Weekly Agenda

I. Call to Order

- a. Attendance – 14/15 people were present.
- b. Approval of Minutes – 14/14 approved.

II. Guest Speakers

a. Anica Midthun & Max Parmenter – **LSASDV**

- i. See email for their ppt and bylaws.
- ii. *Questions*

1. Hailey – How is this different from other groups on campus?
 - a. This is attempting to create a safe space; a concentrated organization. This organization is only for domestic violence / sexual assault. Not just part of what they want to do – it is the entirety of what they want to do.
2. Gideon – have you reached out to people beyond the Board?
 - a. Did the postcard campaign; 50-60 people have said they want to be a part of this; have their emails.
3. Sara – Have you reached out to other groups on campus to be more of a subset of their organizations?
 - a. Reached out to other organizations for the postcard event and partnered with them. Did not reach out for a panel.

iii. *Discussion* – goes against the bylaws; there is no organization solely dedicated to this cause; there are organizations that address certain aspects of this but this would be solely dedicated to this; we do need to be cognizant of the fact that funds will run out at some point so we want to keep the overlap as minimal as possible; there is distinction; the organizations doing these events are doing it because there is a void so it would not be duplicative so people could co-partner with them.

iv. *Motion for new organization – APPROVED.*

b. Daniel Ko – **DLVA**

- i. See your email for the ppt. and bylaws.
- ii. *Questions*

1. Hailey – How is this different from other groups on campus? (Public Interest Law Society, Student Animal legal defense fund, etc.) Why not join their volunteer aspects?
 - a. Want it to be more for the general interest of DU. It is either narrowed in on certain aspects or

addressing a particular aspect. This is for DU law students to go out into the community.

2. Jacob – We do not do budget requests right now. What would you do without the money?
 - a. Think they can still run without the money. Can find co-sponsors to work with in the community.
 - b. Jacob – this can be a grass-roots organization; make a ListServ.
- iii. *Discussion* – there are a lot of volunteering opportunities at this school; DU already has a lot of publicized volunteering opportunities so that is not something CU only has; the structure is not one for success.
- iv. Motion for new organization – DENIED.
 1. Motion to vote – Moved to deny. 8 agree (*i.e. deny the approval of the organization*); 3 deny (*i.e. want to create the organization*); 3 abstained.
