

Conference Sponsorship Opportunities

Information for Vendors

Location

This conference will be hosted at the Sturm College of Law at the University of Denver, following the overwhelming success of the first such conference hosted in September 2019, at which there were over 160 attendees. DU Law is a top 70 law school with several nationally ranked programs. It also will be entering its fourth year running an Executive J.D. program, which is a hybrid online program. The law school is located near downtown Denver in the University Park neighborhood and is accessible by Denver's light rail system.

Dates and Times

The conference will take place Thursday, Friday, and Saturday, September 30, October 1, and October 2, 2021. The opening reception will be held Thursday evening, and sessions will take place Friday and Saturday. There may be some content offered remotely, but we are hoping this will be primarily an in-person conference.

Conference Website

The initial conference website will be posted in April of 2021.

Sponsor Opportunities

Promote Your Brand; Build Relationships

This Online Learning Conference offers exhibitors an intimate setting in which to promote products and to build relationships with influential professors.

We expect approximately 100 law professors and Deans from leading law schools around the country to attend. AccessLex has already stepped up to be the Lead sponsor, but there are other sponsorship opportunities available. Sponsorship payments will be accepted by check or credit card and are due by 7/1/21.
