

ROCKY MOUNTAIN LAND USE INSTITUTE

Seeking to elevate the law, policy and practice of sustainable development in the West to promote nature-friendly, prosperous and equitable communities.

The Rocky Mountain Land Use Institute's annual Western Places/Western Spaces conference is *the* place for land use and development professionals in the West to share knowledge and to network.

For more than 25 years, RMLUI's conference has convened the West's top practitioners to lead a discussion about the challenges presented by growth and innovative ideas for addressing them.

Western Places/Western Spaces brings together more than 450:

- ◆ State and local government leaders
- ◆ Planning professionals
- ◆ Land use lawyers
- ◆ Real estate developers
- ◆ Non-profit organizations

Our conference is not possible without the generous support of our sponsors. Your financial contributions help fund our programs and conference activities, including top notch keynote speakers, plenary lunch events, and tours. Conference sponsorship provides visibility and underscores your company's commitment to sustainable communities and informed and ethical land use and development practices.

All sponsors will receive the following benefits:

- ◆ Sponsor's logo linked to company's website will be displayed on the RMLUI website throughout the conference year.
- ◆ Sponsor will be recognized in the conference event app and program distributed to all attendees.
- ◆ Logo displayed on main stage screen before keynote presentation.
- ◆ Display space in the Forum.

If you would like to become a sponsor for the RMLUI conference, please review our sponsorship platforms or contact Susan Daggett.
