respond in writing to such written comment before approving or disapproving the proposed rule. If the Commodity Futures Trading Commission determines, and notifies the Commission, that such rule, if implemented or as applied, would—

(i) adversely affect the liquidity or efficiency of the market for security futures products; or

(ii) impose any burden on competition not necessary or appropriate in furtherance of the purposes of this section,

the Commission shall, prior to approving or disapproving the proposed rule, find that such rule is necessary and appropriate in furtherance of the purposes of this section notwithstanding the Commodity Futures Trading Commission's determination.

(c)¹ The Commission, by rule, may abrogate, add to, and delete from (hereinafter in this subsection collectively referred to as "amend") the rules of a self-regulatory organization (other than a registered clearing agency) as the Commission deems necessary or appropriate to insure the fair administration of the self-regulatory organization, to conform its rules to requirements of this title and the rules and regulations thereunder applicable to such organization, or otherwise in furtherance of the purposes of this title, in the following manner:

(1) The Commission shall notify the self-regulatory organization and publish notice of the proposed rulemaking in the Federal Register. The notice shall include the text of the proposed amendment to the rules of the self-regulatory organization and a statement of the Commission's reasons, including any pertinent facts, for commencing such proposed rulemaking.

(2) The Commission shall give interested persons an opportunity for the oral presentation of data, views, and arguments, in addition to an opportunity to make written submissions. A transcript shall be kept of any oral presentation.

(3) A rule adopted pursuant to this subsection shall incorporate the text of the amendment to the rules of the self-regulatory organization and a statement of the Commission's basis for and purpose in so amending such rules. This statement shall include an identification of any facts on which the Commission considers its determination so to amend the rules of the self-regulatory agency to be based, including the reasons for the Commission's conclusions as to any of such facts which were disputed in the rulemaking.

(4)(A) Except as provided in paragraphs (1) through (3) of this subsection, rulemaking under this subsection shall be in accordance with the procedures specified in section 553 of title 5, United States Code, for rulemaking not on the record.

(B) Nothing in this subsection shall be construed to impair or limit the Commission's power to make, or to modify or alter the procedures the Commission may follow in making, rules

and regulations pursuant to any other authority under this title.

(C) Any amendment to the rules of a self-regulatory organization made by the Commission pursuant to this subsection shall be considered for all purposes of this title to be part of the rules of such self-regulatory organization and shall not be considered to be a rule of the Commission.

(5) With respect to rules described in subsection (b)(5), the Commission shall consult with and consider the views of the Secretary of the Treasury before abrogating, adding to, and deleting from such rules, except where the Commission determines that an emergency exists requiring expeditious or summary action and publishes its reasons therefor.

(d)(1) If any self-regulatory organization imposes any final disciplinary sanction on any member thereof or participant therein, denies membership or participation to any applicant, or prohibits or limits any person in respect to access to services offered by such organization or member thereof or if any self-regulatory organization (other than a registered clearing agency) imposes any final disciplinary sanction on any person associated with a member or bars any person from becoming associated with a member, the self-regulatory organization shall promptly file notice thereof with the appropriate regulatory agency for the self-regulatory organization and (if other than the appropriate regulatory agency for the self-regulatory organization) the appropriate regulatory agency for such member, participant, applicant, or other person. The notice shall be in such form and contain such information as the appropriate regulatory agency for the self-regulatory organization, by rule, may prescribe as necessary or appropriate in furtherance of the purposes of this title.

(2)¹ Any action with respect to which a self-regulatory organization is required by paragraph (1) of this subsection to file notice shall be subject to review by the appropriate regulatory agency for such member, participant, applicant, or other person, on its own motion, or upon application by any person aggrieved thereby filed within thirty days after the date such notice was filed with such appropriate regulatory agency and received by such aggrieved person, or within such longer period as such appropriate regulatory agency may determine. Application to such appropriate regulatory agency for review, or the institution of review by such appropriate regulatory agency on its own motion, shall not operate as a stay of such action unless such appropriate regulatory agency otherwise orders, summarily or after notice and opportunity for hearing on the question of a stay (which hearing may consist solely of the submission of affidavits or presentation of oral arguments). Each appropriate regulatory agency shall establish for appropriate cases an expedited procedure for consideration and determination of the question of a stay.

(3) The provisions of this subsection shall apply to an exchange registered pursuant to section 6(g) of this title or a national securities association registered pursuant to section 15A(k) of this title

¹For applicability of this provision to the Public Company Accounting Oversight Board, see section 107 of the Sarbanes-Oxley Act of 2002, printed elsewhere in this volume.

only to the extent that such exchange or association imposes any final disciplinary sanction for—

(A) a violation of the Federal securities laws or the rules and regulations thereunder; or

(B) a violation of a rule of such exchange or association, as to which a proposed change would be required to be filed under section 19 of this title, except that, to the extent that the exchange or association rule violation relates to any account, agreement, contract, or transaction, this subsection shall apply only to the extent such violation involves a security futures product.

(e)(1)¹ In any proceeding to review a final disciplinary sanction imposed by a self-regulatory organization on a member thereof or participant therein or a person associated with such a member, after notice and opportunity for hearing (which hearing may consist solely of consideration of the record before the self-regulatory organization and opportunity for the presentation of supporting reasons to affirm, modify, or set aside the sanction)—

(A) if the appropriate regulatory agency for such member, participant, or person associated with a member finds that such member, participant, or person associated with a member has engaged in such acts or practices, or has omitted such acts, as the self-regulatory organization has found him to have engaged in or omitted, that such acts or practices, or omissions to act, are in violation of such provisions of this title, the rules or regulations thereunder, the rules of the self-regulatory organization, or, in the case of a registered securities association, the rules of the Municipal Securities Rulemaking Board as have been specified in the determination of the self-regulatory organization, and that such provisions are, and were applied in a manner, consistent with the purposes of this title, such appropriate regulatory agency, by order, shall so declare and, as appropriate, affirm the sanction imposed by the self-regulatory organization, modify the sanction in accordance with paragraph (2) of this subsection, or remand to the self-regulatory organization for further proceedings; or

(B) if such appropriate regulatory agency does not make any such finding it shall, by order, set aside the sanction imposed by the self-regulatory organization and, if appropriate, remand to the self-regulatory organization for further proceedings.

(2) If the appropriate regulatory agency for a member, participant, or person associated with a member, having due regard for the public interest and the protection of investors, finds after a proceeding in accordance with paragraph (1) of this subsection that a sanction imposed by a self-regulatory organization upon such member, participant, or person associated with a member imposes any burden on competition not necessary or appropriate in furtherance of the purposes of this title or is excessive or oppressive, the appropriate regulatory agency may cancel, reduce, or require the remission of such sanction.

¹For applicability of this provision to the Public Company Accounting Oversight Board, see section 107 of the Sarbanes-Oxley Act of 2002, printed elsewhere in this volume.

(f) In any proceeding to review the denial of membership or participation in a self-regulatory organization to any applicant, the barring of any person from becoming associated with a member of a self-regulatory organization, or the prohibition or limitation by a self-regulatory organization of any person with respect to access to services offered by the self-regulatory organization or any member thereof, if the appropriate regulatory agency for such applicant or person, after notice and opportunity for hearing (which hearing may consist solely of consideration of the record before the self-regulatory organization and opportunity for the presentation of supporting reasons to dismiss the proceeding or set aside the action of the self-regulatory organization) finds that the specific grounds on which such denial, bar, or prohibition or limitation is based exist in fact, that such denial, bar, or prohibition or limitation is in accordance with the rules of the self-regulatory organization, and that such rules are, and were applied in a manner, consistent with the purposes of this title, such appropriate regulatory agency, by order, shall dismiss the proceeding. If such appropriate regulatory agency does not make any such finding or if it finds that such denial, bar, or prohibition or limitation imposes any burden on competition not necessary or appropriate in furtherance of the purposes of this title, such appropriate regulatory agency, by order, shall set aside the action of the self-regulatory organization and require it to admit such applicant to membership or participation, permit such person to become associated with a member, or grant such person access to services offered by the self-regulatory organization or member thereof.

(g)(1) Every self-regulatory organization shall comply with the provisions of this title, the rules and regulations thereunder, and its own rules, and (subject to the provisions of section 17(d) of this title, paragraph (2) of this subsection, and the rules thereunder) absent reasonable justification or excuse enforce compliance—

(A) in the case of a national securities exchange, with such provisions by its members and persons associated with its members;

(B) in the case of a registered securities association, with such provisions and the provisions of the rules of the Municipal Securities Rulemaking Board by its members and persons associated with its members; and

(C) in the case of a registered clearing agency, with its own rules by its participants.

(2) The Commission, by rule, consistent with the public interest, the protection of investors, and the other purposes of this title, may relieve any self-regulatory organization of any responsibility under this title to enforce compliance with any specified provision of this title or the rules or regulations thereunder by any member of such organization or person associated with such a member, or any class of such members or persons associated with a member.

(h)(1) The appropriate regulatory agency for a self-regulatory organization is authorized, by order, if in its opinion such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this title to suspend for a period not exceeding twelve months or revoke the registration of such self-regulatory organization, or to censure or

impose limitations upon the activities, functions, and operations of such self-regulatory organization, if such appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such self-regulatory organization has violated or is unable to comply with any provision of this title, the rules or regulations thereunder, or its own rules or without reasonable justification or excuse has failed to enforce compliance—

(A) in the case of a national securities exchange, with any such provision by a member thereof or a person associated with a member thereof;

(B) in the case of a registered securities association, with any such provision or any provision of the rules of the Municipal Securities Rulemaking Board by a member thereof or a person associated with a member thereof; or

(C) in the case of a registered clearing agency, with any provision of its own rules by a participant therein.

(2) The appropriate regulatory agency for a self-regulatory organization is authorized, by order, if in its opinion such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this title, to suspend for a period not exceeding twelve months or expel from such self-regulatory organization any member thereof or participant therein, if such member or participant is subject to an order of the Commission pursuant to section 15(b)(4) of this title or if such appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such member or participant has willfully violated or has effected any transaction for any other person who, such member or participant had reason to believe, was violating with respect to such transaction—

(A) in the case of a national securities exchange, any provision of the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, this title, or the rules or regulations under any of such statutes;

(B) in the case of a registered securities association, any provision of the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, this title, the rules or regulations under any of such statutes, or the rules of the Municipal Securities Rulemaking Board; or

(C) in the case of a registered clearing agency, any provision of the rules of the clearing agency.

(3) The appropriate regulatory agency for a national securities exchange or registered securities association is authorized, by order, if in its opinion such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this title, to suspend for a period not exceeding twelve months or to bar any person from being associated with a member of such national securities exchange or registered securities association, if such person is subject to an order of the Commission pursuant to section 15(b)(6) or if such appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such person has willfully violated or has effected any transaction for any other person who, such person associated with a member had reason to believe, was violating with respect to such transaction—

(A) in the case of a national securities exchange, any provision of the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, this title, or the rules or regulations under any of such statutes; or

(B) in the case of a registered securities association, any provision of the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, this title, the rules or regulations under any of the statutes, or the rules of the Municipal Securities Rulemaking Board.

(4) The appropriate regulatory agency for a self-regulatory organization is authorized, by order, if in its opinion such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this title, to remove from office or censure any officer or director of such self-regulatory organization, if such appropriate regulatory agency finds, on the record after notice and opportunity for hearing, that such officer or director has willfully violated any provision of this title, the rules or regulations thereunder, or the rules of such self-regulatory organization, willfully abused his authority, or without reasonable justification or excuse has failed to enforce compliance—

(A) in the case of a national securities exchange, with any such provision by any member or person associated with a member;

(B) in the case of a registered securities association, with any such provision or any provision of the rules of the Municipal Securities Rulemaking Board by any member or person associated with a member; or

(C) in the case of a registered clearing agency, with any provision of the rules of the clearing agency by any participant.

(i) If a proceeding under subsection (h)(1) of this section results in the suspension or revocation of the registration of a clearing agency, the appropriate regulatory agency for such clearing agency may, upon notice to such clearing agency, apply to any court of competent jurisdiction specified in section 21(d) or 27 of this title for the appointment of a trustee. In the event of such an application, the court may, to the extent it deems necessary or appropriate, take exclusive jurisdiction of such clearing agency and the records and assets thereof, wherever located; and the court shall appoint the appropriate regulatory agency for such clearing agency or a person designated by such appropriate regulatory agency as trustee with power to take possession and continue to operate or terminate the operations of such clearing agency in an orderly manner for the protection of participants and investors, subject to such terms and conditions as the court may prescribe.

LIABILITY OF CONTROLLING PERSONS AND PERSONS WHO AID AND ABET VIOLATIONS

SEC. 20. [78t] (a) Every person who, directly or indirectly, controls any person liable under any provision of this title or of any rule or regulation thereunder shall also be liable jointly and severally with and to the same extent as such controlled person to any person to whom such controlled person is liable, unless the controlling person acted in good faith and did not directly or indirectly induce the act or acts constituting the violation or cause of action.

(b) It shall be unlawful for any person, directly or indirectly, to do any act or thing which it would be unlawful for such person to do under the provisions of this title or any rule or regulation thereunder through or by means of any other person.

(c) It shall be unlawful for any director or officer of, or any owner of any securities issued by, any issuer required to file any document, report, or information under this title or any rule or regulation thereunder without just cause to hinder, delay, or obstruct the making or filing of any such document, report, or information.

