STATE & FEDERAL
MULTIPLE USE LANDS**

Summer Waters, CFM
Program Director
Western Lands and Communities

LINCOLN INSTITUTE OF LAND POLICY

The Lincoln Institute addresses important contemporary issues in land policy through its research projects and its programs for public officials, private-sector participants, and others who are actively involved in making decisions about the taxation, regulation, and use of land in their communities.

Conserving State Trust Lands

Strategies for the Intermountain West

POLICY FOCUS REPORT

LINCOLN INSTITUTE OF LAND POLICY

SUSAN CULP AND JOE MARLOW

Policy Focus Report (PFR) Highlights

- Describes tools and strategies for conservation on state trust lands
- Provides case studies
- Explores opportunities and challenges related to conservation on state trust lands
- Recommends a range of reform options for increasing the likelihood of conservation outcomes on state trust lands

Large Landscape Scale Conservation Context

- New paradigm for natural resources management
- Requires multijurisdictional collaboration
- Important for implementing meaningful conservation
- State trust lands have potential to play an important role in large landscape conservation
- Unique set of considerations face state trust land managers

Agenda

- I. Susan Culp: Conservation Challenges on Multiple Use Lands and Tools to Enable Success
- II. Tobin Follenweider: State Trust Land Management in Colorado
- III. Genevieve Johnson: Large Landscape Conservation & Balancing Multiple Use Objectives and Conservation Goals at the Landscape Scale
- IV. Q & A Opportunity After Each Speaker
- V. Moderator and Audience Q&A with Panel
