

Welcome to Contracts!

I look forward to meeting you all soon.

For our first class, please read pages 43-55 of the casebook. (You should also read pages 12-41 of the book for an overview of the course, but we will not discuss those materials directly.)

In addition, by Thursday, January 14, at 5:00 p.m., please send me an email (vmoffat@law.du.edu) with the subject line “Contracts Introduction” and include the following in your message:

1. The name you prefer to be called, along with your preferred pronouns.
2. Tell me a little bit about what went well for you in your first semester and a little bit about what didn't go so well. No need to share any personal/private information, but anything you can tell me to help tailor the class for you and these strange times in which we find ourselves would be helpful.
3. Briefly describe a contract you have entered into in the last year or two. (Again, no need to share any personal or private information.)

Thank you! Please send me an email any time with questions, concerns, etc.

All the best,
Professor Moffat
