VI. Senator Reports

- a. Maureen: At GSAC this week, the school is the process of its reaccreditation process for DU. There is going to be a campus visit November 8-10. Members are going to be around campus and asking random students questions. There will also be a graduate panel. DU is thinking of re-doing their honor code. They want some law school involvement in Grad games if anyone wants to be a judge.
- b. Chad: Met with the guy from the athletic department. We are trying to get more attendance to change conferences. They are going to bring in law firms for a networking event. They want SBA to get the word out so get students involved. The first of these games is November 18th. The events are free. They are wondering if SBA would fund food at these events.
 - i. Alan: The CDC should probably be brought into this funding.
- c. Chad: It would be good to have SBA to have law firms come in and have a networking opportunity and them to talk about themselves.
 - i. Stephen: It might be hard to get some of these firms to come in.
 - ii. Dieter: The school is hiring a Dean Assistant for the CDC so they might want to do some of this stuff.