(d) Wherever communicating, or purchasing or selling a security while in possession of, material nonpublic information would violate, or result in liability to any purchaser or seller of the security under any provisions of this title, or any rule or regulation thereunder, such conduct in connection with a purchase or sale of a put, call, straddle, option, privilege¹ or security-based swap agreement (as defined in section 206B of the Gramm-Leach-Bliley Act) with respect to such security or with respect to a group or index of securities including such security, shall also violate and result in comparable liability to any purchaser or seller of that security under such provision, rule, or regulation.

(e) PROSECUTION OF PERSONS WHO AID AND ABET VIOLATIONS.—For purposes of any action brought by the Commission under paragraph (1) or (3) of section 21(d), any person that knowingly provides substantial assistance to another person in violation of a provision of this title, or of any rule or regulation issued under this title, shall be deemed to be in violation of such provision to the same extent as the person to whom such assistance is provided.

(f) The authority of the Commission under this section with respect to security-based swap agreements (as defined in section 206B of the Gramm-Leach-Bliley Act) shall be subject to the restrictions and limitations of section 3A(b) of this title.

LIABILITY TO CONTEMPORANEOUS TRADERS FOR INSIDER TRADING

SEC. 20A. [78t-1] (a) PRIVATE RIGHTS OF ACTION BASED ON CONTEMPORANEOUS TRADING.—Any person who violates any provision of this title or the rules or regulations thereunder by purchasing or selling a security while in possession of material, nonpublic information shall be liable in an action in any court of competent jurisdiction to any person who, contemporaneously with the purchase or sale of securities that is the subject of such violation, has purchased (where such violation is based on a sale of securities) or sold (where such violation is based on a purchase of securities) securities of the same class.

(b) LIMITATIONS ON LIABILITY.—

(1) CONTEMPORANEOUS TRADING ACTIONS LIMITED TO PROFIT GAINED OR LOSS AVOIDED.—The total amount of damages imposed under subsection (a) shall not exceed the profit

¹ Sections 205(a)(3) and 303(i) of the Commodity Futures Modernization Act of 2000 (114 Stat. 2763A-426, 2763A-526), as enacted in to law by section 1(a)(5) of Public Law 106-554, both amended section 20(d) of the Securities Exchange Act of 1934. Section 203(a)(3) amended section 20(d) by striking “, or privilege” and inserting “, privilege, or security future product”. Section 303(i) amended section 20(d) to read in the form in which it appears in this compilation. Apparent intention of the combined amendments would be to insert references to both securities futures products and security-based swap agreements after the reference to “privilege”.

gained or loss avoided in the transaction or transactions that are the subject of the violation.

(2) OFFSETTING DISGORGEMENTS AGAINST LIABILITY.—The total amount of damages imposed against any person under subsection (a) shall be diminished by the amounts, if any, that such person may be required to disgorge, pursuant to a court order obtained at the instance of the Commission, in a proceeding brought under section 21(d) of this title relating to the same transaction or transactions.

(3) CONTROLLING PERSON LIABILITY.—No person shall be liable under this section solely by reason of employing another person who is liable under this section, but the liability of a controlling person under this section shall be subject to section 20(a) of this title.

(4) STATUTE OF LIMITATIONS.—No action may be brought under this section more than 5 years after the date of the last transaction that is the subject of the violation.

(c) JOINT AND SEVERAL LIABILITY FOR COMMUNICATING.—Any person who violates any provision of this title or the rules or regulations thereunder by communicating material, nonpublic information shall be jointly and severally liable under subsection (a) with, and to the same extent as, any person or persons liable under subsection (a) to whom the communication was directed.

(d) AUTHORITY NOT TO RESTRICT OTHER EXPRESS OR IMPLIED RIGHTS OF ACTION.—Nothing in this section shall be construed to limit or condition the right of any person to bring an action to enforce a requirement of this title or the availability of any cause of action implied from a provision of this title.

(e) PROVISIONS NOT TO AFFECT PUBLIC PROSECUTIONS.—This section shall not be construed to bar or limit in any manner any action by the Commission or the Attorney General under any other provision of this title, nor shall it bar or limit in any manner any action to recover penalties, or to seek any other order regarding penalties.

INVESTIGATIONS; INJUNCTIONS AND PROSECUTION OF OFFENSES

SEC. 21. [78u] (a)(1) The Commission may, in its discretion, make such investigations as it deems necessary to determine whether any person has violated, is violating, or is about to violate any provision of this title, the rules or regulations thereunder, the rules of a national securities exchange or registered securities association of which such person is a member or a person associated with a member, the rules of a registered clearing agency in which such person is a participant, the rules of the Public Company Accounting Oversight Board, of which such person is a registered public accounting firm or a person associated with such a firm, or the rules of the Municipal Securities Rulemaking Board, and may require or permit any person to file with it a statement in writing, under oath or otherwise as the Commission shall determine, as to all the facts and circumstances concerning the matter to be investigated. The Commission is authorized in its discretion, to publish information concerning any such violations, and to investigate any facts, conditions, practices, or matters which it may deem necessary or proper to aid in the enforcement of such provisions, in the

prescribing of rules and regulations under this title, or in securing information to serve as a basis for recommending further legislation concerning the matters to which this title relates.

(2) On request from a foreign securities authority, the Commission may provide assistance in accordance with this paragraph if the requesting authority states that the requesting authority is conducting an investigation which it deems necessary to determine whether any person has violated, is violating, or is about to violate any laws or rules relating to securities matters that the requesting authority administers or enforces. The Commission may, in its discretion, conduct such investigation as the Commission deems necessary to collect information and evidence pertinent to the request for assistance. Such assistance may be provided without regard to whether the facts stated in the request would also constitute a violation of the laws of the United States. In deciding whether to provide such assistance, the Commission shall consider whether (A) the requesting authority has agreed to provide reciprocal assistance in securities matters to the Commission; and (B) compliance with the request would prejudice the public interest of the United States.

(b) For the purpose of any such investigation, or any other proceeding under this title, any member of the Commission or any officer designated by it is empowered to administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, or other records which the Commission deems relevant or material to the inquiry. Such attendance of witnesses and the production of any such records may be required from any place in the United States or any State at any designated place of hearing.

(c) In case of contumacy by, or refusal to obey a subpoena issued to, any person, the Commission may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of books, papers, correspondence, memoranda, and other records. And such court may issue an order requiring such person to appear before the Commission or member or officer designated by the Commission, there to produce records, if so ordered, or to give testimony touching the matter under investigation or in question; and any failure to obey such order of the court may be punished by such court as a contempt thereof. All process in any such case may be served in the judicial district whereof such person is an inhabitant or wherever he may be found. Any person who shall, without just cause, fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda, and other records, if in his power so to do, in obedience to the subpoena of the Commission, shall be guilty of a misdemeanor and, upon conviction, shall be subject to a fine of not more than \$1,000 or to imprisonment for a term of not more than one year, or both.

(d)(1) Whenever it shall appear to the Commission that any person is engaged or is about to engage in acts or practices constituting a violation of any provision of this title, the rules or regula-

The Commission may transmit such evidence as may be available concerning such acts or practices as may constitute a violation of any provision of this title or the rules or regulations thereunder to the Attorney General, who may, in his discretion, institute the necessary criminal proceedings under this title.

(2) **AUTHORITY OF A COURT TO PROHIBIT PERSONS FROM SERVING AS OFFICERS AND DIRECTORS.**—In any proceeding under paragraph (1) of this subsection, the court may prohibit, conditionally or unconditionally, and permanently or for such period of time as it shall determine, any person who violated section 10(b) of this title or the rules or regulations thereunder from acting as an officer or director of any issuer that has a class of securities registered pursuant to section 12 of this title or that is required to file reports pursuant to section 15(d) of this title if the person's conduct demonstrates unfitness to serve as an officer or director of any such issuer.

(3) **MONEY PENALTIES IN CIVIL ACTIONS.**—

(A) **AUTHORITY OF COMMISSION.**—Whenever it shall appear to the Commission that any person has violated any provision of this title, the rules or regulations thereunder, or a cease-and-desist order entered by the Commission pursuant to section 21C of this title, other than by committing a violation subject to a penalty pursuant to section 21A, the Commission may bring an action in a United States district court to seek, and the court shall have jurisdiction to impose, upon a proper showing, a civil penalty to be paid by the person who committed such violation.

(B) **AMOUNT OF PENALTY.**—

(i) **FIRST TIER.**—The amount of the penalty shall be determined by the court in light of the facts and circumstances. For each violation, the amount of the penalty shall not exceed the greater of (I) \$5,000 for a natural person or \$50,000 for any other person, or (II) the gross amount of pecuniary gain to such defendant as a result of the violation.

(ii) **SECOND TIER.**—Notwithstanding clause (i), the amount of penalty for each such violation shall not exceed the greater of (I) \$50,000 for a natural person or \$250,000 for any other person, or (II) the gross amount of pecuniary gain to such defendant as a result of the violation, if the violation described in subparagraph (A) involved fraud, de-

(ii) COLLECTION OF PENALTIES.—If a person upon whom such a penalty is imposed shall fail to pay such penalty within the time prescribed in the court's order, the Commission may refer the matter to the Attorney General who shall recover such penalty by action in the appropriate United States district court.

(iii) REMEDY NOT EXCLUSIVE.—The actions authorized by this paragraph may be brought in addition to any other action that the Commission or the Attorney General is entitled to bring.

(iv) JURISDICTION AND VENUE.—For purposes of section 27 of this title, actions under this paragraph shall be actions to enforce a liability or a duty created by this title.

(6) AUTHORITY OF A COURT TO PROHIBIT PERSONS FROM PARTICIPATING IN AN OFFERING OF PENNY STOCK.—

(A) IN GENERAL.—In any proceeding under paragraph (1) against any person participating in, or, at the time of the alleged misconduct who was participating in, an offering of penny stock, the court may prohibit that person from participating in an offering of penny stock, conditionally or unconditionally, and permanently or for such period of time as the court shall determine.

(B) DEFINITION.—For purposes of this paragraph, the term “person participating in an offering of penny stock” includes any person engaging in activities with a broker, dealer, or issuer for purposes of issuing, trading, or inducing or attempting to induce the purchase or sale of, any penny stock. The Commission may, by rule or regulation, define such term to include other activities, and may, by rule, regulation, or order, exempt any person or class of persons, in whole or in part, conditionally or unconditionally, from inclusion in such term.

(e) Upon application of the Commission the district courts of the United States and the United States courts of any territory or other place subject to the jurisdiction of the United States shall have jurisdiction to issue writs of mandamus, injunctions, and orders commanding (1) any person to comply with the provisions of this title, the rules, regulations, and orders thereunder, the rules of a national securities exchange or registered securities association of which such person is a member or person associated with a member, the rules of a registered clearing agency in which such person is a participant, the rules of the Public Company Accounting Oversight Board, of which such person is a registered public accounting firm or a person associated with such a firm, the rules of the Municipal Securities Rulemaking Board, or any undertaking contained in a registration statement as provided in subsection (d) of section 15 of this title, (2) any national securities exchange or registered securities association to enforce compliance by its members and persons associated with its members with the provisions of this title, the rules, regulations, and orders thereunder, and the rules of such exchange or association, or (3) any registered clearing agency to enforce compliance by its participants with the provisions of the rules of such clearing agency.

(f) Notwithstanding any other provision of this title, the Commission shall not bring any action pursuant to subsection (d) or (e) of this section against any person for violation of, or to command compliance with, the rules of a self-regulatory organization or the Public Company Accounting Oversight Board unless it appears to the Commission that (1) such self-regulatory organization or the Public Company Accounting Oversight Board is unable or unwilling to take appropriate action against such person in the public interest and for the protection of investors, or (2) such action is otherwise necessary or appropriate in the public interest or for the protection of investors.

(g) Notwithstanding the provisions of section 1407(a) of title 28, United States Code, or any other provision of law, no action for

equitable relief instituted by the Commission pursuant to the securities laws shall be consolidated or coordinated with other actions not brought by the Commission, even though such other actions may involve common questions of fact, unless such consolidation is consented to by the Commission.

(h)(1) The Right to Financial Privacy Act of 1978¹ shall apply with respect to the Commission, except as otherwise provided in this subsection.

(2) Notwithstanding section 1105 or 1107 of the Right to Financial Privacy Act of 1978,² the Commission may have access to and obtain copies of, or the information contained in financial records of a customer from a financial institution without prior notice to the customer upon an ex parte showing to an appropriate United States district court that the Commission seeks such financial records pursuant to a subpoena issued in conformity with the requirements of section 19(b) of the Securities Act of 1933, section 21(b) of the Securities Exchange Act of 1934, section 18(c) of the Public Utility Holding Company Act of 1935, section 42(b) of the Investment Company Act of 1940, or section 209(b) of the Investment Advisers Act of 1940, and that the Commission has reason to believe that—

(A) delay in obtaining access to such financial records, or the required notice, will result in—

- (i) flight from prosecution;
- (ii) destruction of or tampering with evidence;
- (iii) transfer of assets or records outside the territorial limits of the United States;
- (iv) improper conversion of investor assets; or
- (v) impeding the ability of the Commission to identify

or trace the source or disposition of funds involved in any securities transaction;

(B) such financial records are necessary to identify or trace the record or beneficial ownership interest in any security;

(C) the acts, practices or course of conduct under investigation involve—

(i) the dissemination of materially false or misleading information concerning any security, issuer, or market, or the failure to make disclosures required under the securities laws, which remain uncorrected; or

(ii) a financial loss to investors or other persons protected under the securities laws which remains substantially uncompensated; or

(D) the acts, practices or course of conduct under investigation—

(i) involve significant financial speculation in securities; or

(ii) endanger the stability of any financial or investment intermediary.

