 - i. Barristers
 - 1. Should we close down the bar completely at 11 pm or move it to a cash bar?
 - a. Why? Encourages people to clear out prior to midnight; if we go until midnight then we're not gone until 12:30 am or 1 am which upsets security and the building. Also, there are budget concerns for SBA.
 - b. Concerns
 - i. Event is advertised until midnight and we've said the event came with open bar. Unfair to change policy now after advertising and selling tickets. Alcohol should be served until midnight.
 - ii. Plus, tickets cost \$40
 - iii. Can we stop serving at 11:30 pm? We pay until 11:30 pm
 - iv. Already enough controversy on the issue
 - c. Solution, last call for alcohol at 11:30 pm, we pay until then. Bar closes at 11:30 pm.
 - d. Keep in mind, if someone is deemed too drunk, then they will be cut off.
 - 2. Shifts
 - a. Half hour shifts, everyone needs to take one
