(a) FINDINGS.—The Congress finds that—

(1) the current United States financial crisis necessitates immediate action to stabilize the financial system, restore liquidity to financial institutions and the capital markets, protect savings and pensions, and preserve the availability of credit for individuals and businesses;

(2) actions taken to protect consumers and minimize mortgage foreclosures are equally important objectives in promoting a resolution to this crisis and will minimize any losses and maximize the ultimate return to the taxpayer on assets purchased under this program; and
(3) existing financial regulatory structures have clearly failed either to prevent the current crisis or to protect United States consumers and investors, and comprehensive regulatory reform is required to restore confidence in financial markets and institutions going forward.

(b) PURPOSES.— The purposes of this Act are—

(1) to immediately provide authority and facilities that the Secretary of the Treasury can use to restore liquidity and stability to United States financial markets;

(2) to ensure that this authority and these facilities are used in a manner that minimizes mortgage foreclosures, maximizes the ability of United States homeowners to remain in their homes, protects individual investors, including retirement fund investors, and minimizes initial costs and maximizes overall returns to United States taxpayers;

(3) to review, on an expedited basis, the ways that deficiencies and gaps in the current financial regulatory system contributed to the current crisis; and

(4) to act as quickly as possible to comprehensively restructure the United States financial regulatory system to protect consumers and homeowners,
reform the mortgage lending and securitization process, enhance the transparency and fairness in financial markets, and ensure the future stability of the financial system.

SEC. 3. PURCHASES OF TROUBLED ASSETS.

(a) AUTHORITY TO PURCHASE.—The Secretary is authorized to purchase, and to make and fund commitments to purchase, on such terms and conditions as determined by the Secretary, troubled assets from any financial institution (as such terms are defined in section 26 of this Act).

(c) NECESSARY ACTIONS.—The Secretary is authorized to take such actions as the Secretary deems necessary to carry out the authorities in this Act, including, without limitation, the following:

(1) The Secretary shall have direct hiring authority with respect to the appointment of employees to administer this Act.
(2) Entering into contracts, including contracts for services authorized by section 3109 of title 5, United States Code.

(5) Issuing such regulations and other guidance as may be necessary or appropriate to define terms or carry out the authorities or purposes of this Act.

SEC. 4. CONSIDERATIONS.

In exercising the authorities granted in this Act, the Secretary shall take into consideration—

(1) providing stability or preventing disruption to the financial markets or banking system;

(2) protecting the taxpayers; and

(3) in determining whether to engage in a direct purchase from an individual financial institution, the strength of the financial institution in determining whether the purchase represents the most efficient use of funds under this Act.
SEC. 5. REPORTS TO CONGRESS.

(a) IN GENERAL.—Before the expiration of the 60-day period beginning upon the first exercise of the authority granted in section 3(a), and every 90 days thereafter, the Secretary shall report to the Congress with respect to the authorities exercised under this Act and the considerations required by section 4 and efforts under section 8.

(b) PLAN.—Before the expiration of the 15-day period beginning upon the date of the enactment of this Act, the Secretary shall submit a plan to Congress detailing the expected use of the funds provided for administrative expenses by section 15. Before the expiration of the 45-day period beginning upon the date of the enactment of this Act, the Secretary shall submit a report to Congress detailing actual obligation and expenditure of the funds provided for administrative expenses by section 15 for the period ending 30 days after enactment of this Act. Beginning 90 days after enactment of this Act, the Secretary shall submit a quarterly report to Congress detailing the actual expenditure of funds provided for administrative expenses by section 15 and the expected expenditure of such funds in the subsequent quarter.]

SEC. 6. RIGHTS; MANAGEMENT; SALE OF TROUBLED ASSETS; REVENUES AND SALE PROCEEDS.

(a) EXERCISE OF RIGHTS.—The Secretary may, at any time, exercise any rights received in connection with troubled assets purchased under this Act.