(3) Any application under paragraph (2) for a delay in notice shall be made with reasonable specificity.

² 12 U.S.C. 3405, 3407. [Printed in appendix to this volume.]

(4)(A) Upon a showing described in paragraph (2), the presiding judge or magistrate shall enter an ex parte order granting the requested delay for a period not to exceed ninety days and an order prohibiting the financial institution involved from disclosing that records have been obtained or that a request for records has been made.

(B) Extensions of the period of delay of notice provided in subparagraph (A) of up to ninety days each may be granted by the court upon application, but only in accordance with this subsection or section 1109(a), (b)(1), or (b)(2) of the Right to Financial Privacy Act of 1978.¹

(C) Upon expiration of the period of delay of notification ordered under subparagraph (A) or (B), the customer shall be served with or mailed a copy of the subpoena insofar as it applies to the customer together with the following notice which shall describe with reasonable specificity the nature of the investigation for which the Commission sought the financial records:

“Records or information concerning your transactions which are held by the financial institution named in the attached subpoena were supplied to the Securities and Exchange Commission on (date). Notification was withheld pursuant to a determination by the (title of court so ordering) under section 21(h) of the Securities Exchange Act of 1934 that (state reason). The purpose of the investigation or official proceeding was (state purpose).”

(5) Upon application by the Commission, all proceedings pursuant to paragraphs (2) and (4) shall be held in camera and the records thereof sealed until expiration of the period of delay or such other date as the presiding judge or magistrate may permit.

(6) The Commission shall compile an annual tabulation of the occasions on which the Commission used each separate subparagraph or clause of paragraph (2) of this subsection or the provisions of the Right to Financial Privacy Act of 1978 to obtain access to financial records of a customer and include it in its annual report to the Congress. Section 1121(b) of the Right to Financial Privacy Act of 1978² shall not apply with respect to the Commission.

(7)(A) Following the expiration of the period of delay of notification ordered by the court pursuant to paragraph (4) of this subsection, the customer may, upon motion, reopen the proceeding in the district court which issued the order. If the presiding judge or magistrate finds that the movant is the customer to whom the records obtained by the Commission pertain, and that the Commission has obtained financial records or information contained therein in violation of this subsection, other than paragraph (1), it may order that the customer be granted civil penalties against the Commission in an amount equal to the sum of—

- (i) \$100 without regard to the volume of records involved;
- (ii) any out-of-pocket damages sustained by the customer as a direct result of the disclosure; and
- (iii) if the violation is found to have been willful, intentional, and without good faith, such punitive damages as the

court may allow, together with the costs of the action and reasonable attorney's fees as determined by the court.

(B) Upon a finding that the Commission has obtained financial records or information contained therein in violation of this subsection, other than paragraph (1), the court, in its discretion, may also or in the alternative issue injunctive relief to require the Commission to comply with this subsection with respect to any subpoena which the Commission issues in the future for financial records of such customer for purposes of the same investigation.

(C) Whenever the court determines that the Commission has failed to comply with this subsection, other than paragraph (1), and the court finds that the circumstances raise questions of whether an officer or employee of the Commission acted in a willful and intentional manner and without good faith with respect to the violation, the Office of Personnel Management shall promptly initiate a proceeding to determine whether disciplinary action is warranted against the agent or employee who was primarily responsible for the violation. After investigating and considering the evidence submitted, the Office of Personnel Management shall submit its findings and recommendations to the Commission and shall send copies of the findings and recommendations to the officer or employee or his representative. The Commission shall take the corrective action that the Office of Personnel Management recommends.

(8) The relief described in paragraphs (7) and (10) shall be the only remedies or sanctions available to a customer for a violation of this subsection, other than paragraph (1), and nothing herein or in the Right to Financial Privacy Act of 1978 shall be deemed to prohibit the use in any investigation or proceeding of financial records, or the information contained therein, obtained by a subpoena issued by the Commission. In the case of an unsuccessful action under paragraph (7), the court shall award the costs of the action and attorney's fees to the Commission if the presiding judge or magistrate finds that the customer's claims were made in bad faith.

(9)(A) The Commission may transfer financial records or the information contained therein to any government authority if the Commission proceeds as a transferring agency in accordance with section 1112 of the Right to Financial Privacy Act of 1978,¹ except that the customer notice required under section 1112(b) or (c) of such Act may be delayed upon a showing by the Commission, in accordance with the procedure set forth in paragraphs (4) and (5), that one or more of subparagraphs (A) through (D) of paragraph (2) apply.

(B) The Commission may, without notice to the customer pursuant to section 1112 of the Right to Financial Privacy Act of 1978, transfer financial records or the information contained therein to a State securities agency or to the Department of Justice. Financial records or information transferred by the Commission to the Department of Justice or to a State securities agency pursuant to the provisions of this subparagraph may be disclosed or used only in an administrative, civil, or criminal action or investigation by the Department of Justice or the State securities agency which

arises out of or relates to the acts, practices, or courses of conduct investigated by the Commission, except that if the Department of Justice or the State securities agency determines that the information should be disclosed or used for any other purpose, it may do so if it notifies the customer, except as otherwise provided in the Right to Financial Privacy Act of 1978, within 30 days of its determination, or complies with the requirements of section 1109 of such Act regarding delay of notice.¹

(10) Any government authority violating paragraph (9) shall be subject to the procedures and penalties applicable to the Commission under paragraph (7)(A) with respect to a violation by the Commission in obtaining financial records.

(11) Notwithstanding the provisions of this subsection, the Commission may obtain financial records from a financial institution or transfer such records in accordance with provisions of the Right to Financial Privacy Act of 1978.

(12) Nothing in this subsection shall enlarge or restrict any rights of a financial institution to challenge requests for records made by the Commission under existing law. Nothing in this subsection shall entitle a customer to assert any rights of a financial institution.

(13) Unless the context otherwise requires, all terms defined in the Right to Financial Privacy Act of 1978 which are common to this subsection shall have the same meaning as in such Act.

(i) INFORMATION TO CFTC.—The Commission shall provide the Commodity Futures Trading Commission with notice of the commencement of any proceeding and a copy of any order entered by the Commission against any broker or dealer registered pursuant to section 15(b)(11), any exchange registered pursuant to section 6(g), or any national securities association registered pursuant to section 15A(k).

(A) may bring an action in a United States district court to seek, and the court shall have jurisdiction to impose, a civil penalty to be paid by the person who committed such violation; and

(B) may, subject to subsection (b)(1), bring an action in a United States district court to seek, and the court shall have jurisdiction to impose, a civil penalty to be paid by a person who, at the time of the violation, directly or indirectly controlled the person who committed such violation.

(2) AMOUNT OF PENALTY FOR PERSON WHO COMMITTED VIOLATION.—The amount of the penalty which may be imposed on the person who committed such violation shall be determined by the court in light of the facts and circumstances, but shall not exceed three times the profit gained or loss avoided as a result of such unlawful purchase, sale, or communication.

(3) AMOUNT OF PENALTY FOR CONTROLLING PERSON.—The amount of the penalty which may be imposed on any person who, at the time of the violation, directly or indirectly controlled the person who committed such violation, shall be determined by the court in light of the facts and circumstances, but shall not exceed the greater of \$1,000,000, or three times the amount of the profit gained or loss avoided as a result of such controlled person's violation. If such controlled person's violation was a violation by communication, the profit gained or loss avoided as a result of the violation shall, for purposes of this paragraph only, be deemed to be limited to the profit gained or loss avoided by the person or persons to whom the controlled person directed such communication.

(b) LIMITATIONS ON LIABILITY.—

(1) LIABILITY OF CONTROLLING PERSONS.—No controlling person shall be subject to a penalty under subsection (a)(1)(B) unless the Commission establishes that—

(A) such controlling person knew or recklessly disregarded the fact that such controlled person was likely to engage in the act or acts constituting the violation and failed to take appropriate steps to prevent such act or acts before they occurred; or

the date of enactment of this Act, submit to each House of the Congress any recommendations the Commission considers appropriate with respect to the extension of the Commission's authority to seek civil penalties or impose administrative fines for violations other than those described in section 21A of the Securities Exchange Act of 1934 (as added by this section).

(B) such controlling person knowingly or recklessly failed to establish, maintain, or enforce any policy or procedure required under section 15(f) of this title or section 204A of the Investment Advisers Act of 1940 and such failure substantially contributed to or permitted the occurrence of the act or acts constituting the violation.

(2) ADDITIONAL RESTRICTIONS ON LIABILITY.—No person shall be subject to a penalty under subsection (a) solely by reason of employing another person who is subject to a penalty under such subsection, unless such employing person is liable as a controlling person under paragraph (1) of this subsection. Section 20(a) of this title shall not apply to actions under subsection (a) of this section.

(c) AUTHORITY OF COMMISSION.—the Commission, by such rules, regulations, and orders as it considers necessary or appropriate in the public interest or for the protection of investors, may exempt, in whole or in part, either unconditionally or upon specific terms and conditions, any person or transaction or class of persons or transactions from this section.

(d) PROCEDURES FOR COLLECTION.—

(1) PAYMENT OF PENALTY TO TREASURY.—A penalty imposed under this section shall (subject to subsection (e)) be payable into the Treasury of the United States, except as otherwise provided in section 308 of the Sarbanes-Oxley Act of 2002.

(2) COLLECTION OF PENALTIES.—If a person upon whom such a penalty is imposed shall fail to pay such penalty within the time prescribed in the court's order, the Commission may refer the matter to the Attorney General who shall recover such penalty by action in the appropriate United States district court.

(3) REMEDY NOT EXCLUSIVE.—The actions authorized by this section may be brought in addition to any other actions that the Commission or the Attorney General are entitled to bring.

(4) JURISDICTION AND VENUE.—For purposes of section 27 of this title, actions under this section shall be actions to enforce a liability or a duty created by this title.

(5) STATUTE OF LIMITATIONS.—No action may be brought under this section more than 5 years after the date of the purchase or sale. This section shall not be construed to bar or limit in any manner any action by the Commission or the Attorney General under any other provision of this title, nor shall it bar or limit in any manner any action to recover penalties, or to seek any other order regarding penalties, imposed in an action commenced within 5 years of such transaction.

(e) AUTHORITY TO AWARD BOUNTIES TO INFORMANTS.—Notwithstanding the provisions of subsection (d)(1), there shall be paid from amounts imposed as a penalty under this section and recovered by the Commission or the Attorney General, such sums, not to exceed 10 percent of such amounts, as the Commission deems appropriate, to the person or persons who provide information leading to the imposition of such penalty. Any determinations under this subsection, including whether, to whom, or in what amount to make payments, shall be in the sole discretion of the Commission,

except that no such payment shall be made to any member, officer, or employee of any appropriate regulatory agency, the Department of Justice, or a self-regulatory organization. Any such determination shall be final and not subject to judicial review.

(f) DEFINITION.—For purposes of this section, “profit gained” or “loss avoided” is the difference between the purchase or sale price of the security and the value of that security as measured by the trading price of the security a reasonable period after public dissemination of the nonpublic information.

(g) The authority of the Commission under this section with respect to security-based swap agreements (as defined in section 206B of the Gramm-Leach-Bliley Act) shall be subject to the restrictions and limitations of section 3A(b) of this title.

(1) has willfully violated any provision of the Securities Act of 1933, the Investment Company Act of 1940, the Investment Advisers Act of 1940, or this title, or the rules or regulations thereunder, or the rules of the Municipal Securities Rule-making Board;

(2) has willfully aided, abetted, counseled, commanded, induced, or procured such a violation by any other person;

(3) has willfully made or caused to be made in any application for registration or report required to be filed with the Commission or with any other appropriate regulatory agency under this title, or in any proceeding before the Commission with respect to registration, any statement which was, at the time and in the light of the circumstances under which it was made, false or misleading with respect to any material fact, or has omitted to state in any such application or report any material fact which is required to be stated therein; or

(4) has failed reasonably to supervise, within the meaning of section 15(b)(4)(E) of this title, with a view to preventing violations of the provisions of such statutes, rules and regulations, another person who commits such a violation, if such other person is subject to his supervision;

and that such penalty is in the public interest.

(b) MAXIMUM AMOUNT OF PENALTY.—

(1) FIRST TIER.—The maximum amount of penalty for each act or omission described in subsection (a) shall be \$5,000 for a natural person or \$50,000 for any other person.

(2) SECOND TIER.—Notwithstanding paragraph (1), the maximum amount of penalty for each such act or omission shall be \$50,000 for a natural person or \$250,000 for any other person if the act or omission described in subsection (a) involved fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement.

(3) THIRD TIER.—Notwithstanding paragraphs (1) and (2), the maximum amount of penalty for each such act or omission shall be \$100,000 for a natural person or \$500,000 for any other person if—

(A) the act or omission described in subsection (a) involved fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement; and

(B) such act or omission directly or indirectly resulted in substantial losses or created a significant risk of substantial losses to other persons or resulted in substantial pecuniary gain to the person who committed the act or omission.

