LL.M./M.T. COURSE PLAN INFORMATION

- New students typically start with Fundamentals of Taxation as their first course. If a student is seeking additional courses, they should consider Corporate Taxation and Basic Tax Procedure (if starting in the Fall). Partnership Taxation is considered the most intensive course and is usually saved for the last semester of a student's degree program.
- It is best to plan to limit Summer enrollment to 4 or fewer credit hours.
- The following courses require the noted pre-requisites:
 - Estate Planning (Estate and Gift)
 - Taxation of Corporate Reorgs and Divisions (Corporate)
 - S Corps (Corporate)
 - Advanced Tax Procedure (Basic Tax Procedure)
