**SUPPLEMENTAL JUROR QUESTIONNAIRE
PANEL 2007 — EWN
INSTRUCTIONS TO JURORS**

You must answer the attached supplemental questionnaire. The answers will assist the judge and lawyers in selecting a jury. Answer all the questions to the best of your ability. There are no right or wrong answers. To answer correctly you must answer honestly. Please return this questionnaire, along with the Juror Qualification Questionnaire, in the enclosed postage-prepaid return envelope.

We need your help so that we can select a fair and impartial jury in this case. Only the judge and lawyers will know your name. Do not assume anything from these questions. The fact they are being asked does not necessarily have anything to do with the evidence that you will hear.

The judge and lawyers know that every person has beliefs and prejudices concerning many things. You should answer with your true feelings, whatever they may be. Do not assume that any of your answers will qualify you or disqualify you from serving on this jury.

Please fully answer each question to the best of your ability. Write or print clearly. You must not ask anyone for help. Do the best you can.

If you cannot answer a question because you do not understand it, write "Do Not Understand" in the margin next to the question. If you cannot answer because you do not know, write "Do Not Know" in the margin next to the question. If you want to explain your answer, do so briefly in the margin next to the question or on the Explanation Sheet at the end of the questionnaire.

We are all certain that you understand the importance of juries to our American system of justice. We are confident that you will not try to avoid your duty as a citizen to serve if it is at all possible to do so. Without your help our courts cannot operate properly under the Constitution.

An Explanation Sheet is provided for you at the end of the questionnaire to answer questions more fully. Rather than leaving out information, please turn to the end and put your answers on the explanation sheet provided. Please start any explanation by indicating the number of the question you are explaining.

Because your answers are part of the jury selection process and become part of the records of this court, your answers must be truthful and under penalty of perjury.