(c) DETERMINATION OF PUBLIC INTEREST.—In considering under this section whether a penalty is in the public interest, the Commission or the appropriate regulatory agency may consider—

(1) whether the act or omission for which such penalty is assessed involved fraud, deceit, manipulation, or deliberate or reckless disregard of a regulatory requirement;

(2) the harm to other persons resulting either directly or indirectly from such act or omission;

(3) the extent to which any person was unjustly enriched, taking into account any restitution made to persons injured by such behavior;

(4) whether such person previously has been found by the Commission, another appropriate regulatory agency, or a self-regulatory organization to have violated the Federal securities laws, State securities laws, or the rules of a self-regulatory organization, has been enjoined by a court of competent jurisdiction from violations of such laws or rules, or has been convicted by a court of competent jurisdiction of violations of such laws or of any felony or misdemeanor described in section 15(b)(4)(B) of this title;

(5) the need to deter such person and other persons from committing such acts or omissions; and

(6) such other matters as justice may require.

(d) EVIDENCE CONCERNING ABILITY TO PAY.—In any proceeding in which the Commission or the appropriate regulatory agency may impose a penalty under this section, a respondent may present evidence of the respondent's ability to pay such penalty. The Commission or the appropriate regulatory agency may, in its discretion, consider such evidence in determining whether such penalty is in the public interest. Such evidence may relate to the extent of such person's ability to continue in business and the collectability of a penalty, taking into account any other claims of the United States or third parties upon such person's assets and the amount of such person's assets.

(e) AUTHORITY TO ENTER AN ORDER REQUIRING AN ACCOUNTING AND DISGORGEMENT.—In any proceeding in which the Commission or the appropriate regulatory agency may impose a penalty under this section, the Commission or the appropriate regulatory agency may enter an order requiring accounting and disgorgement, including reasonable interest. The Commission is authorized to adopt rules, regulations, and orders concerning payments to inves-

tors, rates of interest, periods of accrual, and such other matters as it deems appropriate to implement this subsection.

CEASE-AND-DESIST PROCEEDINGS

SEC. 21C. [78u-3] (a) AUTHORITY OF THE COMMISSION.—If the Commission finds, after notice and opportunity for hearing, that any person is violating, has violated, or is about to violate any provision of this title, or any rule or regulation thereunder, the Commission may publish its findings and enter an order requiring such person, and any other person that is, was, or would be a cause of the violation, due to an act or omission the person knew or should have known would contribute to such violation, to cease and desist from committing or causing such violation and any future violation of the same provision, rule, or regulation. Such order may, in addition to requiring a person to cease and desist from committing or causing a violation, require such person to comply, or to take steps to effect compliance, with such provision, rule, or regulation, upon such terms and conditions and within such time as the Commission may specify in such order. Any such order may, as the Commission deems appropriate, require future compliance or steps to effect future compliance, either permanently or for such period of time as the Commission may specify, with such provision, rule, or regulation with respect to any security, any issuer, or any other person.

(b) HEARING.—The notice instituting proceedings pursuant to subsection (a) shall fix a hearing date not earlier than 30 days nor later than 60 days after service of the notice unless an earlier or a later date is set by the Commission with the consent of any respondent so served.

(c) TEMPORARY ORDER.—

(1) IN GENERAL.—Whenever the Commission determines that the alleged violation or threatened violation specified in the notice instituting proceedings pursuant to subsection (a), or the continuation thereof, is likely to result in significant dissipation or conversion of assets, significant harm to investors, or substantial harm to the public interest, including, but not limited to, losses to the Securities Investor Protection Corporation, prior to the completion of the proceedings, the Commission may enter a temporary order requiring the respondent to cease and desist from the violation or threatened violation and to take such action to prevent the violation or threatened violation and to prevent dissipation or conversion of assets, significant harm to investors, or substantial harm to the public interest as the Commission deems appropriate pending completion of such proceedings. Such an order shall be entered only after notice and opportunity for a hearing, unless the Commission determines that notice and hearing prior to entry would be impracticable or contrary to the public interest. A temporary order shall become effective upon service upon the respondent and, unless set aside, limited, or suspended by the Commission or a court of competent jurisdiction, shall remain effective and enforceable pending the completion of the proceedings.

(2) APPLICABILITY.—paragraph (1) subsection¹ shall apply only to a respondent that acts, or, at the time of the alleged misconduct acted, as a broker, dealer, investment adviser, investment company, municipal securities dealer, government securities broker, government securities dealer, registered public accounting firm (as defined in section 2 of the Sarbanes-Oxley Act of 2002), or transfer agent, or is, or was at the time of the alleged misconduct, an associated person of, or a person seeking to become associated with, any of the foregoing.

(3) TEMPORARY FREEZE.—

(A) IN GENERAL.—

(i) ISSUANCE OF TEMPORARY ORDER.—Whenever, during the course of a lawful investigation involving possible violations of the Federal securities laws by an issuer of publicly traded securities or any of its directors, officers, partners, controlling persons, agents, or employees, it shall appear to the Commission that it is likely that the issuer will make extraordinary payments (whether compensation or otherwise) to any of the foregoing persons, the Commission may petition a Federal district court for a temporary order requiring the issuer to escrow, subject to court supervision, those payments in an interest-bearing account for 45 days.

(ii) STANDARD.—A temporary order shall be entered under clause (i), only after notice and opportunity for a hearing, unless the court determines that notice and hearing prior to entry of the order would be impracticable or contrary to the public interest.

(iii) EFFECTIVE PERIOD.—A temporary order issued under clause (i) shall—

(I) become effective immediately;

(II) be served upon the parties subject to it;

and

(III) unless set aside, limited or suspended by a court of competent jurisdiction, shall remain effective and enforceable for 45 days.

(iv) EXTENSIONS AUTHORIZED.—The effective period of an order under this subparagraph may be extended by the court upon good cause shown for not longer than 45 additional days, provided that the combined period of the order shall not exceed 90 days.

(B) PROCESS ON DETERMINATION OF VIOLATIONS.—

(i) VIOLATIONS CHARGED.—If the issuer or other person described in subparagraph (A) is charged with any violation of the Federal securities laws before the expiration of the effective period of a temporary order under subparagraph (A) (including any applicable extension period), the order shall remain in effect, subject to court approval, until the conclusion of any legal proceedings related thereto, and the affected issuer or

other person, shall have the right to petition the court for review of the order.

(ii) VIOLATIONS NOT CHARGED.—If the issuer or other person described in subparagraph (A) is not charged with any violation of the Federal securities laws before the expiration of the effective period of a temporary order under subparagraph (A) (including any applicable extension period), the escrow shall terminate at the expiration of the 45-day effective period (or the expiration of any extension period, as applicable), and the disputed payments (with accrued interest) shall be returned to the issuer or other affected person.

(d) REVIEW OF TEMPORARY ORDERS.—

(1) COMMISSION REVIEW.—At any time after the respondent has been served with a temporary cease-and-desist order pursuant to subsection (c), the respondent may apply to the Commission to have the order set aside, limited, or suspended. If the respondent has been served with a temporary cease-and-desist order entered without a prior Commission hearing, the respondent may, within 10 days after the date on which the order was served, request a hearing on such application and the Commission shall hold a hearing and render a decision on such application at the earliest possible time.

(2) JUDICIAL REVIEW.—Within—

(A) 10 days after the date the respondent was served with a temporary cease-and-desist order entered with a prior Commission hearing, or

(B) 10 days after the Commission renders a decision on an application and hearing under paragraph (1), with respect to any temporary cease-and-desist order entered without a prior Commission hearing,

the respondent may apply to the United States district court for the district in which the respondent resides or has its principal place of business, or for the District of Columbia, for an order setting aside, limiting, or suspending the effectiveness or enforcement of the order, and the court shall have jurisdiction to enter such an order. A respondent served with a temporary cease-and-desist order entered without a prior Commission hearing may not apply to the court except after hearing and decision by the Commission on the respondent's application under paragraph (1) of this subsection.

(3) NO AUTOMATIC STAY OF TEMPORARY ORDER.—The commencement of proceedings under paragraph (2) of this subsection shall not, unless specifically ordered by the court, operate as a stay of the Commission's order.

(4) EXCLUSIVE REVIEW.—Section 25 of this title shall not apply to a temporary order entered pursuant to this section.

(e) AUTHORITY TO ENTER AN ORDER REQUIRING AN ACCOUNTING AND DISGORGEMENT.—In any cease-and-desist proceeding under subsection (a), the Commission may enter an order requiring accounting and disgorgement, including reasonable interest. The Commission is authorized to adopt rules, regulations, and orders concerning payments to investors, rates of interest, periods of ac-

crual, and such other matters as it deems appropriate to implement this subsection.

(f) **AUTHORITY OF THE COMMISSION TO PROHIBIT PERSONS FROM SERVING AS OFFICERS OR DIRECTORS.**—In any cease-and-desist proceeding under subsection (a), the Commission may issue an order to prohibit, conditionally or unconditionally, and permanently or for such period of time as it shall determine, any person who has violated section 10(b) or the rules or regulations thereunder, from acting as an officer or director of any issuer that has a class of securities registered pursuant to section 12, or that is required to file reports pursuant to section 15(d), if the conduct of that person demonstrates unfitness to serve as an officer or director of any such issuer.

SEC. 21D. [78u-4] PRIVATE SECURITIES LITIGATION.

(a) **PRIVATE CLASS ACTIONS.**—

(1) **IN GENERAL.**—The provisions of this subsection shall apply in each private action arising under this title that is brought as a plaintiff class action pursuant to the Federal Rules of Civil Procedure.

(2) **CERTIFICATION FILED WITH COMPLAINT.**—

(A) **IN GENERAL.**—Each plaintiff seeking to serve as a representative party on behalf of a class shall provide a sworn certification, which shall be personally signed by such plaintiff and filed with the complaint, that—

(i) states that the plaintiff has reviewed the complaint and authorized its filing;

(ii) states that the plaintiff did not purchase the security that is the subject of the complaint at the direction of plaintiff's counsel or in order to participate in any private action arising under this title;

(iii) states that the plaintiff is willing to serve as a representative party on behalf of a class, including providing testimony at deposition and trial, if necessary;

(iv) sets forth all of the transactions of the plaintiff in the security that is the subject of the complaint during the class period specified in the complaint;

(v) identifies any other action under this title, filed during the 3-year period preceding the date on which the certification is signed by the plaintiff, in which the plaintiff has sought to serve as a representative party on behalf of a class; and

(vi) states that the plaintiff will not accept any payment for serving as a representative party on behalf of a class beyond the plaintiff's pro rata share of any recovery, except as ordered or approved by the court in accordance with paragraph (4).

(B) **NONWAIVER OF ATTORNEY-CLIENT PRIVILEGE.**—The certification filed pursuant to subparagraph (A) shall not be construed to be a waiver of the attorney-client privilege.

(3) **APPOINTMENT OF LEAD PLAINTIFF.**—

(A) **EARLY NOTICE TO CLASS MEMBERS.**—

(i) IN GENERAL.—Not later than 20 days after the date on which the complaint is filed, the plaintiff or plaintiffs shall cause to be published, in a widely circulated national business-oriented publication or wire service, a notice advising members of the purported plaintiff class—

(I) of the pendency of the action, the claims asserted therein, and the purported class period; and

(II) that, not later than 60 days after the date on which the notice is published, any member of the purported class may move the court to serve as lead plaintiff of the purported class.

(ii) MULTIPLE ACTIONS.—If more than one action on behalf of a class asserting substantially the same claim or claims arising under this title is filed, only the plaintiff or plaintiffs in the first filed action shall be required to cause notice to be published in accordance with clause (i).

(iii) ADDITIONAL NOTICES MAY BE REQUIRED UNDER FEDERAL RULES.—Notice required under clause (i) shall be in addition to any notice required pursuant to the Federal Rules of Civil Procedure.

(B) APPOINTMENT OF LEAD PLAINTIFF.—

(i) IN GENERAL.—Not later than 90 days after the date on which a notice is published under subparagraph (A)(i), the court shall consider any motion made by a purported class member in response to the notice, including any motion by a class member who is not individually named as a plaintiff in the complaint or complaints, and shall appoint as lead plaintiff the member or members of the purported plaintiff class that the court determines to be most capable of adequately representing the interests of class members (hereafter in this paragraph referred to as the “most adequate plaintiff”) in accordance with this subparagraph.

(ii) CONSOLIDATED ACTIONS.—If more than one action on behalf of a class asserting substantially the same claim or claims arising under this title has been filed, and any party has sought to consolidate those actions for pretrial purposes or for trial, the court shall not make the determination required by clause (i) until after the decision on the motion to consolidate is rendered. As soon as practicable after such decision is rendered, the court shall appoint the most adequate plaintiff as lead plaintiff for the consolidated actions in accordance with this paragraph.

(iii) REBUTTABLE PRESUMPTION.—

(I) IN GENERAL.—Subject to subclause (II), for purposes of clause (i), the court shall adopt a presumption that the most adequate plaintiff in any private action arising under this title is the person or group of persons that—

(aa) has either filed the complaint or made a motion in response to a notice under subparagraph (A)(i);

(bb) in the determination of the court, has the largest financial interest in the relief sought by the class; and

(cc) otherwise satisfies the requirements of Rule 23 of the Federal Rules of Civil Procedure.

(II) REBUTTAL EVIDENCE.—The presumption described in subclause (I) may be rebutted only upon proof by a member of the purported plaintiff class that the presumptively most adequate plaintiff—

(aa) will not fairly and adequately protect the interests of the class; or

(bb) is subject to unique defenses that render such plaintiff incapable of adequately representing the class.

(iv) DISCOVERY.—For purposes of this subparagraph, discovery relating to whether a member or members of the purported plaintiff class is the most adequate plaintiff may be conducted by a plaintiff only if the plaintiff first demonstrates a reasonable basis for a finding that the presumptively most adequate plaintiff is incapable of adequately representing the class.

