The Bay Area Open Space Council is a unique coalition founded 23 years ago. The Council collaborates with land trusts, public agencies and others to set and execute a conservation vision for the San Francisco Bay Area. We work regionally to protect the land, connect people to the land, and convene efforts to steward parks, trails, and agricultural land.

“The whole is greater than the sum of its parts.”

Aristotle

Convening

Greenbelt Alliance is the champion of the places that make the Bay Area special. We ensure the right development happens in the right places. We work to protect the region's open spaces and make sure cities grow in a way that creates great neighborhoods for everyone.
