STURM COLLEGE OF LAW

2020 Public Interest Law Group Auction

The annual Public Interest Law Group (PILG) Auction will occur **March 16 – March 19**. Proceeds from the auction fund stipends for students wishing to pursue unpaid nonprofit/government work over the summer.

As usual, PILG will host the silent auction in the law school Forum, and will continue last year's successful online bidding component featuring a handful of "big ticket" items.

There are a few ways you can support the 2020 PILG Auction:

- **Donate a professor/staff experience.** The most popular bids during the auction. Students love the opportunity to engage with their favorite professors and staff members outside of the law school. We encourage people to team up to create group experiences as those bring in the highest bids last year. Ideas for experience include: Hikes/bike rides/golf; attending a sports event/ballet/play; dinner at the prof/staff member's home, etc.
- **Donate a "big ticket" item.** This could include things like time-share vacations, weekend mountain getaways, dinner at a high-end Denver restaurant, or other tangible items of higher value. Please feel free to reach out to **Lexi Freeman** or **Phoebe Blessing** with ideas!
- **Make a monetary donation.** If you would like to make a monetary donation, please write a check to Public Interest Law Group and drop it by Lexi Freeman's office in Room 365M (or mailbox in the clinic suite) or you can provide a monetary donation **online**.

Please submit your experiences and/or "big ticket items" by Friday, March 6, 2020.

Thank you in advance for your participation and dedication to public interest law and the students at the Sturm College of Law. If you have any concerns, questions, comments or suggestions, please reach out to PILG president **Phoebe Blessing**.