(v) SELECTION OF LEAD COUNSEL.—The most adequate plaintiff shall, subject to the approval of the court, select and retain counsel to represent the class.

(vi) RESTRICTIONS ON PROFESSIONAL PLAINTIFFS.—Except as the court may otherwise permit, consistent with the purposes of this section, a person may be a lead plaintiff, or an officer, director, or fiduciary of a lead plaintiff, in no more than 5 securities class actions brought as plaintiff class actions pursuant to the Federal Rules of Civil Procedure during any 3-year period.

(4) RECOVERY BY PLAINTIFFS.—The share of any final judgment or of any settlement that is awarded to a representative party serving on behalf of a class shall be equal, on a per share basis, to the portion of the final judgment or settlement awarded to all other members of the class. Nothing in this paragraph shall be construed to limit the award of reasonable costs and expenses (including lost wages) directly relating to the representation of the class to any representative party serving on behalf of a class.

(5) RESTRICTIONS ON SETTLEMENTS UNDER SEAL.—The terms and provisions of any settlement agreement of a class action shall not be filed under seal, except that on motion of any party to the settlement, the court may order filing under seal for those portions of a settlement agreement as to which good cause is shown for such filing under seal. For purposes of this paragraph, good cause shall exist only if publication of a

term or provision of a settlement agreement would cause direct and substantial harm to any party.

(6) RESTRICTIONS ON PAYMENT OF ATTORNEYS' FEES AND EXPENSES.—Total attorneys' fees and expenses awarded by the court to counsel for the plaintiff class shall not exceed a reasonable percentage of the amount of any damages and prejudgment interest actually paid to the class.

(7) DISCLOSURE OF SETTLEMENT TERMS TO CLASS MEMBERS.—Any proposed or final settlement agreement that is published or otherwise disseminated to the class shall include each of the following statements, along with a cover page summarizing the information contained in such statements:

(A) STATEMENT OF PLAINTIFF RECOVERY.—The amount of the settlement proposed to be distributed to the parties to the action, determined in the aggregate and on an average per share basis.

(B) STATEMENT OF POTENTIAL OUTCOME OF CASE.—

(i) AGREEMENT ON AMOUNT OF DAMAGES.—If the settling parties agree on the average amount of damages per share that would be recoverable if the plaintiff prevailed on each claim alleged under this title, a statement concerning the average amount of such potential damages per share.

(ii) DISAGREEMENT ON AMOUNT OF DAMAGES.—If the parties do not agree on the average amount of damages per share that would be recoverable if the plaintiff prevailed on each claim alleged under this title, a statement from each settling party concerning the issue or issues on which the parties disagree.

(iii) INADMISSIBILITY FOR CERTAIN PURPOSES.—A statement made in accordance with clause (i) or (ii) concerning the amount of damages shall not be admissible in any Federal or State judicial action or administrative proceeding, other than an action or proceeding arising out of such statement.

(C) STATEMENT OF ATTORNEYS' FEES OR COSTS SOUGHT.—If any of the settling parties or their counsel intend to apply to the court for an award of attorneys' fees or costs from any fund established as part of the settlement, a statement indicating which parties or counsel intend to make such an application, the amount of fees and costs that will be sought (including the amount of such fees and costs determined on an average per share basis), and a brief explanation supporting the fees and costs sought. Such information shall be clearly summarized on the cover page of any notice to a party of any proposed or final settlement agreement.

(D) IDENTIFICATION OF LAWYERS' REPRESENTATIVES.—The name, telephone number, and address of one or more representatives of counsel for the plaintiff class who will be reasonably available to answer questions from class members concerning any matter contained in any notice of settlement published or otherwise disseminated to the class.

(E) REASONS FOR SETTLEMENT.—A brief statement explaining the reasons why the parties are proposing the settlement.

(F) OTHER INFORMATION.—Such other information as may be required by the court.

(8) SECURITY FOR PAYMENT OF COSTS IN CLASS ACTIONS.—In any private action arising under this title that is certified as a class action pursuant to the Federal Rules of Civil Procedure, the court may require an undertaking from the attorneys for the plaintiff class, the defendant class, or both, or from the attorneys for the defendant, the plaintiff, or both, in such proportions and at such times as the court determines are just and equitable, for the payment of fees and expenses that may be awarded under this subsection.

(9) ATTORNEY CONFLICT OF INTEREST.—If a plaintiff class is represented by an attorney who directly owns or otherwise has a beneficial interest in the securities that are the subject of the litigation, the court shall make a determination of whether such ownership or other interest constitutes a conflict of interest sufficient to disqualify the attorney from representing the plaintiff class.

(b) REQUIREMENTS FOR SECURITIES FRAUD ACTIONS.—

(1) MISLEADING STATEMENTS AND OMISSIONS.—In any private action arising under this title in which the plaintiff alleges that the defendant—

(A) made an untrue statement of a material fact; or

(B) omitted to state a material fact necessary in order to make the statements made, in the light of the circumstances in which they were made, not misleading;

the complaint shall specify each statement alleged to have been misleading, the reason or reasons why the statement is misleading, and, if an allegation regarding the statement or omission is made on information and belief, the complaint shall state with particularity all facts on which that belief is formed.

(2) REQUIRED STATE OF MIND.—In any private action arising under this title in which the plaintiff may recover money damages only on proof that the defendant acted with a particular state of mind, the complaint shall, with respect to each act or omission alleged to violate this title, state with particularity facts giving rise to a strong inference that the defendant acted with the required state of mind.

(3) MOTION TO DISMISS; STAY OF DISCOVERY.—

(A) DISMISSAL FOR FAILURE TO MEET PLEADING REQUIREMENTS.—In any private action arising under this title, the court shall, on the motion of any defendant, dismiss the complaint if the requirements of paragraphs (1) and (2) are not met.

(B) STAY OF DISCOVERY.—In any private action arising under this title, all discovery and other proceedings shall be stayed during the pendency of any motion to dismiss, unless the court finds upon the motion of any party that particularized discovery is necessary to preserve evidence or to prevent undue prejudice to that party.

(C) PRESERVATION OF EVIDENCE.—

(i) IN GENERAL.—During the pendency of any stay of discovery pursuant to this paragraph, unless otherwise ordered by the court, any party to the action with actual notice of the allegations contained in the complaint shall treat all documents, data compilations (including electronically recorded or stored data), and tangible objects that are in the custody or control of such person and that are relevant to the allegations, as if they were the subject of a continuing request for production of documents from an opposing party under the Federal Rules of Civil Procedure.

(ii) SANCTION FOR WILLFUL VIOLATION.—A party aggrieved by the willful failure of an opposing party to comply with clause (i) may apply to the court for an order awarding appropriate sanctions.

(D) CIRCUMVENTION OF STAY OF DISCOVERY.—Upon a proper showing, a court may stay discovery proceedings in any private action in a State court, as necessary in aid of its jurisdiction, or to protect or effectuate its judgments, in an action subject to a stay of discovery pursuant to this paragraph.

(4) LOSS CAUSATION.—In any private action arising under this title, the plaintiff shall have the burden of proving that the act or omission of the defendant alleged to violate this title caused the loss for which the plaintiff seeks to recover damages.

(c) SANCTIONS FOR ABUSIVE LITIGATION.—

(1) MANDATORY REVIEW BY COURT.—In any private action arising under this title, upon final adjudication of the action, the court shall include in the record specific findings regarding compliance by each party and each attorney representing any party with each requirement of Rule 11(b) of the Federal Rules of Civil Procedure as to any complaint, responsive pleading, or dispositive motion.

(2) MANDATORY SANCTIONS.—If the court makes a finding under paragraph (1) that a party or attorney violated any requirement of Rule 11(b) of the Federal Rules of Civil Procedure as to any complaint, responsive pleading, or dispositive motion, the court shall impose sanctions on such party or attorney in accordance with Rule 11 of the Federal Rules of Civil Procedure. Prior to making a finding that any party or attorney has violated Rule 11 of the Federal Rules of Civil Procedure, the court shall give such party or attorney notice and an opportunity to respond.

(3) PRESUMPTION IN FAVOR OF ATTORNEYS' FEES AND COSTS.—

(A) IN GENERAL.—Subject to subparagraphs (B) and (C), for purposes of paragraph (2), the court shall adopt a presumption that the appropriate sanction—

(i) for failure of any responsive pleading or dispositive motion to comply with any requirement of Rule 11(b) of the Federal Rules of Civil Procedure is an award to the opposing party of the reasonable

attorneys' fees and other expenses incurred as a direct result of the violation; and

(ii) for substantial failure of any complaint to comply with any requirement of Rule 11(b) of the Federal Rules of Civil Procedure is an award to the opposing party of the reasonable attorneys' fees and other expenses incurred in the action.

(B) REBUTTAL EVIDENCE.—The presumption described in subparagraph (A) may be rebutted only upon proof by the party or attorney against whom sanctions are to be imposed that—

(i) the award of attorneys' fees and other expenses will impose an unreasonable burden on that party or attorney and would be unjust, and the failure to make such an award would not impose a greater burden on the party in whose favor sanctions are to be imposed; or

(ii) the violation of Rule 11(b) of the Federal Rules of Civil Procedure was de minimis.

(C) SANCTIONS.—If the party or attorney against whom sanctions are to be imposed meets its burden under subparagraph (B), the court shall award the sanctions that the court deems appropriate pursuant to Rule 11 of the Federal Rules of Civil Procedure.

(d) DEFENDANT'S RIGHT TO WRITTEN INTERROGATORIES.—In any private action arising under this title in which the plaintiff may recover money damages, the court shall, when requested by a defendant, submit to the jury a written interrogatory on the issue of each such defendant's state of mind at the time the alleged violation occurred.

(e) LIMITATION ON DAMAGES.—

(1) IN GENERAL.—Except as provided in paragraph (2), in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market.

(2) EXCEPTION.—In any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, if the plaintiff sells or repurchases the subject security prior to the expiration of the 90-day period described in paragraph (1), the plaintiff's damages shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the security and the mean trading price of the security during the period beginning immediately after dissemination of information correcting the misstatement or omission and ending on the date on which the plaintiff sells or repurchases the security.

(3) DEFINITION.—For purposes of this subsection, the “mean trading price” of a security shall be an average of the daily trading price of that security, determined as of the close of the market each day during the 90-day period referred to in paragraph (1).

(f) PROPORTIONATE LIABILITY.—

(1) APPLICABILITY.—Nothing in this subsection shall be construed to create, affect, or in any manner modify, the standard for liability associated with any action arising under the securities laws.

(2) LIABILITY FOR DAMAGES.—

(A) JOINT AND SEVERAL LIABILITY.—Any covered person against whom a final judgment is entered in a private action shall be liable for damages jointly and severally only if the trier of fact specifically determines that such covered person knowingly committed a violation of the securities laws.

(B) PROPORTIONATE LIABILITY.—

(i) IN GENERAL.—Except as provided in subparagraph (A), a covered person against whom a final judgment is entered in a private action shall be liable solely for the portion of the judgment that corresponds to the percentage of responsibility of that covered person, as determined under paragraph (3).

(ii) RECOVERY BY AND COSTS OF COVERED PERSON.—In any case in which a contractual relationship permits, a covered person that prevails in any private action may recover the attorney’s fees and costs of that covered person in connection with the action.

(3) DETERMINATION OF RESPONSIBILITY.—

(A) IN GENERAL.—In any private action, the court shall instruct the jury to answer special interrogatories, or if there is no jury, shall make findings, with respect to each covered person and each of the other persons claimed by any of the parties to have caused or contributed to the loss incurred by the plaintiff, including persons who have entered into settlements with the plaintiff or plaintiffs, concerning—

(i) whether such person violated the securities laws;

(ii) the percentage of responsibility of such person, measured as a percentage of the total fault of all persons who caused or contributed to the loss incurred by the plaintiff; and

(iii) whether such person knowingly committed a violation of the securities laws.

(B) CONTENTS OF SPECIAL INTERROGATORIES OR FINDINGS.—The responses to interrogatories, or findings, as appropriate, under subparagraph (A) shall specify the total amount of damages that the plaintiff is entitled to recover and the percentage of responsibility of each covered person found to have caused or contributed to the loss incurred by the plaintiff or plaintiffs.

(C) FACTORS FOR CONSIDERATION.—In determining the percentage of responsibility under this paragraph, the trier of fact shall consider—

(i) the nature of the conduct of each covered person found to have caused or contributed to the loss incurred by the plaintiff or plaintiffs; and

(ii) the nature and extent of the causal relationship between the conduct of each such person and the damages incurred by the plaintiff or plaintiffs.

(4) UNCOLLECTIBLE SHARE.—

(A) IN GENERAL.—Notwithstanding paragraph (2)(B), upon motion made not later than 6 months after a final judgment is entered in any private action, the court determines that all or part of the share of the judgment of the covered person is not collectible against that covered person, and is also not collectible against a covered person described in paragraph (2)(A), each covered person described in paragraph (2)(B) shall be liable for the uncollectible share as follows:

(i) PERCENTAGE OF NET WORTH.—Each covered person shall be jointly and severally liable for the uncollectible share if the plaintiff establishes that—

(I) the plaintiff is an individual whose recoverable damages under the final judgment are equal to more than 10 percent of the net worth of the plaintiff; and

(II) the net worth of the plaintiff is equal to less than \$200,000.

