LL.M./M.T. COURSE PLAN INFORMATION

- New students typically start with Fundamentals of Taxation as their first course. If a student is seeking additional courses, they should consider Corporate Taxation and Research and Writing (if starting in the Fall). Partnership Taxation is considered the most intensive course and is usually saved for the latter semesters of a student's degree program.
- It is best to plan to limit Summer enrollment to 4 or fewer credit hours.
- The following courses require the noted pre-requisites:
 - Estate Planning (Estate and Gift) (Co-requisite: Fiduciary Income)
 - Taxation of Mergers and Acquisitions (Corporate)
 - Taxation of Startups & Venture Capital (Corporate; Partnership)
 - Planning for Closely Held Businesses (Corporate; Partnership)
 - S Corps (Corporate)
