Other CCLP Courses to Consider Taking:

Note: *These courses do not meet a specific requirement, but are CCLP oriented courses and can be used, in conjunction with having met the other requirements, to assist you in meeting the 26 credit hour minimum requirement for the certificate.*

Insurance Money & Litigation Bootcamp (Special Topics)
Introduction to the Regulation of Cryptoassets (Special Topics)
Taxation of Business Entities (Special Topics)

***Note:** *You cannot use a single course to fulfill two separate requirements with the exception that your CCLP Approved Writing Course can also fulfill your general ULW requirement. For example, you cannot use International Business Negotiations to meet both your Critical Thinking Seminar Requirement and Other Business Course Requirement – you can only use it to meet one of those requirements. Another example would be that you can't use Agency, Partnership & LLCs to meet both one of your two other courses in the Category 2 requirements and as your Critical Thinking Seminar course.*