(ii) OTHER PLAINTIFFS.—With respect to any plaintiff not described in subclauses (I) and (II) of clause (i), each covered person shall be liable for the uncollectible share in proportion to the percentage of responsibility of that covered person, except that the total liability of a covered person under this clause may not exceed 50 percent of the proportionate share of that covered person, as determined under paragraph (3)(B).

(iii) NET WORTH.—For purposes of this subparagraph, net worth shall be determined as of the date immediately preceding the date of the purchase or sale (as applicable) by the plaintiff of the security that is the subject of the action, and shall be equal to the fair market value of assets, minus liabilities, including the net value of the investments of the plaintiff in real and personal property (including personal residences).

(B) OVERALL LIMIT.—In no case shall the total payments required pursuant to subparagraph (A) exceed the amount of the uncollectible share.

(C) COVERED PERSONS SUBJECT TO CONTRIBUTION.—A covered person against whom judgment is not collectible shall be subject to contribution and to any continuing liability to the plaintiff on the judgment.

(5) RIGHT OF CONTRIBUTION.—To the extent that a covered person is required to make an additional payment pursuant to paragraph (4), that covered person may recover contribution—

(A) from the covered person originally liable to make the payment;

(B) from any covered person liable jointly and severally pursuant to paragraph (2)(A);

(C) from any covered person held proportionately liable pursuant to this paragraph who is liable to make the same payment and has paid less than his or her proportionate share of that payment; or

(D) from any other person responsible for the conduct giving rise to the payment that would have been liable to make the same payment.

(6) NONDISCLOSURE TO JURY.—The standard for allocation of damages under paragraphs (2) and (3) and the procedure for reallocation of uncollectible shares under paragraph (4) shall not be disclosed to members of the jury.

(7) SETTLEMENT DISCHARGE.—

(A) IN GENERAL.—A covered person who settles any private action at any time before final verdict or judgment shall be discharged from all claims for contribution brought by other persons. Upon entry of the settlement by the court, the court shall enter a bar order constituting the final discharge of all obligations to the plaintiff of the settling covered person arising out of the action. The order shall bar all future claims for contribution arising out of the action—

(i) by any person against the settling covered person; and

(ii) by the settling covered person against any person, other than a person whose liability has been extinguished by the settlement of the settling covered person.

(B) REDUCTION.—If a covered person enters into a settlement with the plaintiff prior to final verdict or judgment, the verdict or judgment shall be reduced by the greater of—

(i) an amount that corresponds to the percentage of responsibility of that covered person; or

(ii) the amount paid to the plaintiff by that covered person.

(8) CONTRIBUTION.—A covered person who becomes jointly and severally liable for damages in any private action may recover contribution from any other person who, if joined in the original action, would have been liable for the same damages. A claim for contribution shall be determined based on the percentage of responsibility of the claimant and of each person against whom a claim for contribution is made.

(9) STATUTE OF LIMITATIONS FOR CONTRIBUTION.—In any private action determining liability, an action for contribution shall be brought not later than 6 months after the entry of a final, nonappealable judgment in the action, except that an action for contribution brought by a covered person who was re-

quired to make an additional payment pursuant to paragraph (4) may be brought not later than 6 months after the date on which such payment was made.

(10) DEFINITIONS.—For purposes of this subsection—

(A) a covered person “knowingly commits a violation of the securities laws”—

(i) with respect to an action that is based on an untrue statement of material fact or omission of a material fact necessary to make the statement not misleading, if—

(I) that covered person makes an untrue statement of a material fact, with actual knowledge that the representation is false, or omits to state a fact necessary in order to make the statement made not misleading, with actual knowledge that, as a result of the omission, one of the material representations of the covered person is false; and

(II) persons are likely to reasonably rely on that misrepresentation or omission; and

(ii) with respect to an action that is based on any conduct that is not described in clause (i), if that covered person engages in that conduct with actual knowledge of the facts and circumstances that make the conduct of that covered person a violation of the securities laws;

(B) reckless conduct by a covered person shall not be construed to constitute a knowing commission of a violation of the securities laws by that covered person;

(C) the term “covered person” means—

(i) a defendant in any private action arising under this title; or

(ii) a defendant in any private action arising under section 11 of the Securities Act of 1933, who is an outside director of the issuer of the securities that are the subject of the action; and

(D) the term “outside director” shall have the meaning given such term by rule or regulation of the Commission.

SEC. 21E. [78u-5] APPLICATION OF SAFE HARBOR FOR FORWARD-LOOKING STATEMENTS.

(a) APPLICABILITY.—This section shall apply only to a forward-looking statement made by—

(i) was convicted of any felony or misdemeanor described in clauses (i) through (iv) of section 15(b)(4)(B); or

(I) prohibits future violations of the antifraud provisions of the securities laws;

(II) requires that the issuer cease and desist from violating the antifraud provisions of the securities laws; or

(III) determines that the issuer violated the antifraud provisions of the securities laws;

(B) makes the forward-looking statement in connection with an offering of securities by a blank check company;

(F) made in a disclosure of beneficial ownership in a report required to be filed with the Commission pursuant to section 13(d).

(c) SAFE HARBOR.—

(1) IN GENERAL.—Except as provided in subsection (b), in any private action arising under this title that is based on an untrue statement of a material fact or omission of a material fact necessary to make the statement not misleading, a person referred to in subsection (a) shall not be liable with respect to any forward-looking statement, whether written or oral, if and to the extent that—

(A) the forward-looking statement is—

(i) identified as a forward-looking statement, and is accompanied by meaningful cautionary statements identifying important factors that could cause actual results to differ materially from those in the forward-looking statement; or

(ii) immaterial; or

(B) the plaintiff fails to prove that the forward-looking statement—

(i) if made by a natural person, was made with actual knowledge by that person that the statement was false or misleading; or

(ii) if made by a business entity; was—

(I) made by or with the approval of an executive officer of that entity; and

(II) made or approved by such officer with actual knowledge by that officer that the statement was false or misleading.

(2) ORAL FORWARD-LOOKING STATEMENTS.—In the case of an oral forward-looking statement made by an issuer that is subject to the reporting requirements of section 13(a) or section 15(d), or by a person acting on behalf of such issuer, the requirement set forth in paragraph (1)(A) shall be deemed to be satisfied—

(A) if the oral forward-looking statement is accompanied by a cautionary statement—

(i) that the particular oral statement is a forward-looking statement; and

(ii) that the actual results might differ materially from those projected in the forward-looking statement; and

(B) if—

(i) the oral forward-looking statement is accompanied by an oral statement that additional information concerning factors that could cause actual results to materially differ from those in the forward-looking statement is contained in a readily available written document, or portion thereof;

(ii) the accompanying oral statement referred to in clause (i) identifies the document, or portion thereof, that contains the additional information about those factors relating to the forward-looking statement; and

(iii) the information contained in that written document is a cautionary statement that satisfies the standard established in paragraph (1)(A).

(3) AVAILABILITY.—Any document filed with the Commission or generally disseminated shall be deemed to be readily available for purposes of paragraph (2).

(4) EFFECT ON OTHER SAFE HARBORS.—The exemption provided for in paragraph (1) shall be in addition to any exemption that the Commission may establish by rule or regulation under subsection (g).

(d) DUTY TO UPDATE.—Nothing in this section shall impose upon any person a duty to update a forward-looking statement.

(e) DISPOSITIVE MOTION.—On any motion to dismiss based upon subsection (c)(1), the court shall consider any statement cited in the complaint and any cautionary statement accompanying the forward-looking statement, which are not subject to material dispute, cited by the defendant.

(f) STAY PENDING DECISION ON MOTION.—In any private action arising under this title, the court shall stay discovery (other than discovery that is specifically directed to the applicability of the exemption provided for in this section) during the pendency of any

motion by a defendant for summary judgment that is based on the grounds that—

(1) the statement or omission upon which the complaint is based is a forward-looking statement within the meaning of this section; and

(2) the exemption provided for in this section precludes a claim for relief.

(g) EXEMPTION AUTHORITY.—In addition to the exemptions provided for in this section, the Commission may, by rule or regulation, provide exemptions from or under any provision of this title, including with respect to liability that is based on a statement or that is based on projections or other forward-looking information, if and to the extent that any such exemption is consistent with the public interest and the protection of investors, as determined by the Commission.

(h) EFFECT ON OTHER AUTHORITY OF COMMISSION.—Nothing in this section limits, either expressly or by implication, the authority of the Commission to exercise similar authority or to adopt similar rules and regulations with respect to forward-looking statements under any other statute under which the Commission exercises rulemaking authority.

SEC. 23. [78w] (a)(1) The Commission, the Board of Governors of the Federal Reserve System, and the other agencies enumerated in section 3(a)(34) of this title shall each have power to make such rules and regulations as may be necessary or appropriate to implement the provisions of this title for which they are responsible or for the execution of the functions vested in them by this title, and may for such purposes classify persons, securities, transactions, statements, applications, reports, and other matters within their respective jurisdictions, and prescribe greater, lesser, or different requirements for different classes thereof. No provision of this title imposing any liability shall apply to any act done or omitted in good faith in conformity with a rule, regulation, or order of the Commission, the Board of Governors of the Federal Reserve System, other agency enumerated in section 3(a)(34) of this title, or any self-regulatory organization, notwithstanding that such rule, regulation, or order may thereafter be amended or rescinded or determined by judicial or other authority to be invalid for any reason.

(2) The Commission and the Secretary of the Treasury, in making rules and regulations pursuant to any provisions of this title, shall consider among other matters the impact any such rule or regulation would have on competition. The Commission and the Secretary of the Treasury shall not adopt any such rule or regulation which would impose a burden on competition not necessary or appropriate in furtherance of the purposes of this title. The Commission and the Secretary of the Treasury shall include in the statement of basis and purpose incorporated in any rule or regulation adopted under this title, the reasons for the Commission's or the Secretary's determination that any burden on competition imposed by such rule or regulation is necessary or appropriate in furtherance of the purposes of this title.

(3) The Commission and the Secretary, in making rules and regulations pursuant to any provision of this title, considering any application for registration in accordance with section 19(a) of this title, or reviewing any proposed rule change of a self-regulatory organization in accordance with section 19(b) of this title, shall keep in a public file and make available for copying all written

statements filed with the Commission and the Secretary and all written communications between the Commission or the Secretary and any person relating to the proposed rule, regulation, application, or proposed rule change: *Provided, however,* That the Commission and the Secretary shall not be required to keep in a public file or make available for copying any such statement or communication which it may withhold from the public in accordance with the provisions of section 552 of title 5, United States Code.

(b)(1) The Commission, the Board of Governors of the Federal Reserve System, and the other agencies enumerated in section 3(a)(34) of this title, shall each make an annual report to the Congress on its work for the preceding year, and shall include in each such report whatever information, data, and recommendations for further legislation it considers advisable with regard to matters within its respective jurisdiction under this title.

(2) The appropriate regulatory agency for a self-regulatory organization shall include in its annual report to the Congress for each fiscal year, a summary of its oversight activities under this title with respect to such self-regulatory organization, including a description of any examination conducted as part of such activities of any organization, any material recommendation presented as part of such activities to such organization for changes in its organization or rules, and any such action by such organization in response to any such recommendation.

(3) The appropriate regulatory agency for any class of municipal securities dealers shall include in its annual report to the Congress for each fiscal year a summary of its regulatory activities pursuant to this title with respect to such municipal securities dealers, including the nature of and reason for any sanction imposed pursuant to this title against any such municipal securities dealer.

(4) The Commission shall also include in its annual report to the Congress for each fiscal year—

(A) a summary of the Commission's oversight activities with respect to self-regulatory organizations for which it is not the appropriate regulatory agency, including a description of any examination of any such organization, any material recommendation presented to any such organization for changes in its organization or rules, and any action by any such organization in response to any such recommendations;

(B) a statement and analysis of the expenses and operations of each self-regulatory organization in connection with the performance of its responsibilities under this title, for which purpose data pertaining to such expenses and operations shall be made available by such organization to the Commission at its request;

(C) the steps the Commission has taken and the progress it has made toward ending the physical movement of the securities certificate in connection with the settlement of securities transactions, and its recommendations, if any, for legislation to eliminate the securities certificate;

(D) the number of requests for exemptions from provisions of this title received, the number granted, and the basis upon which any such exemption was granted;

(E) a summary of the Commission's regulatory activities with respect to municipal securities dealers for which it is not the appropriate regulatory agency, including the nature of, and reason for, any sanction imposed in proceedings against such municipal securities dealers;

(F) a statement of the time elapsed between the filing of reports pursuant to section 13(f) of this title and the public availability of the information contained therein, the costs involved in the Commission's processing of such reports and tabulating such information, the manner in which the Commission uses such information, and the steps the Commission has taken and the progress it has made toward requiring such reports to be filed and such information to be made available to the public in machine language;

(G) information concerning (i) the effects its rules and regulations are having on the viability of small brokers and dealers; (ii) its attempts to reduce any unnecessary reporting burden on such brokers and dealers; and (iii) its efforts to help to assure the continued participation of small brokers and dealers in the United States securities markets;

(H) a statement detailing its administration of the Freedom of Information Act, section 552 of title 5, United States Code, including a copy of the report filed pursuant to subsection (d) of such section; and

(I) the steps that have been taken and the progress that has been made in promoting the timely public dissemination and availability for analytical purposes (on a fair, reasonable, and nondiscriminatory basis) of information concerning government securities transactions and quotations, and its recommendations, if any, for legislation to assure timely dissemination of (i) information on transactions in regularly traded government securities sufficient to permit the determination of the prevailing market price for such securities, and (ii) reports of the highest published bids and lowest published offers for government securities (including the size at which persons are willing to trade with respect to such bids and offers).