In awarding contracts to asset managers, the Secretary shall solicit proposals from a broad range of qualified firms or individuals and publish a request for information seeking information from qualified vendors interested in performing the work. In awarding such contracts, the Secretary shall take appropriate steps to manage conflicts of interest, including requiring potential firms to identify and disclose to the Secretary potential conflicts of interest and to submit a strategy to mitigate such conflicts, requiring such vendors to acknowledge that they have a fiduciary duty to the United States, and restricting staff from sharing information received from or on behalf of the United States or providing services to both the United States and other clients where a conflict exists. Notwithstanding the foregoing, the Federal Deposit Insurance Corporation shall be eligible and shall be considered in the selection of asset managers for whole loans and shall be reimbursed by the Secretary for any services provided.

SEC. 8. FORECLOSURE MITIGATION EFFORTS.

(a) RESIDENTIAL MORTGAGE LOAN SERVICING STANDARDS.—To the extent the Secretary acquires mortgages, mortgage backed securities, and other assets secured by residential real estate, the Secretary shall maximize assistance to the underlying mortgagors and use the
Secretary’s authority as investor to encourage the
servicers of the underlying mortgages, using net present
value analysis, to take advantage of the Hope for Home-
owners Program under section 257 of the National Hous-
ing Act or other available programs to minimize fore-
closures.]

[(b) COORDINATION.—The Secretary shall coordi-
nate with the Federal Deposit Insurance Corporation, the
Federal Housing Finance Agency, the Department of
Housing and Urban Development, and other Federal Gov-
ernment entities that hold troubled assets to attempt to
identify opportunities for the acquisition of classes of trou-
bled assets that will improve the Secretary’s ability to im-
prove the loan modification and restructuring process and,
where permissible, to permit bona fide tenants who are
current on their rent to remain in their homes under the
terms of the lease.]

[(c) CONSENT TO REASONABLE LOAN MODIFICA-
TION REQUESTS.—For residential mortgages underlying
troubled assets purchased under this Act, the Secretary
shall request loan servicers servicing the mortgage loans
to avoid preventable foreclosures, to the greatest extent
possible, to the extent that the Secretary, as an investor,
has discretion to do so under existing investment con-
tracts. Upon any request arising under existing invest-
ment contracts, the Secretary shall consent, where appro-
appropriate, to reasonable requests for loss mitigation mea-
ures, including term extensions, rate reductions, principal

Such standards shall be effective for the duration of the holding by the Secretary of such equity position, and shall include—]

[(1) a requirement that the financial institution permit any shareholder or group of shareholders holding, in the aggregate, equity securities of the institution representing three percent or more of the equity securities of the financial institution, access to the proxy solicitation and shareholder vote for any election of the board of directors of the institution for the purposes of nominating and electing a designated individual to the board of directors of the institution;]

CENTRAL BANKS.

The Secretary shall coordinate, as appropriate, with
foreign financial authorities and central banks to work to-

of purchases under this Act. To the extent that such au-

SEC. 11. MINIMIZATION OF LONG-TERM COSTS AND MAXIMIZATION OF BENEFITS FOR TAXPAYERS.

(a) Long-Term Costs and Benefits.—The Secretary shall use the authority under this Act in a manner that will minimize any potential long-term negative impact on the taxpayer, taking into account the direct outlays, potential long-term returns on assets purchased, and the overall economic benefits of the program, including through improving the economic activity and the availability of credit, limiting losses to the savings and pensions of individuals, and reducing losses to the Federal Government.

(b) Use of Market Mechanisms.—In making purchases under this Act, the Secretary shall maximize the efficiency of its use of taxpayer resources in making purchases by using market mechanisms, including auctions or reverse auctions, where appropriate.

(c) Direct Purchases.—Where the Secretary determines that the purposes of the Act are best met through direct purchases from an individual financial in-
stitution where no bidding process or market prices are available, the Secretary shall pursue additional measures to—

(1) ensure that prices paid for assets are reasonable; and

(2) share potential benefits of the purchase to the financial institution, including, [but not limited to], warrants or other similar mechanisms.

Such measures are not required where purchases are made from an individual financial institution for the purpose of gaining greater control over a particular issue of securities for the purposes of facilitating loan work-outs.
