In light of the current economic situation, the University of Denver Sturm College of Law Alumni Council has taken the initiative to establish the **Alumni Career Committee**. The goal of this committee is to **provide mentoring and guidance about employment to graduating students as well as alumni who have lost their jobs. Volunteers are needed.**

Denver Bar Association Mentor Program

Every job has a learning curve and the legal profession is no exception. Why not enhance your learning curve with the help of a mentor? The Denver Bar Association (DBA) has created a new mentor program that pairs a less experienced attorney (5 years or less) with a more seasoned attorney in a collaborative relationship. The DBA Mentoring Program provides a unique opportunity to regularly meet and discuss the decision-making process about managing a practice, important factors to consider when accepting a client, client communications, handling difficult clients or opposing counsel and work-life balance issues.

ALUMNI RESOURCES

The Alumni Career Network Online

The Alumni Career Network (ACN) program enables students to contact participating alumni and discuss specific practice areas, the legal profession in other cities and the overall benefits (and drawbacks) of a career in law. This program is a wonderful way to assist the next generation of DU Law alumni. Please visit the [Alumni Career Network website](#) to register.