(c) The Commission, by rule, shall prescribe the procedure applicable to every case pursuant to this title of adjudication (as defined in section 551 of title 5, United States Code) not required to be determined on the record after notice and opportunity for hearing. Such rules shall, as a minimum, provide that prompt notice shall be given of any adverse action or final disposition and that such notice and the entry of any order shall be accompanied by a statement of written reasons.

(d) CEASE-AND-DESIST PROCEDURES.—Within 1 year after the date of enactment of this subsection, the Commission shall establish regulations providing for the expeditious conduct of hearings and rendering of decisions under section 21C of this title, section 8A of the Securities Act of 1933, section 9(f) of the Investment Company Act of 1940, and section 203(k) of the Investment Advisers Act of 1940.

PUBLIC AVAILABILITY OF INFORMATION

SEC. 24. [78x] (a) For purposes of section 552 of title 5, United States Code, the term “records” includes all applications, statements, reports, contracts, correspondence, notices, and other documents filed with or otherwise obtained by the Commission pursuant to this title or otherwise.

(b) It shall be unlawful for any member, officer, or employee of the Commission to disclose to any person other than a member, officer, or employee of the Commission, or to use for personal benefit, any information contained in any application, statement, report, contract, correspondence, notice, or other document filed with or otherwise obtained by the Commission (1) in contravention of the rules and regulations of the Commission under section 552 of Title 5, United States Code, or (2) in circumstances where the Commission has determined pursuant to such rules to accord confidential treatment to such information.

(c) CONFIDENTIAL DISCLOSURES.—The Commission may, in its discretion and upon a showing that such information is needed, provide all “records” (as defined in subsection (a)) and other information in its possession to such persons, both domestic and foreign, as the Commission by rule deems appropriate if the person receiving such records or information provides such assurances of confidentiality as the Commission deems appropriate.

(d) RECORDS OBTAINED FROM FOREIGN SECURITIES AUTHORITIES.—Except as provided in subsection (e), the Commission shall not be compelled to disclose records obtained from a foreign securities authority if (1) the foreign securities authority has in good faith determined and represented to the Commission that public disclosure of such records would violate the laws applicable to that foreign securities authority, and (2) the Commission obtains such records pursuant to (A) such procedure as the Commission may authorize for use in connection with the administration or enforcement of the securities laws, or (B) a memorandum of understanding. For purposes of section 552 of title 5, United States Code, this subsection shall be considered a statute described in subsection (b)(3)(B) of such section 552.

(e) SAVINGS PROVISIONS.—Nothing in this section shall—

(1) alter the Commission’s responsibilities under the Right to Financial Privacy Act (12 U.S.C. 3401 et seq.), as limited by section 21(h) of this Act, with respect to transfers of records covered by such statutes, or

(2) authorize the Commission to withhold information from the Congress or prevent the Commission from complying with an order of a court of the United States in an action commenced by the United States or the Commission.

COURT REVIEW OF ORDERS AND RULES

SEC. 25. [78y] (a)(1) A person aggrieved by a final order of the Commission entered pursuant to this title may obtain review of the order in the United States Court of Appeals for the circuit in which he resides or has his principal place of business, or for the District of Columbia Circuit, by filing in such court, within sixty days after

the entry of the order, a written petition requesting that the order be modified or set aside in whole or in part.

(2) A copy of the petition shall be transmitted forthwith by the clerk of the court to a member of the Commission or an officer designated by the Commission for that purpose. Thereupon the Commission shall file in the court the record on which the order complained of is entered, as provided in section 2112 of title 28, United States Code, and the Federal Rules of Appellate Procedure.

(3) On the filing of the petition, the court has jurisdiction, which becomes exclusive on the filing of the record, to affirm or modify and enforce or to set aside the order in whole or in part.

(4) The findings of the Commission as to the facts, if supported by substantial evidence, are conclusive.

(5) If either party applies to the court for leave to adduce additional evidence and shows to the satisfaction of the court that the additional evidence is material and that there was reasonable ground for failure to adduce it before the Commission, the court may remand the case to the Commission for further proceedings, in whatever manner and on whatever conditions the court considers appropriate. If the case is remanded to the Commission, it shall file in the court a supplemental record containing any new evidence, any further or modified findings, and any new order.

(b)(1) A person adversely affected by a rule of the Commission promulgated pursuant to section 6, 9(h)(2), 11, 11A, 15(c) (5) or (6), 15A, 17, 17A, or 19 of this title may obtain review of this rule in the United States Court of Appeals for the circuit in which he resides or has his principal place of business or for the District of Columbia Circuit, by filing in such court, within sixty days after the promulgation of the rule, a written petition requesting that the rule be set aside.

(2) A copy of the petition shall be transmitted forthwith by the clerk of the court to a member of the Commission or an officer designated for that purpose. Thereupon, the Commission shall file in the court the rule under review and any documents referred to therein, the Commission's notice of proposed rulemaking and any documents referred to therein, all written submissions and the transcript of any oral presentations in the rulemaking, factual information not included in the foregoing that was considered by the Commission in the promulgation of the rule or proffered by the Commission as pertinent to the rule, the report of any advisory committee received or considered by the Commission in the rulemaking, and any other materials prescribed by the court.

(3) On the filing of the petition, the court has jurisdiction, which becomes exclusive on the filing of the materials set forth in paragraph (2) of this subsection, to affirm and enforce or to set aside the rule.

(4) The findings of the Commission as to the facts identified by the Commission as the basis, in whole or in part, of the rule, if supported by substantial evidence, are conclusive. The court shall affirm and enforce the rule unless the Commission's action in promulgating the rule is found to be arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law; contrary to constitutional right, power, privilege, or immunity; in excess of statu-

tory jurisdiction, authority, or limitations, or short of statutory right; or without observance of procedure required by law.

(5) If proceedings have been instituted under this subsection in two or more courts of appeals with respect to the same rule, the Commission shall file the materials set forth in paragraph (2) of this subsection in that court in which a proceeding was first instituted. The other courts shall thereupon transfer all such proceedings to the court in which the materials have been filed. For the convenience of the parties in the interest of justice that court may thereafter transfer all the proceedings to any other court of appeals.

(c)(1) No objection to an order or rule of the Commission, for which review is sought under this section, may be considered by the court unless it was urged before the Commission or there was reasonable ground for failure to do so.

(2) The filing of a petition under this section does not operate as a stay of the Commission's order or rule. Until the court's jurisdiction becomes exclusive, the Commission may stay its order or rule pending judicial review if it finds that justice so requires. After the filing of a petition under this section, the court, on whatever conditions may be required and to the extent necessary to prevent irreparable injury, may issue all necessary and appropriate process to stay the order or rule or to preserve status or rights pending its review; but (notwithstanding section 705 of title 5, United States Code) no such process may be issued by the court before the filing of the record or the materials set forth in subsection (b)(2) of this section unless: (A) the Commission has denied a stay or failed to grant requested relief, (B) a reasonable period has expired since the filing of an application for a stay without a decision by the Commission, or (C) there was reasonable ground for failure to apply to the Commission.

(3) When the same order or rule is the subject of one or more petitions for review filed under this section and an action for enforcement filed in a district court of the United States under section 21 (d) or (e) of this title, that court in which the petition or the action is first filed has jurisdiction with respect to the order or rule to the exclusion of any other court, and thereupon all such proceedings shall be transferred to that court; but, for the convenience of the parties in the interest of justice, that court may thereafter transfer all the proceedings to any other court of appeals or district court of the United States, whether or not a petition for review or an action for enforcement was originally filed in the transferee court. The scope of review by a district court under section 21 (d) or (e) of this title is in all cases the same as by a court of appeals under this section.

(d)(1) For purposes of the preceding subsections of this section, the term "Commission" includes the agencies enumerated in section 3(a)(34) of this title insofar as such agencies are acting pursuant to this title and the Secretary of the Treasury insofar as he is acting pursuant to section 15C of this title.

(2) For purposes of subsection (a)(4) of this section and section 706 of title 5, United States Code, an order of the Commission pursuant to section 19(a) of this title denying registration to a clearing agency for which the Commission is not the appropriate regulatory

agency or pursuant to section 19(b) of this title disapproving a proposed rule change by such a clearing agency shall be deemed to be an order of the appropriate regulatory agency for such clearing agency insofar as such order was entered by reason of a determination by such appropriate regulatory agency pursuant to section 19(a)(2)(C) or 19(b)(4)(C) of this title that such registration or proposed rule change would be inconsistent with the safeguarding of securities or funds.

UNLAWFUL REPRESENTATIONS

SEC. 26. [78z] No action or failure to act by the Commission or the Board of Governors of the Federal Reserve System, in the administration of this title shall be construed to mean that the particular authority has in any way passed upon the merits of, or given approval to, any security or any transaction or transactions therein, nor shall such action or failure to act with regard to any statement or report filed with or examined by such authority pursuant to this title or rules and regulations thereunder, be deemed a finding by such authority that such statement or report is true and accurate on its face or that it is not false or misleading. It shall be unlawful to make, or cause to be made, to any prospective purchaser or seller of a security any representation that any such action or failure to act by any such authority is to be so construed or has such effect.

JURISDICTION OF OFFENSES AND SUITS

SEC. 27. [78aa] The district courts of the United States and the United States courts of any Territory or other place subject to the jurisdiction of the United States shall have exclusive jurisdiction of violations of this title or the rules and regulations thereunder, and of all suits in equity and actions at law brought to enforce any liability or duty created by this title or the rules and regulations thereunder. Any criminal proceeding may be brought in the district wherein any act or transaction constituting the violation occurred. Any suit or action to enforce any liability or duty created by this title or rules and regulations thereunder, or to enjoin any violation of such title or rules and regulations, may be brought in any such district or in the district wherein the defendant is found or is an inhabitant or transacts business, and process in such cases may be served in any other district of which the defendant is an inhabitant or wherever the defendant may be found. Judgments and decrees so rendered shall be subject to review as provided in sections 1254, 1291, 1292, and 1294 of title 28, United States Code. No costs shall be assessed for or against the Commission in any proceeding under this title brought by or against it in the Supreme Court or such other courts.

SPECIAL PROVISION RELATING TO STATUTE OF LIMITATIONS ON PRIVATE CAUSES OF ACTION

SEC. 27A. [78aa-1] (a) EFFECT ON PENDING CAUSES OF ACTION.—The limitation period for any private civil action implied under section 10(b) of this Act that was commenced on or before June 19, 1991, shall be the limitation period provided by the laws

applicable in the jurisdiction, including principles of retroactivity, as such laws existed on June 19, 1991.

(b) EFFECT ON DISMISSED CAUSES OF ACTION.—Any private civil action implied under section 10(b) of this Act that was commenced on or before June 19, 1991—

(1) which was dismissed as time barred subsequent to June 19, 1991, and

(2) which would have been timely filed under the limitation period provided by the laws applicable in the jurisdiction, including principles of retroactivity, as such laws existed on June 19, 1991,

shall be reinstated on motion by the plaintiff not later than 60 days after the date of enactment of this section.

EFFECT ON EXISTING LAW

SEC. 28. [78bb] (a) Except as provided in subsection (f), the rights and remedies provided by this title shall be in addition to any and all other rights and remedies that may exist at law or in equity; but no person permitted to maintain a suit for damages under the provisions of this title shall recover, through satisfaction of judgment in one or more actions, a total amount in excess of his actual damages on account of the act complained of. Except as otherwise specifically provided in this title, nothing in this title shall affect the jurisdiction of the securities commission (or any agency or officer performing like functions) of any State over any security or any person insofar as it does not conflict with the provisions of this title or the rules and regulations thereunder. No State law which prohibits or regulates the making or promoting of wagering or gaming contracts, or the operation of “bucket shops” or other similar or related activities, shall invalidate any put, call, straddle, option, privilege, or other security subject to this title, or apply to any activity which is incidental or related to the offer, purchase, sale, exercise, settlement, or closeout of any such security. No provision of State law regarding the offer, sale, or distribution of securities shall apply to any transaction in a security futures product, except that this sentence shall not be construed as limiting any State antifraud law of general applicability.

(b) Nothing in this title shall be construed to modify existing law with regard to the binding effect (1) on any member of or participant in any self-regulatory organization of any action taken by the authorities of such organization to settle disputes between its members or participants, (2) on any municipal securities dealer or municipal securities broker of any action taken pursuant to a procedure established by the Municipal Securities Rulemaking Board to settle disputes between municipal securities dealers and municipal securities brokers, or (3) of any action described in paragraph (1) or (2) on any person who has agreed to be bound thereby.

(c) The stay, setting aside, or modification pursuant to section 19(e) of this title of any disciplinary sanction imposed by a self-regulatory organization on a member thereof, person associated with a member, or participant therein, shall not affect the validity or force of any action taken as a result of such sanction by the self-regulatory organization prior to such stay, setting aside, or modification: *Provided*, That such action is not inconsistent with the

provisions of this title or the rules or regulations thereunder. The rights of any person acting in good faith which arise out of any such action shall not be affected in any way by such stay, setting aside, or modification.

(d) No State or political subdivision thereof shall impose any tax on any change in beneficial or record ownership of securities effected through the facilities of a registered clearing agency or registered transfer agent or any nominee thereof or custodian therefor or upon the delivery or transfer of securities to or through or receipt from such agency or agent or any nominee thereof or custodian therefor, unless such change in beneficial or record ownership or such transfer or delivery or receipt would otherwise be taxable by such State or political subdivision if the facilities of such registered clearing agency, registered transfer agent, or any nominee thereof or custodian therefor were not physically located in the taxing State or political subdivision. No State or political subdivision thereof shall impose any tax on securities which are deposited in or retained by a registered clearing agency, registered transfer agent, or any nominee thereof or custodian therefor, unless such securities would otherwise be taxable by such State or political subdivision if the facilities of such registered clearing agency, registered transfer agent, or any nominee thereof or custodian therefor were not physically located in the taxing State or political subdivision.

(e)(1) No person using the mails, or any means or instrumentality of interstate commerce, in the exercise of investment discretion with respect to an account shall be deemed to have acted unlawfully or to have breached a fiduciary duty under State or Federal law unless expressly provided to the contrary by a law enacted by the Congress or any State subsequent to the date of enactment of the Securities Acts Amendments of 1975 solely by reason of his having caused the account to pay a member of an exchange, broker, or dealer an amount of commission for effecting a securities transaction in excess of the amount of commission another member of an exchange, broker, or dealer would have charged for effecting that transaction, if such person determined in good faith that such amount of commission was reasonable in relation to the value of the brokerage and research services provided by such member, broker, or dealer, viewed in terms of either that particular transaction or his overall responsibilities with respect to the accounts as to which he exercises investment discretion. This subsection is exclusive and plenary insofar as conduct is covered by the foregoing, unless otherwise expressly provided by contract: *Provided, however,* That nothing in this subsection shall be construed to impair or limit the power of the Commission under any other provision of this title or otherwise.

(2) A person exercising investment discretion with respect to an account shall make such disclosure of his policies and practices with respect to commissions that will be paid for effecting securities transactions, at such times and in such manner, as the appropriate regulatory agency, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3) For purposes of this subsection a person provides brokerage and research services insofar as he—

(A) furnishes advice, either directly or through publications or writings, as to the value of securities, the advisability of investing in, purchasing, or selling securities, and the availability of securities or purchasers or sellers of securities;

(B) furnishes analyses and reports concerning issuers, industries, securities, economic factors and trends, portfolio strategy, and the performance of accounts; or

(C) effects securities transactions and performs functions incidental thereto (such as clearance, settlement, and custody) or required in connection therewith by rules of the Commission or a self-regulatory organization of which such person is a member or person associated with a member or in which such person is a participant.

(4) The provisions of this subsection shall not apply with regard to securities that are security futures products.

(f) LIMITATIONS ON REMEDIES.—¹

(1) CLASS ACTION LIMITATIONS.—No covered class action based upon the statutory or common law of any State or subdivision thereof may be maintained in any State or Federal court by any private party alleging—

(A) a misrepresentation or omission of a material fact in connection with the purchase or sale of a covered security; or

(B) that the defendant used or employed any manipulative or deceptive device or contrivance in connection with the purchase or sale of a covered security.

(2) REMOVAL OF COVERED CLASS ACTIONS.—Any covered class action brought in any State court involving a covered security, as set forth in paragraph (1), shall be removable to the Federal district court for the district in which the action is pending, and shall be subject to paragraph (1).

(3) PRESERVATION OF CERTAIN ACTIONS.—

(A) ACTIONS UNDER STATE LAW OF STATE OF INCORPORATION.—

(i) ACTIONS PRESERVED.—Notwithstanding paragraph (1) or (2), a covered class action described in clause (ii) of this subparagraph that is based upon the statutory or common law of the State in which the issuer is incorporated (in the case of a corporation) or organized (in the case of any other entity) may be maintained in a State or Federal court by a private party.

(ii) PERMISSIBLE ACTIONS.—A covered class action is described in this clause if it involves—

(I) the purchase or sale of securities by the issuer or an affiliate of the issuer exclusively from or to holders of equity securities of the issuer; or

(II) any recommendation, position, or other communication with respect to the sale of securities of an issuer that—

¹ See footnote to section 16 of the Securities Act of 1933.

(aa) is made by or on behalf of the issuer or an affiliate of the issuer to holders of equity securities of the issuer; and

(bb) concerns decisions of such equity holders with respect to voting their securities, acting in response to a tender or exchange offer, or exercising dissenters' or appraisal rights.

(B) STATE ACTIONS.—

(i) IN GENERAL.—Notwithstanding any other provision of this subsection, nothing in this subsection may be construed to preclude a State or political subdivision thereof or a State pension plan from bringing an action involving a covered security on its own behalf, or as a member of a class comprised solely of other States, political subdivisions, or State pension plans that are named plaintiffs, and that have authorized participation, in such action.

(ii) STATE PENSION PLAN DEFINED.—For purposes of this subparagraph, the term “State pension plan” means a pension plan established and maintained for its employees by the government of a State or political subdivision thereof, or by any agency or instrumentality thereof.

(C) ACTIONS UNDER CONTRACTUAL AGREEMENTS BETWEEN ISSUERS AND INDENTURE TRUSTEES.—Notwithstanding paragraph (1) or (2), a covered class action that seeks to enforce a contractual agreement between an issuer and an indenture trustee may be maintained in a State or Federal court by a party to the agreement or a successor to such party.

(D) REMAND OF REMOVED ACTIONS.—In an action that has been removed from a State court pursuant to paragraph (2), if the Federal court determines that the action may be maintained in State court pursuant to this subsection, the Federal court shall remand such action to such State court.

(4) PRESERVATION OF STATE JURISDICTION.—The securities commission (or any agency or office performing like functions) of any State shall retain jurisdiction under the laws of such State to investigate and bring enforcement actions.

(5) DEFINITIONS.—For purposes of this subsection, the following definitions shall apply:

(A) AFFILIATE OF THE ISSUER.—The term “affiliate of the issuer” means a person that directly or indirectly, through one or more intermediaries, controls or is controlled by or is under common control with, the issuer.

(B) COVERED CLASS ACTION.—The term “covered class action” means—

(i) any single lawsuit in which—

(I) damages are sought on behalf of more than 50 persons or prospective class members, and questions of law or fact common to those persons or members of the prospective class, without ref-

erence to issues of individualized reliance on an alleged misstatement or omission, predominate over any questions affecting only individual persons or members; or

(II) one or more named parties seek to recover damages on a representative basis on behalf of themselves and other unnamed parties similarly situated, and questions of law or fact common to those persons or members of the prospective class predominate over any questions affecting only individual persons or members; or

(ii) any group of lawsuits filed in or pending in the same court and involving common questions of law or fact, in which—

(I) damages are sought on behalf of more than 50 persons; and

(II) the lawsuits are joined, consolidated, or otherwise proceed as a single action for any purpose.

any act in violation of the lawful duty of such foreign official, political party, party official, or candidate, or (iii) securing any improper advantage; or

(B) inducing such foreign official, political party, party official, or candidate to use his or its influence with a foreign government or instrumentality thereof to affect or influence any act or decision of such government or instrumentality,

in order to assist such issuer in obtaining or retaining business for or with, or directing business to, any person.

(b) EXCEPTION FOR ROUTINE GOVERNMENTAL ACTION.—Subsections (a) and (g) shall not apply to any facilitating or expediting payment to a foreign official, political party, or party official the purpose of which is to expedite or to secure the performance of a routine governmental action by a foreign official, political party, or party official.

(c) AFFIRMATIVE DEFENSES.—It shall be an affirmative defense to actions under subsections (a) or (g) that—

(1) the payment, gift, offer, or promise of anything of value that was made, was lawful under the written laws and regulations of the foreign official's, political party's, party official's, or candidate's country; or

(2) the payment, gift, offer, or promise of anything of value that was made, was a reasonable and bona fide expenditure, such as travel and lodging expenses, incurred by or on behalf of a foreign official, party, party official, or candidate and was directly related to—

(A) the promotion, demonstration, or explanation of products or services; or

(B) the execution or performance of a contract with a foreign government or agency thereof.

(d) GUIDELINES BY THE ATTORNEY GENERAL.—Not later than one year after the date of the enactment of the Foreign Corrupt Practices Act Amendments of 1988, the Attorney General, after consultation with the Commission, the Secretary of Commerce, the United States Trade Representative, the Secretary of State, and the Secretary of the Treasury, and after obtaining the views of all interested persons through public notice and comment procedures, shall determine to what extent compliance with this section would be enhanced and the business community would be assisted by further clarification of the preceding provisions of this section and may, based on such determination and to the extent necessary and appropriate, issue—

(1) guidelines describing specific types of conduct, associated with common types of export sales arrangements and business contracts, which for purposes of the Department of Justice's present enforcement policy, the Attorney General determines would be in conformance with the preceding provisions of this section; and

(2) general precautionary procedures which issuers may use on a voluntary basis to conform their conduct to the Department of Justice's present enforcement policy regarding the preceding provisions of this section.

The Attorney General shall issue the guidelines and procedures referred to in the preceding sentence in accordance with the provisions of subchapter II of chapter 5 of title 5, United States Code, and those guidelines and procedures shall be subject to the provisions of chapter 7 of that title.

(e) OPINIONS OF THE ATTORNEY GENERAL.—(1) The Attorney General, after consultation with appropriate departments and agencies of the United States and after obtaining the views of all interested persons through public notice and comment procedures, shall establish a procedure to provide responses to specific inquiries by issuers concerning conformance of their conduct with the Department of Justice's present enforcement policy regarding the preceding provisions of this section. The Attorney General shall, within 30 days after receiving such a request, issue an opinion in response to that request. The opinion shall state whether or not certain specified prospective conduct would, for purposes of the Department of Justice's present enforcement policy, violate the preceding provisions of this section. Additional requests for opinions may be filed with the Attorney General regarding other specified prospective conduct that is beyond the scope of conduct specified in previous requests. In any action brought under the applicable provisions of this section, there shall be a rebuttable presumption that conduct, which is specified in a request by an issuer and for which the Attorney General has issued an opinion that such conduct is in conformity with the Department of Justice's present enforcement policy, is in compliance with the preceding provisions of this section. Such a presumption may be rebutted by a preponderance of the evidence. In considering the presumption for purposes of this paragraph, a court shall weigh all relevant factors, including but not limited to whether the information submitted to the Attorney General was accurate and complete and whether it was within the scope of the conduct specified in any request received by the Attorney General. The Attorney General shall establish the procedure required by this paragraph in accordance with the provisions of subchapter II of chapter 5 of title 5, United States Code, and that procedure shall be subject to the provisions of chapter 7 of that title.

(2) Any document or other material which is provided to, received by, or prepared in the Department of Justice or any other department or agency of the United States in connection with a request by an issuer under the procedure established under paragraph (1), shall be exempt from disclosure under section 552 of title 5, United States Code, and shall not, except with the consent of the issuer, be made publicly available, regardless of whether the Attorney General responds to such a request or the issuer withdraws such request before receiving a response.

(3) Any issuer who has made a request to the Attorney General under paragraph (1) may withdraw such request prior to the time the Attorney General issues an opinion in response to such request. Any request so withdrawn shall have no force or effect.

(4) The Attorney General shall, to the maximum extent practicable, provide timely guidance concerning the Department of Justice's present enforcement policy with respect to the preceding provisions of this section to potential exporters and small businesses

that are unable to obtain specialized counsel on issues pertaining to such provisions. Such guidance shall be limited to responses to requests under paragraph (1) concerning conformity of specified prospective conduct with the Department of Justice's present enforcement policy regarding the preceding provisions of this section and general explanations of compliance responsibilities and of potential liabilities under the preceding provisions of this section.

(2) For the purpose of any civil investigation which, in the opinion of the Attorney General, is necessary and proper to enforce this section, the Attorney General or his designee are empowered to administer oaths and affirmations, subpoena witnesses, take evidence, and require the production of any books, papers, or other documents which the Attorney General deems relevant or material to such investigation. The attendance of witnesses and the production of documentary evidence may be required from any place in the United States, or any territory, possession, or commonwealth of the United States, at any designated place of hearing.

(3) In case of contumacy by, or refusal to obey a subpoena issued to, any person, the Attorney General may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of books, papers, or other documents. Any such court may issue an order requiring such person to appear before the Attorney General or his designee, there to produce records, if so ordered, or to give testimony touching the matter under investigation. Any failure to obey such order of the court may be punished by such court as a contempt thereof. (e) GUIDELINES BY THE ATTORNEY GENERAL.—Not later than 6 months after the date of the enactment of the Foreign Corrupt Practices Act Amendments of 1988, the Attorney General, after consultation with the Securities and Exchange Commission, the Secretary of Commerce, The United States Trade Representative, the Secretary of State, and the Secretary of the Treasury, and after obtaining the views of all interested persons through public notice and comment procedures, shall determine to what extent compliance with this section would be enhanced and the business community would be assisted by further clarification of the preceding provisions of this section and may, based on such determination and to the extent necessary and appropriate, issue—

The opinion shall state whether or not certain specified prospective conduct would, for purposes of the Department of Justice's present enforcement policy, violate the preceding provisions of this section. Additional requests for opinions may be filed with the Attorney General regarding other specified prospective conduct that is beyond the scope of conduct specified in previous requests. Such guidance shall be limited to responses to requests under paragraph (1) concerning conformity of specified prospective conduct with the Department of Justice's present enforcement policy regarding the preceding provisions of this section and general explanations of compliance responsibilities and of potential liabilities under the preceding provisions of this section.

(4) REVIEW AND EFFECTIVE DATE.—In exercising its authority under this subsection, the Commission shall not be required to comply with the provisions of section 553 of title 5, United States Code.
